EDWARD W. McCASKEY

Chairman of the Board

A pair of honors were bestowed upon the senior executive of the Chicago Bears during the off-season. Ed McCaskey was recognized for his long and meritorious service and outstanding contributions to the Brian Piccolo Cancer Research Fund. McCaskey has served 16 years as an active board member for the annual Piccolo Golf Committee which has raised and donated over $1.5 million to the Memorial Sloan-Kettering Cancer Center in New York, as a memorial to Brian Piccolo.

In addition, McCaskey was recognized by the U.S. Army as he received a Bronze Star Medal and Combat Infantry Badge acknowledging his satisfactory performance of duty while assigned as an infantry officer in active ground combat for the 80th infantry division in 1944.

McCaskey has held his current title as Chairman of the Board since November 11, 1983 succeeding Club founder George Halas in that role. He has been an executive with the Bears since 1967 and has been responsible for spearheading the club's civic projects. An entertaining speaker to go along with his warm and outgoing manner has made McCaskey a natural for community involvement programs.

McCaskey serves on the board of trustees of Rosary College, as trustee of the Piccolo Children's Fund, the Illinois Chapter of the National Hemophilia Foundation, the Chicago Association for Retarded Citizens, and the Charlie Conacher Cancer Research Fund at the Toronto General Hospital. He is also on the Board of Director's of the Michigan Avenue National Bank, NFL Films and the Central States Institute of Addiction.

A close friend of the late Brian Piccolo, McCaskey worked closely with Screen Gems in production of the movie "Brian's Song" and the NFL owners on the Piccolo Golf Tournament Committee.

McCaskey was in the music publishing business in New York and was associated with the late Jimmy Dorsey following his stint with the U.S. Army in WW II. McCaskey served with the 80th infantry in France – enlisting as a private and leaving the Army with Captain's rank.

Since coming to Chicago in 1949, he has been merchandising manager for the National Retail Tea and Coffee Association, executive vice president of Merchandise Services, Inc., and account executive for E.F. McDonald Co., and vice-president/treasurer for the Bears.

Born April 27, 1919, in Philadelphia, McCaskey sang with dance bands before enrolling at the University of Pennsylvania in 1940. He was a football tackle at Lancaster (PA) Catholic High prior to graduation in 1937. He continued a singing career during his collegiate days and was elected class president at Penn.

McCaskey and his wife Virginia have 11 children, 15 grandchildren, and reside in Des Plaines, IL.

BRIAN PICCOLO AWARD

Bear veterans vote the award to the rookie who best exemplifies the courage, loyalty, teamwork, dedication and sense of humor of the late Brian Piccolo.

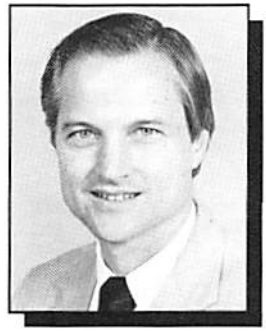

A running back who died of cancer June 16, 1970, Piccolo was in his fourth season with the club when forced from the lineup because of the malignancy. He was 26 years old when he died and left a wife, three daughters, and legions of friends.

He signed with the Bears as a free agent following the '64 collegiate season. As a senior at Wake Forest, Piccolo led the nation in scoring (111) and rushing (1,044).

MICHAEL B. McCASKEY

President and Chief Executive Officer

Quite an impressive base has been built for the future of the Chicago Bears under the active leadership of team President and Chief Executive Officer Michael McCaskey. The team's stability has been molded because of sound decision making and a determination to create and signal a new area for an organization that had, until recently, struggled for respect on the field.

In just three and a half years (Nov. 11, 1983) since being named only the third President in Bear history, the NFL's oldest franchise has captured 39 of its last 48 regular season games, a Super Bowl crown in 1985, an NFC Championship, three NFC Central Division Titles and recorded a 44-10 regular season record. Succeeding his grandfather, George S. Halas, and his uncle George S. Halas, Jr., McCaskey has initiated changes, restructured and clarified lines of organizational authority while adding qualified people to important administrative roles. During this past off-season, McCaskey named Bill Tobin Vice President for Player Personnel in recognition to his contribution to the club's development. In addition, he promoted veteran NFL administrator Bill McGrane, a Bear employee since 1975, to the role of Director of Administration. Ted Phillips, the Bears' controller since 1983, was named Director of Finance and is responsible for negotiating player contracts. Mike Ditka begins his sixth season as head coach with the best winning percentage (.685%) in club history. The Bears 14-2 mark in 1986 improved Ditka's career record to 50-23 surpassing the .672% of team founder George Halas, who amassed a 320-148-31 record in 40 seasons as Bear mentor. "At the core of a company you have to have people you are confident in, who are qualified and are compatible working partners," says McCaskey. "These are the people who will help the Bears win championships."

McCaskey was honored by his peers in the league following the Super Bowl Title in 1985 when he received "The Sporting News 1985 Executive of the Year Award". On the league level, McCaskey has been a part of Commissioner Pete Rozelle's NFL Long Range Planning Committee. That Committee surveys the long range opportunities and trends for the NFL. The ideas for compiling three-year financial projections and hosting an NFL game in London were proposed by this group for league consideration.

McCaskey was born December 11, 1943 and grew up in Des Plaines, Illinois. He graduated from Notre Dame High School in suburban Niles. He attended Yale University where he played wide receiver on the school's football team while keeping pace with a hectic academic curriculum. He graduated with degrees in philosophy and psychology. Following graduation from Yale in 1965, McCaskey served as a Peace Corps volunteer in Ethiopa. His initiation into the world of management came about following his enrollment into the doctoral program in management at Case Western Reserve University where he earned a doctorate in business. He then taught at UCLA (1972-75) and the Harvard Business School (1975-82). He also authored a book, The Executive Challenge: Managing Change and Ambiguity.

McCaskey and his wife, Nancy, have one son, John (born June 5, 1984) and reside in Winnetka, Illinois.

BILL TOBIN

Vice President of Player Personnel

The Bears success on draft day the past several years and its' subsequent impact in the win-loss column prompted team president Michael McCaskey to promote Bill Tobin from Director of Player Personnel to Vice President of Player Personnel during this past off-season. In making Tobin a vice-president, McCaskey cited "recognition of the fine job he and the scouting department have done."

Chicago's drafts have been the standard throughout the NFL as Tobin annually adds arsenol to the Bears attack with his astute judgment on draft day. The Bears are the only team in the NFL with their top draft choice from the last nine years still on the roster, while a good number of later round selections have also contributed. Drafts from this decade have produced 31 players on the current roster, including eight players who have been to the Pro Bowl. Some of Tobin's late round gems include Mark Bortz and Richard Dent, a pair of 8th round draftees from 1983. Dent was Tobin's highest rated pass rusher in the draft despite being undersized. With added weight, Dent has been to two Pro Bowls and was the MVP of Super Bowl XX. Bortz was a defensive tackle at Iowa, but Tobin projected a conversion to offensive guard – another move that paid dividends.

Tobin joined the Bears in 1975 as Director of Pro Scouting and held that position until being elevated to Director of Player Personnel in 1984 upon Michael McCaskey's arrival. In his current capacity, Tobin is the Bears primary contact regarding all personnel matters; conducts the annual college draft, monitors the NFL waiver wires in hopes of upgrading the team through the free agent route and oversees a five-man scouting department which includes three regional scouts, a pro scout and a Blesto scout. Tobin and his staff evaluate over 1000 college seniors each season in preparation for the draft. In addition to the approximately 12 players added each year via the draft, the personnel department also signs free agents who were overlooked in the draft. Dennis McKinnon, Keith Ortego and all-pro center Jay Hilgenberg are among the undrafted players Tobin and company signed.

Tobin's football resume also includes a successful college and professional playing career and a coaching background. A star running back under Dan Devine at the University of Missouri from 1959-62, Tobin was MVP in the 1962 Bluebonnet Bowl after leading the Tigers to a 14-10 win over Georgia Tech. He played for the Houston Oilers in 1963 and was named the team's "Rookie of the Year". The next year he joined the Edmonton Eskimos where he played for three seasons while serving as a graduate assistant at Missouri (1964-66) where he earned a masters degree in education. Tobin spent the next two years playing for Orlando in the Continental Football League before joining Central Connecticut State College in 1968 as offensive coordinator and backfield coach for three years.

In 1971 Devine hired Tobin as a regional scout for the Green Bay Packers – a position he held for two seasons before being promoted to Director of Pro Scouting. Before leaving Green Bay for the Bears in 1975, Tobin assisted in drafting four "Rookies of the Year" – John Brockington, Chester Marcol, Willie Buchanon and Don Woods.

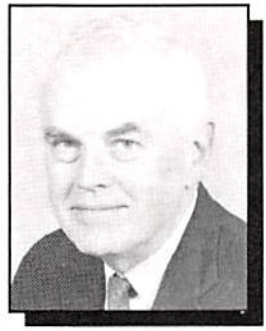

A native Missourian, Tobin was born February 16, 1941 in Burlington Junction and was a college teammate of brother Vince, and Johnny Roland, both Bears coaches. Bill and his wife, Dusene, have two daughters (Laurie, Kerry) and one son, Duke, a promising quarterback at Hersey High School.

BILL McGRANE

Director of Administration

One of the most respected and knowledgeable men in NFL circles, Bill McGrane begins his 13th season with the Bears and his first as Director of Administration. In his new role, McGrane will supervise the various departments in the front office and also be involved with Michael McCaskey in several administrative tasks. McGrane recently was instrumental in the Bears' new pre-season TV contract and also is involved in exploring the possibility of an indoor practice facility.

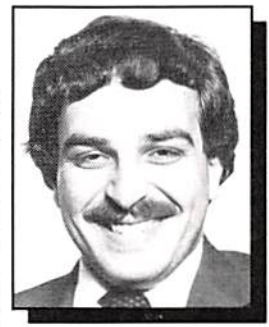

Before assuming his new title this past March, McGrane was the Bears' Director of Communications and Marketing since 1984. He joined the Bears in 1975 as Assistant to the General Manager, a position he held for nine years. McGrane has been involved in virtually every aspect of NFL affairs in 21 years at both the club and league level. He served as public relations director for the Minnesota Vikings (1966-72) before moving to the NFL office in New York where he had a two-year stint as Assistant to the President (George Halas) of the National Football Conference.

An accomplished writer, McGrane entered the newspaper business after graduating from the University of Iowa in 1958. He joined the staff of the Des Moines Register and Tribune following college and worked seven years for the Minneapolis Tribune (1959-66) before joining the Vikings. He has written the "Insight" column for 15 years in the Gameday magazine – the NFL's weekly program. McGrane completed a book about former Minnesota Vikings coach Bud Grant last year entitled "BUD: The Other Side of the Glacier".

McGrane was born September 7, 1933 in Des Moines, Iowa. He and his wife, Dorothy, have four children and reside in Arlington Heights, IL.

TED PHILLIPS

Director of Finance

Ted Phillips was appointed Director of Finance on March 4, 1987 and will be responsible for negotiating player contracts. He will also continue to oversee the club's financial operations and accounting staff.

A native New Englander, Phillips joined the Bears in September of 1983 as controller, a position he held until his recent promotion. He has assisted in preparing and constructing player contracts the last two seasons, giving him valuable experience in preparation for his new assignment as full-time negotiator.

Before joining the Bears, Phillips was employed as an auditor and tax accountant with Ernst & Whinney from 1979-83. He graduated from the University of Notre Dame in 1979 with a degree in business/accounting.

Born June 27, 1957 in Oneida, NY, Phillips is single and resides in Chicago.

MIKE DITKA

Head Coach

Telling Mike Ditka that he has joined the NFL's elite among head coaches in the NFL would not do much to boost his ego or self esteem. By finishing the '86 campaign with a 14-2 record, capturing a third consecutive division title and playoff berth, Ditka joins Bill Parcells (Giants), John Robinson (Rams) and Bill Walsh (49ers) as the only NFL coaches who have had their teams in the last three playoffs. The Bears of the past three seasons, known for their defense, running game and fighting spirit, have compiled 39 wins, the most ever by an NFL club over that span.

Those marks do little to impress Ditka as indicated by his remarks following the Bears 27-13 loss to the Redskins in the opening round of the playoffs last year. "Well, 14-2 is an excellent season, but it's not a great season and that's the difference," reflects Ditka. "Great football teams are always going to be judged by how they play in the big football games and any team that loses its last game in a season is going to be judged that way."

Despite his disappointment over the Bears abrupt '86 finish, Ditka looks forward to the '87 season with the challenge of getting the Bears back to the Super Bowl. He clearly has established himself as one of the NFL's finest coaches as he enters his sixth season in the Bears' driver's seat. Ditka became the winningest coach in Bear history last season when his 14-2 regular season mark improved his career record to 50-23, good for a .685%. That winning percentage surpasses the .672% of team founder George Halas, who amassed a 320-148-31 record in his 40 seasons as Bear mentor.

Ditka got off to an inauspicious start, winning just 11 of his first 25 games, but has reversed that trend of late by leading Chicago to victory in 31 of the team's last 35 outings. He has guided the Bears into post-season play in each of the past three seasons: advancing to the NFC Championship game in 1984, capturing Chicago's eighth NFL Championship in Super Bowl XX, and dropping the playoff opener to Washington last season. The fiery head coach is preparing to take the Bears to their fourth consecutive playoff appearance, a feat last accomplished by the Bears from 1940-43.

Ditka is a 26-year veteran of the NFL both as a player and coach. He has been in the league playoffs in 16 of those seasons, and has been a member of six NFC Championship teams and four NFL Champions. While serving nine years as an offensive coach under Tom Landry at Dallas, the Cowboys were in the playoffs all but one season and won NFC Championships in 1975, 1977 and 1978 with the NFL crown following the 1977 season.

Born October 18, 1939 in Carnegie, Pennsylvania, Ditka enjoyed a 12-year NFL playing career as a tight end with the Chicago Bears (1961-66), Philadelphia Eagles (1967-68) and Dallas Cowboys (1969-72).

Ditka's versatility brought him college All-American honors in 1960 at Pittsburgh, where he was a solid two-way performer, defensively at end and middle linebacker, offensively as a receiver and blocker. He was also one of the nation's leading punters with a three-year average of 40 yards per boot. He starred in the East-West game and was voted the outstanding lineman of the Hula Bowl.

The Bears' first round draft choice in 1961 (5th pick), Ditka was the NFL Rookie of the Year, All-NFL in 1961-64 and played in five Pro Bowls (1962-66). In 1964 he set an NFL record for tight ends by catching 75 passes, but that mark was broken by San Diego's Kellen Winslow in 1980.

Ditka is actively involved in Misericordia, the Little City Foundation, the Fellowship of Christian Athletes and Sports Teams Organized for the Prevention of Drug Abuse. He and his wife Diana have four children: Mike (26), Mark (25), Megan (23) and Matthew (20).

JIM DOOLEY

Research and Quality Control

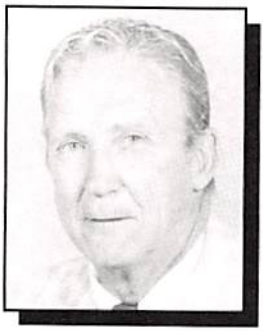

A man who has lived through several eras in Chicago Bear history and has made invaluable contributions to the organization is Jim Dooley. Now in his 27th season with the club, Dooley is responsible for evaluating future opponents and helping formulate the weekly game plan. A master tactician with the x's and o's of the game, Dooley will often personally scout an upcoming foe before informing the staff of a team's strengths, weaknesses and tendencies.

Says Ditka: "Jim comes to me with ideas and keeps me abreast of trends in the league and also lets me know if we have any trends that other teams can pick up by self-scouting us. I have the greatest amount of respect for Jim's football knowledge."

Dooley's tenure in Chicago began in 1952 when he joined the team as a 1st round draft choice. He played nine seasons with the Bears (1952-55, 57, 59-62) before turning to coaching, tutoring both the offense (1963-65) and defense (1966-67). He served as head coach from 1968-71 and posted a 20-36 record. He was named to his current position in 1981.

A star halfback at the University of Miami, Dooley played defensive back as an NFL rookie and led the team in interceptions. He switched to flanker in 1953 and led the team in receptions, an achievement he also met in 1957 and 1959. Dooley played nine seasons and is the club's seventh all-time leading receiver with 211 catches. His playing days were interrupted twice: when he served the Air Force in 1955-56 and in '58 when he was sidelined with a broken ankle.

Dooley was born February 8, 1930 in Stoutsville, Missouri. He and his wife have five children and reside in Chicago.

ED HUGHES

Offensive Coordinator

The architect of the Bears' offense which ranked in the NFL's top 10 in total yards for the third consecutive year in 1986 is Ed Hughes, entering his 6th season with the Bears.

Even though Hughes' had Jim McMahon for less than half of the games in the last three years while starting seven different quarterbacks in that span, the 27-year coaching veteran has guided an effective, ball-control offense.

Ditka says, "I've always respected Ed for his ability to be innovative, yet to analyze what's going on and do the right things. He works closely with our quarterbacks on the game plan and gives me tremendous confidence in that area."

Hughes was lured to Chicago by Ditka on February 1, 1982, just days after Ditka assumed the head coaching position. Ditka and Hughes were on the coaching staff together at Dallas from 1973-76, when the Cowboys made the playoffs three times including a Super Bowl trip. Before coming to Chicago, Hughes served as an offensive assistant for the Philadelphia Eagles (1981) and offensive coordinator for the New Orleans Saints (1978-80), where he was a coaching mate of Dick Stanfel.

Hughes professional coaching resume also includes stints with the Dallas Texans (1960-62), Denver Broncos (1963), Washington Redskins (1964-67), San Francisco 49ers (1967-70), St. Louis Cardinals (1972) and Detroit Lions (1977). He coached the secondary for the Texans, Broncos and Redskins; receivers for the 49ers and Cowboys; quarterbacks for the Cardinals and was offensive coordinator for the Lions. Hughes also spent one year (1971) as head coach of the Houston Oilers.

Born October 23, 1927 in Buffalo, New York, Hughes played collegiately at Tulsa (DB) and professionally for the Los Angeles Rams (1954-55) and New York Giants (1956-58) as both a wide receiver and defensive back. He and his wife, Nancy, have five children and reside in Libertyville, IL.

STEVE KAZOR

Special Teams and Tight Ends

A constant in the Bears arsenal the past few years has been strong special teams play, as the Bears have ranked among the best in the NFL in several of the 17 kicking game areas. Steve Kazor enters his 6th season as the coach of these units as well as handling the tight ends.

In 1986, Kevin Butler led the NFC in scoring (120 points), Dennis Gentry paced the NFL in kickoff returns (28.8) and Maury Buford was the NFL leader in fewest percentage of punts returned (33%) while the punt coverage unit (110 total yards) was tops in the league and the kickoff return unit (22.3 average) was second.

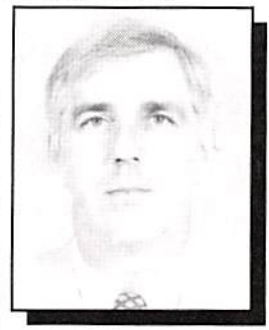

Ditka says: "I believe Steve is really broadening as a coach. He's done a super job with our special teams and is now in his second season with the tight ends. He has a great rapport with his players, he's fiery and he's well organized which is essential to coach special teams."

Kazor was handpicked by Ditka when the latter became head coach in 1982. The two were on the Dallas Cowboys staff together with Kazor working as an assistant to Gil Brandt in the scouting department from 1979-81. Before entering the pro ranks, Kazor spent time as an assistant coach and recruiting coordinator at Colorado State (1975), Wyoming (1976) and Texas-El Paso (1979-80). He also served on the staffs of Texas-Arlington (1974), Texas (1976-79) and Westminister College (1970), where he played nose tackle for four years as a collegian. Kazor was head coach at Emporia College in 1973, where he was the youngest head coach in the country.

Kazor was born February 24, 1948 in New Kensington, Pennsylvania and attended high school in Las Vegas. He and his wife, Colleen, have two children and reside in Vernon Hills, IL.

GREG LANDRY

Receivers and Quarterbacks

After overseeing the wide receivers in his first season on the Bears coaching staff, Greg Landry's duties will expand in 1987 to include both the quarterbacks and receivers. Chicago wideouts caught 88 passes last season including a career-high 42 receptions by Willie Gault. Landry's group was productive despite the absence of an injured Dennis McKinnon, who led the team with 7 TD catches in '85 as a starter opposite Gault.

This season, Landry will also work closely with the quarterback crop, a group that will benefit by Landry's 14 years of NFL experience.

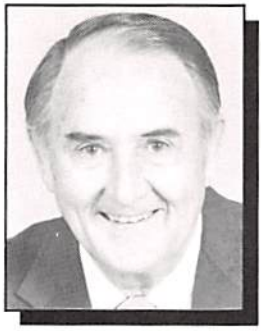

Ditka says: "Greg brings a wealth of knowledge and experience to our passing game. He did a great job with our receivers last year and I can't think of a better person to work with young quarterbacks than Greg."

Landry came to the Bears prior to the '86 campaign after serving as quarterbacks coach of the Cleveland Browns for one season, helping the Browns win the AFC Central division title. Landry completed his 17-year playing career in 1984 when he joined the Bears prior to the season finale and was the starting quarterback that week in a 30-13 win at Detroit. He began his pro career in 1968 as the Lions' first round draft choice out of the University of Massachusetts, where he was an all-American.

After 11 years with the Lions, Landry was traded to the Baltimore Colts in 1979, where he played until 1982. He then played two seasons (1983-84) in the USFL with the Chicago Blitz and Arizona Wranglers before finishing his career with the Bears.

In 147 NFL games, Landry had 103 starts and completed 1,276 passes in 2,300 attempts for 16,502 yards; 98 TD's and 103 interceptions. He also rushed for 2,654 yards (6.2 avg) and scored 20 TD's.

Landry was born December 18, 1946 in Nashua, New Hampshire, and earned a B.S. degree in physical education from Massachusetts and a masters degree in sports administration from Wayne State (MI) University. He and his wife, Jeannine, have five children and reside in Libertyville, IL.

JIM LaRUE

Defensive Backs

Jim LaRue holds a new distinction in 1987 as he is now the oldest coach in the NFL with the off-season retirement of Cowboys' assistant Jim Myers. Entering his 37th season of coaching and his 10th as Chicago's secondary coach, LaRue, 62, has compiled an impressive resume at both the professional and collegiate levels.

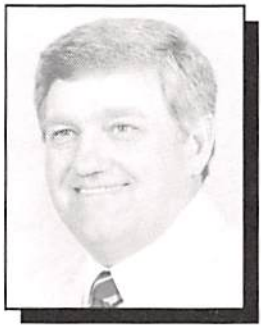

LaRue has tutored several all-pro players since joining the team in 1978 and has sent a player to the Pro Bowl in six of his 10 seasons in Chicago. LaRue's corps has developed into "ballhawks", helping the Bears average 28.7 interceptions in the last three seasons, tops in the NFC. The Bears have also allowed the lowest percentage of completions by opponents in the last two seasons.

Ditka says: "Jim's been around the bend a few times and his experience is valuable to us. He's had a great working relationship with his players and gets peak performance from them."

LaRue's other pro coaching stop was with the Buffalo Bills where he served as running backs and receivers coach from 1975-78. Prior to entering the NFL, he was an assistant coach at eight major colleges: Maryland (1950), Kansas State (1951, 1954), Houston (1955-56), SMU (1957-58), Southern Illinois (1967), Utah (1968-73) and Wake Forest (1974-75). LaRue also had a successful eight-year tenure as head coach at Arizona where he posted a 41-37-2 record between 1959-66. His 1961 unit compiled an 8-1-1 mark as an independent which is the best one-year record in school history.

As a player, LaRue was a halfback and defensive back at Carson-Newman, Duke and Maryland during WWII years. He earned a mathematics degree from Duke and a masters in education from Maryland.

LaRue was born August 11, 1925 in Clinton, Oklahoma. He and his wife, Betty, have three children.

JOHN LEVRA

Defensive Line

The success of the Chicago Bears' defense is predicated on putting pressure on the passer and the man who orchestrates the Bears' pass rush is line coach John Levra, who joined the Bears staff after Vince Tobin became defensive coordinator following the 1985 season.

Levra's front four was instrumental in the Bears NFC-leading 62 sacks last season and also in limiting nine opponents to fewer than 100 yards rushing. The Bears front four continued their high level of play as Steve McMichael became the third member of that unit to reach the Pro Bowl following his 1986 selection. Dan Hampton and Richard Dent also enjoyed productive seasons while William Perry almost doubled his tackle total from 1985 (51 in '86, 26 in '85).

Ditka says: "I think John helped tremendously in bringing some new techniques to our defensive line and also stressed the discipline of doing the little things. I think that's a great coaching attribute."

Levra spent the five years prior to joining Chicago as the offensive backfield coach of the New Orleans Saints. He was offensive coordinator during Wade Phillips' tenure as head coach the final four games of 1985. Under Levra's guidance the Saints had 20 100-yard individual rushing games.

Following a playing career at Pittsburg (Kan.) State where he starred as a linebacker, Levra coached in Kansas seven years at the high school level (1959-65). His first college job was at New Mexico Highlands, where he was an assistant in 1966 and head coach from 1967-70 posting a 35-4-1 record. He moved to Stephen F. Austin State University as head coach and athletic director (1971-74) where his teams were 18-5 in his final two seasons and made the only bowl appearance in school history. Levra then became offensive coordinator at the University of Kansas (1975-78) and North Texas State (1979) before entering the pro ranks as defensive line coach of the British Columbia Lions. At BC, Levra worked with Vince Tobin who was the team's defensive coordinator.

A native Kansan, Levra was born October 2, 1937 in Arma, KS. He and his wife, Rosie, have two children and reside in Gurnee, IL.

DAVID McGINNIS

Defensive Assistant

The final addition to the Bears coaching staff following the 1985 season and the youngest coach on the staff is David McGinnis, who serves as an aide to Vince Tobin and oversees the linebacker corps.

The 36-year old McGinnis works with starting linebackers who have a combined six Pro Bowl appearances among them, with Mike Singletary making the game the past four seasons. McGinnis has also helped the depth at this position with the development of Ron Rivera and Jim Morrissey, two players who have shown marked improvement since McGinnis' arrival.

Ditka says: "I think it's important to have a blend on a staff and I think Dave gives us that. He gives us youth and a freshness in his approach and his ideas."

Philosophically, McGinnis and Tobin are on the same page as the two were coaching mates on the University of Missouri staff from 1975-77 and it was Tobin who made the bid for McGinnis' coming to Chicago. Before joining the Bears, McGinnis had 13 years of experience at the major college level.

His first coaching assignment was freshmen coach at Texas Christian in 1973-74. He moved to Missouri in 1975 and coached linebackers and secondary while Tobin was the Tigers' defensive coordinator. McGinnis joined the Indiana State staff in 1978 as secondary coach and also recruited the Chicago area. He then returned to TCU for one season (1982) as defensive backfield coach before joining Kansas State as defensive ends and linebackers coach in 1983.

McGinnis was a two-year starter as a defensive back at TCU from 1970-72, earning academic all-SWC honors both seasons. His 5 interceptions as a junior tied Lyle Blackwood for the SWC title.

Born in Independence, Kansas on August 7, 1951, McGinnis grew up in Texas and attended Snyder (TX) H.S. He is single and lives in Lake Forest, IL.

JOHNNY ROLAND

Running Backs

All one has to do is look at the NFL team rushing statistics from the last four seasons to realize the important contributions Johnny Roland has made to the Bears since his arrival in 1983. Roland has directed a running game that has ranked first in the league since 1984, helping the Bears become the first team to lead the NFL in rushing four straight seasons since the Bears of 1939-42.

Ditka says, "Our backs know that he's played the game at that position and played it tremendously well and I think they respect him for it. John probably operates on the field as a coach as well any anyone I've ever seen in terms of the way he handles his people."

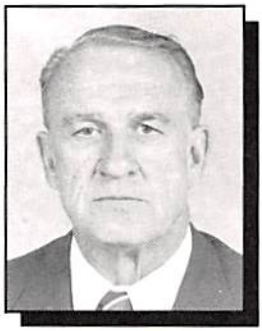

A great NFL back himself in the late 1960's, Roland has the good fortune of having Walter Payton among his corps. Roland has done a masterful job the past two seasons in developing young understudies Thomas Sanders and Neal Anderson while also utilizing fullbacks Matt Suhey and Calvin Thomas effectively.

Roland began his coaching career in 1974 when he joined his collegiate coach, Dan Devine, on the Green Bay Packers staff as special assignments coach. He followed Devine to Notre Dame to coach receivers in 1975, before returning to the pro ranks a year later with the Philadelphia Eagles. He served as the Eagles running backs coach until 1978 before taking a five-year hiatus to enter private business.

A 4th-round draft choice of the St. Louis Cardinals in 1965, Roland was chosen NFL rookie of the year in 1966, and played in the Pro Bowl the following two seasons. He finished his career with 3,750 yards on 1,015 carries and 28 TD's; 153 catches, 1,420 yards and 6 TD's.

Roland, 44, was born and raised in Corpus Christi, Texas and starred collegiately at the University of Missouri where he was two-way player in both backfields and earned all-America honors.

Owner of KIRL-radio in St. Louis, Roland has three children and resides in Vernon Hills, IL.

DICK STANFEL

Offensive Line

Since joining the Bears in 1981, Dick Stanfel has developed and refined one of the finest offensive lines in the NFL, a unit that has earned respect after leading the NFL's top ground game since 1983.

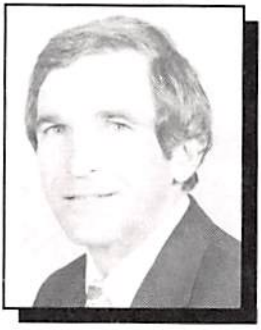

Still a relatively young unit with two 7-year veterans as the deans, Stanfel's line has also proven to be more than adequate pass protectors – leading the NFC in fewest sacks allowed with 24 in 1986. His 1978 Saints team yielded an NFL record low 17 sacks. Two of Stanfel's players, Jay Hilgenberg and Jim Covert made their second consecutive Pro Bowl appearance as starters following this past season. Stanfel also deserves credit for an improved Keith Van Horne, Tom Thayer and Mark Bortz. Stanfel made Bortz an offensive lineman after he played defensive line in college.

Ditka says, "Dick is the best line coach in football – cut and dried, period. No questions asked. He gets his guys to play and they respect him as they should, because he's the best in the business."

Stanfel served as interim head coach of the New Orleans Saints for the final four games of 1980 before joining the Bears. He began his coaching career at Notre Dame (1959-62) and spent one season (1963) on the California staff before taking his initial pro coaching job with the Philadelphia Eagles in 1964. After seven seasons with the Eagles, Stanfel joined the 49ers as line coach in 1971 and stayed there until joining the Saints in 1976.

After playing collegiately at the University of San Francisco, Stanfel enjoyed a nine-year pro career. Stanfel played five years with the Lions and was the league's MVP in 1954 when the Lions won the NFL title. The five-time all-pro guard finished his career with the Washington Redskins (1956-58).

Stanfel was born July 20, 1927 in San Francisco and currently lives in Libertyville, IL. He has three sons.

VINCE TOBIN

Defensive Coordinator

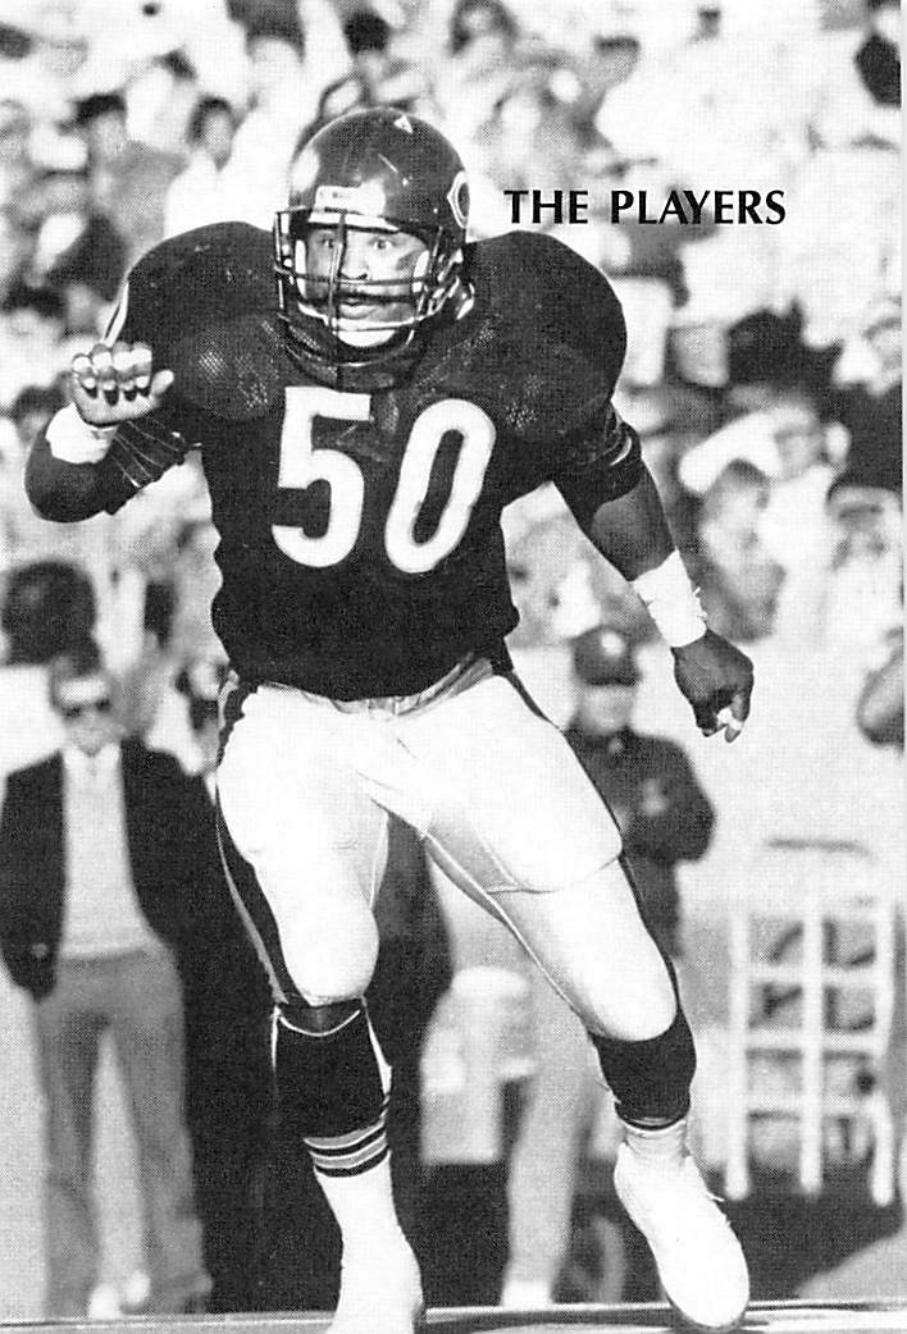

After taking control of a defense that led the NFL in 1985, first-year defensive boss Vince Tobin met all expectations and then some last season as the Bears continued to set the standard in NFL defenses. Under Tobin's guidance, the Bears not only led the league in net yards yielded (4,130), but more importantly, set a NFL record for fewest points allowed in a 16-game season with 187. That total breaks the Pittsburgh Steelers mark of 195 points in 1978 and in Tobin's philosophy is the most important milestone a defense can achieve.

Ditka says, "Vince is as good as any defensive coordinator in football. I think he has a very practical and intelligent approach to coaching defense and it showed last season. There's no doubt he took charge and earned the respect of our players immediately."

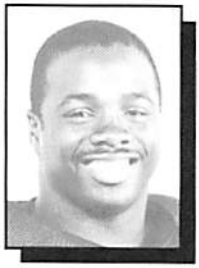

The success Tobin enjoyed in his first NFL season comes as no surprise considering his past record. As defensive coordinator of the British Columbia Lions from 1977-82, his units ranked 2nd overall during the six-year span. He joined the Philadelphia/Baltimore Stars in 1983 where his defense ranked 1st overall in 1983 and 1984 and 2nd in 1985. The Stars were in the championship game all three seasons, winning in 1984 and 1985 and led the USFL all three years in fewest points allowed.

Before entering the pro ranks, Tobin coached at his alma mater, the University of Missouri. He handled the defensive ends from 1967-70 before becoming defensive coordinator from 1971-76. In addition to his duties as coordinator, Tobin handled the linebackers (1971-75) and secondary (1976). He was an all-Big Elght defensive back for the Tigers receiving a degree in physical education in 1965 and a masters in guidance and counseling in 1966 before joining the coaching staff. In 19 years of coaching, Tobin has been a member of 18 winning teams.

A native of Burlington Junction, Missouri, the 43-year old Tobin comes from a football family which produced three college football players including Bill, a teammate at Missouri. Born September 28, 1943, Tobin and his wife Kathy have two children and reside in Libertyville, IL.

INSTANT REPLAY APPROVED FOR 1987

For the second year in a row, NFL clubs have approved a limited system of Instant Replay on a one-year basis.

The system basically stays the same as in 1986 with the exception that larger monitors will be used by Replay Officials. In 1986, there were 374 plays closely reviewed (defined as a contact to the field, but not necessarily stoppage of play). There were 38 reversals for an average of one reversal in each six games. There were three other rulings (clarification of rules) by Replay Officials.

In 1986, the system was approved by a 23-4-1 vote. In 1987, the vote was 21-7.

The NFL has discussed Instant Replay in some degree or other since the early 1970s. The League experimented in 1976 and 1978 using two basic frameworks—an independent system using cameras, replay machines, and technicians separate from the network covering the game, and a "no frills" approach using existing television coverage.

In 1985, the NFL used the network feed of nine nationally televised preseason games to experiment with the basic system that later was adopted for 1986 and 1987. A total of 28 plays were examined closely in 1985 (17 confirmed call, 4 were inconclusive, 1 was reversed, and 6 had no replay shown).

What is the objective of this system?

The clubs feel that on certain plays the telecast viewed by the general public should be used to correct an indisputable error. The system will be used to reverse an on-field decision only when the Replay Official has *indisputable visual evidence* available to him that warrants the change.

Is the television network carrying the game part of the review process?

No. Although the Replay Official will be viewing the live network feed, there is no communication to television personnel as to what plays to show or not to show.

What is the step-by-step procedure of play review?

The Replay Official will view game action and a play will be replayed immediately on one of the two monitors, while the other monitor continues to record the live feed.

The Replay Official makes a determination if further study of the play is needed. If not, there is no contact with the field and play continues without interruption.

If the Replay Official believes an error may have been made, the Umpire will be contacted via a headset.

The Replay Official will watch replay(s) on one or both monitors and complete his review within a reasonable period after the play is over.

The Replay Official will inform the Umpire of his decision, and the Referee will make the appropriate announcement on the wireless microphone.

The limited Instant Replay system concentrates on plays of possession or touching (e.g., fumbles, receptions, interceptions, muffs) and most plays governed by the sidelines, goal lines, end lines, and line of scrimmage (e.g., receiver or runner in or out of bounds, forward or backward passes, breaking the plane of the goal line).

However, the Instant Replay system will *not* include the following fouls: clipping; encroachment and offsides; grasp of facemask; false start; defensive pass interference; offensive pass interference; offensive holding and illegal use of hands; illegal batting or punching ball; illegal block on free kick or scrimmage kick; illegal crackback; illegal motion; illegal use of forearm or elbow; illegal use of hands by defense; illegally kicking the ball; illegally snapping the ball; intentional grounding; member of the punting team downfield early; illegal formation; palpably unfair act; piling on; roughing the passer; running into or roughing the kicker; striking, kicking, or kneeing; unnecessary roughness; unsportsmanlike conduct; and use of the helmet as a weapon.

WHAT TO LOOK FOR IN 1987

1. Bears attempting to become the 1st team from the NFC to win 4 consecutive division titles during the '80's.
2. Bears improving on their record of 10 straight home victories against AFC opponents vs. Kansas City and Seattle. Chicago's last home loss against an AFC foe was a 17-14 overtime decision against the Bengals on December 14, 1980.
3. Bears improving on their record of 44-4 when leading after three quarters during Mike Ditka's tenure as head coach.
4. Bears continuing success playing in domed stadiums where they have won 7 of their last 8 games. The Bears play Detroit and Minnesota indoors this season.
5. The Kansas City Chiefs making their first regular season appearance in Soldier Field since 1977.
6. Bears attempting to become the first team in NFL history to lead the league in rushing for 5 straight seasons. The Bears have led the league in rushing for 4 straight years on two separate occasions; 1939-42 and 1983-86.
7. Bears concluding their regular season with a victory. Chicago has won 10 of its last 12 season finales.
8. Bears defense attempting to lead NFL in total defense for a record 4th straight season.
9. Bears defense attempting to lead the NFL in fewest points allowed. They led in 1985 by allowing only 198 points and set a NFL record by allowing just 187 points for a 16-game season last year.
10. Bears continuing their success on the road. Their 18-6 regular season mark is the best in the NFL over the last three years.
11. Bears attempting to achieve 4 straight winning seasons for the first time since 1951. The Bears had 6 straight winning seasons from 1946-51.
12. Walter Payton attempting to earn Pro Bowl honors for a record 10th time. His 9 appearances ties him with Jack Lambert, Joe Greene and Ken Houston.
13. Payton scoring his 7th touchdown which will break Jim Brown's career mark of 126. Payton's next rushing score will also set a NFL record. Payton and Brown currently co-hold the record with 106 career rushing TD's.
14. Gary Fencik increasing his club record of 38 career interceptions. Fencik is currently the second leading active interceptor in the NFC.
15. Kevin Butler going for his 3rd straight NFC scoring title. Butler led the entire NFL in scoring in 1985 with 144 points and paced the NFC with 120 points in 1986.
16. Butler attempting to lead the NFC in field goals for the 3rd straight year.
17. Mike Singletary earning all-pro honors for the 5th consecutive year. Singletary and Payton have been named to the NFC squad in each of the last 4 seasons.
18. Jim McMahon returning to the lineup and the Bears increasing their streak of 23 straight wins with McMahon as the starting quarterback.
19. Dennis Gentry once again ranking near the top of the league in kickoff returns. Gentry led the NFL in 1986 with a 28.8 average and has returned a kickoff for a touchdown in each of the last two seasons.
20. Richard Dent leading the team in sacks for the 4th straight season. Dent led the NFC in 1984 with 17.5 sacks and again in 1985 with 17. He paced the Bears last year with 11.5.

GEORGE S. HALAS

February 2, 1895 – October 31, 1983

Leading the Chicago Bears for more than a half-century, George S. Halas, the team's founder and head coach for 40 years, was one of the most enduring personalities in sports history. Halas was active in the Bears since 1920 when he founded the team and 1987 represents the 68th year since the Bears came into being as the Decatur Staleys. No other football coach, professional or college, has equalled his personal winning record. The 40 years he had been coach break down into four separate tenures: 1920-29, 1933-42, 1946-55 and 1958-67. In those years, the Bears won 326 games, including playoff wins.

Halas was born and raised on Chicago's west side, prepped at Crane Tech High School before attending the University of Illinois where he earned a B.S. degree and lettered in football, basketball and baseball. After graduation in 1918, he went into the Navy for the first of his two tours of duty. He was named player of the game in the 1919 Rose Bowl as an end on that Great Lakes team that beat the Marines 17-0. A commander when he left active duty in 1946, Halas retired as a captain in the Naval Reserve. He was also awarded the Distinguished Citizens Award, the highest honor the Navy can bestow on a civilian.

After leaving the Navy, Halas played right field for the New York Yankees. A hip injury shortened his baseball career. Halas went to work for a Decatur, Illinois corn products firm owned by an enthusiastic sports fan, Mr. A. E. Staley. Mr. Staley, who sponsored a semi-pro baseball team and later that summer, commissioned Halas to organize an independent football team.

The Decatur Staleys were forerunners of the Bears. In 1921, they were known as the Chicago Staleys and in 1922, the team officially became known as the Chicago Bears.

PRO CAREER: As a player, Halas set an NFL record that stood for 49 years. He ran 98 yards for a TD with a Jim Thorpe fumble in a 26-0 win over the Oorang Indians at Wrigley Field November 4, 1923. He played end for the Bears from 1920-29; he was named to the NFL All-Pro squad of the 1920's.

PRO COACHING CAREER: Four times, Halas interrupted his coaching activities of his own volition. He turned over the leadership to Ralph Jones from 1930 through 1932. When he left for the U.S. Navy on November 1, 1942, Luke Johnsos and "Hunk" Anderson shared head coaching responsibilities through '45. John "Paddy" Driscoll coached in 1956-57. Coincidentally, in '33 and again in '46 when Halas resumed duties after having been away, his Bears' won world championships immediately. During the 1940's, Halas' teams reached the height of its power with four straight Western Conference titles; three world championships; a fantastic four-season record (including preseason games) of 62 wins, 7 losses, 1 tie for a winning percentage of .899; 2,164 points against 842. The 1940 team, which defeated the Washington Redskins 73-0 for the world championship, was voted the greatest professional team of all time by the National Academy of Sports Editors in 1963. Resuming coaching in 1958, Halas needed a little more time to develop another championship and in 1963, the Bears won their eighth championship. The Associated Press, The Sporting News, and the United Press International named him Coach-of-the-Year after the 1963 and 1965 seasons. He is a charter member of the Pro Football Hall of Fame. He retired from coaching May 27, 1968.

SOLDIER FIELD

Home to the Chicago Bears for 16 years, Soldier Field was opened for use in 1924 as 45,000-seat Municipal Grant Park Stadium.

The Bears home has undergone reconstruction and renovation since the '78 campaign which has included new lighting, new playing surface, lockerrooms, and rebuilding of the stadium's seating area — new chairback, arm-rest seats and new sightlines.

Following the 1981 season, the project was completed with the rebuilding of the remaining seating areas, new concourses with new restrooms and concession areas, press box, deluxe sky boxes, and scoreboard.

The first football game played on its field was Nov. 22, 1924 as a capacity crowd watched Notre Dame edge Northwestern 13-6. It hosted the first boxing event which drew a gate of over $2.5 million (1927; Dempsey-Tunney), the first ski meet held in a stadium and the all-time largest football crowd (123,000). The largest crowd for any event in the history of Soldier Field was 260,000 on Sept. 8 1954 for the religious Marian Year Tribute.

The new 100,000-seat stadium was dedicated November 27, 1926, with Army battling Navy to a 21-21 tie. The all-time collegiate attendance record of 123,000 plus was established Nov. 26, 1927 as Notre Dame beat Southern Cal 7-6.

In the first professional game at the then mammoth stadium, the Bears defeated the Chicago Cardinals 10-0 in 1926.

The Bears began using the facility as a regular season home Sept. 19, 1971 when capacity was cut to 57,000 to bring season ticketholders closer to the field. The new capacity is 66,030.

Plans for the stadium were begun in 1919 as a memorial to the soldiers of WWI. Soldier Field stands on 10,000 pile foundations driving an average depth of 62½ feet through fill that replaced the lake waters.

Soldier Field is operated by the Chicago Park District.

HALAS HALL

Located on the picturesque campus of Lake Forest College, Halas Hall is the Bears year-round home.

Named to honor the late George S. Halas, the Bears founder and one of the pioneers of the present day NFL, the building is dedicated to the memory of George Halas, Jr., who died Dec. 16, 1979.

Halas Hall was opened to the players in September of '79. Coaches and other staff members moved into the top of the three-level complex in November. Finishing touches were completed in May of 1980. In the spring of 1985, the Bears corporate offices were moved to Halas Hall from downtown. Today, only the team's ticket operations are housed at 55 E. Jackson Blvd.

A regulation-sized grass football field and one field 70 yards long are located behind the building.

The building was designed by Allan M. Pickus Architects and built by Pickus Construction of Waukegan, Ill.

The lower floor of the building houses team meeting rooms, a player lounge, racquetball court, rookie lockers and shower areas, storage and utility rooms. The central floor features the lockerroom, showers, sauna, training and weight rooms, coaches' lockerroom, equipment rooms, laundry, photo lab, and media workrooms.

The top floor holds the reception areas, staff offices along with work rooms including duplicating room and computer department.

A brilliant sun couldn't melt the snow that framed the playing area on a 16-degree day at Wrigley Field, where Hugh Gallarneau's 81-yard punt return for a TD signaled 30 unanswered points for Chicago. Gallarneau had fumbled the opening kickoff, setting up a 5-play, 18-yard drive that put the Packers ahead 7-0.

The playoff was the 1st conducted with rules allowing for sudden death overtime.

Bronko Nagurski, the Bears' leading rusher with 65 yards in 14 carries, gained 4 to the 33. On the next play, Nagurski threw a jump pass to Bill Hewitt. Hewitt gained 14 yards and lateraled to Bill Karr who covered the remaining 19.

1932 NFL CHAMPIONSHIP
Bears 9, Portsmouth Spartans 0
Chicago Stadium, 11,198
December 18, 1932

BEARS	0	0	0	9	— 9
SPARTANS	0	0	0	0	— 0

BEARS — Red Grange 2 pass from Bronko Nagurski (Tiny Engebretsen kick). **BEARS** — Portsmouth fumble rolled out of the endzone for an automatic safety.

Super Bowls played indoors are common now. But when the Bears met the Portsmouth Spartans (now Detroit Lions) indoors to settle the 1932 NFL championship . . . man bites dog.

Snow and minus 30 temperatures forced the game from Wrigley Field to Chicago Stadium — now home to the Chicago Bulls and Blackhawks — where dirt was hauled in to make an 80-yard field.

The field and its proximity to the concrete stands brought about the use of hashmarks for starting scrimmage rather than from where the ball was downed.

BEARS ON RADIO

For the third consecutive year, all Bears' games can be heard on WGN-radio (720 AM) live with Wayne Larrivee calling the play-by-play and analysis by Jim Hart and Dick Butkus. WGN will have extensive pre-game and post-game programming handled by the three-man broadcast crew along with WGN Sports Director Chuck Swirsky and Dave Eanet. The Bears radio network has 46 affiliate stations representing eight states.

WAYNE LARRIVEE

After handling play-by-play for the Kansas City Chiefs for eight years, Wayne begins his third season with WGN as the voice of the Bears. Wayne covered the Chiefs while serving as sports director of KCMO-radio in Kansas City and also did play-by-play of telecasts of Missouri Valley Conference basketball. Larrivee worked several Big 10 TV games during this past off-season. A New England native, Larrivee has also broadcast University of Colorado basketball and University of Iowa football. He and his wife, Julie, have two sons and reside in Buffalo Grove, IL.

DICK BUTKUS

One of the greatest players in Bears' annals, Dick returns for a third year on the Bears radio team. Dick is a nationally known actor who's credits include Magnum P.I., Fantasy Island, Love Boat, Taxi, Legend of Sleepy Hollow, Brian's Song and several advertisements. Butkus played in eight Pro Bowls during his nine-year career and is in the NFL Hall of Fame. He was a two time all-American at the University of Illinois before joining the Bears in 1965 as a middle linebacker. Dick and his family currently live in El Rancho Mirage, California.

JIM HART

After 19 years as a top NFL quarterback, Jim brings his football expertise to the broadcast booth in his third year with WGN. Jim had a brilliant 18-year career with the St. Louis Cardinals before finishing in 1984 with the Washington Redskins, where his final game was against the Bears in the playoffs. He ranks third all-time in the NFL in pass completions (2,590), pass attempts (5,069) and passing yards (34,639). He trails John Unitas and Fran Tarkenton in all three categories. Jim and his wife, Mary, have three children and reside in St. Louis.
