About the Cover

The 2008 season marks the Oakland A's 40th Anniversary season in the East Bay. The A's will celebrate the event with a season-long promotional campaign highlighting the championship tradition, the players and memorable moments that have contributed to the glorious and colorful past of one of baseball's most successful franchises over the last 40 years. Since moving to Oakland for the 1968 season, the A's have made 15 postseason appearances and have captured four World Series championships, six American League pennants along with 14 West Division titles. The A's have compiled the fourth best winning percentage in all of baseball over the past 40 seasons and only the New York Yankees (6) have won more world championships. A's players have also been well-decorated over the past 40 years, winning seven Most Valuable Player awards, five Cy Young awards, six Rookie of the Year awards and 20 Gold Glove awards. In addition, four players-Jim "Catfish" Hunter, Rollie Fingers, Reggie Jackson and Dennis Eckersley-along with manager Dick Williams, paved their paths to the Hall of Fame through Oakland.

Cisco Field – Future Home of the Athletics

On November 14, 2006, Oakland A's owner and managing partner Lew Wolff announced the A's had agreed to purchase a 143-acre parcel of land in the City of Fremont from Cisco Systems, with the intent of constructing a new, state-of-the-art baseball park that will become a destination attraction for fans throughout the Bay Area and beyond for generations to come. Six months later on May 10, 2007, Wolff completed the land transaction agreement with Cisco and ProLogis giving the A's ownership group control of 226-acres of land in the Pacific Commons area of Fremont, enabling the new Cisco Field and baseball village proposal to move forward, pending approval from the City of Fremont.

The state-of-the-art baseball-only stadium will be named Cisco Field as part of a 30-year naming rights agreement with one of the world's leading companies. With a projected seating capacity of 32,000, Cisco Field will be the most intimate ballpark in the Major Leagues.

A significant portion of the 226-acre area will be devoted to a new real estate development with residential, retail and other commercial components. This ballpark village will include a maximum of 3,150 new multi-family housing residences. It is envisioned that a significant number of the units will be designed as townhouse/row housing, creating urban streets reminiscent of the brownstone neighborhoods found in the eastern United States.

A total of approximately 540,000 square feet of high-quality retail/residential mixed use is also planned for the project with a significant portion of the retail area serving as a regional lifestyle center and neighborhood retail in a "Main Street USA" environment adjacent to the ballpark.

The estimated cost of the Ballpark Village project is approximately \$1.8 billion. The project will be primarily financed by a combination of private equity and real estate development proceeds generated by the ballpark and the surrounding village.

360 Architecture, with offices in Kansas City, Mo., Columbus, OH and San Francisco, and Gensler, with offices worldwide, will serve as the primary design companies for the ballpark.

Cisco Field will be located in Fremont, which is approximately 22 miles to the south of McAfee Coliseum, five miles north of the Santa Clara County line and 12 miles from downtown San Jose. With a population of over 210,000 people and an area of 92-square miles, Fremont is the fourth most populous city in the Bay Area and California's fifth largest city in area. The ballpark site is proposed to be located on the west side of Interstate 880 off the Auto Mall Parkway.

The partnership with Cisco also includes a broad marketing and business agreement which will underscore the A's commitment to create a unique fan experience by leveraging state-of-the-art network technology throughout the ballpark and franchise operation. As a result, Cisco Field will be one of the most technologically advanced stadiums in the world and will demonstrate the positive role technology can play in sport, entertainment and connecting communities. Cisco's technology will be used to enhance every facet of the stadium, from ticketing and concessions to management of game day operations.

The partnership allows Cisco to utilize the facility for corporate and community events and to create a Cisco Customer Solutions Center at the ballpark in an effort to showcase the use of networking technology in a stadium. Cisco becomes the "Official Technology Partner of the A's and Cisco Field" and the A's will deploy Cisco technology to serve the needs of Cisco Field and the baseball village.

Groundbreaking on the project will commence once the A's gain approval from the City of Fremont, Alameda County and other government agencies, with construction time taking between 24-36 months.

Cisco Field Fact Sheet

Cisco Field

- A 32,000-seat, open-air, natural grass baseball-only facility.
- The A's and Cisco, the worldwide leader in networking for the Internet, have agreed to a 30-year naming rights deal on the park.
- Cisco Field will be one of the most technological sports venues in the world, with state-of-the-art technology featured throughout the ballpark and village.
- Cisco Field will be designed by 360 Architecture and Gensler. The general contracting company has not yet been selected.

Site

- Cisco Field will be located in the City of Fremont, which is in southern Alameda County. The ballpark site is approximately 22 miles to the south of McAfee Coliseum, five miles to the north of the Santa Clara County line and 12 miles from downtown San Jose.
- The 143-acre parcel, known as "Pacific Commons," is located on the west side of Interstate 880 off the Auto Mall Parkway.
- With a population of over 210,000 people and an area of 92-square miles, Fremont is the fourth most populous city in the Bay Area and California's fifth largest city in area.

Accessibility

- Cisco Field will be accessible via Interstates 880, 680 and Highway 237.
- Public transportation will be available from both the commuter train station as well as BART.
- Approximately 9,000 parking spaces will be available within a comfortable walking radius of the ballpark, approximately 500 more than is currently available at the Coliseum.

Seating

- With a seating capacity between 30-34,000, Cisco Field will be the most intimate ballpark in Major League Baseball.
- Although exact distances between the baselines and first row of seating is still to be determined, it's safe to say Cisco Field will offer fans some of the closest vantage points in all of baseball.
- Cisco Field will be designed with multiple seating "neighborhoods," including field level box seats, 66 four-person mini-suites, lower reserved seats, 41 16-person suites, rooftop box seats, outfield seats, outfield rooftop, decks, clubs and restaurant seats.
- Seats down the baseline will be angled to provide more focused views to the infield.

- Cisco Field will have a variety of suite and premium seating options, including the intimate four-person mini-suites, which will be located just 15 rows from the playing field, 16-person suites cantilevered over the lower reserved seating with access to shared club spaces; party suites available for single games as loge boxes; and terrace viewing tables with access to premium clubs.
- Cisco Field's design offers multiple locations for standing room-only areas, including along the edges of the adjacent rooftops, bars, balconies and ledges, with all locations offering dramatic and exciting views of the playing field.

Fan Comfort and Convenience

- Cisco Field will undoubtedly be one of the most technologically advanced sports venues in the country, if not the world. The possibilities to enhance the fan experience seem endless. Cisco's technology will be used to enhance every aspect of the ballpark.
- Cisco Field will offer significantly more restroom facilities than McAfee Coliseum and will be conveniently located throughout the ballpark.
- The new ballpark will be designed with a greater number and variety of concession stands and specialty food opportunities than the Coliseum.
- Concourses and Cisco Field will be wide and comfortable, designed to offer a continuous view of the playing field and connection to the game.
- The outfield concourses will be public streets that will close shortly before game time, similar to Yawkey Way outside of Fenway Park. These areas will have numerous fan amenities and interactive opportunities, along with food vendors, access to clubs and restaurants and a continuous view of the playing field.

Groundbreaking

- It is the intent of the A's and Cisco to begin groundbreaking on the ballpark as soon as possible, pending permits and approval.
- With the cooperation from local and state government, we believe the stadium will be open within 24-36 months of groundbreaking.

Project Estimated Cost

- \$1.8 billion for the entire project, excluding land cost.

Executive Profiles

Lewis Wolff

Owner and Managing Partner

Heading a limited partnership group that purchased the Oakland A's on April 1, 2005, Lew Wolff has wasted no time on putting his stamp on one of baseball's most successful and storied franchises.

Shortly following the completion of a memorable 2006 season that saw the A's secure their fifth postseason appearance in seven years and advance to the American League Championship Series, Wolff ushered in a new era of A's baseball in the Bay Area with his announcement of the control of a 200-acre parcel of land in the City of Fremont, with the intent to build a new ballpark for the A's. The transaction also includes a 30-year naming rights agreement with Cisco Systems, the worldwide leader in networking for the Internet. Estimated to open sometime before the 2013 season, Cisco Field will be the centerpiece of a baseball village that will also feature residential housing, restaurants, retail shops and other community attractions.

Wolff's impact on the Bay Area sports landscape is not limited to baseball. In May of 2006, he reached an agreement with Major League Soccer in an attempt to bring professional soccer back to the Bay Area. The expansion Earthquakes will return to action this spring, playing their home games at Santa Clara University's Buck Shaw Stadium while Wolff continues to work on securing a soccer-only facility for the team in the South Bay.

Under Wolff's ownership, the A's continue to be one of the most community-minded organizations in all of sports. Last year alone, the A's Community Fund donated approximately \$600,000 to various community programs. In 2006, the Wolff family implemented "Dinner on the Diamond," which has raised over \$162,000 the last two years for the A's Community Fund. Lew is also an active participant in the A's Home Run Readers program.

It's no wonder *The San Jose Mercury-News* has ranked Wolff first in its annual listing of the Bay Area's 25 Most Powerful Sports Figures in each of the last two years. Along the way, the personable Wolff has made a favorable impression among those who follow the team on a regular basis with his easy-going, straight-forward manner and quick-witted humor.

Wolff is the founder of Wolff Urban Development and co-founder of Maritz-Wolff, entities that are involved in the development, acquisition and management of a wide range of commercial, office, parking and hotel properties in a number of California cities including San Jose, Los Angeles, Pasadena and Burbank to name a few.

Wolff's ownership interests in representative hotels and resorts include properties such as The Carlyle in New York City; Four Season Hotels in Nevis, West Indies, Houston, Carlsbad; The Ritz-Carlton in St. Louis; Fairmont Hotels in San Jose and San Francisco; Rosewood managed hotels including The Mansion in Dallas, Little Dix Bay, Virgin Gorda, Inn of the Anasazi, Sante Fe plus other brands such as Marriott. In addition, Maritz Wolff has a 50 percent interest in the Dallas-based Rosewood Management Company, which owns and operates luxury hotels and resorts throughout the world.

Wolff began his career in real estate economics and appraisal in his hometown of St. Louis, Mo. before relocating to Los Angeles. In addition to his real estate analysis work, he also served as the president of the 20th Century Fox Realty & Development Company where he managed Fox' worldwide real estate activities.

Wolff is a former minority owner of the St. Louis Blues, the Golden State Warriors and the San Jose Missions, a now-defunct minor league baseball team. He holds a bachelor's degree in business administration from the University of Wisconsin in Madison, a master's degree in business administration from Washington University in St. Louis and is also a member of the American Institute of Real Estate Appraisers (MAI).

He currently serves on the Board of Directors of Major League Baseball's Enterprises, which oversees national television and radio contract negotiations, national sponsorship and licensing programs as well as the overall marketing of the industry.

Lew resides in the Westwood section of Los Angeles with his wife, Jean. The Wolffs have three children and two grandchildren.

Michael Crowley

President

The 2008 season marks Michael Crowley's 11th year with the Athletics' organization and his 10th as president after being named to the position on September 28, 1998. His tenure is the second longest among those who have served in the same capacity since 1968. A limited partner in the Athletics ownership group, Crowley is responsible for the overall day-to-day functioning of the Athletics' organization both on the business and baseball sides of the operation, working directly with owner and managing partner Lew Wolff.

In a dual role, Crowley also serves as president of the Major League Soccer's San Jose Earthquakes, who are scheduled to begin play this spring.

After spending three years in the San Jose office of Price Waterhouse and nine years with I.C.I./Fuller O'Brien Paints, Crowley joined the Athletics organization in July 1997 as vice president and chief financial officer. Considered a key figure in the A's resurgence as one of baseball's premier franchises, Crowley has been committed to fielding a championship caliber team with homegrown talent. He works closely with General Manager Billy Beane on key player decisions and issues relating to the baseball operations overall objectives and philosophies.

Crowley has developed a business model whose goals and objectives are to provide an affordable entertainment product on the field as well as delivering the absolute highest levels of customer service to fans attending games at the McAfee Coliseum. While Crowley stays involved with all aspects of the organization's business affairs, including finance, sales, marketing, public relations and community affairs, he has been at the forefront of building an outstanding team that continues to deliver outstanding value.

Crowley's leadership skills and business acumen were evident as he played an instrumental role in the negotiations surrounding the team's acquisition of a 143-acre parcel of land in Fremont, which will serve as the future home of Cisco Field. He will continue to take a lead role in the development of the ballpark and surrounding village.

Crowley continues the Athletics' tradition of intense commitment to the greater community. Under his leadership, the A's organization continues to be active in the Oakland community and surrounding areas. The Oakland A's Community Fund supports charitable organizations in their efforts to improve educational programs, aid the underprivileged, assist in crime prevention, service children, seniors and those who work to improve the quality of life throughout the Bay Area.

In 1999, Crowley and his wife, Kathy, played a key role in implementing Breast Cancer Awareness Day, which has raised over \$875,000 for the American Cancer Society over the last eight years. Crowley currently serves on the Board of Trustees of the Knowledge is Power Program (KIPP), which aims to create a respected, influential and nationwide family of schools that are successful in helping educationally underserved students develop the knowledge, skills and character to succeed in college and the competitive world beyond. He also served on the board of top business executives and community leaders which attempted to land the 2012 Summer Olympic Games in the Bay Area.

A native Californian, the 44-year old Crowley graduated from the University of Notre Dame in 1985 with a degree in business administration with an emphasis in accounting. He earned his MBA from Duke's Fuqua School of Business in 1992. In November of 2002, Crowley was named one of Street & Smith's Sports Business Journal's "40 Under 40", honoring the nation's top sport executives under the age of 40.

Mike resides in Cupertino with his wife Kathy and their three children.

Billy Beane

Vice President, General Manager

Considered one of the most progressive and talented baseball executives in the game today, Billy Beane has molded the Athletics into a perennial postseason contender since taking over the general manager's duties shortly following the 1997 season.

Under Beane's watch, the A's have compiled 901-718 (.557) record over the last 10 seasons, which is the third-best record in the American League and fourth best in all of baseball during that time frame, won four American League West titles (2000; 2002-03; 2006) and secured one AL Wild Card spot (2001). Over the last eight seasons dating back to the 2000 campaign, the A's have compiled a 740-555 (.571) record, which is the second-best record in the Majors next to the New York Yankees 773-519 (.598) mark and have posted 90 or more wins in six of the last eight years. The A's five postseason appearances since the 2000 season are the fourth most among all Major League teams, trailing only New York-AL (8), Atlanta (6) and St. Louis (6).

In addition, Oakland A's players have garnered numerous individual accolades during his tenure as general manager. Jason Giambi and Miguel Tejada earned American League Most Valuable Player awards in 2000 and 2002, respectively. Barry Zito was named the American League's Cy Young Award winner in 2002 while Bobby Crosby and Huston Street earned back-to-back AL Rookie of the Year honors in 2004 and '05.

Beane continually remolds a team that has posted the Major League's second best record over the last eight seasons, as third baseman Eric Chavez is the only holdover from 2000 club that that captured the American League West Division title. Over the years, his ability to land players such as Kevin Appier, Johnny Damon, Mark Ellis, Cory Lidle, Jermaine Dye, David Justice, Billy Koch, Justin Duchschere, Keith Foulke, Ted Lilly, Ray Durham, Jose Guillen, Mark Kotsay, Octavio Dotel, Jason Kendall, Dan Haren and Jay Payton has proved instrumental in keying several playoff runs.

Under Beane, the A's have adopted an organizational philosophy that stresses plate discipline and pitchers who command the strike zone. Young players on the lowest-level minor league teams receive the same doctrine on developing a solid understanding of the strike zone and control pitching as do the players in the majors.

Beane's executive talents and the organization's baseball philosophy were the subject of Michael Lewis' best-selling book *"Moneyball: The Art of Winning an Unfair Game,"* which opened the eyes of many of the top sports executives and business CEOs in the nation. As a result, Beane remains in great demand on the national speaking circuit, where he regularly addresses top companies on his management approach of identifying and using undervalued assets to create and sustain a competitive edge. He also sits on the board of directors of several companies, including Bell-Easton Sports, ProTrade and NetSuite, Inc.

He was named *The Sporting News'* Executive of the Year in 1999 and earned Major League Baseball's Executive of the Year honors by *Baseball America* magazine following the 2002 season. In November of 2001, Beane was named one of *Street & Smith's Sports Business Journal's* "40 Under 40" list, honoring the nation's top 40 sports executives under the age of 40. In 2004, he was rated 16th on *Street & Smith's Sports Business Journal's* list of Baseball's Heavy Hitters.

Beane joined the A's front office staff in 1990 as the club's major league advance scout. In 1993, former A's President and General Manager Sandy Alderson promoted him to the assistant general manager's position.

When Walt Jocketty left the organization to accept the assistant general manager's job in Colorado, Alderson handed over his general manager's duties to Beane on October 17, 1997.

A first round draft pick (23rd overall) of the New York Mets in the 1980 June Free Agent Draft, Beane played six major league seasons as an infielder, outfielder and catcher for the Mets, Minnesota Twins, Detroit Tigers and Oakland A's. His final season in uniform was 1989 when he was a utility player on the A's World Championship team. Beane retired as an active player in the spring of 1990.

A native of San Diego, Calif., Beane attended Mt. Carmel High School and UC San Diego, where he studied economics. Billy and his wife, Tara, reside in Danville with their twins, Brayden and Tinsley. He also has one daughter, Casey.

Jim "Catfish" Hunter Award

In 2004, the Oakland Athletics implemented the Jim "Catfish" Hunter Award, which will be given annually to an A's player whose play on the field and conduct in the clubhouse best exemplifies the courageous, competitive and inspirational spirit demonstrated by the A's late Hall of Fame pitcher.

A native of Hertford, North Carolina, Hunter posted a 224-166 record to go along with a 3.26 ERA in his 15-year Major League career with the Kansas City/Oakland Athletics and New York Yankees. He holds Oakland's all-time career mark for wins (131) and won 20 or more games in five consecutive seasons (1971-75). In 1974, he won the American League's Cy Young Award after winning a career-high 25 games.

"Catfish" earned five World Series rings during his career and was 4-0 with one save in seven World Series appearances with the A's. An eight-time All-Star, he made his major league debut in 1965 with the Kansas City Athletics and did not miss a start until the 1977 season. Inducted to the National Baseball Hall of Fame in 1987.

"Catfish" was diagnosed with amyotrophic lateral sclerosis (Lou Gehrig's Disease) in September of 1998 and died of complications from the disease on September 9, 1999 at the age of 53.

Previous winners of the Jim "Catfish" Hunter Award include Tim Hudson (2004), Mark Ellis (2005; 07) and Jason Kendall (2006).

REVIEW

After beginning the season in Triple-A, Jack Cust finished the 2007 season as the A's team leader in home runs (26) and RBI (82).

2007 Season In Review

2007 RECAP: The A's had their streak of eight consecutive seasons with a winning record come to an end in 2007 as they finished with a 76-86 record...it was the first time Oakland finished with a losing record since going 74-88 in 1998...finished in third place in the American League West, 18 games behind Los Angeles, and were sixth in the AL Wild Card, 18 games behind New York...it marked the first time the A's finished more than 14 games out of a playoff spot since 1997 when they were 25 games behind Seattle in the West...it was the first time the A's did not finish first or second in the West since 1998 when they finished fourth...the A's .469 winning percentage equaled the 11th lowest in the A's 40 seasons in Oakland...spent most of the season in third place in the West although the A's spent at least one day in every spot in the standings...had six days in sole possession of first, three days tied for first, 21 days in second, 11 days tied for second, 127 days in third, seven days tied for third and seven days in fourth...the A's continued their recent trend of slow starts as they were never more than two games over .500 or two games under .500 over the first two months of the season...put together more than two consecutive wins just once over the first 53 games, a four-game streak from April 15-20, and had just two losing streaks longer than two games over that stretch, a pair of three-game streaks...went 26-27 over that season opening stretch, which put the A's in third place in the West, 6½ games behind Los Angeles at the conclusion of play on June 1...then won a season high five consecutive games from June 2 to 6 and went 11-2 over a 13-game span from June 2 to 15...that gave the A's a 37-29 (.561) record at the conclusion of play on June 15, which was good for second place in the West, four games behind Los Angeles...had the eighth best record in baseball at the time...however, the eight games over .500 would be a season high as the A's went 39-57 (.406) over the final 96 games...had the second worst record in baseball from June 16 until the end of the season...only Tampa Bay, at 37-60 (.381), had a lower winning percentage...the A's pitching staff had a 3.13 ERA through games of June 15, which was the lowest mark in the AL and second lowest in the Majors...then compiled a 5.10 ERA from June 16 until the end of the season, which was third highest in the AL and sixth highest in the Majors...A's starting pitchers were 25-17 with a 2.99 ERA and .234 opponents batting average through June 15 and 27-43 with a 5.30 ERA and .297 opponents batting average after that...went 7-21 over a 28-game stretch from June 16 to July 17...capped that with a season high nine-game losing streak from July 6 to 17...the losing streak equaled the fifth longest in Oakland history and it was the A's longest since July 21-29, 1998 when they also lost nine straight...it equaled the second longest losing streak in the AL in 2007...went 12-12 over the next 24 games through August 12 to put the A's season record at 56-62...made a push for a .500 record by winning nine of 11 games from August 13 to 23...that moved the A's one game over .500 at 65-64 on August 23 but that would be their final day over .500...lost the next day to put the season record at exactly .500 for the 19th time in 2007...the only season in Oakland history in which the A's had more days at .500 was in 1968 when they did it 20 times...went 11-22 over the final 33 games beginning on August 24 and lost 10 of the final 12 games...were officially eliminated from the AL West on September 15 and were eliminated from the Wild Card on September 17 in game 152...that was the earliest the A's have been knocked out of the playoff race since 1998 when they were eliminated in game 151 on September 16.

THE DISABLED LIST: The A's used the disabled list 22 times in 2007, tying the Oakland record set in 1992...A's players combined to miss an Oakland record 1259 games while on the DL, an average of 57.2 games per DL stint...11 of the 22 DL stints included time on the 60-day DL...the A's began the season with three players on the DL and did not drop below

Designated Hitter Rule

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role. The designated hitter is eligible for all American League batting titles.

Ninth Inning Comebacks

Only once in Oakland history have the A's trailed by four or more runs heading into their last at bats and come back to win the game. On September 7, 2005, the A's trailed Seattle, 7-3, going into the bottom of the ninth at the Coliseum, but rallied for five runs in the inning for a 8-7 victory. The A's won the game when Eddie Guardado walked Nick Swisher with the bases loaded, scoring Jay Payton with the winning run. Prior to this contest, the last time the A's rallied from a deficit of four or more runs in their last at bat to win a game was on July 4, 1957 in the first game of a doubleheader against the Chicago White Sox. The A's trailed 4-0 heading into their last at bat, only to rally for five runs to pull out a 5-4 victory. Gus Zernial's single to left off Dixie Howell scored Hector Lopez and Joe DeMaestri with the tying and winning runs.

Oakland's 20-Game Winning Streak

During the 2002 season, the Oakland Athletics set an American League record by winning 20 consecutive games from August 13 to September 4. It was the third longest winning streak in the Major Leagues since 1900 and was the longest in 67 years. The streak broke the previous American League record of 19 set by the 1906 Chicago White Sox (Aug. 2 to 23) and matched by the 1947 New York Yankees (June 29 to July 17). The streak also bettered the previous Athletics franchise record of 17 set in 1931 (May 5 to 25) as well as the previous Oakland record of 14 set in 1988 (April 23 to May 9). The As outscored the opposition 141-65 during the streak and trailed in just 10 of the 180 innings. Here's a game-by-game look at Oakland's American League-record 20-game winning streak.

* The Baseball Writers' Association of America officially balloted and named the MVP in each major league since 1931. The earlier awards were known as the Chalmers (automobile) Award (1911-14) and then the league made the award from 1922- through 1928.

The A's Elephant

After helping form the American League in 1901, New York Giants manager John McGraw dismissed the A's with contempt by calling them "The White Elephants," implying Connie Mack should not be allowed to spend money without supervision. Mack defiantly adopted the White Elephant as the team insignia and in 1902, the Athletics won their first American League pennant.

The White Elephant remained the team's mascot and later that decade, made its first appearance on the A's team sweaters. In 1918, the Elephant saw its first game action when Mack had the pachyderm symbol (in blue with a white "A" inside) placed on the left sleeve of every player.

By 1920, Mack had fully adopted the Elephant as the team's symbol. The traditional "A" on front of the team's jersey was replaced by a blue elephant logo. After a few poor seasons, Mack decided change was in order. So, in 1924, the blue elephant was replaced by the traditional white elephant on the team's jersey and the A's played better ball for the next few years.

In 1928, Mack decided the elephant had worn out its brief welcome on the A's jersey fronts and replaced the logo with the familiar "A" on the uniform. The A's went on to win two World Championships and an AL crown in the next three years, although the resurgence was probably due more to the additions of Foxx, Simmons, Grove and Cochrane than the elephant's absence.

That was the last year for the elephant on the A's uniform until 1955, when the A's, now in Kansas City, added the patch to their uniform sleeves. However, when Charlie Finely purchased the team in the early 1960's, the elephant was once again sent packing and replaced by, of all animals, a mule.

Prior to the 1988 season, the A's brought back a new, more aggressive A's Elephant. In 1995, the traditional A's elephant was reincorporated into many of the team's promotional items and publications and is now a prominent feature on the A's uniform.

Greg Sparks

Minor League Roving Hitting Instructor

Greg Sparks enters his fifth season as the organization's minor league roving hitting instructor. He previously served as a manager for six years in the A's minor league system and compiled a 359-352-1 record during this span. Sparks managed at Double-A Midland in 2003, Single-A Modesto from 2000-02 and Single-A Southern Oregon of the Northwest League from 1998-99. He earned co-manager of the year honors in 1999 while with Southern Oregon. Sparks joined the A's organization as a coach at Single-A Visalia in 1997.

Originally a fifth round January draft pick of the San Diego Padres in 1984 out of Mesa Community College, Sparks' playing career spanned 12 seasons and took him to 16 different cities in nine major league organizations, along with an independent team and the Mexico City Tigers. He played three seasons in the San Diego farm system before signing with the A's organization as a free agent prior to the 1987 campaign. His only two stops at the Triple-A level came in 1991 and 1992, when he played 55 games for Buffalo and 23 games for Toledo, respectively. Sparks concluded his playing career in 1995 in the Atlanta farm system, batting .214 in 65 games at Double-A Greenville.

Sparks makes his off-season home in Phoenix, Ariz.

Gil Patterson

Minor League Roving Pitching Instructor

Gil Patterson returns to the Athletics organization for his second season as the A's minor league roving pitching instructor (also, 1996). For the previous two years he served as the pitching coach for the Yankees affiliate in the Gulf Coast Rookie League and spent the 2005 campaign as the pitching coach for Triple-A Columbus. Patterson joined the Toronto Blue Jays in 2001 as the bullpen coach and served as their pitching coach from 2002-04 after spending the previous four seasons with the Arizona Diamondbacks as their minor league pitching coordinator.

Patterson joined the Oakland A's organization in 1991 coaching in the Arizona Rookie League in Scottsdale. He coached for the A's Single-A affiliate in Madison from 1992-93, Single-A West Michigan in 1994 and Rookie League Scottsdale A's in 1995 before serving as the roving minor league pitching instructor in 1996. He began his coaching career in Triple-A Columbus and Single-A Oneonta with the New York Yankees organization in 1984.

Patterson was the Yankees first selection of the secondary phase of the 1975 June Draft. He made his professional debut in 1975 with Single-A Oneonta where he led the New York-Penn League in strikeouts (97). Patterson tossed a 1-0 no-hitter on June 28, 1976 with Double-A West Haven before being promoted to Triple-A Syracuse. He opened the 1977 season in Syracuse before making his major league debut with the Yankees at age 21. He appeared in 10 games, six starts, with the eventual World Series Champions in 1977 while posting a 1-2 record and 5.45 ERA. Patterson suffered a torn rotator cuff and spent considerable time on the disabled list in 1978 and 1979. He pitched in the Yankees minor league system in 1980-81 and the San Francisco Giants organization in 1982 before having career ending "Tommy John" surgery following Spring Training in 1983. In total Patterson underwent eight operations during his career.

Patterson makes his off-season home in Odessa, Fla. with his wife Jan. The couple has four children—Brandy (30), Raquel (23), Kyle (21) and G.T. (10).

Juan Navarrete

Minor League Roving Infield Instructor

Juan Navarrete enters his fifth season as the A's minor league roving infield instructor after serving two years as the organization's minor league roving hitting instructor. Navarrete spent the previous seven seasons as a minor league manager and compiled a 390-338 record during this span. In his first two seasons as a manager for the A's Arizona Rookie League team (1995-97), he earned manager and co-manager of the year honors after guiding the team to a first and second place finish, respectively. Navarrete was promoted to Single-A Modesto in 1998 and took over the managerial duties at Single-A Visalia in 1999 where he guided the Oaks to playoff appearances in two of his three seasons.

A former infielder, Navarrete's playing career spanned 21 years (1970-90). He spent the majority of his career with the Saltillo Saraperos of the Mexican League as a player (1970-71; 78-82) and as a player-manager (1983-85). Navarrete was an eight-time All-Star and a member of Saltillo's 1980 championship squad. He also played six seasons in the Montreal organization (1972-77). Navarrete spent his winters in the Mexican-Pacific Winter League (1972-90) and is among the leaders in various statistical categories. In 1998, Navarrete was inducted into the Mexican Baseball Hall of Fame.

Navarrete makes his home in Saltillo, Mexico with his wife, Maria and two daughters, Airam and Ana.

Ron Plaza

Minor League Roving Instructor

Ron Plaza begins his 26th season as the A's minor league roving instructor. He joined the Oakland organization in 1983 after 14 years in the Cincinnati Reds (1970-83) organization. Plaza served as the Reds minor league roving instructor from 1970-77 before serving on the Major League coaching staff for six seasons (1978-83). He managed on various levels in the Cardinals chain from 1963-68 and was named Florida State League manager of the year in 1967. In 1969, he worked as a base coach for the Seattle Pilots.

Last season, Stevenson managed at Double-A Midland and he spent the 2005-06 seasons at the helm of Single-A Stockton. Stevenson joined the A's organization in 2004 as the hitting coach for the short-season Single-A Vancouver Canadians after spending the previous five seasons in the St. Louis Cardinals farm system at Single-A Palm Beach (2003), Single-A Potomac (1999; 2001-02) and Single-A Peoria (2000).

Stevenson had a seven-year professional career that included major-league appearances with Detroit (1995) and San Diego (1996). He finished his minor league career in 1998 as an outfielder with Triple-A Memphis of the Pacific Coast League. Stevenson was originally drafted out of Culver City (Calif.) High School by the Cardinals in the sixth round of the June 1989 amateur draft but elected to attend Arizona State University. Three years later he was a first-round draft pick (25th overall) by Toronto.

Craig Lefferts

Pitching Coach

Former major league pitcher Craig Lefferts enters his sixth season as a pitching coach in Oakland's minor league system, his fifth year with the Vancouver Canadians. He spent the 2003 season as the pitching coach at Double-A Midland of the Texas League. He previously served in the same capacity at Double-A Tennessee in the Toronto Blue Jays system (2000-02) and Medicine Hat (1999).

In his 12-year major league career, Lefferts compiled a 58-72 record with a 3.43 ERA, which included stops in Chicago-NL, San Diego, San Francisco, Baltimore, Texas and California. A ninth round selection by the Cubs in 1980, Lefferts made his major league debut with Chicago in 1983. In 1984, Lefferts posted a career-best 2.13 ERA for the National League West Division champion Padres and tossed 10 scoreless innings in six postseason appearances. He was the winning pitcher in the final two NLCS games against Chicago and earned the save in the Padres only World Series victory against Detroit. In 1987, Lefferts made 44 appearances for San Francisco, including three scoreless outings in the NLCS against St. Louis. In 1989, he matched Gary Lavelle's team record for saves by a left-handed pitcher with 20 and appeared in five postseason games, making two appearances in the NLCS versus Chicago and three against the A's in the World Series. After recording 23 saves in 1991, he was converted to a starter in 1992 and finished with a 13-9, 3.69 record in 27 starts for the Padres. Lefferts retired after making 30 appearances for the California Angels during the 1994 season.

Lefferts and his wife Wendy reside in Anthem, Ariz. with their four children, Brock, Brady, Taylor, Tanner and Lindsay.

McAfee Coliseum

McAfee Coliseum provides a memorable setting for any outdoor event. Recently having undergone a \$120 million renovation, the Coliseum plays host to concerts, conventions and other large gatherings in addition to serving as the home for the Oakland Athletics and Oakland Raiders.

The A's have used the facility to its advantage over the years, posting the second best home record (449-280, .616) in the Major Leagues over the last nine seasons. In 2003, the A's set an Oakland record for home wins as they finished with a 57-24 (.704) record in the Coliseum, marking the most home wins in franchise history since 1931 when the Philadelphia Athletics went 60-15 at home. In addition, two of the A's World Championships have been won on the Coliseum's turf. The Coliseum's exceptional sight lines, fine weather and sizable staging areas have all contributed to its popularity among performers, promoters and the Bay Area public.

The facility is conveniently located adjacent to I-880 with two exits (Hegenberger Road/66th Avenue) leading directly to the complex. It is the only major entertainment facility with a dedicated stop on the Bay Area Rapid Transit (BART) system. The Oakland International Airport is less than a two-mile drive from the Coliseum with shuttle service to several local hotels and restaurants.

In October of 1995, the Coliseum began \$120 renovation project that added 22,000 new seats, 90 luxury suites, two private clubs and two state-of-the-art scoreboards.

The first crowd filled the Oakland-Alameda County Coliseum on Sept. 8, 1966, when the AFL's Oakland Raiders played the Kansas City Chiefs. The adjacent arena celebrated its grand opening on Nov. 9, 1966, when the Oakland Seals met the San Diego Gulls in hockey. In the ensuing 35 years, the facility has hosted every conceivable event in the entertainment history. Audiences numbering nearly 100 million have made the Coliseum and Arena the premier entertainment facilities in Northern California.

Oakland A's In The Community

The Oakland Athletics organization in conjunction with the A's Community Fund strives to make a positive impact in the Bay Area and Northern California. A's players, coaches, and front office employees, together with fans and sponsors are committed to meeting the social, cultural and educational demands in the community. The A's host numerous fundraising events, have implemented several educational programs, support various causes and organizations and connect with many different people. The Oakland Athletics organization is proud, reliable and a dedicated member of the community.

Information regarding Oakland Athletics community programs can be found online at oaklandathletics.com. Requests for donations and player appearances must be submitted in writing and addressed to the following: Oakland Athletics, Community Relations, 7000 Coliseum Way, Oakland, CA 94621.

OAKLAND A'S COMMUNITY FUND: The Oakland A's Community Fund supports more than 1,500 charitable organizations through monetary contributions and donated auction items each season in their efforts to support charitable organizations in improving the quality of life for people throughout the Bay Area. Specifically, to fund endeavors to improve educational programs, aid the underprivileged, assist in crime and drug prevention, promote health awareness, and champion children and senior welfare. The A's Community Fund believes in the need to invest in the community's future. The A's Community Fund donates approximately \$600,000 annually to various community programs.

A's BREAST CANCER AWARENESS DAY:

The A's host a Breast Cancer Awareness Day each year to raise funds for breast cancer education and research. Funds are raised through the sale of special ticket packages, commemorative pins and caps and an A's autographed quilt raffle. Pre-game ceremonies include the formation of a symbolic human pink ribbon on the field by over 300 Bay Area survivors, the release of white doves as a symbol of hope and a presentation of

the "A Gift of Faith" grant, which donates \$5,000 annually to a local charity in memory of longtime KTVU Channel 2 reporter, the late Faith Fancher. Over the past nine years the A's have raised over \$887,000 for breast cancer education and research on A's Breast Cancer Awareness Day.

MUG ROOT BEER FLOAT DAY: Each year the A's and Pepsi host MUG Root Beer Float Day to raise funds for the Juvenile Diabetes Research Foundation. Proceeds are raised through the sale of root beer floats, tips given in exchange for autographs and pictures with the celebrity scoopers, the sale of autographed mugs, a silent auction of sports memorabilia and an on-line auction titled "Be a Celebrity Scooper." Over the past eight years, the A's have raised over \$235,000 for various charities through MUG Root Beer Float Day.

A's BILLIARDS AND BASEBALL: A's players and coaches team up with fans and sponsors in a five-round 8-Ball Tournament in support of various organizations that assist children with special needs. Last year's inaugural event raised over \$50,000 for the National Down Syndrome Society, the Children's Hospital & Research Center Oakland's Autism Intervention Program, the Special Olympics of Northern California and the Miners Family Health Center in Nevada County.

A's FITNESS SLUGGERS PROGRAM: The A's Fitness Sluggers Program educates children about health and fitness by implementing healthy eating habits and enjoyable physical activity into their daily routine. Children ages nine through 12 years of age will receive a workbook that contains guidelines on proper nutrition and physical activities as well as an area to log physical activity and food and drink consumption on a daily basis over a four-week period. Each child who completes the program will receive a special certificate of completion and 100 of those children will participate in a pre-game clinic with the A's strength and conditioning coach and will be honored in an on-field ceremony on Children's Health and Fitness Awareness Day.

HOME RUN READERS

PROGRAM: The A's Home Run Readers program requires teachers to establish reading goals for their students based on each child's individual reading level. As incentives, A's players, coaches, mascot Stomper and front office employees visit participating schools to congratulate the students and to encourage them to continue reading both inside and outside of the classroom. Students who participate in the program attend the game on Home Run Readers Day as guests of the A's, SCS Development and NASDAQ.

"MATHLETICS" PROGRAM: The "Mathletics" program is a unique program designed to promote the importance of math among Bay Area youth. The A's design and distribute workbooks to participating schools which include simple formulas for calculating statistics of A's players. Students who complete their workbooks correctly and submit the answer sheet to the A's will receive two vouchers for an A's game. In addition, one school that demonstrates outstanding participation in the program receives a visit from an A's player. The "Mathletics" program is sponsored by Ross Dress For Less.

GREEN STAMPEDE HOMEWORK CLUB: Before selected A's home games, teachers and volunteers from local public schools offer tutoring for at-risk students at McAfee Coliseum. Students who attend the study group are rewarded with tickets to that night's game and if they attend all eight sessions they will be rewarded with a visit from an A's player.

FIELD RENOVATIONS:

The A's Community Fund, in partnership with the Good Tidings Foundation, renovates a local baseball or softball field in order to provide local youth a state-of-the-art facility. Over the past three years, the A's and Good Tidings Foundation renovated the baseball and softball fields at Washington High School in Fremont, Rickey Henderson Baseball Field located at the Arroyo Viejo Recreation Center in East Oakland and Bambino Field at the Greenman Field Baseball Complex.

A's BASEBALL BASICS: The A's Baseball Basics program allows aspiring young ball players to receive inside tips from an A's player during a pre-game chat. In addition, each child receives a game ticket and an A's hat. A's Baseball Basics is sponsored by Health Net, A Better Decision.

TAKE THE FIELD WITH THE A's: Prior to the selected games, members of local baseball and softball teams accompany A's players as they take the field, stand with them during the National Anthem and receive an autographed baseball.

LITTLE LEAGUE DAYS: Members of organized youth baseball programs are offered discounted group ticket prices to attend one of the two designated Little League Days with the A's. Little Leaguers (age 14 and under) attend a pre-game festival, are greeted by A's players as they parade around the field with their respective teams and receive the A's kid's giveaway item for that date and meal voucher for a hot dog, bag of chips and small drink.

A's AMIGOS: The A's Amigos program gives Hispanic children the opportunity to speak with a Spanish speaking A's player about the importance of education, sportsmanship and hard work. In addition to a pre-game visit, each child receives a game ticket and an A's hat. The A's Amigos program is sponsored by Kelly-Moore Paints.

LITTLE A's: Each year, over 10,000 children from low to moderate-income families are treated to A's games and receive an A's pin and a pennant as part of the Little A's program, sponsored by Union Bank of California and supported by Clorox and The Men's Wearhouse.

HOLIDAY PARTY: Each year the A's Community Fund hosts a holiday party for local school children. A's players and coaches are present to sign autographs and distribute gifts to each child. The holiday festival includes pizza and juice, carnival games, face painters, balloon artists and appearances from the A's mascot Stomper and Santa Claus.

TICKET PURCHASE PROGRAM: Oakland A's players, the A's Community Fund and corporate sponsors purchase and donate thousands of tickets to various charity and non-profit groups each season.

SILENT AUCTION: The A's Community Fund holds silent auctions of various sports memorabilia behind section 120 on all Saturday and Sunday home dates. The A's Community Fund donates a portion of the proceeds to designated charity groups as a silent auction partner on selected dates throughout the season.

A's COMMUNITY FUND GOLF CLASSIC: This annual tournament pairs participants with A's players, former players, coaches and front office employees for a day of golf at one of the Bay Area's top courses. The event features breakfast, tee prizes, an awards dinner banquet and live and silent auctions of sports memorabilia and other prizes. All proceeds benefit the Oakland A's Community Fund.

A's DINNER ON THE DIAMOND: This annual dinner with A's players and their families is hosted by A's Owner and Managing Partner Lewis Wolff and his daughter Kari Wolff, with proceeds benefiting the Oakland A's Community Fund. A's Dinner on the Diamond is sponsored by the Wolff family and Fisher family.
