Richard L. Monfort

Owner/Chairman & Chief Executive Officer

Dick Monfort enters his 16th season with the Rockies franchise and in 2013 he continues in his role as Owner/Chairman and Chief Executive Officer for the Club.

A Colorado native, Monfort and the Colorado Rockies Ownership Group have established the Colorado Rockies Baseball Club as a leading organization in the Rocky Mountain Region in both the sport and business of baseball. In September of 2004, The Monfort Family Foundation, a family directed charitable organization gifted $10 million dollar to Children's Hospital Colorado with the construction of a new medical facility in Aurora, Colorado. The Oncology Floor of the new hospital is named in memory of Rick Wilson, a cousin of the Monfort Family. In addition, the Monfort's recently funded an artwork and photo display along with Colorado Rockies memorabilia which enhances the seventh floor of the hospital. Dick is the 2008 recipient of the United Way of Weld County Humanitarian of the Year Award; an award his father Kenny Monfort, received twenty years earlier. Ongoing funding and endorsement for the Boys & Girls Clubs in Metro Denver and Weld County continues to be an important work. In 2012, the benevolent work continued by matching dollar for dollar on collected contributions for those Coloradoans devastated by Colorado wildfires. Monfort Family also supports Monfort School of Business, University of Northern Colorado and the Monfort Excellence Fund, Colorado State University which both have tremendous impact on students, faculty and the Northern Colorado community through its scholarships for exceptional students and its support of outstanding faculty.

Monfort spent 25 years in the cattle business, primarily with his family's company. He became President of Monfort of Colorado, Inc. in 1987 and joined ConAgra Red Meats in 1991 as the President & CEO, then retiring from ConAgra in 1995. He helped launch the Montera Cattle Co. in 1996; currently, he owns the Hyatt Regency Indian Wells Resort & Spa in Indian Wells, California and the Hilltop Steak House in Boston. In January of 2012, Dick and his brother Charlie headed an investment group that purchased the Casper Ghosts, the Rockies affiliate in the Pioneer League now located in Grand Junction, Colorado.

Monfort is: Chairman of the University of Northern Colorado Board of Trustees, Chairman, Board of Directors of University of Colorado Health, Chairman of the Colorado Economic Development Commission, and on the Denver Zoo Board.

Born April 27, 1954, Dick makes his home in Greeley and he has three children: daughter Lyndsey, son-in-law Aaron Graber, and sons Walker and Sterling. A 1976 graduate of the University of Northern Colorado, Dick has a Bachelor of Arts Degree in Business Management. In May of 2012, Colorado State University President Tony Frank awarded the degree of Doctor of Humane Letters, [Honoris Causa], to Dick in recognition of his significant contributions to Colorado, industry, and higher education.

Charles K. Monfort

Owner/General Partner

Charlie Monfort, Owner/General Partner is a Club founder and has been one of the Rockies' managing general partners since 1992.

As the Colorado Rockies celebrate the Club's 20th Anniversary this year, Charlie and the organization recognize some significant achievements over the years and look forward to many more. The Club earned its first post season appearance in 1995 as the National League Wild Card. The 2007 season was a historical one, as the team won its first National League Championship and advanced to the World Series for the first time in franchise history. An important note and distinctive tribute for our organization includes the fact that 16 of the 25 players on the 2007 post season roster were developed through the Colorado Rockies farm system. Player development programs continue to have success: this past year Colorado Springs Sky Sox Triple-A finished 2nd in PCL Northern, Tulsa Drillers Double-A won 1st Half, 2nd overall in Texas League, Modesto Nuts High-A won 2nd half, 2nd overall in California League, Asheville Tourists Low-A finished 1st in the SAL Southern, Tri-City Dust Devils A-Short season finished 3rd in Northwest League, Grand Junction Rockies Rookie finished 2nd in Pioneer League South and the DSL Rockies finished 2nd in Dominican Summer League.

Both Charlie and Dick have strong ties to the state of Colorado and are very active within the community. In September of 2004, The Monfort Family Foundation donated a $10 million dollar gift to The Children's Hospital to help build a new medical facility in Aurora, Colorado. The Oncology Floor of the new hospital is named after Rick Wilson, a cousin of the Monfort Family. Further donations have funded artwork and photo displays along with Colorado Rockies memorabilia which enhances the seventh floor of the hospital. Ongoing funding and endorsement for the Boys & Girls Clubs in Metro Denver and Weld County continues to be an important work. In 2012, the benevolent work continued by matching dollar for dollar on collected contributions for those Coloradoans devastated by Colorado wildfires. Monfort Family supports the Monfort School of Business, University of Northern Colorado and the Monfort Excellence Fund, Colorado State University which both have tremendous impact on students, faculty and the Northern Colorado community through its scholarships for exceptional students and its support of outstanding faculty. Many entities and organizations are benefactors of their gracious philanthropic work, enriching such institutions as CU Cancer Center, Craig Hospital, United Way, Denver Art Museum and Habitat for Humanity.

Charlie's family has operated a major cattle-feeding operation for three generations, and introduced fabrication of beef products in 1959. Based in Greeley, Colorado, the company was operated by the Monforts since the 1930s. Charlie became president of Monfort International Sales Corp., in 1988 and under his guidance the corporation became one of the largest beef exporters in the world, and the leading exporter of beef products to Asia.

Monfort became president of ConAgra Refrigerated Foods International, Inc., in 1990, which consolidated his company with all of ConAgra's refrigerated foods international companies. In order to concentrate on his leadership role in the Rockies, Charlie resigned as president in late 1997. In January of last year, Charlie and his brother Dick headed an investment group that purchased the Casper Ghosts, the Rockies affiliate in the Pioneer League now located in Grand Junction, Colorado.

Born Oct. 30, 1959, Monfort has a Bachelor of Science Degree in Marketing & Business Management from the University of Utah (1982) and served as president of Kappa Sigma Fraternity. He currently serves on the Special Olympics Board of Directors and is a member of the Advisory Board for the University of Utah. Charlie has son Kenny, daughter Ciara and twins, son Lucas and daughter Danica and continues to make his home in Greeley.

EXPANSION DREAMS

The 2007 National League Champion Rockies were the sixth expansion team to play in a World Series since 2000 (Tampa Bay achieved that status in 2008). Colorado reached the World Series in the team's 15th season, after joining the National League in 1993.

Only six expansion teams have reached their first World Series faster.

- Finished as runner-up for the batting title in both 2003 and 2004, the first player to finish second in back-to-back campaigns since Atlanta's Ralph Garr in 1971-72…in 2003, Todd finished .00022 points behind first-place Albert Pujols in what was the closest batting race in National League history.
- Now in his 18th Professional season, Helton has been with the Rockies organization longer than any player in franchise history...made his 15th consecutive Opening Day start for Colorado in 2012, the franchise record in that category.
- Ranks among top-100 all-time in Major League Baseball (T-81st) in home runs (354).

- Helton is just the 42nd player all-time with 2,000 hits, 300 home runs and 1,000 walks.
- In 2008, Helton (1,130 career walks) became the 26th player since 1900 to draw 1,000 walks in his first 12 seasons in the Majors, a feat also accomplished by only 10 players who are all in the Hall of Fame...among the 11 active players with more than 1,000 walks, Helton is one of two with more walks than strikeouts (also: Chipper Jones).
- Also in 2008, Helton hit a double for his 800th career extra-base hit...with that hit, he became just the 53rd player all-time to amass 800 extra-base hits and 1,000 walks in his career.
- From 2000-01, he became the first player in MLB history to record 100 extra base hits in consecutive seasons, just the 4th player ever to total 400 bases in consecutive seasons and the seventh player to hit 50 doubles in consecutive years.
- In 2000 alone, he became only the fifth player ever–the first in 63 years–and the first ever in the National League with at least 200 hits, 40 home runs, 100 RBI, 100 runs, 100 extra-base hits and 100 walks…that same year, he won his first batting title with a .372 average, the seventh-highest average by a first baseman in MLB history…Todd was hitting .400 on Aug. 21, 2000, the first player to touch the .400-mark that late in a season in 20 years.

ROCKY TOP TENNESSEE

Tennessee Sports Information

As many know by now, Todd Helton was not just a baseball star at the University of Tennessee, he was also a quarterback for the gridiron Vols…but simply calling him "Peyton Manning's backup" is a mistake…in fact, Helton beat out Manning and another highly touted freshman, Branndon Stewart, for the No. 2 quarterback job behind Jerry Colquitt out of fall camp in 1994…when Colquitt suffered a season-ending knee injury in the '94 opener at UCLA on Sept. 3, Helton saw the bulk of the playing time that afternoon in relief, but Tennessee still lost 25-23…Helton then made his first collegiate start the following week at Georgia, and completed 9-of-13 passes for 110 yards and one touchdown in leading the Vols to a 41-23 victory over the Bulldogs…the southpaw started two more games, a 31-0 loss to Florida on Sept. 17 and then a 24-21 loss at Mississippi State on Sept. 24…in that Sept. 24th game, Todd suffered a sprained Medial Collateral Ligament in the first half and did not return…Manning took over from there and became Tennessee's all-time passing leader…Stewart transferred to Texas A&M…Helton's final appearance as a quarterback came late in UT's 65-0 drubbing of Vanderbilt on Nov. 26…he went on to be named Baseball America's Collegiate Player of the Year on the baseball diamond the following spring and was drafted by the Rockies as the club's first round selection (eighth overall) that June.

TRIPLE PLAYS

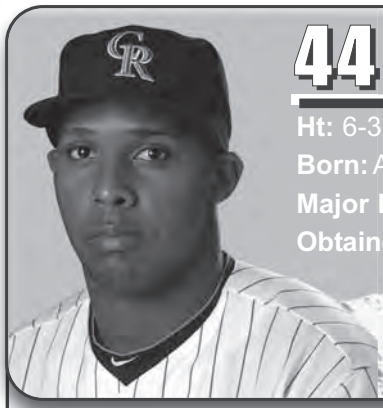

The Rockies recorded their first of two triple plays in franchise history on **April 10, 2003 vs. St. Louis** in the sixth inning…officially, the putout went 3-6-6…with no outs and runners at first and second moving on the pitch, Orlando Palmeiro lined out to 1B Todd Helton…Helton turned and threw it to shortstop Jose Hernandez who was covering second to double-up Scott Rolen…Hernandez then tagged Tino Martinez, the runner who was advancing from first to second, to complete the third out.

Colorado's second triple play came on **April 29, 2007 vs. Atlanta** in the seventh inning…rookie shortstop Troy Tulowitzki pulled off one of baseball's rarest feats: an unassisted triple play…it was just the 13th such play in Major League history, the 12th ever in the regular season…in the top of the seventh inning, there were runners on first and second with no outs when Chipper Jones lined out to Tulowitzki, who stepped on second base to retire Kelly Johnson, then tagged Edgar Renteria running from first base…it was the first unassisted triple play since shortstop Rafael Furcal turned the trick for Atlanta on Aug. 10, 2003 at St. Louis.

Two opponents have turned a triple play against the Rockies.

On June 13, 1998 at Los Angeles, the Dodgers turned the first triple play against the Rockies…with no outs in the fifth and runners on first and second, Kurt Abbott dropped a sacrifice bunt attempt…pitcher Darren Dreifort picked up the ball and threw to second to force out Neifi Perez…shortstop Jose Vizcaino, who received Dreifort's throw, fired to first to get Abbott…second baseman Eric Young, who was covering first, then completed the play by throwing to third to get Jamey Wright (1-6-4-5).

Then, almost exactly one year later **at Coors Field, on June 14, 1999**, it happened again…this one, though, was more "routine"…with Edgard Clemente at-bat and runners on first and second, Giants left-hander Shawn Estes induced a hot ground ball to third…Bill Mueller fielded it, stepped on his bag to force Angel Echevarria, and gunned it to second…Jeff Kent, the second baseman, made the pivot, forcing Henry Blanco at second, before completing the play by nailing Clemente at first (5-4-3).

UNDER REVIEW

August 10, 2009 vs. Chicago Cubs

Instant replay was used for the first time at Coors Field on August 10, 2009. The Rockies felt that Troy Tulowitzki had hit a grand slam. Umpire Bill Welke called it foul. After reviewing replays, Welke's call was upheld. The instant replay official in New York ruled in favor of the umpires. Bob Davidson, the crew chief, had access to a field-level monitor controlled by an MLB technician in New York, who provided looks at all replay angles available from FSN Rocky Mountain and Comcast Chicago, both of which televised the game. What might have been a grand slam down the left-field line was ruled a foul ball before Tulowitzki singled later in the at-bat. The first official review lasted 4 minutes, 10 seconds.

Tulowitzki, who had already hit a home run in the game (1st inning), hit for the cycle that night. When he tripled in the 7th inning to complete the cycle it appeared that the non-home run call allowed him to hit for the cycle (since he collected a single in that at-bat instead of a grand slam). But Tulowitzki went on to hit another single in the 8th inning, finishing his night 5-for-5 with 7 RBI. Cubs manager Lou Piniella, who was happy the call was not ruled a grand slam, had this to say about Tulowitzki's performance: "What did he have, five hits? Seven RBI? And he just missed that one around the flagpole (reviewed play). I've never seen a guy drive in nine runs in a game. Thank God I didn't."

THE ROCKIES finished the 2012 season with a record of 64-98, placing fifth in the National League West. The Rockies finished 30.0 games behind first place San Francisco. The Rockies 64 wins are the fewest in franchise history, falling short of the previous record of 67 wins in both 2005 and 1993. Colorado finished with the 3rd-lowest winning percentage in the league in 2012, as only Houston (55-107, .340) and the Chicago Cubs (61-101, .377) had more losses than the Rockies.

Colorado spent the majority of the 2012 season in fourth (62 days) or fifth (83 days) place. For the second-straight season, the Rockies were most competetive in May, gong 11-11 in the season's first month. The Rockies would go 10-18 in May, 9-18 in June and 7-17 in July. Colorado's most wins in a month of 2012 came during August when the club went 16-13.

The Rockies are 28-19 in April over the last two seasons. However, the Rockies are a combined 18-39 during the month of May over the last two seasons as well.

The Rockies were 33-52 prior to the All-Star break, and 31-46 after the break. Colorado spent all but one day in fifth place in the National League West following the All-star break.

ATTENDANCE: The Rockies finished with a home attendance of 2,630,458 in 81 home dates at Coors Field, an average of 32,474. The 2012 season marked the fifth-straight season the Rockies have averaged over 32,000 fans per home game. 2012 also marked the 19th time in 20 seasons in franchise history to draw over 2 million fans, also the seventh-consecutive year to do so since 2006. Colorado drew crowds of over 35,000 on 27 occasions in 2012. The Opening Day crowd of 49,282 on April 9 vs. San Francisco was the largest crowd of the year. That figure was also the fourth largest paid attendance total in franchise history, behind only the 2010 home-opener (49,509, 4/10 vs. SD), the 2009 home-opener (49,427, 4/10/09 vs. PHI) and the 2011 home -opener (4/1/11 vs. ARI).

HOME/ROAD: Colorado went 35-46 (.432) in their 81 home dates at Coors Field in 2012. It was just the fifth time in 18 seasons at Coors Field that the Rockies have had a sub-.500 record at home. Colorado went 48-61 in night games in 2012, five fewer wins than the club had at night in 2011. The 109 night games were two fewer than the 2011 season. The Rockies' 2 Interleague wins tied the fewest in franchise history (2-10 in 2001), while the 13 losses were the most in Interleague for Colorado all-time. Prior to 2012, the Rockies had a winning record in Interleague play in five of the previous six seasons, since 2006. Despite being 11 games under .500 in Interleague in 2012, the Rockies still own the National League's high-

est winning percentage during Interleague play since 2006, with a mark of 58-50 (.537).

Colorado led the NL in batting average and hits (T-1st) and finished in the top-5 in runs (3rd), doubles (2nd), triples (2nd), home runs (5th), RBI (3rd) and slugging percentage (2nd)

Rockies hitters batted .306 (864-for-2,827) at home, compared to .241 (662-for-2,750) on the road. The Rockies scored 214 more runs at home (486) than on the road (272) in 2012.

Colorado batted .276 (192-for-1,418) with runners in scoring position, .286 (674-for-2,356) with runners on base and .265 (852-for-3,221) with none on. The club's .245 average with RISP was 11th in the NL. Colroado's .276 batting average with runners in scoring position led the National League. Colorado's .276 mark with RISP was the club's highest since the 2002 season.

HOME RUNS: The Rockies were once again one of the National League's most prolific home run hitting teams in 2012. Colorado finished fifth in the NL with 166 home runs as a team. Colorado's 166 home runs were three more than last year, when the club also finished fifth in the NL in home runs.

Rockies roookie catcher Wilin Rosario led the Rockies in home runs with 28. 2012 marked both the first time that a rookie has led the club in home runs and that a catcher has led the club in home runs. Rosario's 28 home runs also set both the Rockies record for home runs by a rookie and home runs by a catcher.

The Rockies had double digit home runs from every spot in the lineup, led by the 29 home runs hit out of the club's four-hole. The fewest home runs the Rockies had from any single spot in the lineup were the 13 homers hit out of both the first and ninth spots in the order. The 33 home runs hit by Rockies catchers led the club and set a franchise record for most home runs by the club's catchers. 2012 also marked the first time in club history that catcher hit more home runs than any other position.

PINCH-HITTING: The Rockies batted .240 (55-for-229) with 10 home runs and 32 RBI as pinch-hitters. The Rockies 10 pinch-hit home runs led the Majors and were the second-most in a single season in franchise history. The Rockies previously had 11 pinch-hit homers in 1995 and 2004.

PITCHING: The Rockies as a team finished with a pitching line of 64-98 with 36 saves in 63 opportunities, 1,637 hits, 890 runs, 824 earned runs, 198 home runs, 566 walks, 1,144 strikeouts and a 5.22 ERA (1,422.0 ip, 824 er) with a .290 opponents batting average (1,637-for-5,639). Colorado's 5.22 team ERA was the club's highest since the 2004 team had a 5.54 ERA. Colorado's 5.22 ERA was the highest in the Major Leagues.

Colorado had a 5.97 ERA (734.0 ip, 487 er) at home and a 4.41 ERA (688.0 ip, 337 er) on the road.

Colorado's starters combined for a 29-68 record with a 5.81 ERA (765.0 ip, 494 er), while Rox relievers went 35-30 with a 4.52 ERA (657.0 ip, 330 er). The Rockies set a Major League record for relief innings pitched (657.0), surpassing the previous record of 601.1 innings pitched by the 2003 Rangers.

FIELDING: Rockies fielders combined for a .980 fielding percentage in 2012, the lowest fielding percentage in the Major Leagues. Colorado committed a Major League-most 122 errors in2012. Despite the struggle in the field, Carlos Gonzalez earned his second career Rawlings Gold Glove in 2012 as the National League's top left fielder.

UBALDO'S NO-NO

On April 17, 2010 at Turner Field, Ubaldo Jimenez threw the first no-hitter in Rockies history.

- Jimenez's line, 4/17/10 at ATL: 9.0 ip, 0 h, 0 r-er, 6 bb, 7 so, 31 batter faced.
- Jimenez threw the first no-hitter in Rockies franchise history in Colorado's 2,703rd game...entering the game, four existing teams in the MLB had not tossed a no-hitter: Colorado (1993), Tampa Bay (1998, also had no hitter in 2010), San Diego (1969) and New York-NL (1962)...prior to his no-hitter, the longest a Colorado pitcher had gone into a no-hitter was Jason Jennings, who went 6.2 ip without giving up a hit on 8/1/02 - Colorado at Pittsburgh (source: Elias Sports Bureau).
- Jimenez threw a career-high 128 pitches, 72 strikes, one more than his previous high (127 pitches, 6/12/09 vs. SEA)...his fastball averaged 96.8 mph.
- He faced 31 consecutive batters without allowing a hit during the no-hitter...when he reached 83 pitches, he had thrown 42 balls and 41 strikes, but he did not walk any batters after the 5th.
- Jimenez is the 4th Dominican player to throw a no-hitter - the most no-hitters by any country other than the U.S.

Offensive Records Fall as Rockies Top Sox, 18-10

The Colorado Rockies made their lone appearance in the Hall of Fame Game in 2002, pounding out a record 24 hits en route to an 18-10 win over the Chicago White Sox. Chicago's 2 runs in the bottom of the sixth inning put the Sox out in front, 6-5. From there, a 7-spot by the Rockies in the top of the seventh broke open a tight game, while 6 more runs in the top of the ninth made the game the highest scoring contest in Hall of Fame Game history. MVP Mark Little became the first player in Game history to record 5 hits, going 5-for-6 with 4 RBI. Ben Petrick also drove in 4 runs and Bryan Peck collected 4 hits. Greg Norton won the pre-game Home Run derby, belting 4 long balls.

EXTRAORDINARY SCORING STREAKS

Colorado set a Major League record by scoring at least one run in 361 consecutive home games from July 5, 1999 to September 17, 2003…the streak ended on September 18, 2003 when Wade Miller and two Houston relievers held Colorado scoreless on 3 hits in a 6-0 Astros victory…it was the first time the Rox had been blanked at Coors Field since San Diego's Andy Ashby tossed a complete-game shutout on July 4, 1999…Colorado's record scoring streak lasted over 100 games longer than the previous mark of 258 set by the Boston Braves over a century ago, 1892-1896…it totaled nearly four-and-a-half years, 1,535 days to be exact, during which the Rockies posted a 201-160 (.557) record while averaging 7.6 runs per game (2,732)…three different skippers managed the Rockies throughout the streak: Jim Leyland, Buddy Bell and Clint Hurdle.

From May 4, 1999 at Chicago to May 7, 1999 vs. Philadelphia, the Rockies scored in 14 consecutive innings, tying a 50-year-old National League mark…the 1949 Mets were the only other NL club to ever score in 14 straight frames…only one team in big league history had ever scored in more, the 1903 Red Sox, who plated at least one run in 17 consecutive innings…on May 5, 1999 at Wrigley, Colorado scored in every inning of a nine-inning game, only the ninth team in big league history to ever do that and first since the St. Louis Cardinals in 1964.

Bold Purple at Coors Field

LOW RUN GAMES AT COORS

After no 1-0 games over the park's first 10 years, there have now been four 1-0 contests at Coors Field in the last three seasons…the first came on July 9, 2005, when the Rockies beat the Padres 1-0…it happened in the 847th regular season game in the facility's history…according to the Elias Sports Bureau, the 846 total contests without a 1-0 game is the longest span of any park in major league history…the previous record was 635 games, held by the Philadelphia Athletics of the American Association from 1882 to 1891…even that streak, however, was completed in games at three different parks…the streak actually started at Oakdale Park (1882), then spanned eight seasons at Jefferson Street Grounds (1883-1890) and ended at a place called Athletic Park (1891)…on Sept. 14 vs. Los Angeles, the Rox defeated the Dodgers 1-0 in 10 innings - that game was scoreless through 9 innings - a first in Coors Field history...according to the Elias Sports Bureau, that game was the first game ever played at either Mile High Stadium or at Coors Field that was scoreless at the end of the 9th inning (previously at Coors Field: 0-0 after 8 innings on 6/11 vs. San Francisco)...the Rockies played 1257 previous games in Colorado in their history, the longest streak of home games without a 0-0 score through 9 innings for any team since the Athletics played 1615 straight home games in which at least one team scored before extra frames (the A's streak lasted more than 20 years (June 22, 1947 through Sept. 3, 1967), spanning the club's relocation from Philadelphia to Kansas City).

History of Baseball in Denver

Although Major League Baseball did not arrive until 1993, professional baseball in the Rocky Mountain Region can be traced back to 1886 and the advent of the Western League. The "Denvers" were crowned the first league champions and baseball in the Mile High City would go on to become an off-and-on occurrence over the next 60 years, with the game becoming a permanent fixture in 1947.

Built a year later in 1948, Mile High Stadium was known as Bears Stadium until 1969 for the Western League's Denver Bears. Denver finally became a Triple-A city in 1955, when the American League's Philadelphia A's moved to Kansas City, thus allowing the Bears' owners, the Howsam family, the opportunity to purchase the then-homeless New York Yankees' minor league affiliate for $90,000. The Yankees tabbed an untried Ralph Houk to manage the AAA club and were led by the likes of Bobby Richardson, Tony Kubek and Ralph Terry. The first AAA champions in Denver history was the 1960 Bears, piloted by Charlie Metro.

When the Broncos became a charter member of the American Football League in 1959, the south stands (8,100 seats) and portable east stands (9,616) were added to give a capacity of 34,657 for football. The Broncos began play in 1960.

From 1963-68, the Bears were a member of the Pacific Coast League. The '68 entry was the affiliate of the Minnesota Twins, managed by the fiery Billy Martin and led by Graig Nettles and Bob Oliver.

After Denver voters turned down a stadium bond issue to build an all-purpose metropolitan stadium in 1967, a non-profit group began a fund-raising drive with the goal of purchasing the stadium for the city. In February of 1968, the group bought the stadium from Rocky Mountain Empire Sports for $1.8 million and presented it to the city. A 16,000-seat upper deck was immediately constructed over the west stands, raising the capacity to over 50,000. In December 1968, the stadium was renamed Denver Mile High Stadium. Expansion of Mile High began in 1975 and was completed in 1977. Voters passed a $25 million bond issue in 1974 to expand the stadium from its capacity of 51,706 to 75,100. Bringing the stadium to its final capacity of 76,098 in 1986 was the construction of 60 Penthouse Suites atop the west stands.

The Bears moved to the American Association in 1969, which would stand as the home of all the remaining Denver franchises until 1992. From 1970-83, the Bears established themselves as a championship franchise, winning five league crowns and three other division titles. Graced by future big league stars such as Tim Wallach and Tim Raines, the Bears drew record crowds night after night, including a 1982 Fireworks Night crowd of 65,666, which established a minor league record.

Under new ownership, the Zephyrs came on to the Denver scene in 1985, as an affiliate of the Cincinnati Reds. The likes of Eric Davis, Paul O'Neill and Barry Larkin displayed their talents in Denver before moving on to prominent big league careers.

The Z's joined the Milwaukee Brewers chain in 1987 and remained there until 1992. One of the most memorable moments in the Zephyrs' tenure at Mile High was a 582-foot home run by Joey Meyer into the upper deck of the east stands. One seat in the all-blue colored section was painted orange to signify Meyer's towering blast. John Jaha later sent one near Meyer's homer just a few feet to the left. Gary Sheffield and Greg Vaughn were some of the other fan-favorites of the late Zephyr clubs.

When Major League owners unanimously approved Denver and South Florida as baseball's two newest franchises on July 5, 1991, not only did that date mark the birth of the Rockies but also the end of over 100 years of minor league baseball in Denver.

A major league record crowd of 80,227 packed Mile High for the first home game in franchise history, April 9, 1993 vs. Montreal. Eric Young homered to leadoff the bottom of the first inning as the Rockies cruised to an 11-4 victory, signifying the beginning of big league baseball in the Rocky Mountain region.

The Rockies moved into Coors Field in 1995 but not after shattering nearly every attendance mark in the books. In 135 dates at Mile High, the Rockies drew 7,701,861 fans (57,051 per game).

After drawing 4,483,350 in the '93 inaugural, the Rox were on pace to shatter that mark in '94, averaging 58,598 through 56 home dates, which would have put the season ending mark at 4,687,840. Despite the year's abrupt end, in two seasons the Rockies had 52 occasions when better than 60,000 paid to watch baseball; 21 times the crowd eclipsed 70,000. Demolition of Mile High was completed in March 2002. On Aug. 29, 2006, the Rockies and the Rocky Mountain Chapter of SABR unveiled a plaque commemorating Bears/Mile High Stadium. Also on that date, a home plate made of steel was placed on the exact location of home plate at Mile High, which is currently in a parking lot adjacent to the Broncos' new home.

21 WINS IN 22 GAMES PROPELS ROCKIES INTO FIRST WORLD SERIES

The 2007 season was a historical one for the Colorado Rockies, as the team won its first National League Championship and advanced to the World Series for the first time in franchise history.

The Rockies captivated fans throughout baseball with an unprecedented run at the end of the season, winning 14 of their final 15 regular season games (including a one-game playoff for the wild card berth), sweeping the National League Division Series vs. the Phillies and the Championship Series vs. the Diamondbacks. All told, the club won 21 of 22 games heading into the 2007 World Series before being swept in four games by the Boston Red Sox.

Resiliency might be the best word of choice on Blake Street to describe the 2007 Colorado Rockies. The club overcame an 18-27 start, a 1-9 road trip at the end of June and the loss of three starting pitchers. The Rockies went from last place in the National League West to posting the league's best record after May 22 with a mark of 72-46 (.610). Colorado rebounded from a 10-16 April to having a winning record in every other month of the season, including a franchise-record 20 victories in September. The team finished at 17 games above .500, easily a franchise best for any point in any season. The club's 90 wins matched Arizona for the most victories of any National League team in '07. 2007 became the first 90-win season in Rockies franchise history.

Matt Holliday was named the Most Valuable Player of the National League Championship Series after batting .333 (5-for-15) with 2 home runs and 4 RBI, helping lead the Rockies past the Arizona Diamondbacks in a 4 game sweep. Holliday became the first outfielder to take home the MVP honors in the NLCS since Los Angeles' Mike Devereaux in 1995. Prior to that the last outfielder to win the honor was San Francisco's Jeffrey Leonard in 1987.

Drew Goodman

Play-by-Play Announcer - *ROOT SPORTS*

Drew Goodman, one of the most versatile broadcasters in sports, will begin his 12th season calling Colorado Rockies games in 2013 for ROOT SPORTS. He is one of two original employees of ROOT SPORTS, joining the Denver-based regional sports network in 1988.

For 10 years (1994-2004), Goodman was the play-by-play announcer for Denver Nuggets telecasts on ROOT SPORTS and local over-the-air stations. From 2002 through 2004, he was one of few sportscasters to regularly call action for telecasts of two professional teams in the same year, annually logging more than 190 games between the Rockies and Nuggets.

Over the past year, he called games in Major League Baseball, Big 12 football, University of Colorado men's basketball, various network live events and ancillary programming. In January 2011, he earned his ninth Colorado Sportscaster of the Year honor by the National Sportscasters and Sportswriters Association.

Prior to becoming the Rockies play-by-play voice in 2002, Goodman worked select Major League Baseball national telecasts for FOX Sports and hosted Rockies Weekly with Buddy Bell and Colorado Rockies Pregame Report. Goodman's work in football has been extensive, including stints working the NFL with NBC in 1993 and occasional games on FOX Sports since 2000. In addition to the NFL and Big 12 Conference football, he's worked ACC, Mountain West Conference (CSU) and WAC football games. For two seasons (2000-2002) he called play-by-play for Denver Broncos preseason games on the Broncos Radio Network, and for five seasons in the mid-'90s he hosted the postgame reports following Denver Broncos games on KOA. He added the NHL to his resume in 1996 when he started hosting the Avalanche Pregame Report for ROOT SPORTS.

Additionally, Goodman called tennis action for Prime Sports' (now ROOT SPORTS) initial year of ATP tour coverage in 1990, and for three years he called the Annual MS Tennis Classic in Denver. In 1993, he called the play-by-play for the first-ever ATP tennis event – the Beijing Open – in Mainland China for worldwide distribution on Prime International. For eight years, Goodman covered men's and women's World Cup and pro ski racing as well as college baseball for ESPN and has also been involved with the coverage of track and field, gymnastics, wrestling and golf.

Goodman has also worked studio shows, hosting numerous programs during his tenure with ROOT, including the Denver Nuggets Coaches Show, The Big 12 Gridiron Report, the Big Ten Reports, WAC Magazine and Golf Colorado.

A native of New York, Goodman received his Bachelor's Degree in Communications from Ithaca College in 1985. He and his wife, Kristi, are actively involved in Colorado Youth at Risk, an organization that helps re-direct the lives of troubled teens. Their most important endeavor is raising the Rockies future outfield, their three children -- Jacob (5/12/98), Zachary (6/5/00) and Gabriel (3/12/03).

George Frazier

Color Analyst - *ROOT SPORTS*

Former Major League reliever George Frazier will begin his 16th season as the Rockies analyst for ROOT SPORTS. He is the only analyst to work Rockies television games on a regular basis since ROOT acquired the rights at the conclusion of the 1997 season. Frazier teams up with play-by-play man Drew Goodman for the 13th consecutive season in 2013.

Prior to joining the Rockies, Frazier provided commentary for Home Sports Entertainment, the Baseball Network, ESPN and Minnesota Twins regional game telecasts. His broadcasting career started in 1988 when he called men's and women's basketball games for five seasons on Prime Sports Network. Over the years Frazier has also worked Major League Baseball games for national telecasts on FOX Sports.

Frazier pitched 10 seasons in the big leagues from 1978 to 1987. He started his career with St. Louis, then moved on to the New York Yankees, Cleveland, Chicago Cubs and finished his career with Minnesota. He went 35-43 in 415 games with a 4.20 ERA and 29 saves. He made trips to the World Series with both the Yankees ('81) and the Twins ('87), earning a world championship ring in his final year as a player.

Frazier was born in Oklahoma City and earned all-state honors in baseball at Hillcrest High School in Springfield, Mo., going 7-0 with a 0.14 ERA during his senior season. He then played collegiate baseball at the University of Oklahoma, leading the Sooners to the College World Series four times. In 1976, Milwaukee selected him in the ninth round of the draft.

George and his wife, Kay, reside in Tulsa, OK. They have four children, Matthew, Brian, Parker, and Georgia, and also have four grandchildren, Bryce, Easton, Cooper and Ella.

Jeff Huson

Color Analyst - *ROOT SPORTS*

In 2006, Jeff Huson embarked on a new career in baseball, serving as analyst for Colorado Rockies coverage on ROOT SPORTS. In 2013 he will once again split duties between the booth and the pre and post game show.

The former University of Wyoming baseball star played 15 years in professional baseball, with the Montreal Expos, Texas Rangers, Baltimore Orioles, Milwaukee Brewers, Seattle Mariners, Anaheim Angels and Chicago Cubs. He also served as a roving infield instructor with the Chicago Cubs from 2001 to 2005.

Jeff played shortstop at Wyoming in 1984 and '85 after transferring from Glendale (AZ) Community College. In his junior year at UW, he played 53 games and batted .392 with 30 RBI. His senior year, Huson played 44 games for the Cowboys and hit .399 with 35 RBI. He was an All-WAC selection both years.

Huson's MLB career began in 1986 with the Montreal Expos. Over his pro career, Huson played 827 games at a variety of positions – third base, shortstop, second base, first base and in the outfield. He posted a career batting average of .234 and a fielding average of .969.

Jeff and his wife, Wendy, graduated from the University of Wyoming and have resided in Parker, CO for 16 years. They have three children: Lindsay, Kyle and Cody.

To Left: The Keli S. McGregor work out facility is state of the art with two levels of equipment and a wall of windows that open up to the outisde.

To Right: View of the entire Salt River Fields complex from one of the roof top party decks facing the east. The Superstition mountains are in clear view beyond the outfield.

SPRING TRAINING ATTENDANCE RECORDS

The Arizona Diamondbacks, Colorado Rockies and Salt River Pima-Maricopa Indian Community set the all-time Major League Baseball Spring Training attendance record by drawing 359,308 fans to Salt River Fields at Talking Stick in its inaugural season in 2011.

Peoria Sports Complex held the previous MLB record for a two-team facility when the Seattle Mariners and San Diego Padres drew 230,146 fans in 2008.

Overall, the D-backs and Rockies sold out 21 of 33 games at Salt River Fields in 2011, including a stretch of 10 consecutive sellouts from March 12-20. The D-backs and Rockies also had the top two attendance averages in the Cactus League in 2011.

Following the 2011 season, BallparkDigest.com named Salt River Fields at Talking Stick its Ballpark of the Year.

COMMUNITY

Rockies Charities

The Colorado Rockies have two charities, the Colorado Rockies Baseball Club Foundation and the Colorado Rockies Charity Fund, a fund of the McCormick Foundation, both of which continue to be two of the club's biggest priorities. Rockies' Charities work to raise funds for, and promote programs focusing on underprivileged and at-risk youth.

Since it's inception in 1993, the Colorado Rockies Charity fund has granted over $21 million to agencies that support their mission of assisting youth in Education, Child Abuse Prevention and Health.

The philanthropic mission of the Colorado Rockies Charity Fund and the Colorado Rockies Foundation is to make an impact in our community by significant corporate investment, involvement in community projects and to improve quality of life.

The Colorado Rockies Charity Fund is a fund of the McCormick Foundation, a national charitable trust that provides matching funds to supplement contributions from our community. 100% of the funds raised are given back to the community.

Every season the Rockies donate tickets to several non-profit organizations throughout the region. The team distributed over 150,000 tickets last season, and over one million since the club's inception.

Colorado Rockies Make an Impact Program

The Colorado Rockies and CenturyLink proudly present the Colorado Rockies "Make an Impact" Program. This free program brings the excitement of the Colorado Rockies to local elementary schools by holding a "Rockies School Rally." This school-wide assembly is a character education program that utilizes the platform of the Rockies organization in order to help complement current PBS and character education programs.

Since 2006, the Colorado Rockies Make an Impact Program has visited close to 250 schools and over 100,000 students.

RBI

The Rockies participate in the RBI (Reviving Baseball in Inner Cities) Program, an initiative of Major League Baseball. RBI affords opportunities for youth 13-18 to take part in summer baseball and softball leagues at no cost to themselves or their families. The program's mission is to assist economically disadvantaged families and communities in engaging urban youth in wholesome physical activities while at the same time building life skills and combating the effects of gangs and drugs.

Currently, the Rockies run a total of 36 teams in three divisions: baseball, seniors (16-18) and juniors (13-15) as well as softball (18 and under). The local league is structured through area high schools in Northglenn, Denver, Aurora and Commerce City. The local season runs from late May through mid-July and culminates with a tournament. The Greater Denver RBI Program has a positive effect on over 600 kids each year.

The Care & Share Program

The Care and Share program gives children living with serious illnesses the opportunity to be special guests at Coors Field. Care & Share participants spend time on the field before a game watching batting practice and meeting some of their favorite Rockies players. The Rockies team up with organizations including the Make-A-Wish

Foundation, the Starlight Foundation and Children's Hospital to select the participants.

Rockies Wives

In the past few years, the Rockies wives have raised over $60,000 in support of multiple charity endeavors. In 2012, the Rockies Wives raised over $35,000 for local charities through their annual Charity Grab Bags and Charity Baskets events.

Fundraising

The Colorado Rockies host the "Rockies Homerun For the Homeless 5K" in May to raise funds for agencies supporting our community's homeless individuals. This event is done in a partnership with the Mayor's "Denver's Road Home" Initiative. Agencies that have received grants include Volunteers of America and Urban Peak Youth Shelter.

Another of the Rockies major events is the Hal O'Leary Awards Dinner. This dinner is held at Coors Field and its purpose is to honor people making a difference in the disabled community of Colorado. The dinner recognizes the achievements of individuals who make life-changing contributions improving the lives of others through inspiration, leadership, dedication and fortitude. Proceeds to the event benefit Colorado Rockies Charities.

Colorado Rockies Field-of-Dreams Program

The Rockies have pioneered community involvement with the Field-of-Dreams Program. Beginning in 1995 and continuing to the present, the Club has partnered with the Robert R. McCormick Foundation and many Little Leagues, churches, schools, parks and recreation departments of cities and towns and baseball organizations around the region to build 55 championship fields. They range in usage from T-ball all the way to professional baseball.

Most often a Rockies player has donated his own money to help build facilities in the program, which includes fields in Colorado, Wyoming and Arizona. Several Major League Clubs have followed the Rockies lead with fields programs of their own, including the San Diego Padres, St. Louis Cardinals and Los Angeles Dodgers.

Hall of History

The Hall of History, located on the Club Level behind home plate, explores and examines the different aspects of Colorado Rockies history through our 20 years of play in a series of display cases with many authentic artifacts. The Hall of History can be viewed on game day by fans on the Club and Suite Levels, and by people taking the tour of Coors Field.
