edward w. McCASKEY

Chairman of the Board

One of the most respected and popular figures in the National Football League is Edward McCaskey, the senior member of the Bears' management.

Named the second Chairman of the board in the club's 73-year history on November 11, 1983, McCaskey succeeded team founder, George S. Halas. Prior to his current position McCaskey served 17 years as the team's Vice President and Treasurer.

McCaskey has been an executive with the Bears since 1967. His responsibilities include spearheading the club's civic activities and representing the team at the annual owners' meetings.

An entertaining speaker along with his warm and outgoing personality have made McCaskey a natural for community involvement programs. He served on the board of trustees of Rosary College and as a trustee for the Piccolo Children's Fund, the Illinois Chapter of the National Hemophilia Foundation, the Chicago Association for Retarded Citizens, and the Charlie Conacher Research Fund at the Toronto General Hospital. He was also a member of the board of directors for the Michigan Avenue National Bank, NFL Films, and the Central States Institute of Addiction before he stepped down from those duties in 1987.

McCaskey's numerous charitable and civic contributions on behalf of the Chicago Bears and the McCaskey family have been well documented. Ed served as the guiding force behind the Brian Piccolo Fund since its inception in 1970 and was chairman of the Piccolo committee until 1987. The Brian Piccolo Fund was transferred recently to Rush Presbyterian in Chicago after the fund donated $2 million to Sloan Kettering Cancer Center in New York. With this money, embryonal cell carcinoma, which was virtually 100 percent fatal when it took Piccolo's life in 1970, now has a 95 percent cure rate. McCaskey was a close friend of Piccolo and worked with Screen Gems in production of the popular movie "Brian's Song". He also was the liason between the NFL owners and the Piccolo Golf Tournament.

McCaskey was in the music publishing business in New York and was associated with the late Jimmy Dorsey following a stint with the U.S. Army in WW II. McCaskey served with the 80th infantry in France — enlisting as a private and leaving with a Captain's rank. He was duly honored in the spring of 1988 when he received a Bronze Star Medal and Combat Infantry Badge acknowledging his satisfactory performance of duty while an infantry officer in active ground combat.

Since moving to Chicago in 1949, McCaskey has been a merchandising manager for the National Retail Tea and Coffee Association; Executive Vice President of Merchandise Services, Inc.; an account executive for E.F. McDonald Co.; and Vice President and Treasurer with the Bears.

Born April 27, 1919, in Philadelphia, McCaskey sang with dance bands for three years before enrolling at the University of Pennsylvania in 1940. While at Penn he was elected class president and also continued a singing career. McCaskey played offensive tackle at Lancaster Catholic High in Pennsylvania.

McCaskey and his wife, Virginia, reside in Des Plaines. They have 11 children and 18 grandchildren.

michael b. McCASKEY

President and Chief Executive Officer

In his eight full seasons as president of the Chicago Bears, Michael McCaskey has established himself as one of the most successful leaders in professional sports. Under his guidance, the Bears have won 70% of their games, ranking them second in the NFL during that period. The Bears are sold out on a season ticket basis with a long waiting list, attract marquee TV ratings, and rank among the top five in merchandise sales. The club's popularity has transcended overseas as the Bears have sold out the three pre-season games they've played in Europe since 1986.

McCaskey has seven playoff appearances, six division titles and one Super Bowl to his credit. Chicago made three appearances in the NFC Championship game since 1984, and emerged as one of the most entertaining and visible champions in sports history in 1985 by posting an 18-1 record capped by a 46-10 victory over New England in Super Bowl XX. McCaskey received the highest honor bestowed on a football executive following the '85 season when his peers voted him the *The Sporting News* NFL Executive of the Year.

McCaskey met the family call, which came in 1983, with mixed emotions. Torn between returning to his hometown to run the family business or remain in Boston to continue operating his young but prospering consulting firm, McCaskey met his family's wishes and assumed the enormous task of becoming the chief executive officer of a NFL franchise

He brought an appealing mix of a strong business background and football bloodlines when he was tabbed the third president in club history on November 11, 1983. McCaskey's impressive educational and business resume includes a PhD in business and ten years as a business professor and consultant. His background has been invaluable in an era when NFL owners need to battle financial burdens with shrewd resourcefulness.

Besides fielding a winning team, the Bears have also made great strides off the field. McCaskey added 56 new skyboxes on the southern rim of Soldier Field in 1988 including Bear Den, a year-round meeting facility. In 1989, McCaskey created the first full-time marketing department in club history to capitalize on the team's on-the-field success. The marketing department now produces and sells non-network pre-season games and the club's weekly television show, *Chicago Bears Weekly*. The Bears' computer system, instituted by McCaskey upon his arrival, is constantly being expanded and upgraded.

The NFL has also utilized McCaskey's strong business acumen. McCaskey has served on the league's Long Range Planning Committee since 1985, and during the 1989 season he was appointed to the Finance Committee. The recommendations and input from those two committees are vital to the league's continued success and fiscal well being.

McCaskey was indoctrinated to pro football as a youngster. He spent fall weekends at Wrigley Field watching his grandfather, George S. Halas, coach the Bears, and worked summers as a ballboy at the Bears' training camp in Indiana. His interest in the game flourished as he enjoyed a playing career at Notre Dame High School in Niles and at Yale University, where he was a two-year letterman at wide receiver.

Following graduation in 1965, McCaskey spent two years with the Peace Corps teaching in Ethiopia — an association which led to his appointment last fall to the Peace Corps National Advisory Council. He then earned a doctorate in business at Case Western Reserve University before teaching at UCLA and the Harvard Business School. He started a consulting company with his wife, Nancy, and authored a book, *The Executive Challenge: Managing Change and Ambiguity* before joining the Bears.

McCaskey enjoys traveling — France and Australia are among his recent trips — in addition to golf and skiing. Born December 11, 1943 in Philadelphia, Michael and Nancy have two children: John Piersol (6/5/84) and Kathryn Cahill (5/11/89) and reside in Winnetka, IL.

bill TOBIN

Vice President of Player Personnel

In what is regarded as an inexact and speculative process, Bill Tobin has made the college draft a sure fire method for supplying personnel that keeps the Bears among the best teams in the NFL. Tobin's success in player procurement has played a major role in the club's seven playoff appearances in the last eight years.

Tobin has been part of the Bears personnel staff since 1975 and has been in charge of the department since 1984. In the 18 years of his participation, all 20 of the club's top draft picks have been productive players, 12 are still active in the NFL and nine have made the Pro Bowl. Overall, 15 Bear draft choices and two free agents since 1980 have made the Pro Bowl. Beginning with the selection of Walter Payton in 1975, Tobin has been part of a scouting record unmatched in the NFL.

The Bears roster has been built almost exclusively through the draft. Of the 22 starters in last year's season finale, 18 are Bear draftees, including eight first-rounders. The Bears have active players from the last 11 drafts dating back to the top two picks in 1981 — Keith Van Horne and Mike Singletary. Tobin has also utilized undrafted free agents (Jay Hilgenberg and Tom Waddle) and players waived by other NFL teams (Steve McMichael and John Wojciechowski) to build the roster.

Tobin was given the title of Vice President by Michael McCaskey following the 1986 season in recognition of his significant contribution to the team's success. In this vital role, Tobin is the team's primary contact regarding all personnel matters, conducts the annual college draft, and monitors the NFL waiver wires in hopes of upgrading the team through the free agent route. Tobin's staff consists of three regional college scouts and a pro scout. He also uses the BLESTO scouting combine which contributes to his evaluation of college prospects. Tobin's idea to sign first-round pick Mark Carrier during the 1990 draft created a league-wide emphasis on signing first-rounders prior to training camp.

A native Missourian, Tobin, 51, joined the Bears as Director of Pro Scouting in 1975 and held that post until being promoted to Director of Player Personnel in 1984. Part of Tobin's duties include travelling to approximately 60 schools each year to scout the projected high draft prospects.

Prior to joining the Bears, Tobin spent four years with the Packers — two as a regional scout (1971-72) and two as Director of Pro Scouting (1973-74). Working under his college coach, Dan Devine, Tobin assisted in drafting four Rookies of the Year: John Brockington, Chester Marcol, Willie Buchanon, and Don Woods. Before entering the pro ranks, Tobin was offensive coordinator and backfield coach at Central Connecticut State College from 1968-70.

Tobin had a successful playing career at both the collegiate and professional level. A star running back at the University of Missouri from 1959-62, Tobin was MVP of the 1962 Bluebonnet Bowl after leading the Tigers to a 14-10 win over Georgia Tech. He played for the Houston Oilers in 1963 and was the club's Rookie of the Year. The next season he joined the Edmonton Eskimos of the CFL and played three seasons while serving as a graduate assistant at Missouri (1964-66) where he earned a masters in education. Tobin's final stop as a player was the Continental Football League where he spent two seasons with the league champion Orlando Panthers.

Born February 16, 1941 in Burlington Junction, MO (approximately 100 miles north of Kansas City), Tobin had two brothers play college football including Vince, a teammate at Mizzou and now the Bears defensive coordinator. Bill and his wife, Dusene, have two daughters, Laurie and Kerry, and one son, Duke, a junior quarterback at the University of Colorado.

tim LeFEVOUR

Director of Administration

Tim LeFevour begins his fourth season as the club's director of administration following nine years of service in stadium operations.

In his current role, LeFevour oversees stadium affairs and is the club's liaison with the Chicago Park District. In addition, he is responsible for Halas Hall and training camp operations and serves as the club's contact with the NFL office. LeFevour directed the McBubble project—the Bears , indoor practice facility in Waukegan—which was completed in November, 1990. He also continues to assist Michael McCaskey in the Bears' pursuit of a new stadium.

LeFevour joined the Bears as Skybox Manager in 1981 and was promoted to Stadium Operations Manager on February 22, 1984. In the latter role he was involved in the installation of 56 skyboxes and natural grass at Soldier Field. He was named Director of Administration on January 19, 1989.

Before joining the Bears, LeFevour worked for the Chicago Park District as a writer in the Public Information Office (1979-81) and was an assistant director at WGN-TV (1979).

LeFevour earned a BA degree in political science from Loras (Iowa) College in 1978. He is currently involved in several charitable and civic functions and is on the Board of Directors of the Brian Piccolo Golf Tournament.

Born June 25, 1956, in Chicago, LeFevour and his wife, Judy, have four children (Megan, Matthew, Katie, Amy) and reside in Arlington Heights, IL.

ted PHILLIPS

Director of Finance

As the Bears' Director of Finance, Ted Phillips' primary responsibility is negotiating all player contracts. The Bears have avoided lengthy holdouts in recent years by signing Mark Carrier (1990) and Stan Thomas (1991) soon after the draft. Phillips is also a club officer, serving on the board as treasurer.

Phillips was named to his current position on March 4, 1987, and consequently assumed contract negotiations in addition to serving as the club's chief financial officer and overseeing the accounting staff. He added the training, video, and equipment departments to his jurisdiction on January 19, 1989, following the retirement of Bear administrator Bill McGrane.

Phillips joined the Bears staff on September 28, 1983 as the club's controller, a position he held for four years. He assisted in preparing and constructing player contracts for two years (1985-86) prior to becoming a full-time negotiator.

Before joining the Bears, Phillips was employed as an auditor and tax accountant with the international accounting firm of Ernst & Whinney (now Ernst & Young), from 1979-83. He graduated from the University of Notre Dame in 1979 with a degree in business and accounting. He earned his masters in business administration from Northwestern University in 1989.

Born June 27, 1957, in Oneida, New York, Phillips grew up in Nashua, New Hampshire. He is single and lives in Chicago.

patrick McCASKEY

Director of Community Involvement

As director of community involvement for the Chicago Bears, Patrick McCaskey is a resource person for Bears Geography Corps, Cabrini-Green Legal Aid Clinic, Fellowship of Christian Athletes, Chicago Sports Teams Organized for the Prevention of Substance Abuse (vice president/treasurer), Community Youth Creative Learning Experience, Eisenberg Boys & Girls Club, First Colonial Bankshares Foundation, Illinois Special Olympics, Lake Forest/Bears Golf Day, Lake Forest Special Education, Lawndale Community Church, Life Education Center Foundation, Michigan Avenue National Bank, Notre Dame High School Alumni Dinner Auction (chairman), Brian Piccolo Cancer Research Fund, and Saint Joseph Hospital.

He also manages the Bears road trips and alumni parties and home game anthem singers and halftime shows.

His column, "Religion, Family and Sports," is published in the northwest suburban Journal newspapers and in the Bears home game programs. When he has speaking engagements for the Bears, he performs his narratives and poems. He is a masters competitor for the University of Chicago Track Club and the Jim Spivey Running Club.

McCaskey and his wife, Gretchen, have three sons (Edward, Thomas, and James) reside in Lake Forest.

ken VALDISERRI

Director of Marketing/Communications

Ken Valdiserri was named Director of Marketing and Communications on January 19, 1989, after serving the club as Director of Public Relations from 1984-88.

Valdiserri engineers the club's marketing, promotional, and merchandising efforts and develops corporate sponsorship. He also oversees the PR department, and production and sales of Bears' pre-season games, weekly TV show and Chicago Bears' Insider radio show (WGN); and he assists club President Michael McCaskey in radio-television contracts and programming.

Last year the Bears became just the second NFL team to bring the production of their pre-season games "in-house". In 1990, the organization unveiled its 30-minute television show, Chicago Bears Weekly and produced a quarterly newsletter for sponsors and season ticket holders.

Before joining the Bears on March 4, 1984, Valdiserri was Assistant Public Relations Director for the Chicago White Sox (1981-83) and an administrative assistant in the Baseball Commissioner's Office in New York (1980).

Valdiserri is on the board of the Mike Ditka Foundation, Baseball Cancer Charities, Indiana Sports Charities Committee and the Broadcast Advertising Committee.

A graduate of the University of Notre Dame, Valdiserri spent three years working in the Irish sports information office while earning a degree in communication arts in 1980.

Born February 18, 1958, in South Bend, Valdiserri and his wife, Annika, reside in Deerfield, IL.

mike DITKA

Head Coach — 11th season

Mike Ditka's reached yet another milestone in his 32-year NFL career in 1991 when the Bears head coach recorded his 100th coaching victory in just his 10th season. Only three other coaches in NFL history have exceeded Ditka's 107 win total in their first 10 years. Ditka is currently the fourth winningest active coach in the NFL with a .652 winning percentage.

Ditka is among an elite group of great NFL players who have become successful head coaches. Among the NFL's other 27 head coaches, only two, Dan Reeves and Art Shell, played in the Pro Bowl, and just Shell joins Ditka in the Hall of Fame. Ditka's outstanding career includes 12 years as a player (1961-72) and 10 as a head coach (1982-91). He also played a role in Dallas' dynasty years as an assistant coach from 1973-81.

When he joined the Bears prior to the 1982 season, Ditka inherited a team that had just two winning seasons in the previous 19 years. The Bears were 11-14 in his first two seasons as the roster was virtually overhauled. In just his third season, Ditka led the team to a 10-6 record and had the Bears atop the NFC Central division. More impressively, he has been in the playoffs seven of the last eight years including six division titles. Only the San Francisco 49ers have made as many playoff appearances (seven) in the same period. Ditka has guided the Bears to three NFC title games and a Super Bowl victory; in four of the six seasons Chicago did not win the conference title, they fell victim to the eventual Super Bowl champion.

Ditka's career as the first prototype tight end was justifiably acknowledged with his induction into the Pro Football Hall of Fame in 1989. Five Pro Bowls and two league championships (1963 and 1971) qualified him to become the first tight end to enter the shrine.

Ditka's place is also firmly established in Super Bowl annals. He has won a Super Bowl as a player, assistant coach, and head coach—joining Seattle Seahawks head coach Tom Flores as the only men with that distinction.

• • •

The Bears have remained one of the league's best teams while at the same time undergoing a significant change in personnel. Ditka's 1991 playoff edition had just 10 players from the 1984 unit that was his first playoff team. Sixteen players have combined for 48 appearances in the Pro Bowl since Ditka's arrival. While the Bears have dominated the division during Ditka's 10-year tenure the other four NFC Central teams have combined for 16 head coaches. The most significant turnover took place during the off-season as three of the four NFC Central teams named new coaches. Regardless of coaching changes and new systems implemented by division rivals, Ditka's philosolphy remains unchanged. "I want us to be the toughest guys on the block. I want us to be the meanest people around. I want us to be hitters. I want us to make things happen by the way we are playing the game in all out pursuit, hustle and contact. I want us to be smart and opportunistic."

• • •

Since being named the 10th head coach in club history on January 20, 1982, Ditka has led the Bears to an overall mark of 107-57. The Bears 52 regular season wins between 1985-88 are the most ever by a NFL team in any four-year span. Ditka ranks second among Bear coaches in both tenure and victories, trailing only his first pro coach, George Halas, the team's founder and coach for 40 seasons.

Ditka has guided the Bears to six NFC Central titles, three appearances in the NFC title game, and a Super Bowl victory. In 1985, the Bears posted an 18-1 record — a win total matched only by

MIKE DITKA

the 1984 San Francisco 49ers. The Bears' '85 campaign was highlighted by a 46-10 Super Bowl XX victory over the New England Patriots, the exclamation point on a season in which *The Sporting News*, Associated Press, and pro football writers named him Coach of the Year. Ditka is the only Bear coach to lead his club to five straight post-season appearances.

Ditka garnered the same Coach of the Year honors following a 1988 season which included his mid-season heart attack (11/2/88) and 12-4 regular season mark which topped the NFL. Chicago beat Philadelphia in the divisional playoff, 20-12, before falling to the eventual Super Bowl champion San Francisco 49ers in the NFC title game at Soldier Field.

Ditka's NFL career began in 1961 when the Bears made him their first round selection (fifth overall) from the University of Pittsburgh. Ditka had an immediate impact — catching 56 passes and earning NFL Rookie of the Year honors—as Halas changed the tight end position from a "third tackle" to a receiver. Ditka played five more seasons with the Bears, earning a Pro Bowl trip each year, before being traded to Philadelphia for quarterback Jack Concannon in 1967. After two years with the Eagles, he played four more in Dallas, where he caught a touchdown pass in the Cowboys' 24-3 win over the Dolphins in Super Bowl VI.

The final accolade to Ditka's outstanding playing career was bestowed upon him 16 years after his retirement when he was the 21st Bear inducted into the Pro Football Hall of Fame (July 30, 1988). Ditka's 427 career receptions included 75 catches in 1964 — a NFL record for tight ends until San Diego's Kellen Winslow broke it in 1980. Ditka still holds four Bears records: consecutive games with a reception (49 between Dec. 3, 1961, and Oct. 10, 1965), touchdown receptions (4, tied with Harlon Hill), most receptions by a rookie (56) and most touchdown catches by a rookie (12, also tied with Hill).

Ditka retired from playing following the 1972 season, but was hired by Cowboys' head coach Tom Landry as an offensive assistant and special teams coach. In Ditka's nine seasons the Cowboys were in the playoffs eight times, won six division titles, three NFC Championships, and the NFL crown following the 1977 campaign.

Born October 18, 1939, in Carnegie, Pennsylvania, Ditka was raised in nearby Aliquippa where his father, Mike Sr. worked on the railroad. He was a three sport star at Aliquippa High School, playing basketball and baseball as well as football. He enrolled at the University of Pittsburgh and was an all-American as a senior in 1960. Ditka played defensive end, linebacker, tight end, and ranked among the nation's top punters with a 40-yard average in his final three seasons.

He is actively involved in numerous charitable endeavors including the Fellowship of Christian Athletes, Sports Teams Organized for Prevention of Drug Abuse, and the Say No to Drugs campaign. The Mike Ditka Foundation, established in 1989, raises money for Misericordia, a residential facility for developmentally disabled youth, and pediatric aids program at Children's Memorial Hospital. Ditka has also assisted his alma mater by sponsoring the Mike Ditka Endowed Scholarship Fund at the University of Pittsburgh to which he will contribute $100,000 throughout the 1990s.

Ditka is a highly-sought after motivational speaker and television personality. He has appeared on virtually every late night network talk show and been featured on network newscasts. Ditka is the focal subject of Saturday Night Live's continuing popular "Da Bears" skit and in 1989 he played himself in an episode of the television series, "LA Law". Ditka is also one of pro football's most visible ambassadors. He was part of CBS-TV's playoff coverage following the 1989 season and has been a featured spokesman endorsing the World League.

An off-season left hip replacement operation (both have been replaced) will allow Ditka to continue to excel at his favorite hobby — golf — to which he plays to an eight handicap. He also swims daily and has a collection of antique cars. Mike is married (Diana) and has four children; Mike (31), Mark (30), Megan (28), and Matthew (24) and reside in Bannockburn, IL.

greg LANDRY

Offensive Coordinator — 7th year

Under the direction of offensive coordinator Greg Landry , the Bears enjoyed their most productive aerial season ever in 1991. Landry's efforts to improve that phase of the offense paid off as Chicago established a club record with 3,120 yards passing. Jim Harbaugh, benefitting from Landry's NFL playing experience, showed dramatic improvement, starting all 16 games, and establishing club records for pass attempts (478) and completions (275). Coupled with third-year backup Peter Tom Willis, the Bears quarterback situation is very promising.

Landry's coaching career began in 1985 when he became quarterback coach of the Cleveland Browns and helped them win the AFC Central division while tutoring Bernie Kosar. He joined the Bears in 1986 as receivers coach before handling both quarterbacks and receivers in '87 and '88. He assumed play-calling duties in 1988 and was subsequently promoted to offensive coordinator in 1989. Landry interviewed for his first head coaching position following the 1991 season with the Pittsburgh Steelers.

Detroit's first-round selection in 1968 from the University of Massachusetts, Landry spent 11 seasons with the Lions before being traded to the Colts in 1979. He played three seasons in Baltimore and two with the USFL's Chicago Blitz/Arizona Wranglers (1983-84). Landry completed his 17-year playing career in 1984 when he was added to the Bears roster during the final week of the season and started at quarterback vs. Detroit in a 30-13 win.

In 147 NFL games, Landry started 103 games completing 1,276 passes in 2,300 attempts for 16,502 yards, 98 TDs, and 103 interceptions. He also rushed for 2,654 yards (6.2 avg.) and scored 20 TDs.

He finished his Lions' career second to Detroit Hall of Famer Bobby Lane in four categories: attempts, completions, yards, and touchdown passes. Landry holds one Lions' record for most rushing touchdowns in a game with three (tied by six others). In 1972 he rushed for nine TDs—which was the most in club history before Billy Simms and Barry Sanders came along.

Landry was born December 19, 1946, in Nashua, New Hampshire. He earned a B.S. degree in physical education from Massachusetts and a masters degree in sports administration from Wayne State (MI) University. He and his wife Jeannine have five children (Kathleen, Beth, Gregory, Mary, and Joseph) and reside in Libertyville, IL.

vince TOBIN

Defensive Coordinator — 7th year

In his six seasons with the Bears, Tobin has established himself as the premiere defensive coordinator in the NFL. He has enjoyed a highly successful 15-year tenure as a defensive coordinator in three pro leagues, and is frequently mentioned as a candidate to become a head coach. Tobin has interviewed for NFL head coaching jobs with the Chiefs and Browns (1989), Jets (1990), and Steelers (1991).

Tobin's effectiveness is best illustrated by the Bears rank among the NFL's 28 teams in the key defensive categories over his six years (1986-1991): second in interceptions (24/year), sacks (49.2/year), points allowed (16.9), and yards allowed (288.8/game).

In 1991, the Bears defense ranked fourth in net yards while holding 10 of 16 regular season opponents under 275 yards. Tobin's unit also limited 13 of 17 foes under 18 points, including a stretch of nine straight games.

Tobin made a significant impact in his first season as the Bears set a NFL record for fewest points allowed in a 16-game season (187). The Bears also finished first in total defense while allowing just 258 yards per game. In 1987, the Bears were first in rush defense and second overall while holding opponents to fewer than 10 points in six games. His 1988 unit led the NFL in fewest points allowed (215) and rushing yards (82.9/game) while finishing second in total defense (272.5/game). Tobin had a brief stint as head coach while handling interim duties for 11 days following Mike Ditka's heart attack (11/2/88) and led the Bears to wins over Tampa Bay and Washington.

Tobin joined the USFL's Philadelphia/Baltimore Stars in 1983, and his teams led the league all three seasons in fewest points allowed. The Stars were in the Championship game all three years, winning in 1984 and 1985. As defensive coordinator of the CFL's British Columbia Lions from 1977-82, his units ranked second overall during the six-year span. In fourteen seasons as a pro defensive coordinator, Tobin has only been associated with one losing team — the 1989 Bears.

A 1965 graduate from Missouri, Tobin was an all-Big Eight defensive back for the Tigers and served 10 years as an assistant coach under Dan Devine (1967-70) and Al Onofrio (1971-76). He worked as a graduate assistant at Mizzou while earning a masters degree in guidance and counseling in 1966.

Born September 29, 1943 in Burlington Junction, Missouri, Tobin and his wife, Kathy, have two children (Ryan and Shannon) and reside in Libertyville, IL.

danny ABRAMOWICZ

Special Teams Coach — 1st year

One of the most prolific receivers in NFL history, Danny Abramowicz joined the Bears staff as special teams coach on January 9, 1992. Abramowicz and Mike Ditka were contemporaries as NFL players and were reunited last fall when Abramowicz served as the Bears chapel speaker prior to the club's game at New Orleans. Abramowicz left private business in 1989 to become the head coach

at Jesuit High School in New Orleans where he compiled a 20-14 record.

Abramowicz graduated from Xavier University in Cincinnati in 1967 with a degree in education. He was a 17th round draft choice by the New Orleans Saints that year and played seven seasons with the Saints before finishing his career at San Francisco (1973-74). In 1969, Abramowicz led the NFL with 73 catches and was named all-pro and the Saints' MVP. He is second in Saints' history in catches (309), yards (4,875) and TDs (35), trailing Eric Martin who passed him in 1990. Abramowicz completed his pro career with 371 receptions for 5,704 yards and 39 TDs. In his final two seasons at San Francisco, Abramowicz became an outstanding special teams coverage player.

Abramowicz has been inducted into the Xavier and Saints' Halls of Fame and was named to the Saints Silver Anniversary Team last year. Following his football career, Abramowicz was a salesman in the oil field industry and also spent five seasons on the Saints Radio Network as an analyst.

Born July 13, 1945 in Steubenville, Ohio, Dan and his wife, Claudia, have three children (Danny, Andrew, and Stephanie) and reside in Vernon Hills.

steve KAZOR

Tight Ends — 11th year

Steve Kazor enters his 11th season on the Bears coaching staff, second in tenure only to Dick Stanfel's 12 years of service. A staff associate of Mike Ditka's with the Dallas Cowboys, Kazor was one of his first hirings when Ditka became the Bears head coach in 1982. Kazor's duties change this season as he becomes a special assistant to Ditka in addition to coaching tight ends. He had been special teams coach his first four seasons and special teams/tight ends coach the last six years. Kazor lost Cap Boso to retirement last season but returns James Thornton and Keith Jennings, who turned in solid campaigns in 1991.

Kazor was on the Dallas Cowboys staff as an assistant to Gil Brandt in the scouting department from 1979-81. Before entering the pro ranks he spent time as an assistant coach and recruiting coordinator at Colorado State (1975), Southern Utah State (1976) and Texas-El Paso (1979-80). He also served on the staffs of Texas-Arlington (1974), Texas Austin (1977-79) and Westminister College (1970), where he started at nose tackle for four years as a collegian. He left Westminister in 1971 to become head coach of Camden Military Prep School before becoming the youngest college head coach in the country while holding that position at Emporia (Kansas) College in 1973.

Kazor was born February 24, 1948 in Arnold, Pennsylvania and attended high school in Las Vegas. After attending Westminister he earned his masters in athletic administration from Kansas St. College. He and his wife Colleen have two sons (Lance and Kyle) and reside in Lake Forest.

john LEVRA

Defensive Line — 7th year

A coaching veteran of both sides of the line of scrimmage, John Levra begins his seventh season as the Bears defensive line coach. Levra's unit has been a key ingredient in Chicago's strong defenses, featuring Pro Bowlers Richard Dent and Steve McMichael. Levra has helped Trace Armstrong and Tim Ryan turn into solid pros and will continue to develop second-year vets Chris Zorich and James Williams.

Levra joined the Bears in 1986, after serving five years as offensive backfield coach for the New Orleans Saints. Under Levra's guidance, the Saints had the NFL's leading rusher in 1981, and had 20 100-yard individual rushing games. He was offensive coordinator in 1985 during Wade Phillips' brief four game tenure as head coach.

Following a playing career at linebacker for Pittsburg (Kan.) State, Levra coached at Kansas high schools for seven years (1959-65). His first college job was at New Mexico Highlands, where he was an assistant (1966) and later head coach (1967-70) posting a 35-4-1 record. He moved to Stephen F. Austin State University as head coach and athletic director (1971-74) where his teams were 18-5 in his final two seasons and made the only bowl appearance in school history. Levra became offensive coordinator at the University of Kansas (1975-78) and North Texas State (1979) before entering the pro ranks as defensive line coach for the British Columbia Lions. At BC, Levra worked under head coach Vic Rapp and defensive coordinator Vince Tobin.

A native Kansan, Levra was born in Arma on October 2, 1937. He and his wife Rosie have two children (Gina and Craig) and reside in Grayslake, IL.

david McGINNIS

Linebackers — 7th year

In his seventh season as the Bears linebackers coach, David McGinnis has made significant contributions to the success of Chicago's high ranking defense. McGinnis joined the staff prior to the 1986 season and immediately gained respect throughout the NFL as a prospective head coach.

McGinnis helped develop John Roper, who tallied eight sacks last season, in the same mold as his first two outside linebackers — Pro Bowlers Otis Wilson and Wilber Marshall. McGinnis is hoping third-year veteran Ron Cox can make the progress Roper did last year. McGinnis still has nine-time Pro Bowler Mike Singletary in the middle and savvy veterans Jim Morrissey and Ron Rivera.

Prior to joining the Bears, McGinnis spent 13 years coaching at the major college level. His first assignment was as freshman coach at his alma mater, Texas Christian, in 1973-74. In 1975, he moved to Missouri to coach the linebackers and secondary under defensive

coordinator, Vince Tobin. McGinnis joined the Indiana State staff in 1978 as secondary coach and was responsible for recruiting the Chicago area. He returned to TCU in 1982 for a season as defensive backfield coach before joining the Kansas State staff as defensive end and linebacker coach from 1983-85.

McGinnis was a two-year starter as a defensive back at TCU from 1970-72, earning academic all-SWC honors both seasons. His five interceptions as a junior tied Lyle Blackwood for most in the Southwest Conference.

Born on August 7, 1951, McGinnis grew up in Texas and attended Snyder High School. He and his wife Kim reside in Lake Forest, IL.

vic RAPP

Wide Receivers — 3rd year

A highly respected coach in the pro ranks for the past 20 years, Vic Rapp begins his fourth season in charge of the Bears' wide receivers. Rapp was added to Chicago's staff in the 1989 pre-season following Ed Hughes' retirement. His offensive expertise includes experience as both an offensive coordinator and head coach in the Canadian Football League. Rapp also serves as the offensive staff's eye in the press box during games.

Before joining the Bears, Rapp was an offensive assistant for two NFC Central division rivals. He served as running backs coach for the Detroit Lions (1987-88) after serving in a similar capacity for the Tampa Bay Buccaneers (1985-86). He spent the two previous seasons handling the running backs and tight ends for the Los Angeles Rams (1984) and Houston Oilers (1983).

Rapp was a highly successful head coach in the Canadian Football League guiding British Columbia to a 55-42-4 record in six seasons (1977-82) and twice taking the Lions to the conference championship. Two coaches on Rapp's staff were fellow Bears coaches Vince Tobin and John Levra.

A standout guard and linebacker at Southwest Missouri State, Rapp accepted his first college position at Arizona (1965-66) where he coached the receivers. He moved on to handle the passing game at Missouri (1967-71) before entering the CFL in Edmonton as offensive coordinator (1972-76).

Born in Marionville, Missouri on December 23, 1935, Vic and his wife Carol have three daughters (Rhonda, Paula, Marla) and reside in Libertyville, IL.

CHICAGO BEARS FIGHT SONG

The Chicago Bears fight song, *Bear Down, Chicago Bears*, was introduced in 1941. Though Jerry Downs is listed as the composer, it a pseudonym for Al Hoffman, who also wrote the words and music for the song *If I Knew You Were Coming, I'd Have Baked a Cake.*

Hoffman's word for the Bears' fight song:

Bear down, Chicago Bears, make every play clear the way to victory;
Bear down, Chicago Bears, put up a fithe with a might so fearlessly.
We'll never forget the way you thrilled the nation with your T-formation.
Bear down, Chicago Bears, and let them know why you're wearing the crown.
You're the pride and joy of Illinois, Chicago Bears, bear down.

johnny ROLAND

Running Backs — 10th year

Since Johnny Roland was named running backs coach in 1983, the Bears have led the league in rushing four times, finished second twice, and third once. In addition the Bears were the NFL's best rushing team of the 1980s, averaging 153.4 yards per game. Neal Anderson was selected to his fourth straight Pro Bowl following the '91 season, while Brad Muster had his first 100-yard rushing game as a pro.

Not surprisingly, Roland's success in Chicago has made him a candidate for several head coaching positions. He was a finalist for the San Diego Chargers top job prior to the 1989 season, was interviewed for the Green Bay Packers' vacancy following the 1987 season, and was a candidate for the University of Missouri job in 1984.

Roland's coaching career began in 1974 when he joined his collegiate coach, Dan Devine, on the Green Bay Packers staff as a special assignments coach. He followed Devine to Notre Dame in 1975 to coach receivers, before returning to the pro ranks a year later with the Philadelphia Eagles. He served as running backs coach until 1978 before taking a five-year hiatus from football to enter private business.

A fourth round future draft selection of the St. Louis Cardinals in 1965, Roland was named NFL Rookie of the Year in 1966, and played in the Pro Bowl the following two seasons. He left the Cardinals following the 1972 season and spent one year with the New York Giants. He finished his career with 3,750 yards on 1,015 carries and 28 TDs; and 153 catches for 1,420 yards, and six scores.

Roland, 48, was born on May 21, 1943, raised in Corpus Christi, Texas, and starred collegiately at Missouri where he was a two-way player in both back fields and earned all-America honors.

Roland maintains his St. Louis ties as owner of KIRL radio (1460 AM); he also owns radio station WAPZ radio (1250 AM) in Montgomery, Alabama. Roland has three children (Johnny, James, and Cynnamon) and resides in Vernon Hills, IL.

dick STANFEL

Offensive Line — 12th year

The dean of the Bears coaching staff, Dick Stanfel begins his 12th year as the club's offensive line coach and 29th in the NFL. The only holdover from the pre-Ditka coaching staff, Stanfel was immediately retained and has been vital to the success of the offensive line during his tenure. The Bears have been the NFL's top rushing team (150.4 yds/game) since Stanfel's arrival in 1981.

Stanfel had the same starters for six years (1985-90), but that group finally began breaking up last year when Jim Covert suffered a season ending back injury in training camp and subsequently retired. Left guard Mark Bortz also missed half the season

which forced Stanfel to use John Wojciechowski, Stan Thomas and Jerry Fontenot on the left side. Center Jay Hilgenberg made his seventh straight Pro Bowl appearance while Tom Thayer and Keith Van Horne manned the right side.

Before joining the Bears in 1981, Stanfel served as interim head coach of the New Orleans Saints for the final four games of the 1980 season. He began his coaching career at Notre Dame (1959-62) and spent one season on the California staff (1963) before taking his initial pro job with the Eagles in 1964. After seven seasons in Philadelphia, Stanfel joined the 49ers in 1971 as line coach and stayed there until joining the Saints in 1976.

After playing collegiately at the University of San Francisco, Stanfel enjoyed a eight-year pro career which many football historians feel is worthy of Hall of Fame consideration. A second-round draft pick by Detroit, Stanfel played five years with the Lions and was the team's MVP for the 1953 season. The five-time all-pro guard finished his career playing three seasons for the Washington Redskins (1956-58).

Stanfel lives in Libertyville, IL and has three sons (Jon, Scott, and Richard).

zaven YARALIAN

Devensive Backs — 3rd year

In just two seasons as the Bears secondary coach, Zaven Yaralian's aggressive and enthusiastic coaching style has had a positive on his young unit. Both safeties, Mark Carrier and Shaun Gayle, earned a trip to the Pro Bowl last season, while Donnell Woolford and Lemuel Stinson turned in solid years at cornerback. In Yaralian's first season (1990), the Bears led the NFL with 31 interceptions.

Yaralian started his coaching career as a graduate assistant at Nebraska in 1975 before heading to Washington State as the defensive backs coach for two seasons. He then moved to the University of Missouri where he served in the same capacity for five years (1978-83). In 1984, Yaralian joined the University of Florida and coached the secondary for fivex seasons, including three as the defensive coordinator (1985-87). His defenses were nationally acclaimed, twice finishing in the country's top 10 in fewest yards allowed.

Before joining the Bears he spent two seasons coaching the defensive backs at the University of Colorado. He joined the Buffaloes' staff in 1988, and helped lead them to an 11-1 record including a No. 1 ranking for part of the year. Colorado's lone loss was to Notre Dame in the 1989 Orange Bowl.

A two-year starter at Nebraska (1972-73), Yaralian played cornerback for the Cornhuskers on both the 1973 Orange Bowl team and 1974 Cotton Bowl team. He was signed by the Green Bay Packers in 1974 and also played for the WFL's Philadelphia Bell in 1975.

Yaralian was born on February 5, 1952, moved to the United States as a child, and grew up in California. He lettered in football and track at Ingelwood High School and was Southern California's Player of the Year in 1969. Zaven and his wife Lorraine have two sons (Blake, Garrett) and reside in Lake Bluff, IL.

THE OPPONENT KNOWS

In the NFL, when a team scores less than 18 points, it wins approximately 23% of its games. However, against the Bears, 17 points doesn't approach that winning percentage. Since Mike Ditka became head coach in 1982, the opponents have scored 0-17 points in 99 games and has won just seven (7%). Offensively the Bears are also well ahead of the 23% league mark, having won 28 of the 70 games (40%). The following chart shows the Bears record under Ditka at various point levels.

Bears' points	Bears record (pct.)	Opp.'s points	Bears record (pct.)

THE SENIOR BOWL

According to an NFL rule, the coaching staff of the team which loses the First Round playoff games travels to Montgomery, Alabama to lead a team at the Senior Bowl. Last January the Bears staff coached the NFC team against Art Shell and his Raiders staff.

The Bears "lost" 13-10 on a cold and rainy mid-January day, but Chicago saw their dividends in April when they drafted four of the game's participants. Though coached by the Raiders, the Bears had an in depth look at **Will Furrer** (fourth round), **Todd Harrison** (fifth), **Mark Berry** (sixth), and **Jeff Ireland** (free agent). The Chicago staff had three players on the current Bears roster: **Jeremy Lincoln** (third round), **Tyrone Ashley** (free agent), and **Arnie Williams** (free agent).

george s. HALAS

Feb. 2, 1895 - Oct. 31, 1983

Leading the Chicago Bears for more than a half-century, George S. Halas, the team's founder and head coach for 40 years, was one of the most enduring personalities in sports history. Halas was active with the Bears starting in 1920 when he founded the team.

Halas was born and raised on Chicago's west side, prepped at Crane Tech High School before attending the University of Illinois where he earned a B.S. degree while lettering in football, basketball, and baseball. After graduation in 1918, he joined the Navy for the first of two tours of duty. He was named Player of the Game in the 1919 Rose Bowl playing end on the Great Lakes team that beat the Marines 17-0. A commander when he left active duty in 1946, Halas retired as a captain in the Naval Reserve. He was also awarded the Distinguished Citizens Award—the highest honor the Navy can bestow on a civilian.

After leaving the Navy, Halas played right field for the New York Yankees, but a hip injury shortened his baseball career. Halas went to work for a Decatur (IL) corn products firm owned by an enthusiastic sports fan, Mr. A.E. Staley, who sponsored a semi-pro baseball team, and later commissioned Halas to organize an independent football team.

PRO CAREER: As a player, Halas set an NFL record (which stood til 1972) when he took a Jim Thorpe fumble 98 yards for a TD in a 26-0 win over the Oorang Indians at Wrigley Field (11/4/23). He played end for the Bears from 1920-29 and was named to the NFL All-Pro squad of the 20s.

PRO COACHING CAREER: Four times Halas interrupted his coaching activities by his own volition. He first turned over the leadership to Ralph Jones from 1930 through 1932. In 1942 when he left for the Navy, Luke Johnsos and "Hunk" Anderson shared head coaching responsibilities until '45. John "Paddy" Driscoll coached in 1956-57. Coincidentally, in '33 and again in '46 when Halas resumed coaching, his Bears' won world championships.

During the 1940s, his teams reached the height of their power with four straight Western Conference titles; three world championships; a fantastic four-season record (including pre-season games) of 62-7-1 (.899); scoring 2,164 points and allowing just 842. The 1940 team, which defeated the Washington Redskins 73-0 for the World Championship, was voted the greatest professional team of all-time by the National Academy of Sports Editors in 1963.

Resuming coaching in 1958, Halas needed a little more time to develop another championship, but five years later (1963) the Bears had won their eighth championship. *The Sporting News*, AP, and UPI named him Coach of the Year after the 1963 and 1965 seasons. Halas retired from coaching on May 27, 1968, with a career record of 326-151-32. He is a charter member of the Pro Football Hall of Fame.

george s. HALAS, jr.

Sept. 4, 1925 - Dec. 16, 1979

"Mugs" Halas was an integral part of the Chicago Bears before his untimely death in 1979. The son of pro football founder George S. Halas, "Mugs" spent 30 years in pro football. He joined the Bears' front office in 1950, was named treasurer in 1953, and became president of the club in 1963. In his first season as president the Bears were NFL champions. "Mugs" was the second of just three presidents in the franchise's 70-year history. He succeeded his father, George S. Halas, and was followed by current president, Michael McCaskey. His numerous contributions on a league-level included membership on the executive committee of the NFL Management Council.

"Mugs" learned football at a young age, serving as a ball boy while growing up. He earned a business degree from Loyola in 1949, before entering pro football on a full-time basis. "Mugs" is remembered for his love and devotion to the game.

OPENING DAY SUCCESS

With eight straight victories, the Bears currently own the NFL's longest winning streak on Opening Day. Since 1978, when the NFL introduced its 16-game schedule, the teams which won on Opening Day have been more than twice as likely to qualify for the playoffs than teams which lose their opener. The breakdown:

Of the 182 teams which won on Opening Day, 95 (52.2%) went to the playoffs (59 won their division).

Of the 182 teams which lost on Opening Day, only 39 (21.4%) qualified for the post-season (19 won the division).

Over the past four seasons, every eventual division champion has won on Opening Day — with the exception of last year's NFC Central Champion Detroit Lions who fell to the eventual NFC East Champion Washington Redskins, 45-0.

HOME SWEET HOME

Last year the Bears finished 6-2 at Soldier Field. Chicago has not posted a losing record at home since going 3-4 in 1975 — the third longest streak in the NFL behind only Washington (1968) and Pittsburgh (1969). Since 1980, Chicago has been among the NFL's top clubs when playing in front of their home fans:

Denver Broncos	69-24-0	.742
Chicago Bears	**67-25-0**	**.728**
Washington Redskins	66-25-0	.725
Miami Dolphins	65-25-1	.722
San Francisco 49ers	62-29-0	.681

The Chicago Bears have an overall record of 326-151-32 for Coach Halas. The NFL and the Elias Stats Bureau report a total of 325-151-31, not recognizing the October 2, 1921 victory as a *league* game (a 35-0 win over Waukegan) or a 1923 tie. The Pro Football Hall of Fame does not count the October 2, 1921 game in addition to five other *non-league* contests in 1920 (Oct. 3, 10, 31, and Nov. 11 & 14) as they arrive with a 320-151-32 mark for the Coach.

1932 PLAYOFF
BEARS 9, SPARTANS 0
Chicago Stadium (11,198)
December 18, 1932

PORTSMOUTH	0	0	0	0 — 0
BEARS	0	0	0	9 — 9

This was the first post-season game in NFL history. The title showdown resulted from an impromptu decision between George Halas, owner and coach of the Bears, and Harry Snyder, owner of the Porstmouth Spartans. With both teams having successful seasons and no post-season format in place, the two decided to schedule a game in case of a tie.

Cold weather and a snowstorm hit Chicago the week before the game, and the contest was moved indoors to Chicago Stadium — current home of Chicago Bulls and Blackhawks. The field had to be modified, and the length was reduced to 80 yards, the field narrowed to 145 feet, and endzones had semi-circle end lines. Dirt already covered the floor, as the circus had just left town.

Rules were altered prohibiting field goals and allowing kickoffs from the 10-yard line. Since stands boardered the sideline, it was agreed that the ball would be moved in 10 yards instead of the then-normal one yard, and a down would be taken away to negate this advantage.

With only 60 yards between the goal lines, defenses were pulled in towards the line of scrimmage, and there were few long runs through a scoreless three periods.

Early in the fourth quarter Dick Nesbitt of the Bears intercepted a pass from reserve halfback Ace Gutowski. Nesbitt ran out-of-bounds at the Chicago seven, and with the adjusted rule, the Bears offense took over with second-and-goal.

Fullback Bronko Nagurski rushed to the one-yard line before being thrown for a yard loss bringing up fourth-and-goal from the two. Nagurski took the handoff and ran towards the line of scrimmage; but at the last instant he stopped, jumped, and threw the ball to an uncovered Red Grange for a touchdown.

Portsmouth claimed the pass was illegal because, under 1932 rules, all passes had to be thrown from at least five yard behind the line of scrimmage. The referee refused to change the call, and Paul Engebretsen added the extra point. The victory was sealed when Portsmouth punter Mule Wilson mishandled a snap and the ball rolled through the endzone for a safety.

From this game two major rule changes were adopted which would greatly open up the style of football. First, the ball would regularly be placed 10 yards from the sideline on out-of-bounds plays—creating the first hashmarks. Second, the rule requiring a passer to be five-yards behind the line was removed, and passes were allowed from anywhere behind the line.

SOLDIER FIELD

The Chicago Bears enter their 22nd year at Soldier Field after playing their first 51 seasons at Wrigley Field. Soldier Field was opened in 1924 as a 45,000-seat Municipal Grant Park Stadium. The first football game played on its field was November 22, 1924, as a capacity crowd watched Notre Dame edge Northwestern, 13-6.

It hosted the first boxing event which drew a gate of over $2.5 million (Dempsey-Tunney, 1927), the first ski meet held in a stadium, and the all-time largest football crowd (123,000). The largest crowd for any event in Soldier Field was 260,000 on Sept. 8 1954 for the religious Marian Year Tribute.

The 100,000-seat stadium was dedicated November 27, 1926, with Army battling Navy to a 21-21 tie. The all-time collegiate attendance record of 123,000 plus was established Nov. 26, 1927 as Notre Dame beat Southern Cal 7-6. In the first professional game at the then-mammoth stadium, the Bears defeated the Chicago Cardinals 10-0 on November 11, 1926.

Plans for the stadium started in 1919 as a memorial to the soldiers of WWI. Soldier Field stands on 10,000 pile foundations driving an average depth of 62.5 feet through fill that replaced the lake waters. The stadium is maintained and operated by the Chicago Park District.

Other stadium notes since the Bears moved to Soldier Field:

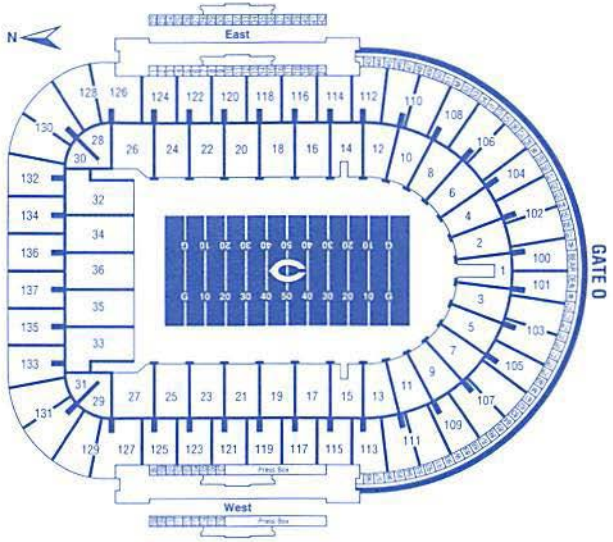

1971 — September 19th, Chicago defeats the Pittsburgh Steelers 17-15 before capacity crowd of 57,000 in the Bears' first game since moving from Wrigley.

1979 — The stadium undergoes major reconstruction and renovation prior to the season including new lighting, playing surface, and lockerrooms; rebuilding of seating area (new chairbacks, arm rests, seats); and improvement of sightlines.

1982 — Additional rebuilding of seating areas was completed as well as new concourses with more restrooms and concession areas. A new press box, 60 deluxe skyboxes and a new scoreboard were also built. Capacity is increased to 66,030.

1988 — Surface was changed from artificial turf to natural grass and 56 skyboxes were added along south rim (increasing the total to 116). Capacity is increased to 66,946.

1992 — Four seats are added increasing the capacity to the current figure of 66,950.

HALAS HALL

Located on the picturesque campus of Lake Forest College, Halas Hall is the Bears' year-round home. Named to honor the late George S. Halas, the Bears founder and one of the pioneers of the NFL, the building is dedicated to the memory of George Halas, Jr., who died December 16, 1979.

Halas Hall was opened to the players in September of '79. Coaches and administrative staff members moved into the top level of the three-story complex in November. Finishing touches were completed in May of 1980.

In the spring of 1985, the Bears' corporate offices were moved to Halas Hall from downtown. One regulation-size grass football field and one 70-yard field are situated behind the building. Today, only the team's ticket operations are housed at 55 E. Jackson Blvd.

Designed by Allan M. Pickus Architects and built by Pickus Construction of Waukegan, IL, the lower floor of the building houses team meeting rooms, a player lounge, a racquetball court, rookie and staff lockers and shower areas, storage and utility rooms. The ground-level floor features the veteran's lockerroom, showers, sauna, training and weight rooms, coaches' lockerroom, equipment rooms, laundry, video lab, darkroom, computer department, and media workroom.

The top floor holds the reception area, staff offices, coaches offices, conference rooms, duplicating room, and a mini-kitchen.

It is 260-feet long, 199-feet wide, 50-feet high and encloses an 80 x 60-yard astroturf field. The air-supported structure can withstand winds up to 80 MPH and can be raised or lowered in a couple of hours. A temperature of 55° F is maintained inside, and lights from the old Comiskey Park allow for late-afternoon or evening practices.

BEARS RADIO

WGN 720-AM

WGN, the nation's most listened to station, has been the radio home of the Bears' since 1985 and anchors a network of over 60 stations across the country. The station was recently named the Most Respected Radio Station in the country by its competitors. Wayne Larrivee calls play-by-play with analysis from Pro Football Weekly's Hub Arkush and ex-Bears Gary Fencik and Dick Butkus. Pre-game shows begin three hours prior to kickoff and are hosted by station sports director Chuck Swirsky. The post-game show features analysis from Mike Ditka and players from the lockerroom.

WAYNE LARRIVEE

The play-by-play voice of the Bears since 1985, Wayne Larrivee is one of the most versatile and talented broadcasters in the country. Larrivee also co-hosts Chicago Bears Weekly on WMAQ-TV on Saturday nights during the season and calls play-by-play for the Chicago Bulls on WGN-TV. Larrivee's credits also include Big Ten football and basketball on Raycom and ESPN and Notre Dame basketball (ESPN). A native New Englander, Larrivee attended Emerson College in Boston and handled play-by-play for the University of Iowa, University of Colorado, and the Missouri Valley conference. Before joining WGN, Larrivee was sports director of KCMO-radio in Kansas City where he served as the Kansas City Chiefs play-by-play voice.

GARY FENCIK

One of the greatest players in Chicago Bears history, Gary Fencik begins his third season as an analyst. Fencik retired following the 1987 season as the club's all-time leader in takeaways (50) and interceptions (38). He also earned two trips to the Pro Bowl (1981-82). Fencik joined the Bears as a free agent in 1976 and became a starting safety in his second season. A native of Barrington, Illinois, Fencik played wide receiver at Yale and was selected in the ninth round of the 1976 draft by the Miami Dolphins. He was waived during the pre-season and claimed by the Bears. Since his playing career ended, Fencik has worked as a NFL color commentator for CBS-TV in 1988 and was employed in commercial real estate. He currently works for Wells Fargo Bank.

HUB ARKUSH

Highly respected for his coverage of the NFL, Hub Arkush begins his fifth season as a member of the Bears radio team. Arkush is publisher of Pro Football Weekly, a weekly periodical devoted to pro football that is widely read in NFL circles. Arkush also serves as the founder and co-host of the syndicated radio and television shows with the same name. Arkush joined WGN in 1985 as a pre-and post-game analyst before filling in during Bears broadcasts in 1987. He is a highly sought after guest on sports talk shows nationwide. Arkush is a lifetime Chicagoan who attended Deerfield High School and the University of Michigan.

DICK BUTKUS

Hall of Fame linebacker Dick Butkus returns to the Bears radio team after a three year hiatus. Butkus was a WGN analyst from 1985-88 before joining CBS-TV's NFL coverage in 1989. An eight-time Pro Bowler in nine seasons as the Bears middle linebacker, Butkus remains the club's all-time leader, and second in NFL history, with 25 fumble recoveries. An all-American at the University of Illinois, Butkus was the Bears' first-round draft choice, and third overall pick, in 1965. He grew up in Chicago and prepped at Vocational High School (same school as Chris Zorich). Butkus currently lives in Rancho Mirage, California where he is a nationally acclaimed actor (he worked on the sitcom *My Two Dads*) in addition to covering the Bears.

BEARS TELEVISION

PRE-SEASON TV

The Bears and Chicago's NBC affiliate WMAQ-TV are in the second of a three-year contract to televise the non-network pre-season games to Chicago and surrounding markets. The Bears are responsible for production and advertising sales of the games. Former Bears great Dan Hampton will provide color commentary while NBC's Don Criqui and Dan Hicks will share the play-by-play duties.

Hampton completed an outstanding 12-year career as a defensive lineman in 1990. A first-round pick in 1979, Hampton finished with 82 sacks and four Pro Bowl appearances. He currently is a NFL analyst on NBC and resides in Little Rock, Arkansas.

Criqui has broadcast NFL games for NBC since 1979 and has also broadcast the Orange Bowl, NFL Playoffs, and NCAA Basketball. Hicks is a recent addition to NBC and will team with Hampton this fall.

Both of the Bears road pre-season games will be shown on WMAQ at 7:00 PM (CT). Hicks and Hampton will broadcast the Bears-Cardinals game on Saturday, August 15 from Phoenix while Criqui and Hampton will be in Dallas to call the Bears-Cowboys on Friday, August 28. Both games will be shown live with a re-broadcast following *Saturday Night Live* at midnight.

The Bears were the second NFL team to bring their pre-season TV package "in-house". The Cleveland Browns made the same move three years ago.

CHICAGO BEARS WEEKLY

For the third season, the Chicago Bears will produce a 30-minute television show, *Chicago Bears Weekly*. The show airs each Saturday at 6:00 PM on WMAQ-TV (NBC) in Chicago beginning September 5 and continues throughout the season.

Chicago Bears Weekly is hosted by Wayne Larrivee, the Bears' radio play-by-play voice since 1985, and Hub Arkush, publisher of *Pro Football Weekly* and an analyst on the Bears radio team. The show includes a review of the previous game, features on the 10 greatest games in Bear history, profiles on great Bear players, a preview of the upcoming game, and interviews with Bear players and coaches.

MEDIA INFORMATION

CREDENTIALS: News media representatives who have not been issued season press credentials should request single game credentials in advance by writing or calling Bryan Harlan, Director of Public Relations, Halas Hall, 250 N. Washington Road, Lake Forest, IL 60045. (708) 295-6600. Credentials will be left at the PRESS WILL CALL window located at Gate 17 on the west side of the stadium. WILL CALL opens three hours before kickoff. Space is extremely limited in the Soldier Field Press Box, so guests are NOT permitted and credentials are limited to working press only.

PHOTOGRAPHERS: Sideline credentials for field photographers are issued by the Bears' PR department. Space limitations make it impossible to accredit free lance photographers who are not on specific assignment by a recognized sports or news publication. Sideline credentials must be reserved five days before the game and can be picked up at Gate 17.

PARKING: Media parking is limited at Soldier Field. Applications must be made in writing on company letterhead to Bryan Harlan.

TELEPHONES: The Bears cooperate with the Pro Football Writers Association telephone co-op system for copy transmission. Media outlets not participating in the PFWA system should make their own arrangements for dedicated phone service. To order phones in the Soldier Field Press Box call: Sally King at Illinois Bell (312) 750-2344.

TO SOLDIER FIELD FROM O'HARE AIRPORT: Take Kennedy Expressway to Congress Street. Exit East to Columbus Drive. Go right (south) on Columbus until it feeds into Lake Shore Drive South. Soldier Field will be on left. Entrance to parking is at south end of field (Waldron Drive).

FROM SOLDIER FIELD TO O'HARE AIRPORT: Take Lake Shore Drive South to I-55 (on right). Take I-55 to I-90/94. Exit North to Wisconsin. Follow signs to O'Hare.

DIRECTIONS OUT OF PRESS BOX AFTER GAME: Take press box elevator to first level concourse inside stadium; follow inside concourse to south end of stadium. Exit at Gate O. All taxi cabs are instructed to pick up at Gate O.

POST-GAME TRANSPORTATION: Please advise Bears' PR personnel as soon as possible should you require post-game transportation. Phone: (312) TAXI-CAB (829-4222).
