Ewing M. Kauffman

Owner

Chairman of the Board

There is something about a challenge that brings out the best in Ewing Kauffman, and there is something about Ewing Kauffman that brings out the best in those associated with him.

Mr. Kauffman, a daring, tireless man who ranks as Major League Baseball's third senior owner, is responsible for baseball remaining and thriving in Kansas City. Mr. K, as he is known to associates, owns 100 percent of the Royals. He purchased the club as an expansion franchise in 1968. He sold 49 percent in May of 1983, and an additional one percent in January of 1988. He regained full ownership in January of 1991 when he bought back the 50 percent.

Under Mr. K the Royals have developed into one of baseball's most respected and successful franchises. In their 23-year history, the Royals have won six American League Western Division Championships, two American League Pennants and a World Series Championship. Despite playing in baseball's smallest market, the Royals are annually among the game's attendance leaders and have drawn over two million in home attendance 12 times. The two million figure computes to approximately 165 percent of the Kansas City area population. He sponsored formation of the Royal Lancers, a group of businessmen and women who have consistently kept Kansas City as a league leader in season ticket sales.

Mr. K is Chairman Emeritus of Marion Merrell Dow Inc., following the December, 1989 merger of Marion and Merrell Dow. He founded Marion Laboratories, a Kansas City based pharmaceutical manufacturing firm, in 1950. He guided Marion from a gross sales of \$36,000 and a net profit of \$1,000 in its first year, to the diversified health care company it is today, with sales of nearly one billion dollars.

Kauffman's life began on a farm near Garden City, Mo., 60 miles southeast of Kansas City. The family moved to Kansas City when he was a youngster. He attended high school and junior college locally, then spent four years in the Navy.

Mr. Kauffman and his wife Muriel, have given much personal attention to the Kansas City community in addition to baseball. A multi-million dollar Kauffman Foundation to benefit Kansas Citians is in its seventh year. The Kauffmans funded and started Kansas City's model CPR program that trained nearly 200,000 Kansas Citians in the life-saving technique. A community-wide drug awareness and prevention program was launched in April of 1984. Called Project STAR, which stands for Students Taught Awareness and Resistance, the program is designed to help young people anticipate influences that could tempt them to get involved with drugs. In addition, the program assists youth in developing self-management techniques and the skill to resist the temptation of drug usage. Mr. Kauffman also began Project Choice, a comprehensive educational and scholarship program that benefits underprivileged high school students in the Kansas City Missouri School District.

Mr. Kauffman's business and sports leadership have brought him numerous honors. The Kansas City Press Club voted him Man-of-the-Year in 1973. He was the "Mr. Baseball" honoree at the 1976 and 1991 Kansas City Baseball Awards Dinners, and later that year was inducted into the Missouri Sports Hall-of-Fame. Mr. K has received the prestigious Horatio Alger Award, the Golden Plate Award from the American Academy of Achievement, the Kansas City Chamber of Commerce "Kansas Citian of the Year" award, and the Distinguished Service Award from the American Legion (Missouri). In 1986, the Southern Christian Leadership Conference selected Mr. K to receive its annual award based on Marion Laboratories strong support of civil rights causes. In 1989 President George Bush appointed Mr. Kauffman to serve on the President's Drug Advisory Council. In 1991 he was named the Distinguished Kansan of the Year by the Native Sons and Daughters of Kansas.

Royals Operating Officers

Joe Burke

President

One of the most respected executives in baseball, Joe Burke's is a self-made success story which enters its 45th year in 1992.

Following a nine-year tenure as Executive Vice-President and General Manager, Burke was named President, October 8, 1981 and he serves as the club's chief executive officer.

In addition to serving as President of the Royals, he also has been called on by Major League Baseball for leadership on many key committees.

Under Burke's guidance, baseball has achieved the greatest success it has known in its 33-year history in Kansas City. In that time the Royals have won two American League pennants, brought the World Series Championship to Kansas City for the first time and have been American League Western Division champions six times.

With more than 31 years of administrative experience on the major league level, it is no surprise that the 68-year old Burke has molded the Royals into one of baseball's most respected organizations.

An active participant in the continued development and growth of Major League Baseball, Burke was influential in the current structure of the four divisions and the beginning of the League Championship Series. Chairman of the Committee on Divisional Play is just one of the many avenues Burke has traveled in baseball. He also was a member of the Committee on Expansion and has served on the Schedule Committee, Division of Receipts Committee and the Player Relations Committee.

In recognition for his dedication to bringing Kansas City its first division championship, Burke was named the 1976 Major League Executive-of-the-Year by *The Sporting News*. He was selected for the prestigious honor by a vote of the other major league executive officers. Following the Royals' second consecutive division title in 1977, Burke received the "Mr. Baseball" Award at the Seventh Annual Kansas City Baseball Awards Dinner in January of 1978. The award is for outstanding service to professional baseball in Kansas City.

Burke served as Executive Vice-President and General Manager from June 11, 1974, until his appointment as President. He joined the Royals organization in September of 1973 as Vice-President--Business. Prior to that he served as Vice-President and General Manager of the Washington Senators--Texas Rangers organization for five years (1968-73). Burke first joined the Senators as Assistant General Manager in 1961. He became Business Manager and Treasurer in 1963 and was named Vice President in 1968.

Burke's first 12 years (1948-60) were with the Louisville Colonels in his hometown. He was selected Man-of-the-Year by the Louisville baseball writers in 1960 when the Colonels, then affiliated with the Milwaukee Braves, won the Junior World Series. Burke was General Manager at the time, having taken over those duties in 1956. He began with Louisville as Ticket Manager and Business Manager.

Burke, born December 8, 1923, and his wife, Mary, live in Overland Park, Kansas. They have seven children: Joe, Mary Ann, Jimmy, John, Alice, Bobby and Vincent.

Spencer T. "Herk" Robinson

Executive Vice President and General Manager

Herk Robinson, enjoying his 23rd season with the Royals, has played an integral role in the development and success of the organization. He was named Executive Vice President and General Manager of the club October 10, 1990, assuming the responsibility for the overall day-to-day operation of the franchise.

Robinson and Joe Burke are the only executives in Royals' history to have worked in virtually every aspect of the club's baseball and administrative operations. This well-rounded background has provided a solid foundation for Robinson's key leadership role.

In his two-year stint as General Manager, Robinson and the scouting and player development staff have been very active in reshaping the organization's major and minor league operations. The emphasis has focused on a rededication in scouting and signing amateur players while continuing with a strong player development program, and by improving the club through key trades and acquisitions.

The 51-year old Robinson joined the club in December of 1969 in the area of player development as Assistant Scouting Director and spent four years in that position before being promoted to Director of Stadium Operations in 1973. He was named Vice President in 1975 and Executive Vice President for Administration in 1981.

Prior to joining the Royals, he worked for the Cincinnati Reds (1962-67) and the Baltimore Orioles (1968).

Born June 25, 1940, Robinson attended the University of Miami (Florida) and Washington University (St. Louis, Missouri). He and his wife Kathy, and daughters, Ashley and Amanda, reside in Leawood, Kansas.

Dale Rohr

Vice President--Finance

Dale Rohr is Vice President-Finance and as the club's top financial officer, he is involved in virtually all facets of the organization. He officially serves as secretary for the club.

Rohr joined the Royals in July of 1974 as Controller and was appointed to a vice-president position in November of 1980. In January of 1989, his title was changed to Vice President-Finance. Rohr was born on May 27, 1947 in Denver, Colorado, but grew up in the Kansas City area where he attended Bishop Miege High School. He received his Bachelor of Science degree in Accounting from Kansas State University in 1970.

Rohr and his wife Mary, son Tommy and daughter Julie, reside in Leawood, Kansas.

Dean Vogelaar

Vice President--Public Relations

Dean Vogelaar serves as Vice President-Public Relations for the Royals and is the senior public relations representative in the American League. Primary areas of responsibility for the Public Relations Department include media relations, publicity, publications and community relations.

The 44-year old Vogelaar has been a member of the Royals' front office staff since June of 1973. He joined the club as an assistant to the Public Relations Director specifically working on arrangements for the Major League Baseball All-Star Game in Royals Stadium (July 1973). He was named Assistant Director of Public Relations/Traveling Secretary in December of 1974 and Director of Public Relations in the fall of 1975. Vogelaar was named to his current position in October of 1985.

Born August 30, 1947, Vogelaar is a native of Littleton, Colorado. He received his Bachelor of Science degree and Master of Arts degree in Communications/Public Relations from Central Missouri State University (1969 and 1971). He served as Sports Information Director for the University from 1970-73. He also attended Highland (Kansas) Community College and was a football letterman at Highland and CMSU.

Vogelaar and his wife, Cathy, live at Lake Lotawana, Missouri. They have a son, Gary, and two daughters, Deana and Reschille.

Dennis Cryder

Vice President--Administration

Dennis Cryder is Vice President-Administration and has been a member of the Royals' executive staff since joining the organization in August of 1983.

Cryder's responsibilities were expanded to include administration in September of 1991 as he oversees stadium operations, ticket operations, marketing, broadcasting and the stadium club.

Cryder joined the staff as Director of Marketing and Broadcasting and was promoted to Vice President in December of 1987.

Prior to joining the Royals, Cryder spent seven years at the National Collegiate Athletic Association (NCAA) in Mission, KS where he was Director of Productions and Development. During his tenure with the NCAA, his responsibilities focused on production and broadcasting.

Cryder, born October 29, 1951 in Tupelo, MS, graduated from Southern Mississippi in 1973 with a Bachelor of Science Degree in Communications and a minor in Advertising/Journalism.

Project STAR

Project STAR (Students Taught Awareness and Resistance) is a comprehensive, community-wide drug and alcohol prevention program initiated by Mr. and Mrs. Ewing Kauffman. The project is funded by The Kauffman Foundation. The project is designed to help young people in the greater Kansas City area develop an understanding of the consequences of drug abuse, identify influences which promote the use of drugs and alcohol, and develop the social skills necessary to resist those influences. Because students are influenced by many factors within their school environment, the project focuses on those major forces. However, students are influenced by their total environment, and that influence can be either positive or negative. By stimulating and coordinating the cooperative efforts of schools, various community agencies, parent groups, business and professional organizations and the media, Project STAR will help young people in the Kansas City area resist the many influences to become involved with drugs and alcohol.

Pinch Hitter Rule

A player shall be considered a pinch hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. (If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up).

A substitute hitter for a designated hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

Designated Hitter Rule

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role. The designated hitter is eligible for all American League batting titles.

Major League Trading Regulations

The trading deadline for all inter- and intra-league deals is midnight July 31. Waivers are required for all inter- and intra-league deals August 1 until 5:00 p.m. (EDT) the day after the regular season concludes. No waivers are required the remaining 10 months of the year.

Roster Limitations

Rosters are limited to 25 players from Opening Day through August 31 and 40 players from September 1 through the conclusion of the season. Players in military service do not count against the under control list while on active duty. Upon separation from the service, a player will be reinstated to his club's normal player limits after he has complete a 15-day trial period or has participated in a championship game, whichever comes first.

No-Hitters

Steve Busby, Jim Colborn and Bret Saberhagen are the only pitchers in Kansas City's modern Major League history to have hurled no-hitters.

Busby accomplished the feat on 2 occasions, the first coming at Tiger Stadium when he held Detroit hitless on April 27, 1973. He gave up 6 walks and struck out 4 as Kansas City won 3-0. His 2nd gem also came on the road on June 19, 1974 at Milwaukee's County Stadium where he blanked the Brewers, 2-0. It was in near perfect fashion as the only baserunner was George Scott, who walked to lead off the 2nd inning.

Colborn recorded the 1st no-hitter by a Kansas City pitcher in Royals Stadium on May 14, 1977, when he blanked the Texas Rangers, 6-0. It too was nearly a perfect outing as Colborn walked one batter and hit another while facing only 28 hitters.

Saberhagen recorded his gem in Royals Stadium vs. the Chicago White Sox on August 26, 1991 (see accompanying box score). He walked 2 and fanned 5.

Busby and relief pitcher Doug Bird teamed up for a no-hitter against Detroit March 23, 1973 during the exhibition season. Busby pitched the 1st 6 innings and allowed only 2 baserunners--1 reached base on a walk and the other on an error. Bird pitched the final 3 innings and allowed only 2 walks as KC won 4-1.

In 1888 Henry Porter hurled a no-hit game for Kansas City's American Association major league club. It was a 4-0 win in Baltimore as the righthander walked 2 batters.

Until Busby and Bird teamed up for their gem, the last professional no-hitter by a Kansas City hurler had been Ernie Nevel's 7-inning gem in the Triple-A American Association in 1951.

California Angels' ace Nolan Ryan recorded the 1st no-hitter in Royals Stadium on May 15, 1973. He struck out 12 and allowed only 3 base runners, all on walks, in the 3-0 win.

The only other no-hitter thrown against Kansas City came when Jack Kralick of the Minnesota Twins no-hit the Athletics at Bloomington on Aug. 26, 1962 for a 1-0 victory. He came within 2 outs of pitching a perfect game. With 1 out in the 9th inning, he walked pinch hitter George Atusik on a 3-2 pitch.

Carl DeRose of the Blues of the American Association hurled the only professional no-hitter in Municipal Stadium when he blanked Minneapolis 5-0, on June 26, 1947. He faced only 27 batters, making it the first perfect game in American Association history.

Game 3

at St. Louis

Tuesday, October 22

Bret Saberhagen allowed a half-dozen singles en route to giving the Royals their long-awaited first victory of the Series...KC's offense broke out of its World Series lethargy with 11 hits, including a 2-run home run and a run-scoring double by Frank White...after Lonnie Smith's 2-run double put the Royals ahead 2-0 in the 4th, White unloaded his 2-run round-tripper in the 5th, knocking out St. Louis starter Joaquin Andujar...Saberhagen survived a Cardinal rally in the first inning...with the runners going from first and second on a full-count pitch to Jack Clark, Sabes threw a called third strike and Jim Sundberg threw out Willie McGee for an inning-ending double play.

**Game 4
at St. Louis
Wednesday, October 23**

Tito Landrum and Willie McGee each hit bases-empty home runs to back John Tudor's 2nd consecutive brilliant outing to give the Cards a nearly insurmountable 3-1 advantage in the best-of-7 Series...in addition to the home runs, KC starter Buddy Black was victimized by a squeeze play on a full-count to Tom Nieto, who laid the bunt down scoring Terry Pendleton who had tripled...Tudor, meanwhile, was striking out George Brett and Lonnie Smith 2 times a piece...Tudor tossed but 106 pitches and became the first pitcher to hurl a World Series shutout since Baltimore's Scott McGregor in 1983.

**Game 5
at St. Louis
Thursday, October 24**

Danny Jackson stuffed a cork in the Cardinal's offense and their celebration hopes with a 5-hitter and Willie Wilson keyed an early Royals' uprising to force the Series westward via I-70...the Cardinals only run came on a bloop double by Tommy Herr followed by a gapper by Jack Clark...D.J. retired the lead-off Cardinal in every inning and retired the Redbirds in order 5 times...Wilson fashioned a 2-run triple to highlight a 3-run 2nd inning that sent Cardinal starter Bob Forsch to the showers...the St. Louis bullpen effectively shutdown the Royals until the 8th and 9th when KC scored single tallies.

**Game 6
at Kansas City
Saturday, October 26**

For the first time in the '85 season (regular and post), the St. Louis Cardinals did not win a game when they led entering the 9th inning... former Cardinal Dane Iorg saw to that...St. Louis went into the 9th with a 1-0 lead thanks to a bloop run-scoring single by Brian Harper in the 8th... having guarded all of their previous 88 9th-inning leads, the Cardinals fell prey to a little bit of fate and Iorg's timely 2-run single...a controversial call at first base, a misplayed pop up by Jack Clark, a botched bunt by Jim Sundberg, a passed ball by Darrell Porter, an intentional walk to Hal McRae and Iorg's 1-out dramatic hit to rightfield and the Royals were winners, 2-1.

**Game 7
at Kansas City
Sunday, October 27**

Bret Saberhagen tossed a 5-hitter, Darryl Motley blasted a 2-run homer and the Royals beat the Cardinals climaxing one of the greatest comebacks in World Series history...it was the 3rd-highest run total and most lopsided victory in the 176 games KC played since the season began April 8...John Tudor, who had allowed but 1 run in 15.2 innings in winning 2 previous World Series starts, was rocked and suffered his earliest exit of the '85 season...KC batted around in the 3rd and 5th innings...the Royals tied a Series record by scoring 6 times in the 5th...Whitey Herzog and Joaquin Andujar were ejected...the Cardinals also tied a Series mark by using 5 pitchers in the fateful 5th.

Royals' Hall of Fame

The Royals' Hall of Fame was established to honor those players, coaches and managers who have made exceptional contributions to the Royals' organization. Original qualifications for nomination specify that a candidate must have spent the equivalent of three seasons in a Royals' uniform and must be one year removed from the capacity in which he is being considered. A panel of 16, including members of the media and the community closely associated with baseball, make the selections.

To date, 6 players and 1 manager have been inducted into the Royals' Hall of Fame. Outfielder Amos Otis and pitcher Steve Busby were inducted in the inaugural ceremony in 1986, Paul Splittorff, Cookie Rojas and Dick Howser were inducted in 1987 and Dennis Leonard and Hal McRae were added in 1989.

Amos Otis' career with the Royals spanned 14 years (1970-83) when he held down the starting centerfield spot. He compiled a solid .280 average in a Kansas City uniform with 193 home runs, 992 RBI and 340 stolen bases while winning three Gold Gloves and five All-Star nominations.

Steve Busby was one of the Royals' best pitchers and top competitors despite having his career shortened by a shoulder injury. From 1973-75 he averaged 18.6 wins, 260 innings and 177 strikeouts per season while establishing many club records. He's the only pitcher to toss no-hitters in each of his first two big league seasons.

Paul Splittorff's major league career included action in 15 seasons from 1970-84. He was a mainstay of the staff from 1972-80 when he averaged nearly 15 wins and 220 innings per year. He holds the Royals' career records for wins, starts and innings pitched. In 1973 he became the first 20-game winner in Kansas City Royals' history.

Cookie Rojas brought eight-and-a-half years National League experience to the Royals in 1970 and his experience and leadership abilities were evidenced immediately on a young expansion team, providing a solid base for future championships. Rojas was named to the American League All-Star team four consecutive years (1971-74).

Dick Howser managed the Royals from August 31, 1981 to February 23, 1987 before losing a courageous battle to cancer, June 17, 1987. During Howser's regime, the Royals won two division titles and a World Championship in 1985. He compiled a 404-365 record (.525) while guiding the Royals.

Dennis Leonard is the only 3-time 20-game winner in Royals' history. He holds the club's career record for complete games, strikeouts, and shutouts, and single season highs in starts, complete games, innings pitched and strikeouts. His 130 wins from 1975-81 were the most by a righthanded pitcher in the major leagues.

Hal McRae's hard-nosed, aggressive style of play set the tone for the Royals' championship clubs. He spent 14 full seasons in a Royals' uniform and was recognized as one of the A.L.'s most prolific designated hitters. He was a 3-time All-Star, led the league in doubles twice and topped the loop with 133 RBI in 1982.

The Royals' clubhouse will be closed between games of a doubleheader. There will be occasions when the Royals may request the clubhouse be cleared for team meetings and we ask your cooperation at these times. **The training room is closed to everyone except players and Royals' officials.** Players will be made available outside the clubhouse as necessary if the clubhouse is closed. The dugout is off limits in accordance with American League rules during the game for everyone except the manager, coaches, players and certain club officials.

PHOTOGRAPHERS will be assigned to photo bays on the field at the end of each dugout, the field level bay behind home plate or the bay located in the main press box. Photographers in the dugout field boxes should remain in the photo bays at all times during the game. If absolutely necessary, photographers who have to meet deadlines before the game ends should leave between innings only. Photographers shooting from the field level bay behind home plate must keep the gates closed. Photos are allowed during batting practice, but photographers should remain in foul territory in the area behind home plate. Photographers should assume their assigned positions at the conclusion of batting practice.

Umpire Interview Policy

American League umpires shall cooperate with the news media concerning controversial plays, protested games and unusual incidents, ejections, etc. Any unusual play should be explained to the press box, usually between innings. Umpires are available for post game interviews relative to unusual or controversial happenings. The senior umpire is in charge of such interviews and will act as a spokesman for the "crew".

Royals Radio and Television Networks

For the 18th consecutive season, Stauffer Communications' WIBW Radio (AM-580) in Topeka, Kansas, will serve as the Royals' flagship station.

Under the guidance of General Manager Bob Fromme and Stauffer Vice President for Broadcasting Jerry Holley, the Royals' Radio Network will broadcast 17 spring training games and the entire 162-game regular season schedule. The network affiliate in the Kansas City area will be WDAF-AM, 61 Country. In their 1st year with the Royals, WDAF will offer its listeners comprehensive pre- and post-game programs.

The Royals Radio Network is one of the largest in Major League Baseball in terms of number of stations (more than 130) and geography (10 states).

In its 13th season as the flagship station for the Royals' Television Network is WDAF-TV (Channel 4) in Kansas City. With Buddy Turner (Manager Royals' Baseball Television Network) in charge, the Royals' Television Network will televise live 50 Royals' regular season games during the '91 season.

The voices on the radio network will be familiar in 1991 with Denny Matthews and Fred White, the longest tenured pair in the American League, handling the play-by-play. Denny Trease will be joined by former Royals' pitcher Paul Splittorff on the television network.

Denny Matthews will call the action on Royals' radio for the 24th season. He was chosen from more than 300 applicants for the number 2 announcer position prior to the Royals' initial season in 1969, then took over the number 1 job after the 1975 season. Matthews has also lent his play-by-play skills to the CBS Radio Network during portions of the regular season and during the 1982 and '85 World Series. The 1966 graduate of Illinois Wesleyan lettered in football and baseball for 3 years. He finished 8th in the nation (NAIA) in pass receiving in 1965. An avid collector of sports publications, Denny is single and resides in Leawood, KS.

Fred White enters his 19th year with the Royals. The award-winning announcer has worked college basketball and football games for CBS, NBC, TVS, Raycom and ESPN. His voice is heard year-round as he continues to draw college basketball assignments throughout the country. An Eastern Illinois University graduate (same alma mater as Royals' infielder Kevin Seitzer), White has been named Kansas Sportscaster-of-the-Year several times. He was the "voice" of Kansas State University football and basketball for several seasons. He and his wife, Barb, reside in Leawood, KS. He has three children, Stacy, John and Joe Brett.

Don Free, who has worked for WIBW for 24 years, will begin his 7th year as the producer/engineer of the radio broadcasts. He and his wife Sandy, live in Topeka, KS with their daughters Kristin and Jennifer.

RADIO & TV Continued

Denny Trease will handle television play-by-play duties for his 13th consecutive season. The University of Miami (FL) graduate also handles sports assignments for WDAF-TV. He spent seven seasons describing the action of the University of Kentucky football and basketball games. He and his wife, Joyce, are the parents of two children, Kristen and Chad. They reside in Shawnee, KS.

Paul Splitterff begins his 5th year on the Royals' television network. The Royals' Hall of Famer and all-time winningest pitcher in club history has developed his broadcasting background since retiring in 1984 after pitching in the Royals' organization since 1968. Splitterff worked on the Royals pre- and post-game show on KMBZ radio in 1986 and '87. He has also worked locally as a play-by-play announcer and analyst for high school and collegiate football and basketball games. Besides his radio broadcast work locally he handled the color commentary for ESPN during the 1985 season on the game-of-the-week and College World Series. Following his retirement he worked on the Royals Radio Network for the remainder of the '84 season and in 1985. Paul and his wife Lynn live in Blue Springs, MO and have 2 children, Jennifer and Jamie.

Rain-out Trivia: Of the 38 Royals Stadium rainouts, the Royals have won 22 of the 37 make-up games.

Royals Stadium

Recognized throughout baseball as one of the game's most beautiful ballparks, Royals Stadium is 20-years old in 1992.

More than 37 million people have visited Royals Stadium since it opened in 1973, with attendance topping the 2 million mark in 11 of the last 14 campaigns, including a record 2,477,700 in 1989.

The stadium opened April 10, 1973 with the Royals defeating Texas 12-1 before 39,464 fans. Since then, many exciting games have been contested here, including the 1973 All-Star game, 2 no-hitters, playoff games in 1976, '77, '78, '80, '81, '84 and '85 and 7 World Series contests in 1980 and 1985.

Royals Stadium features a \$1.7 million Astro Turf-8 Drainthru playing surface (manufactured by Monsanto) which covers both the infield and outfield, a 12-story high scoreboard and 322-foot wide water spectacular. The scoreboard contains 16,320 light bulbs, most of them on the 40-foot wide, 60-foot high screen. The water spectacular is the largest privately funded fountain in the world.

Added in 1990 is a state of the art Sony JumboTron color video display board, installed on the leftfield hillside. The largest video board in the U.S. measures 30 by 40 feet and the top of the board features the Royals logo. In keeping with the architecture of the stadium, the existing water spectacular featuring cascading water now extends to the leftfield corner.

Four circular ramps and 4 escalators make all sections easy to reach. 20,316 of the 40,625 seats are on the lower level with 2,487 on the club level (even with press facilities) and 17,822 on the upper level.

Media representatives work in the air conditioned comfort of a 2-level press box. The upper level includes 7 broadcasting booths with the lower section containing working space for the print media. There are also field and press level photographer and television camera positions.

1992 Spring Training

The 1992 spring training season marks the 5th year for the Kansas City Royals Spring Training Headquarters at Baseball City, FL. The Royals play at Baseball City Stadium, a state of the art 7,000 seat stadium, which opened in the spring of 1988 with a natural grass infield and outfield. The baseball complex includes 5 additional full-sized fields adjacent to Baseball City Stadium. The Stadium and each of the fields feature the same dimensions as Royals Stadium in Kansas City. In addition, there are special major league and minor league hitting and pitching tunnels as well as office and clubhouse facilities to be used by the Royals' minor clubs for spring training. Following spring training, the Baseball City Royals (Florida State League-A), and the Gulf Coast Royals (Rookie) will play their regular season home games at Baseball City Stadium.

The Kansas City Royals major league spring training camp runs from February 23-April 4, featuring daily workouts from approximately 10:00 a.m.-1:30 p.m. until the exhibition game schedule begins on March 5. Pitchers and catchers begin working out February 24 and the full squad starts workouts on February 28. Major league workouts generally will be held in Baseball City Stadium and on the field immediately adjacent to the Stadium. When the Royals play exhibition road games, brief workouts are also generally held in Baseball City Stadium at 10:00 a.m.

The Royals six minor league affiliates will generally utilize the four-field cloverleaf facility from March 4 through early April for workouts and games. The daily minor league on-field schedule runs approximately from 10:00 a.m.-3:00 p.m. for workouts or through the conclusion of games scheduled to start at 1:00 p.m. beginning March 19.
