William M. Davidson
Managing Partner

William M. Davidson knows what it takes to run a successful business. The Detroit Pistons' Managing Partner has taken his knowledge of business and applied it to the Detroit Pistons.

Davidson acquired the Detroit Pistons in 1974 from the late Fred Zollner, the man who founded the team in Fort Wayne in the 1940s and moved the franchise to Detroit in 1957-58. Now, under the direction of Davidson, the organization's future has never looked brighter.

Interested in a wide variety of sports, Davidson is one of the most knowledgeable heads of an NBA franchise. He has studied the talents and abilities of players and coaches in the league and has some very astute observations.

The Pistons' majority owner likes success and has known it in his business interests. Education in Business and Law, Davidson received a Bachelor's Degree in Business Administration at Michigan and earned a Juris Doctor's Degree from Wayne State University.

After three years, Davidson gave up his law practice to take over a wholesale drug company, rescued it from bankruptcy and turned it around in three years. Then, he took over a surgical supply company which was on the verge of bankruptcy and saved it as well. The next step was to take Guardian Glass Company, the family business, and turn it around in two years by paying off all debts and heading it on a profitable growth path which the company enjoys today. Guardian Industries is the flagship of his business interests.

Davidson hopes his previous track record will help pave the way for the Pistons. The success he has enjoyed has come from a proven talent for hiring competent managers and placing the responsibility with them. That is the same formula he is using with the Detroit Pistons.

The athletic interests of Davidson date back many years and have continued alongside his business career. He was a high school and college trackman and played freshman football at Michigan, then club football in the Navy during World War II. An active squash and tennis player today, he is also an accomplished table tennis player. He is active in community and charitable affairs as well. His management talents are continually on display in NBA circles where he is active on the player relations and finance committees and he was a member of the committee which selected current NBA Commissioner Lawrence O'Brien in 1975. He can usually be found sitting courtside at most Pistons' home games.

The Detroit Pistons ownership group includes Legal Counsel Oscar Feldman and Advisory Board Members Warren Coville, Ted Ewald, Milt Dresner, Bud Gerson, Dorothy Gerson, David Mondry, Eugene Mondry, Ann Newman, Herb Tyner and William Wetsman.

Jack McCloskey
General Manager

When the Detroit Pistons needed an astute basketball mind to direct the on-court fortunes of the club, Managing Partner William M. Davidson appointed NBA veteran Jack McCloskey as General Manager December 11, 1979.

At the time of the announcement of McCloskey's joining the Pistons, Davidson called the addition "a positive step in the building of our franchise to an NBA Championship level. Jack came highly recommended to us for his knowledge of the game, its personnel and NBA matters." This recommendation proved correct as he was recognized by his peers during the 1981-82 season when he tied for the runnerup slot behind ex-Piston' center Bob Ferry in the *Sporting News* Executive of the Year balloting.

McCloskey's duties include authority over all basketball-playing aspects of the Pistons organization including coaching, player personnel, all scouting and trades.

A native of Mahanoy City, PA, McCloskey came to the Pistons from the Indiana Pacers where he served as an assistant to Head Coach Bob Leonard during the 1979-80 season. Previously, he assisted Jerry West, now the General Manager of the Los Angeles Lakers, for three seasons.

Upon joining the Pistons, McCloskey, a 1948 graduate of the University of Pennsylvania, had 23 years of coaching experience behind him. During his playing days, he was an acknowledged all-around athlete, playing basketball and football at Penn, plus eight years in the American and Eastern Basketball Leagues. His career as a player also includes a brief stint in the NBA and four years of professional baseball in the Philadelphia A's organization. McCloskey and diminutive guard Charlie Criss rank as the Eastern League's only two-time MVPs. His Eastern League teammates included the Pistons' current Director of Scouting, Stan Novak, and Portland Head Coach Jack Ramsay.

Much of his coaching days included taking over situations which were on the downside looking up and getting them moving again, an accomplishment the energetic Irishman has a knack of doing.

It was after a highly successful high school coaching career that McCloskey returned to Penn in 1956, inheriting a team that went 7-19, then 13-12 and 12-14 before seven straight winning seasons with Ivy League first-division finishes annually. In his final season, McCloskey led the 1965-66 Penn team to a 19-6 campaign, the most wins since 1954-55, capturing the Ivy League Title. His teams were 87-53 in Ivy League play and won the Philadelphia Big Five Title in 1963 on their way to an overall 146-105 mark in 10 seasons.

McCloskey's next stop was Wake Forest, where he transformed the lowly Deacons into an Atlantic Coast Conference contender. After a 14-39 mark his first two years, he followed with four successful seasons in the rugged ACC while compiling a 56-50 slate. His assistants were Billy Packer and the late Neil Johnston, former NBA scoring ace of the old Warriors.

His next chore was to take over the expansion Portland Trailblazers in 1972-73 for two painful building seasons. The Pacific Division team was an eventual NBA Titlist. In his tenure with the Lakers, he served as offensive coordinator for two seasons and defensive coordinator for a year as the Lakers bounced back from two losing seasons with three winning campaigns.

Jack and wife Leslie make their home in West Bloomfield. He enjoys tennis, swimming, fishing and golf. He was a September, 1981, inductee into the Jerry Wolman Chapter of the Pennsylvania Sports Hall of Fame.

Chuck Daly
Head Coach

Chuck Daly begins his first season as the Pistons' Head Coach after having outstanding success at every level of coaching. Daly was tabbed for the position by Pistons' General Manager Jack McCloskey on May 17.

Daly's first goal is to get the Pistons into the Playoffs in this, his first season. He has plenty of NBA experience, first with the Philadelphia 76ers as an Assistant Coach and then as the Head Coach with the Cleveland Cavaliers. While with the Sixers, Daly was given plenty of the credit while molding that team into an NBA Championship-contending team.

In making the Daly appointment, McCloskey said, "I am thrilled that Chuck Daly has accepted our offer to coach the Detroit Pistons. He has outstanding knowledge of the pro game and also the fundamental teaching techniques necessary to be successful in the NBA."

Last season, Daly, a native of Kane, PA, spent time as a Philadelphia 76ers broadcaster after coaching the Cavaliers during the 1981-82 campaign.

Prior to that, Daly spent four-plus seasons as an Assistant Coach to Head Coach Billy Cunningham and the NBA Champion Philadelphia 76ers. The Sixers were 236-104 in regular-season play during those four years and 18 games on the fifth year, winning two division titles and finishing second twice. The Sixers also logged a 32-21 Playoff record in the four seasons before he departed for the Cavs' job. Daly was regarded by the Sixers as especially adept at setting up offenses and defenses for various opponents.

Before joining the Sixers, when Cunningham replaced Gene Shue after six games of the 1977-78 season, Daly had the best intra-city record in the history of the Philly Big Five. In his six seasons (1971-77) as the Head Coach at the University of Pennsylvania, his teams won four Ivy League titles and was runnerup twice. Penn won three Big Five Championships outright and tied for another under Daly's guidance, while compiling an overall record of 125-38 (.744 percentage) and won 20 of 25 Big Five games (.800 percentage). In his first season at Penn, he led the Quakers to a 25-3 record, a number 3 ranking nationally and first in the Eastern Collegiate Athletic Conference (ECAC). Daly led Penn to more NCAA berths and Big Five titles than any other Head Coach at Penn.

Daly was the Head Coach at Boston College for two seasons with a 26-26 record from 1969-71. He had served as an assistant at Duke for seven years (1963-69), first as the Freshman Coach (2 years) and four years as the Varsity Assistant Coach.

A graduate of Bloomsburg (PA) State, after starting his collegiate career at St. Bonaventure, he earned his Master's Degree at Penn State and began his coaching career at Punxsutawney High School.

Daly, who makes his permanent home in Cherry Hill, NJ, said, "I am really excited about this Detroit Pistons team. I think it is a team of great potential. It has youth on its side. It wants to advance to a playoff situation."

Daly has been in playoff situations before, and knows what it takes to get a team there. His knowledge can only enhance the Pistons' chances.

Dick Harter
Assistant Coach

Dick Harter has that golden touch. The Detroit Pistons' new Assistant Coach has a history of taking teams on the downswing and converting them into national powerhouses.

During his Division I coaching days, Harter won more than 60 percent of his games. What is even more impressive about that record, is that in his most recent coaching positions, he has taken programs not familiar to winning basketball games (Oregon and Penn State) and built both into top-notch programs.

After directing Rider College to a 16-9 mark in 1966, Harter was the Head Coach at the University of Pennsylvania from 1967-71. At Penn, his teams posted an overall mark of 88-44, including a 53-3 mark in his final two seasons. In 1971, Penn won all 28 of its regular-season games and finished ranked third in the country.

In 1972, Harter became the Head Coach at the University of Oregon, where he coached for seven seasons, recording a 113-8 record, including six straight winning seasons. Oregon had not had that much basketball success since the 1920s. Harter's Oregon teams defeated John Wooden-coached UCLA teams four times. The big victory being a 64-45 thrashing of the Bruins at Pauley Pavilion, ending UCLA's 98-game homecourt winning streak.

Most recently, Harter was directing the program at Penn State. From 1979-83, the Harter-coached Nittany Lions recorded a five-season mark of 79-61, including four consecutive winning seasons.

Should Harter continue his winning ways along with Head Coach Daly, it could mean a Playoff spot for the Pistons for the first time since 1976-77. General Manager Jack McCloskey and Daly are positive that Dick can work his magic in the NBA. Perhaps, by the end of the 1983-84 campaign, Pistons fans will come to notice that there is something golden happening inside the Siverdome.

Stan Novak
Scouting Director

Stan Novak, veteran Continental Basketball Association Coach, is in his fourth season as the Pistons' Director of Scouting.

Since joining the Pistons, his knowledge of basketball and ability to assess talent have resulted in successful drafts.

During the regular season, Novak travels throughout the country scouting college games and evaluating potential pro prospects. Besides scouting, his duties also include assisting with the Pistons' Rookie-Free Agent Camp and pre-season Training Camp.

Novak's basketball background is extensive, including 31 years as a professional basketball coach in the Continental League and its predecessor, the Eastern League. He began as a player / coach for Sunbury in 1949. His teammates included Jack McCloskey and Portland Trailblazers Coach Jack Ramsay. Prior to joining the Pistons in 1980, Novak coached in Trenton, Wilkes-Barre, Scranton, Allentown and most recently, Lancaster. He has been selected Coach of the Year several times, and in 1980-81 had the CBA Guide dedicated to him.

Novak also coached High School Basketball for 18 years at Springfield Township High School in Montgomery County. While at Springfield, Novak won 85 percent of his games, before becoming a middle school Principal.

After dedicating the first two years as "improvement years", Novak says, "Now we have the nucleus to make the Playoffs and be a long-time contender in the NBA."

Philadelphia-born and educated, Novak graduated from West Philadelphia HS and the University of Pennsylvania.

Will Robinson

Administrative Assistant to the General Manager

Will Robinson has dedicated his life to the sport of basketball. Recently, the game has been returning the favor and the Robinson legacy continues.

In the spring of 1982, Will was inducted into the Michigan Sports Hall of Fame, marking the supreme honor in the state where he enjoyed the majority of his coaching success. That success has continued during his years with the Pistons where he currently is the team's Director of Community Relations and the Administrative Assistant to General Manager Jack McCloskey. His duties include scouting, special assignments and the Pistons' Training Camp.

The list of names of the athletes who played for Robinson is like a Who's Who in sports. His teams were usually tagged with the title "Champion".

Robinson's Detroit Miller High School team, paced by the great Sammy Gee, won the City Championship over St. Joseph's High School in 1947, drawing 16, 249 to Olympia Stadium, a State of Michigan attendance mark until the Pistons moved to the Pontiac Silverdome in 1978.

When Robinson moved to Detroit Pershing High School, the name may have changed, but the results were the same as the teams continued rolling up championships while winning at an 85 percent rate.

In 1963, Pershing and the PSL returned to State Tournament play, and that team went to the final four of the State Tournament, led by Mel Daniels (former ABA center), Ted Sizemore (major league baseball) and Willie Iverson (ABL Miami Floridians).

One of the strongest high school basketball teams ever assembled played for Robinson in the 1967 season. The five all later played in professional sports. Spencer Haywood and Ralph Simpson (both NBA and ABA), Glen Doughty and Paul Seals (pro football) and Marvin Lane (major league baseball) won the State Championship.

The Robinson name had been recognized nationally, and Illinois State Athletic Director, Milt Weisbecker gave the coach a chance at the big-time collegiate game. Robinson became the first major college black coach and recorded five consecutive winning seasons. Among the standouts were All-Pro Guard Doug Collins, one of the many Olympians Robinson produced, and Bubbles Hawkins, who later played guard with the New Jersey Nets.

There have been other standouts like Wayne State all-time great Charlie Primas, Baltimore Colt All-Pro Big Daddy Lipscomb, Wayne State VP Noah Brown, Olympians Lorenzo Wright, Charley Fonville and political advisor Ofield Dukes. The athletic field was not the only place where Robinson was producing great people. He is just as proud of the 25 Detroit Police Officers who played for him, the college grads with Ph.D.s attached to their names and the sons of the players who are now the headline-makers.

Robinson's induction into the Michigan Sports Hall of Fame marked the fifth such honor bestowed him. The others include: The Michigan High School Coaches' Hall of Fame, The West Virginia State Hall of Fame, The Illinois State Hall of Fame and the Dapper Dan Hall of Fame.

Robinson, who makes his home in Detroit, has one son, William Jr., the Associate Director of Admissions at Oakland University.

Mike Abdenour
Trainer

Mike Abdenour, a Detroit native, begins his eighth season as Pistons Head Trainer. Certified by the National Athletic Trainers' Association, the 31-year-old Abdenour holds a Bachelors Degree from Wayne State and is in the process of completing his Masters.

Abdenour's experience as a trainer runs deep. He served as Student Trainer for four years at Detroit Denby High School and two years, while a student, at Macomb County Community College. Mike broke in with the Pistons as Bud Shockro's assistant, after serving a three-year apprenticeship at Wayne State under long-time Pistons consultant Bob White.

Mike's responsibilities make his job as Head Trainer a year-round occupation. Besides overseeing off-season conditioning and training programs, Abdenour prepares all team travel arrangements, including reserving plane flights, securing hotel rooms and ground transportation for road trips.

Abdenour, working in conjunction with team physician Dr. Benjamin Paolucci and a consulting staff, provides the Pistons with a top-rated sports medicine team, dedicated to producing the best-conditioned team possible.

Although chosen to accompany a Players' Association trip to China and serving as Head Trainer for the Eastern Conference in the 1979 All-Star Game at the Silverdome, Abdenour feels his career won't be complete until he wears an NBA Championship ring.

Dr. Benjamin Paolucci
Team Physician

Dr. Benjamin Paolucci begins his 12th season as the Team Physician for the Detroit Pistons. He is responsible for the diagnosis and prescription of treatment for all of the players, while working with Orthopedic Consultant Dr. Gerald O'Connor. A practicing General Surgeon since 1968, Paolucci completed medical school at Chicago College of Osteopathic Medicine in 1964. Paolucci was a standout football player at Wayne State University, where he lettered four times (1954-57) while captaining the team his final two years. After completing his undergraduate at WSU, Paolucci went on to play pro football with the Detroit Lions in 1958-59. Married (Jeanne), Paolucci is the father of five.

Jerry Dziedzic
Equipment Manager

Jerry Dziedzic is in his 16th season as Equipment Manager of the Pistons. He's a graduate of Notre Dame and employed full-time as a Wayne County Circuit Court Clerk. Not only is he in charge of Pistons athletic equipment in cooperation with the trainer and coaching staff, but also the distribution of it and coordinates the Pistons team of ballboys throughout their extensive game night duties in both the home and visitor's locker room, plus on the playing floor. Married, he is the father of two children.

Thomas S. Wilson
Executive Director

Thomas S. Wilson begins his fifth season as the Pistons' Executive Director. He was named to the post in 1979. Wilson came to the Pistons during the middle of the 1977-78 campaign and began his stint as the Pistons' Director of Sales, a position he previously held with the Los Angeles Lakers and Los Angeles Kings.

Upon graduation from Wayne State University, Wilson went to Hollywood where he appeared in more than 40 films and television shows. Wilson then gave up his acting career for a position with the Lakers and Kings, where he was credited with their sales program. Wilson then brought his talents to the Pistons, where ticket sales and fan interest have increased tremendously. Wilson now is in charge of the administrative and financial operations of the organization.

"It is personally rewarding to see the team struggle through some difficult years to develop into one of the finest all-around franchises in the NBA," Wilson says.

Wilson, a native Detroiter, grew up going to Pistons games, and says he feels fortunate to be in his position with the organization. "It's very satisfying to be involved in making decisions that directly or indirectly affect the franchise's future."

Married (Debbie), he's the father of one daughter.

Harry Hutt
Director of Marketing and Broadcasting

Harry Hutt, Director of Marketing and Broadcasting, begins his sixth season with the Pistons. Harry assumed the position of Director of Marketing in April of 1979 and later added broadcasting responsibilities to his duties, producing Pistons' telecasts and directing radio transmissions as well.

With much of the credit going to Hutt, the Pistons are highly marketable with one of the NBA's most successful Television and Radio Networks contributing to the cause.

Harry began his NBA career serving one year with the now-defunct Buffalo Braves. In Buffalo, Harry coordinated promotions, preliminary games, halftime shows and special events. After moving on to the Pistons, Hutt spent his first season as Director of Promotions and Special Events.

Harry holds a Bachelor's Degree from Roberts (NY) Wesleyan and a Master's Degree from Buffalo. Formerly an assistant coach at Roberts and Spring Arbor as well as Buffalo, he also has been a college Sports Information Director. Married (Nancy), he is the father of three daughters.

Dan Hauser
Director Marketing, Sales and Promotion

Dan Hauser first joined the Detroit Pistons organization in June, 1980, as a Sales Associate and continued through the season working with group sales. He assumed his present position, Director of Sales, in the spring of 1980. Graduating from Wisconsin-Stevens Point, Dan also holds a Master's Degree in Sports Administration from Ohio University. As Director of Sales, he is responsible for all sales and promotional activities. Dan, a former collegiate football and baseball player, is married (Kathy) and the father of a son, Dan, Jr.

Matt Dobek
Director of Public Relations

Matt Dobek, Director of Public Relations, assumed his position in June of 1983. Dobek was the Sports Information Director at Wayne State University before joining the Pistons' organization.

A 1981 graduate of Central Michigan University, Dobek then joined the Pistons, working in both Public Relations and Marketing during the 1981-82 season. Dobek then left for his stint as the SID at Wayne State. He assisted in the Pistons' radio broadcasts during the 1982-83 campaign. Dobek is responsible for news releases, media guides, game programs and all media relations. Single, the 24-year-old Dobek is a resident of Detroit.

John Ciszewski
Season Sales and Special Events Director

John Ciszewski assumed the position of Season Sales and Special Events Director in the spring of 1980. During the basketball season, John has many game night duties including ticket distribution, preliminary game director and serving as the liaison between the Pistons and the ushers, security, ticket-sellers and parking attendants.

Ciszewski joined the Pistons in 1978 as a sales associate and was an administrative assistant during the 1978-79 season. A Bethany College graduate, he has a Master's Degree from Ohio University.

Ciszewski believes that the Pistons organization is on the rise due to years of hard work. "We've laid the groundwork in terms of promotions, and now that the team is playing good basketball, things look bright for the future."

Ciszewski is married (Denise), and the father of one daughter, Krysta.

Douglas Anthony
Controller

Douglas Anthony became the Pistons' Controller midway through the 1979-80 basketball season. Doug is responsible for all club accounting operations including payroll administration, financial organization and federal, state and local tax code requirements. Married (Cindy), and the father of two children, Doug is active in auto racing as a hobby.

Changes in NBA Playoff Structure

The NBA's Board of Governors, at its annual summer meeting in New York last June, adopted a resolution that makes two major changes in the NBA's playoff structure beginning with the 1983-84 season:

1. Sixteen teams shall qualify for the playoffs. There shall be eight teams from each conference, consisting of the two division champions and the six other teams in each conference with the best winning percentage during the regular season.

2. The first round of the playoffs shall be a best-of-five series (instead of best-of-three) with all succeeding rounds, including the NBA World Championship Series, being best-of-seven. All teams will participate in the first round; byes that formerly went to division winners have been eliminated.

Following are the playoff pairings:

Note: Team 1 in each conference is the division winner with the better record, Team 2 is the other division winner and Teams 3-8 are ranked according to their regular-season winning percentage.

JEEP® INTRODUCES LEANER AND MEANER 4-WHEEL DRIVE CHEROKEE.

From the engineering experts at Jeep, this is the newest advance in Jeep 4-wheel drive technology.

The all-new Cherokee is leaner... to give you the highest gas mileage ever in a Jeep. Mileage that beats Bronco II and S-10 Blazer.* (Blazer 4 X 4 comparison — 1983 EPA EST. MPG and EST. HWY figures.)

And Cherokee is meaner... You get more ground clearance than S-10 Blazer and Bronco II. And more horsepower-per-pound than S-10 Blazer, too. This is Jeep ruggedness. Jeep power. Jeep agility.

Cherokee is built in a different way than its competitors. Jeep's Uniframe Construction is a welding of the frame to the body shell to create one solid rugged unit.

And our Quadra-Link Front Suspension combines a solid front axle with four locating arms and coil springs to give you a remarkable combination of ruggedness off-road and smoothness on-road.

There's more inside, too. Like shift-on-the-fly between 2- and 4-wheel drive. And seating for 5, not 4 like the competition. You get more cargo room. Plus, only Jeep gives you a choice of 2-door and 4-door availability.

The all-new leaner, meaner Cherokee is at your Jeep dealer's now. Helping to make up what is the world's largest selection in 4-wheel drive.

Pistons Radio and Television

Veteran announcer George Blaha joined the Pistons last season full time as the team's play-by-play radio and television broadcaster. The 39-year-old Blaha has previously done Pistons' TV play-by-play for the past six years and shared the radio mike before that.

Blaha will do all 82 Pistons' regular-season games as well as the eight pre-season games and any playoff games over Pistons' Radio. He'll also host 15-minute pre-game and post-game shows as well as host Pistons Sportstalk on Monday night and CKLW Sportstalk on Tuesday through Friday from 6:00 to 8:00 p.m. The 16 Pistons' TV games on WKBD-TV will be simulcast on CKLW Radio.

A native of Marshalltown (IA), Blaha graduated from Prairie du Chien (WI) Champion HS, and holds a Bachelor's Degree from Notre Dame and an MBA Degree from Michigan. In broadcasting since 1969, he has worked at stations in Detroit, Adrian and Lansing and spent two years with a Lansing advertising firm. Two years ago, he won Michigan, Regional and National Awards for his coverage of the 1981 Joe Louis funeral events.

Joining Blaha for the 16 television dates will be "The Greatest Piston Ever", as selected by the fans, Dave Bing. In his illustrious 12-year NBA career, Dave was named the league's Rookie of the Year in 1967, was selected as NBA All-Star First Team in 1968 and 1971, was the league's scoring leader in 1968 as well as being named the All-Star Game MVP in 1976.

Bing is President of the Bing Steel Company, located in Detroit. Most of his days after hanging up his sneakers have been devoted to making his company as successful as possible. In his spare time, Dave acted as the Color Analyst for Michigan State basketball for the past several seasons.

Dave attended Spingarn High School in Washington, D.C. before moving on to Syracuse University where he became the school's All-Time leading scorer. Bing was drafted by Detroit in the first round of the 1966 NBA Draft.

Dave and George will be teaming up to announce 16 television games to be broadcast over WKBD-TV 50 in Detroit. WKBD is the number-one Independent UHF station in the United States. Blaha will be handling the duties for all 82 radio games to be broadcast over CKLW, 800 on the AM dial. CKLW is a 50,000-watt clear channel giant that booms into 29 states with an Eastward pattern.

CKLW, along with WKBD, gives the Pistons one of the largest Radio and TV in-house networks in the entire National Basketball Association.

PISTONS MEDIA INFORMATION

GENERAL As the season progresses, additional information is available by contacting Pistons Public Relations Director Matt Dobek through the Pistons Offices (313-338-4500) or at home (313-271-1908). The Pistons are anxious to receive fair and accurate coverage by the media and as a result staff members will strive to meet reasonable requests.

CREDENTIALS Official Pistons media passes are required for admission to Silverdome games and for admission to media facilities inside the Silverdome. The only exception to this rule is that persons with official NBA or Pro Basketball Writers passes will be admitted to the building. These are working passes, and they are intended for working media persons only. Credentials information is available by contacting Matt Dobek, and requests must be made prior to noon on game day.

MEDIA GATE Media passes will be honored only at the Media Gate located at the East Gate of the Silverdome. Again, only an official Pistons media pass or an official NBA media pass will be recognized.

MEDIA ROOM The Pistons Media Room is located in the Press Gate tunnel, directly above the Pistons' offices. It is open one and one-half hours prior to tipoff. A meal and beverages are provided for working members of the media, and admission is by official Pistons passes. Telephones and a work area are available.

PRESS ROW Seating at the Pistons courtside press row is absolutely limited to media persons covering that particular game. Space is by reservation prior to noon game day. There will be no exceptions. Others will be accommodated in the Press Overflow (Sections R & S) on a space available basis.

SERVICES Prior to game time, up-to-date rosters, statistics and game notes are made available to working members of the media in the Press Room. During the game, quarterly play-by-play accounts will be provided as will halftime and final game statistics. Quick statistics are distributed during the game. SportsComm arrangements can be made through Arnie Rautbort (313-851-0113).

RADIO AND TELEVISION Accredited radio and television crews will be seated courtside in the Silverdome. Call-letter banners can be displayed at courtside. If statisticians are required, arrangements must be made 24 hours in advance through the Pistons Office, and it is the responsibility of the visiting broadcasters to arrange payment. In accordance with NBA policy, payment must be in cash; the minimum is $15. The Pistons P.R. Office will assist with arranging interviews for tape or live broadcasts.

TELEVISION CAMERA LOCATIONS In the Silverdome, camera locations are atop the West stands and at end courts opposite the team benches. No other camera locations are available without permission of the Pistons staff.

PRESS PHOTOGRAPHERS Accredited photographers will be permitted courtside in the Silverdome. Credentials should be requested through the Pistons P.R. Office, and are available on a game-to-game basis. Official Pistons photographers passes allow admission to the Silverdome, the Press Room and to the locker rooms. The recommended film speed under all conditions is ASA 400. Black & White (Kodak Tri — X), Color Negative Film (for prints) (Kodacolor 400), Color Transparency Film (for slides) (Ektachrome 400). When photographing events on the field (lighting tends to be less in the stands), the recommended exposure is: 1/125 of a second at F 5.6 for evening or night-time events. Lighting inside the Silverdome matches natural sunlight very closely. When other types of color films are used, insure that the film is the Daylight type.

CINEMATOGRAPHERS Credentials for cinematographers should be requested through the Pistons P.R. Office, and are available on a game-to-game basis. With credentials, cinematographers will be allowed courtside.
