AUSTIN E. KNOWLTON
CHAIRMAN OF THE BOARD

Austin E. "Dutch" Knowlton, a well-known builder and sportsman, is the Bengals' Chairman of the Board, and has been a visible supporter of the franchise since its first days.

Knowlton often can be found watching his team play on the road, and is a regular attendee at games in Riverfront Stadium.

In October, 1994, he was one of 14 Ohio State graduates honored as winners of OSU's annual Alumni Awards. He received the Professional Achievement Award, presented to alumni who have forged superb records and made outstanding contributions to their professions.

Knowlton is an avid sportsman who spends much of his free time overseeing his second great interest — the breeding and selling of show horses at his Emerald Farm in Ohio's Delaware County. He is a Trustee of the Brown Jug Society, which runs the Triple Crown for standardbred pacing horses. He owns thoroughbreds that run in California, Kentucky, Chicago and Florida.

After receiving a degree in architecture and civil engineering from Ohio State, he joined his father's construction company and later assumed ownership. Knowlton Construction is engaged in construction, leasing and management of commercial buildings.

The company designed, built and financed 54 dormitories and other buildings for colleges and universities in several states. Under Knowlton, it built the major portion of Ohio University, Bowling Green State University, Capital University and Otterbein College.

Knowlton's offices are in Bellefontaine and Columbus, Ohio. He resides in Delaware County at Emerald Farm, and also in Fort Lauderdale, Fla.

MIKE BROWN
PRESIDENT AND GENERAL MANAGER

Mike Brown is in daily charge of the Bengals franchise. He works closely with the team's coaches and administrative staff, leading the effort to keep the club thriving as a football-only, family-owned enterprise.

A former Dartmouth quarterback, Brown was instrumental in bringing the NFL to Cincinnati. He worked with his father, football legend Paul Brown, to close the deal which brought Cincinnati a pro franchise for the 1968 season. Mike Brown's efforts with civic and governmental leaders also made a reality of construction plans for Riverfront Stadium, which opened in 1970.

Just this past spring, Brown again was involved in a major plan for Cincinnati's future. He helped form a broad coalition of Hamilton County interests to work for passage of a new measure for stadiums and downtown redevelopment. Voters approved it on March 19 by a margin of 61 to 39 percent, with *The Cincinnati Enquirer* reporting that "support cut across all lines — geographic, age, sex, race and income levels."

From the Bengals' inception until August of 1991, Brown was assistant general manager, supervising most of the team's day-to-day operations. He assumed the role of general manager after his father's death on Aug. 5, 1991. He played a major role in the building of the Bengals teams which reached the Super Bowl following the 1981 and 1988 seasons.

Since 1994, Brown has been a member of the NFL's Competition Committee, the primary body for analysis and consideration of rules changes. He also is a longtime member of the NFL Management Council's Executive Committee.

Mike and his wife, Nancy, have a daughter, Katherine Brown Blackburn, and a son, Paul H. Brown. Katie is the team's general counsel/corporate secretary, and Paul works with scouting and personnel as well as joining Katie on the team's Board of Directors.

JOHN SAWYER
VICE-PRESIDENT

John Sawyer was one of the founders of the Bengals. He joined Paul Brown and Mike Brown in representing Cincinnati during the city's bid to gain the franchise, logging much hard work and travel. He played a part in the 1970 NFL-AFL realignment plan, which created the Bengals' divisional home, the AFC Central.

He is president of J. Sawyer Co., a multi-faceted agricultural and real estate firm, and does not play a daily role in management of the Bengals. But he has long been one of the Brown family's key advisors, and he rarely misses a game at home or on the road.

Sawyer was a B-17 pilot in World War II, and was a pioneer in the aerial application of crop pesticides. He was inducted in 1983 to the Ohio Agricultural Hall of Fame.

Sawyer is a past president of Easter Seals, and a member of the board of trustees of Children's Hospital. He's also active with Springer School, the Boy Scouts and the Episcopal Diocese of Southern Ohio.

Sawyer is a graduate of Princeton University and is the son of the late Charles Sawyer, former U.S. Secretary of Commerce. John and his wife, Ruth, live in Indian Hill and have four daughters — Anne Wetherill, Elizabeth Selnick, Catherine Ryall and Mary Stephens. They also enjoy 11 grandchildren — John Putnam, Meredith, Daniel and Matthew Wetherill; William III and Anna Selnick; Nicholas, Christina, Jonathan and Patrick Ryall; and Robert Stephens.

PETE BROWN

ASSISTANT GENERAL MANAGER; DIRECTOR OF PLAYER PERSONNEL

Pete Brown is the architect of the Bengals' annual draft of college players. He supervises the year-round effort to prepare for the team's most important source of player talent.

Brown keeps tabs on the efforts of the Bengals' scouting staff from his Spinney Field office, and scouts players himself when time allows. In the 1980s, his draft selections led the team to two Super Bowls.

He added the role of assistant general manager in August, 1991. Brown is also among the club's owners, and is a member of the Board of Directors.

A graduate of Denison University, Brown is the son of football legend Paul Brown and the brother of Mike Brown, Bengals' president and general manager.

KATHERINE BLACKBURN

GENERAL COUNSEL/ CORPORATE SECRETARY

Katie Blackburn joined the Bengals in October, 1991, following her graduation from the University of Cincinnati law school and a period of practicing law with the Cincinnati firm of Taft, Stettinius & Hollister.

Her role in the management of club affairs has grown steadily over the past five years. She handles many high-profile contract negotiations, is involved in all discussions of stadium issues with Cincinnati area leaders, and supervises the team's radio and television networks.

She was named this past March to the board of the United Way & Community Chest, where she will serve at least through 1999.

She is the daughter of Mike Brown, Bengals president and general manager. She received her bachelor's degree from Dartmouth.

Katie's husband, Troy, also has practiced law for the Taft firm, and this past spring Troy joined the Bengals as Director of Stadium Development. The Blackburns have two daughters, Elizabeth, 4, and Caroline, 2.

PAUL H. BROWN

ASST. SECRETARY/TREASURER; SCOUTING/PLAYER PERSONNEL

Paul Brown enters his fourth full season in the Bengals' front office in 1996. His two primary responsibilities are evaluating college talent and negotiating player contracts.

Brown works closely with Pete Brown in the team's scouting efforts in preparation for the NFL draft each April. He visits colleges to work out potential Bengal players, travels to numerous college games to survey football skill, and attends the NFL combine to assess future pro talent. He also handles contract negotiations with prominent free agents as well as draft choices.

Brown, a graduate of Purcell Marian HS in Cincinnati and Regis University in Denver, Colo., has been close to pro football his entire life. His father, Mike Brown, is currently the Bengals' president and general manager. His grandfather, Paul E. Brown, founded the Bengals in 1967 and doubled as the team's first head coach (1968-75) and its first general manager (1968-91).

TROY BLACKBURN

DIRECTOR OF STADIUM DEVELOPMENT

Troy Blackburn joined the Bengals in May of this year to coordinate a huge job — the Bengals' side of planning and constructing the new football stadium approved in March by Hamilton County voters.

Blackburn is no newcomer to the stadium situation. As an attorney with the firm of Taft, Stettinius & Hollister from 1992-96, he worked with the Bengals' stadium planning team. He was instrumental in the passage of the Hamilton County stadiums funding issue, and has been closely involved in stadium lease discussions with area political leaders.

He also has handled many of the talks regarding locations for the Bengals' training camp in 1997 and beyond.

A Cincinnati native, Blackburn is a graduate of St. Xavier HS and earned his bachelor's degree from Duke University in 1989. He graduated from the University of Cincinnati law school in 1992.

Blackburn's wife, Katie, is the general counsel and corporate secretary for the Bengals. The Blackburns have two daughters, Elizabeth, 4, and Caroline, 2.

BENGALS COACHING STAFF

DAVE SHULA
HEAD COACH

Dave Shula enters his fifth Bengals season with momentum from 1995 and an eye on the 1996 playoffs.

Directing the second-youngest team in the NFL, Shula led the '95 Bengals to more than double the team's 1994 win total. The Bengals had playoff possibilities in mind until mid-December, and did it without a mix of injured players who might have carried them into the postseason derby. Among the missing was running back Ki-Jana Carter, top overall pick in the 1995 draft, who missed the entire season with a knee injury but is projected as fully ready for a 1996 debut.

"The progress is there to see," Shula said of the team. "It's one step up for us. A 7-9 record is obviously not where you want to be, but it has been a place where you can look back on some positives and feel good about the work you're doing for September 1996."

Shula remains the youngest coach in the NFL, entering the '96 season. He turned 37 last May 28.

His '95 team closed with four wins in the last seven games, including a 27-24 season-ending victory over playoff-contending Minnesota. That game featured a comeback from a 24-3 halftime deficit, tying the biggest comeback in franchise history.

"We might not have been a super team last season, but we had a super heart," said Bengals GM Mike Brown. "We didn't give up.

"I think the players reflected Dave. Especially in that last game, they went out and played hard when a lot of people thought they wouldn't, and it's important (for a coach) to be able to do that."

Recalling the halftime scene in the locker room during the Minnesota game, tackle Joe Walter said:

"(Shula) just put it point blank. He said, 'Are you guys men?' When someone challenges your pride like that, it lights a fire under you."

Said kicker Doug Pelfrey:

"Everybody's looking at you for some direction in that situation. How do you rally the troops? How do you give them some direction for the second half when everybody's heard it all? Sure, it was an old speech he gave us. But he gave it in a way that made it work."

When running back Carter was lost for the season in '95 training camp, it was widely predicted the Bengals would do well to win three games. But Cincinnati opened the season with an upset road win at Indianapolis, and went on for an exciting year in which five of the team's losses came by margins of three points each.

This season, Shula's challenge is to make those three-point decisions go the other way.

"Our goal is the playoffs," he said. "If we make any progress — and I know we'll do that — that's where we've got to go."

During the last two seasons, Shula has overseen what is arguably the NFL's most improved offense.

The 1994 Bengals scored 89 more points than the '93 club, and the 1995 team topped the '94 total by another 73 points. The 162-point difference between the 1993 total (187 points) and the 1995 total (349) represents the biggest gain in the NFL during that period.

(Dave Shula — cont'd)

Also, Cincinnati's offense has tied Chicago for the biggest climb (16 places) in the NFL's passing yardage rankings between 1993-95. Cincinnati ranked 27th in passing in '93, but moved up to 18th the following season and up again to 11th in 1995.

Shula was named Bengals coach Dec. 27, 1991, taking over a team that had suddenly run out of top personnel after making two playoffs and a Super Bowl from 1988-90. The Bengals are 18-46 overall in Shula's four seasons, having labored through the rebuilding process from 1992-94.

Mike Brown says Shula "never wavered during some tough times that weren't really of his making. Sometimes you can judge a person better when things don't go well than when they do go well."

Shula refers to 1992-94 as "three difficult years," and adds, "I'm not a very patient person." But his players have seen a steady determination and an upbeat, businesslike attitude.

"You get up in the front of the (meeting) room," Shula says, "and your staff and players are looking at you. They don't want to see a dog-faced, feeling-sorry-for-himself guy up there. They want to see a guy that's trying to find a way to help them get out of the situation they're in.

"You may not have every answer, but you have to come across as if you're looking to find them."

Linebacker Steve Tovar credits Shula for his straightforward approach with young players.

"He's consistent in his coaching," Tovar says. "The honesty part is real important. He's not necessarily going to tell you what you want to hear. He's going to tell you the truth."

Elder son of Don Shula, the winningest coach in NFL history, Dave was 32 when he accepted the Cincinnati head coaching job. He was the second-youngest man in the NFL's modern era to become a head coach, older only than Harland Svare, who was 31 when named Los Angeles Rams coach in 1962.

Shula's potential was recognized even before that. He was offered the Philadelphia Eagles head coaching job in 1986, when he was only 26. He declined.

Shula worked as an assistant under his father for seven seasons before accepting the offensive coordinator's position with Dallas in 1989. But his experience in football dates to his earliest recollections.

"I grew up around the game," Dave says. "I was always interested in what I was doing around the game. I paid attention."

BRUCE COSLET
OFFENSIVE COORDINATOR

When Bruce Coslet was named Bengals offensive coordinator before the 1994 season, coach Dave Shula's goal was rebuilding a Bengals offense which had fallen to a franchise-low in overall punch. Two seasons later, the Bengals offense under Coslet stands as the National Football League's most-improved unit.

The 1994 Bengals scored 89 more points than the '93 club, and the 1995 team topped the '94 total by another 73 points. The 162-point difference between the 1993 total (187 points) and the 1995 total (349) represents the biggest gain in the league during that period.

Also, Coslet's offense has tied Chicago for the biggest climb (16 places) in the NFL's passing yardage rankings between 1993-95. Cincinnati ranked 27th in passing in '93, but moved up to 18th the following season and up again to 11th in 1995.

The success of Coslet, a former Bengals tight end, should come as no great surprise. He already rated among the most successful assistant coaches in Bengals history, dating from a 1981-89 Cincinnati term which included 1986-89 as offensive coordinator. He was on the staffs of both Bengals AFC Championship teams (1981 & '88 seasons), and left the team after 1989 to start what would be a four-year term as head coach of the N.Y. Jets.

Upon his return to Cincinnati, Coslet installed an attack with a wider range of options than the Bengals had in 1993, and the Cincinnati passing game made good use of them. The '94 Bengals had 11 passing plays of 50 or more yards, more than twice the number of any other team except Philadelphia, which was a distant second with 7 such strikes.

Compared to Cincinnati's 1993 performance, the Bengals of '95 averaged 70 more yards per game and scored 21 more touchdowns for the season (37-16). The '95 Bengals also set a club record for fewest sacks allowed per game (1.56), yielding only 25 total in 16 contests.

All of the above has been accomplished despite significant injury problems. The 1994 Bengals offense lost both starting tackles to injury by mid-September, and in 1995, Cincinnati played the entire season without injured RB Ki-Jana Carter, top overall pick in the college draft.

Both in New York and in Cincinnati, Coslet has been instrumental in the development of QB Jeff Blake. The starting AFC quarterback in last season's Pro Bowl, Blake led the conference with 28 TD passes. He set a team record with 326 completions and threw for the second-most yards (3822) in club history. Coslet's schemes also helped the emerging stardom of WR Carl Pickens, who set Bengals records in 1995 for touchdowns (17) and receptions (99).

With the Jets from 1990-93, Coslet oversaw an offense that finished in the NFL's top 10 in two of his last three years. During his first term as Cincinnati coordinator, the Bengals twice had the NFL's No. 1 offense (1986, 1988), twice had the league's top rushing attack (1988-89) and three times led the AFC in total offense (1986, 1988 and 1989).

Coslet's wife, Kathy, is a Cincinnati native. They have two children, son J.J., 21, and daughter Amy, 19.

Coslet's birthdate is Aug. 5, 1946. He's a native of Oakdale, Calif., and was a football standout at Joint HS.

LARRY PECCATIELLO
DEFENSIVE COORDINATOR

Larry Peccatiello begins his third year as Bengals defensive coordinator with a cast of emerging stars in the front seven and the potential for a banner season.

"The development of young players on this defense is a very exciting thing right now," said Bengals head coach Dave Shula. "Everyone knows Jeff Blake and Carl Pickens on our offense, but not as many people know about John Copeland, Dan Wilkinson and Steve Tovar. These guys have blossomed under this defensive staff, and we think the best is just now coming."

An experienced NFL staff leader, with three Super Bowl rings for his career, Peccatiello brought the Bengals through an injury-laced 1995 season with 32 fewer points allowed than in 1994. Cincinnati yielded high yardage totals, but played well in the clutch with a red-zone touchdown percentage of 40.3, second-stingiest in the AFC.

Peccatiello was forced into plenty of looks at his reserves, as injuries led to 19 different players making one or more defensive starts. Key defensive performers who suffered significant injuries in '95 included LBs Tovar and James Francis, CBs Rod Jones and Mike Brim and DTs Wilkinson and Keith Rucker.

Cincinnati's 42 sacks tied for fourth-most in club history. DE John Copeland turned in the overall best of his three pro seasons with a team-leading 9.5 sacks, and DT Dan Wilkinson led all AFC interior linemen with 8 sacks.

Tovar, the middle linebacker and emotional leader of the defense, best exemplified players' willingness to lay it on the line for the defensive staff. Tovar battled injuries from day one of training camp until the season finale, and still led the team in tackles.

The Bengals went to a 4-3 defense with Peccatiello's 1994 hiring, after more than 10 years of operating in a 3-4 front. 'Pec,' as he's known to his colleagues, oversaw a No. 15 finish in the NFL defensive yardage rankings, the team's best showing since 1989. And the Bengals tightened their average yards-allowed per rush from 4.3 to 3.8, the second-biggest improvement among AFC teams.

Peccatiello came to the Bengals from the Washington Redskins, where he served 13 seasons, 11 as either defensive coordinator or assistant head coach. Washington went to four Super Bowls during his '83-'92 stint as coordinator, and won three world championships.

In eight of Peccatiello's last 10 years in Washington, the defense ranked in the NFL's top ten against the run.

Peccatiello's birthdate is Dec. 21, 1937. He was born in Newark, N.J., where he attended Barringer HS. He was inducted in 1994 to the Newark Hall of Fame, and is also a Hall of Fame member at William & Mary, his alma mater.

He served as a lieutenant in the 101st Airborne Division and holds a masters degree in education. He and his wife, Betsy, have four children: Teri, 36; Arnie, 35; Kathy, 33; and Marcia, 31.

PAUL ALEXANDER
OFFENSIVE LINE

In 1995, Paul Alexander worked as an offensive line coach for the first time in his NFL career. Based on the results of that first season, look for him to stay an offensive line coach as long as he likes.

Alexander's line was not the most talented in Cincinnati annals, but it weathered the loss of injured key veteran Bruce Kozerski for half of the season and still managed to record the team's best-ever performance in sacks allowed.

Bengals opponents had just 25 sacks for the year, the fewest allowed by Cincinnati in a 16-game season, despite the fact the Bengals launched a club-record 586 passes.

The '95 performance wasn't the fewest total sacks ever allowed by Cincinnati, as the Bengals surrendered only 24 sacks in both 1972 and 1973. But those were 14-game seasons, and the '95 performance marks the fewest sacks allowed per-game of any Bengals club.

Cincinnati allowed 1.71 sacks per game in '72 and '73, compared to last season's mark of 1.56 per game.

Alexander began his NFL coaching career in 1992 with the New York Jets, where he was instrumental in the development of tight end Johnny Mitchell, a rookie All-Pro in 1992. Alexander's first Bengals season was 1994, when he was named tight ends coach.

This will be Alexander's sixth season in the offensive system of Bruce Coslet, the Bengals offensive coordinator who was Jets head coach when Alexander was in New York.

"I felt fortunate when we were able to add Paul to our staff," said Coslet, "and naturally I feel even better about that move now. He helped us produce a better offensive line last season, and he should have more talent to work with this coming year."

Alexander is a product of distinguished teachers. Before joining Coslet, he coached under Joe Paterno at Penn State and Bo Schembechler at Michigan. He also was offensive line coach at Central Michigan, a school whose head coach, Herb Deromedi, ranks with Paterno and Schembechler among the winningest coaches in NCAA Division I history.

Alexander's birthdate is Feb. 12, 1960. He's a native of Rochester, N.Y., where he attended Cardinal Mooney High School. He was an academic All-American at Cortland State (N.Y.) and holds a master's degree in physiology from Penn State. He and his wife, Kathy, have a daughter, Mary Beth, 6.

A NO-WIN SITUATION

The Bengals' Nov. 9, 1969 game at Houston stands as unique in club history. It's the only one nobody won.

Cincinnati played its only regular-season tie that afternoon, catching the Oilers at 31-31 on Horst Muhlmann's 18-yard field goal with 0:22 left in the fourth quarter. Regular-season overtime was not in the rule book at that time.

JIM ANDERSON
RUNNING BACKS

The dean of Bengals position coaches in years of service, Jim Anderson enters his 13th Cincinnati season with a reputation for handling all types of running backs. Bengals fans are eager to see the fruits of his work with Ki-Jana Carter, the top overall 1995 draft pick who missed his entire rookie season with a torn knee ligament.

"Jim is a positive, upbeat guy with a real appetite for hard work, and I don't think we could have had a better position coach for Ki-Jana, given the circumstances thus far," said Bengals coach Dave Shula. "Ki-Jana's attitude has been great in looking to all that's still ahead of him in pro football, and we give Jim a lot of credit for that, along with our training staff."

The Bengals struggled to maintain an effective running game without Carter in '95, but in six of Anderson's previous nine seasons, Cincinnati finished among the NFL's top ten teams in rushing yardage.

Anderson's troops won NFL rushing titles in 1988 and '89, and copped an AFC rushing championship in '86. From 1986 through 1990, the Bengals finished 2-4-1-1-5 in league rushing.

James Brooks, Cincinnati's all-time leading rusher, blossomed under Anderson. Brooks and Anderson both came to the Bengals in 1984. Brooks set a Bengals record with 1,239 yards in 1989, and Harold Green, another Anderson pupil, had the runner-up total of 1,170 yards in 1992.

Anderson also oversaw the brief but spectacular career of Ickey Woods, which was derailed by a 1989 knee injury.

Anderson is a coach who clearly enjoys his work. His drive is evident daily during Bengals practice sessions.

"Jim knows how to get production out of top players," said Shula, "He works well with everybody. He comes in every day with the same kind of enthusiasm. He's about as far as you can get from being moody."

Anderson joined the Bengals as a part of Sam Wyche's original coaching staff in 1984.

Anderson's birthdate is March 27, 1948. He was born in Harrisburg, Pa. Jim and his wife, Marcia, have a son, Derek, 21.

HARD ON HOUSTON

The Bengals' all-time high score in a game is 61. It has been done twice, and both times against Houston. Cincinnati won 61-17 at the Astrodome in 1972, and 61-7 at Riverfront Stadium in 1989.

To further the coincidence, the date for both games was December 17.

The 54-point margin from the 61-7 game is the largest winning margin in Bengals history.

KEN ANDERSON
QUARTERBACKS

With a career passing performance that dominates the Bengals record book, Ken Anderson enters his fourth year as a pro assistant coach, all with Cincinnati.

Quarterback has been a highlight position for the Bengals the last two years, as Jeff Blake burst upon the scene in mid-1994 and led the AFC in touchdown passes in '95. With Anderson to rely on, particularly in crucial areas of technique, Blake was second in the AFC in passing yards.

Blake chipped away at Anderson's store of passing records by breaking two Anderson marks in '95. Blake supplanted Anderson in the categories of most completions in a season (326) and most consecutive games with a TD pass (21).

Anderson spent six years as a sportscaster following his retirement as a player after the 1986 season. But now he's a young veteran of the coaching profession.

"We kidded Kenny a little his first couple years, because he had been in the media," says head coach Dave Shula. "But he's proven to all of us that he knows what coaching takes in terms of work.

"And when Ken Anderson walks into a room," Shula adds, "even if he doesn't say a word, he commands a lot of respect from young football players. The way he played the game (five Pro Bowls, four passing titles and an MVP award) says a lot right there."

Anderson, who made the list of 15 finalists in 1996 balloting for the Pro Football Hall of Fame, has the most years of service as a player (16) in Bengals history. He leads the club in career completions (2,654), passing yards (32,838) and touchdown passes (197). His career computer passing rating of 81.9 ranks 12th in NFL history, and is the highest in Bengals history for players with 125 or more completions. He holds the NFL record for highest completion percentage in a season — 70.55 in 1982.

Anderson's birthdate is Feb. 15, 1949. He was born in Batavia, Ill. Ken has a son, Matt, 21, and two daughters, Megan, 17, and Molly, 13.

PLAYING AND COACHING HISTORY — 1967-70: Played quarterback at Augustana (Ill.). **1971-86:** Pro quarterback, Bengals. **1993-96:** Assistant coach, Bengals.

BOBBY DePAUL
STAFF ASSISTANT

Bobby DePaul takes his game preparation skills and computer expertise to both sides of the ball in 1996. He'll serve as staff assistant for both the offense and defense, after having worked only on the defensive side in his first two Bengals seasons.

"Bobby's very good at simplifying things with modern technology so all the coaches can be as efficient as possible," said Bengals head coach Dave Shula. "We'll rely on him even more this season for breaking down the information we need on how to attack each week's opponent. On the field during practice, he'll work where it's most needed, depending on the upcoming game."

DePaul was defensive staff assistant with the Bengals in 1994, and coached the defensive line in 1995. Linemen John Copeland and Dan Wilkinson led the way in '95 as the defense recorded 42 sacks. Copeland paced the team with 9.5 sacks, and Wilkinson led all AFC interior linemen with 8.0.

(Bobby DePaul — cont'd)

DePaul coached for five seasons with the Washington Redskins before being hired by the Bengals. He earned a Super Bowl championship ring with head coach Joe Gibbs' 1991 Redskins team, and he played and coached at Maryland under Bobby Ross, now head coach of the San Diego Chargers.

DePaul played four seasons as a linebacker at Maryland before a knee injury in his senior season of 1984 cut short his career. In 1985, he was with the team as an undergraduate assistant coach. While he was at Maryland, the Terps won three Atlantic Coast Conference championships and played in four bowl games — the Aloha, Citrus, Sun and Cherry.

DePaul's birthdate is Jan. 24, 1963. He was born in Bowie, Md., and attended Carroll HS in Washington, D.C., where he played fullback and linebacker on a team that lost only once during his three-year varsity career.

Bobby and his wife, Lisa, have two daughters, Ariel, 3, and Ashley, 1.

PLAYING AND COACHING HISTORY — 1981-84: Played linebacker at Maryland. **1985:** Assistant undergraduate coach, Maryland. **1986-88:** Assistant coach (AC), Catholic University. **1989-93:** AC, Washington Redskins. **1994-96:** AC, Bengals.

JOHN GARRETT
WIDE RECEIVERS

John Garrett played a daily role last season in the continued resurgence of the Bengals' passing game. As he begins his second season as a full-time pro coach, he has an ample supply of positive numbers on his worksheet.

"John had the challenge last year of helping Carl Pickens get to that next level, and also helping Darnay Scott mature past the rookie stage," said head coach Dave Shula. "It's obvious from the years those players had that John was a good choice for the job. Darnay had a very nice second season, and as far as Pickens, anytime a guy you're coaching goes to the Pro Bowl, you know you're doing something right."

Pickens set Bengals records last season with 99 catches and 17 touchdowns. Scott topped the 50-catch mark and had 821 yards.

"John is excellent at breaking down the game of football into small parts that players can study and improve on," said Shula. "He gets you better one step at a time."

A former Bengals wide receiver with three years experience as a pro personnel assistant at Tampa Bay (1992-94), Garrett comes from a football background. His father, Jim, played and coached in the NFL from 1970-84. Brother Jason is a quarterback with the Dallas Cowboys, and brother Judd has been with Dallas and in the Canadian League.

John Garrett played collegiately at Columbia and Princeton, and is a Princeton graduate. He played for the Bengals in 1989 after signing as a free agent. In 1991, he was one of the top receivers for the San Antonio Riders of the World League, and he played for the Buffalo Bills.

In addition to his duties on the personnel staff at Tampa Bay, Garrett prepared for a coaching career by assisting with on-field coaching of wide receivers, assisting offensive coaches with game plans, and assisting defensive coaches in the press box on game days with pattern recognition and personnel substitutions.

Garrett's birthdate is March 2, 1965. He's a native of Danville, Pa. He and his wife, Honor, have a son, John Morgan, 1, and are expecting their second child in September.

PLAYING AND COACHING HISTORY — 1983-84: Played wide receiver at Columbia. **1987:** Played wide receiver at Princeton. **1989:** Pro wide receiver, Bengals. **1991:** Pro wide receiver, San Antonio (WLAF) and Buffalo Bills. **1992-94:** Pro personnel assistant, Tampa Bay Buccaneers. **1995-96:** Assistant coach, Bengals.

TIM KRUMRIE
DEFENSIVE LINE

Tim Krumrie enters his second year in the coaching ranks and his first as a full position coach, following a 12-year Bengals career during which his relentless work at nose tackle made him one of the most admired players in club history. Krumrie worked in 1995 as a defensive staff assistant, with emphasis on the defensive line unit he'll command in 1996.

"We hoped last year that a big portion of Tim's attitude toward the game of pro football would rub off on our young defensive linemen, and it's evident that it did," said Bengals head coach Dave Shula. "We saw immediate results from his involvement.

"John Copeland had the best year of his career, and Dan Wilkinson came on to lead the AFC interior linemen in sacks (8.0). We think it could be just the tip of the iceberg of what Tim can help guys do. Our players' overall concentration was better, and having Tim on the sidelines definitely adds to the intensity level."

Copeland's 9.5 sacks led the team last season, and Wilkinson logged his 8.0 sacks despite missing the season's last two games with a neck injury.

Krumrie never missed a game during his Bengals playing career (excluding the 1987 players strike). He started 166 of his 193 games (including playoffs), and at one point had a streak of 160 starts in 161 games. He led the team in tackles five times — an unusual feat for any interior lineman — and was selected an AFC starter for two Pro Bowls.

He suffered a severe leg fracture at the height of his career — during Super Bowl XXIII — but returned from the injury to start the opening game of the next season.

Summing up Krumrie's attitude, Bengals general manager Mike Brown once said:

"It wouldn't matter if you put Timmy out there with 10 nuns on his side. He'd still be playing just as hard, and be just as confident he was going to win."

Krumrie's birthdate is May 20, 1960. He was born in Menomonie, Wis., and grew up in Mondovi, Wis., where he attended Mondovi HS. He and his wife, Cheryl, have a daughter (Kelly, 12) and a son (Dexter, 7). Tim's hobbies include running road races and participating in canoe triathlons.

PLAYING AND COACHING HISTORY — 1979-82: Played defensive tackle at Wisconsin. **1983-94:** Pro defensive tackle, Bengals. **1995-96:** Assistant coach, Bengals.

RON MEEKS
DEFENSIVE BACKS

A hands-on coach toughened by five years' experience as a pro player in Canada, Ron Meeks enters his fifth Bengals season with the challenge of molding a playoff-quality secondary.

Meeks took a promising step in that direction in 1995 with his development of starting strong safety Bracey Walker. A waiver pickup from Kansas City in 1994, Walker blossomed in '95 to lead the team in interceptions (4) while proving to be a punishing tackler.

In '96, Meeks will be charged with developing a new starting free safety to replace Darryl Williams, and with bringing order to a cornerback position that was jumbled by injuries in '95.

He'll have fresh talent on hand in the persons of cornerbacks Ashley Ambrose and Jimmy Spencer and safety Bo Orlando, veterans signed in the unrestricted free agent market.

"I think Ron was a big reason Ashley Ambrose signed with us," said head coach Dave Shula. "The two seemed to hit it off immediately. Ron is a coach who relates very well to his players. He played the position himself as a pro, and his enthusiasm is contagious."

Cincinnati finished second in the NFL pass defense rankings in 1993, Meeks' second year on the job. In 1994, the Bengals stayed in the top 10 in the category with a No. 9 finish, even though opponents threw 48 more passes than they had in '93.

Meeks' work on techniques of playing the ball has helped cornerback Rod Jones jump-start his career in Cincinnati. Last season, Meeks got the most out of second-year CB Corey Sawyer and veteran Roger Jones as they filled in for the injured Rod Jones and Mike Brim.

Brim missed virtually the entire season, and Rod Jones was able to start only two of the last 11 games.

"Ron had to do a patch job more than once on our lineups last year because of the injuries," Shula said. "Even Bracey Walker was hurt near the end of the year. But sometimes, you learn more about a coach's ability in a tough year than in a more fortunate one. Suffice to say, we're very comfortable with Ron in charge of our secondary."

Meeks' birthdate is Aug. 27, 1954. He's a native of Jacksonville, Fla., where he attended Robert E. Lee HS. He holds a degree in journalism from Arkansas State.

PLAYING AND COACHING HISTORY — 1975-76: Played defensive back for Arkansas State. **1977-79:** Played DB for Hamilton Tiger-Cats (CFL); also played for Ottawa Rough Riders (CFL) in '79. **1980-81:** Played DB for Toronto Argonauts (CFL). **1984-85:** Assistant coach (AC), Arkansas State. **1986-87:** AC, Miami (Fla.). **1988:** AC, New Mexico State. **1989-90:** AC, Fresno State. **1991:** AC, Dallas Cowboys. **1992-96:** AC, Bengals.

SEND 'EM HOME HAPPY

The Bengals have won their final game in Riverfront Stadium in seven of the last eight seasons, and in 12 of the last 14.

Cincinnati's only home finale loss since 1987 was a 21-17 setback to Indianapolis on Dec. 27, 1992. The Bengals have won the other seven games by an aggregate score of 233-109.

GARY MOELLER
TIGHT ENDS

Ohio native Gary Moeller, former head coach at Michigan and Illinois, was a late and most welcome addition to the '95 Bengals staff. He joined the team on June 23, less than a month before training camp, but immediately began a hands-on coaching job that helped TE Tony McGee post impressive numbers all season.

McGee's receptions (55) and yards (754) were each the second-most in Bengals history by a tight end, and McGee finished third in yards and fourth in catches among tight ends leaguewide.

"I didn't do that without working for it, believe me," said McGee. "I like Coach Moeller a lot. He knows his football up and down. He makes sure we (tight ends) are usually the last ones out of the building."

Said Bengals head coach Dave Shula:

"The success Gary had in leading the Michigan program speaks for itself, and we're very pleased to have him back for another year. He's a quality person with tremendous knowledge and experience."

A native of Lima, Ohio, Moeller earned three varsity letters as a center and linebacker at Ohio State from 1960-62. He began his college coaching career under Bo Schembechler at Miami of Ohio in 1967, and moved with Schembechler to Michigan in 1969.

He became defensive coordinator at Michigan in 1973, was head coach at Illinois from 1977-79, and returned to the Michigan staff in 1980. He served in both the defensive and offensive coordinator roles in his second term in Ann Arbor, and was named to replace Schembechler as head coach in 1990.

Under Moeller, the Wolverines posted a 44-13-3 record, won three Big Ten championships and posted a 3-1 record in New Year's Day bowl games. His Michigan teams won a record 19 consecutive Big Ten games (1990-92) and went unbeaten in 22 straight Big Ten games (1990-93) to set another conference mark.

Moeller's birthdate is Jan. 26, 1941. He and his wife, Ann, have three daughters (Susan, Amy and Molly). Their son, Andy, earned four letters as a Michigan linebacker (1983-86) and is currently an assistant coach at Missouri.

PLAYING AND COACHING HISTORY — 1960-62: Played C and LB at Ohio State (team captain 1962). **1967-68:** Assistant coach (AC), Miami (Ohio). **1969-76:** AC, Michigan. **1977-79:** Head coach, Illinois. **1980-89:** AC, Michigan. **1990-94:** Head coach, Michigan. **1995-96:** AC, Bengals.

JOE PASCALE
LINEBACKERS

A veteran of 28 years in coaching — in the college ranks and in three pro leagues — Joe Pascale begins his third year on the Bengals staff. Pascale's work with Steve Tovar and James Francis of the Bengals has added to his track record of developing linebackers, and he faced a particularly tough challenge last season while guiding Tovar through an injury-plagued campaign.

Tovar, Cincinnati's starting middle linebacker, battled injuries from day one of training camp until the season finale. Pascale worked with Tovar through situations which included the linebacker playing with a "club cast" that covered his entire left hand, and Tovar emerged as the team tackling leader for the second straight season.

(Joe Pascale — cont'd)

Francis, the right linebacker, ranked third on the team in tackles before a broken fibula sidelined him for the season in late November. Pascale compensated for that loss with a successful move, shifting starter Ricardo McDonald from the left to right side and inserting a productive Andre Collins on the left side.

Before joining the Bengals, Pascale spent eight seasons on the defensive staff of the Phoenix Cardinals. Phoenix linebackers Ken Harvey and Freddie Joe Nunn combined for 16 sacks in Pascale's final season there, and over the coach's last six years with the Cardinals, they combined for 92.5 sacks.

Before going to the Cardinals, Pascale coached six years in the Canadian Football League and United States Football League. His teams made the playoffs in each of those six years.

"Joe is an excellent classroom teacher," says Shula. "He's got a college background in education, and he shows players how the Xs and Os they study in the classroom relate to what happens on the field. A lot of young players have trouble making that connection without the right sort of teaching, and their performance can suffer without it."

Pascale's birthdate is April 17, 1946. He's a native of New York City. He has earned bachelor's and master's degrees in education from the University of Connecticut, and also completed an advanced graduate curriculum in education administration at Connecticut. Joe and his wife, Lucille, have a son, Joseph, 19.

PLAYING AND COACHING HISTORY — 1963-66: Played linebacker at Univ. of Connecticut. **1967-68:** Assistant coach (AC), Connecticut. **1969-73:** AC, Rhode Island. **1974-75:** AC, Idaho State. **1976:** Head coach at Idaho State. **1977-79:** AC, Princeton. **1980-81:** AC, Montreal Alouettes (CFL). **1982-83:** AC, Ottawa Rough Riders (CFL). **1984-85:** AC, New Jersey Generals (USFL). **1986-93:** AC, Phoenix Cardinals. **1994-96:** AC, Bengals.

JOE WESSEL
SPECIAL TEAMS

A standout special teams player at Florida State and a veteran of college special teams coaching, Joe Wessel took on his first pro special teams assignment last season. The Bengals were much the better for it.

Cincinnati's special units finished No. 2 overall in the NFL, according to the annual special teams survey by the Dallas Morning News. Rising from a ranking of No. 22 in 1994, the Bengals had consistently high finishes in the survey's 19 categories. Their punt coverage and net punting ranked second in the NFL, and kicker Doug Pelfrey and punter Lee Johnson both had outstanding overall years.

The special teams were at their best and timeliest at Houston on Nov. 12, when they forced and recovered two Oiler fumbles and added a blocked punt for a safety. The plays made the difference in a 32-25 victory that started Cincinnati on its 4-3 finish for the final seven games.

Wessel is entering his third Bengals season, having joined the staff in 1994 as defensive line coach.

"Joe brought a lot of enthusiasm and energy to the special teams," says Bengals head coach Dave Shula. "He worked very hard to get corrected some of the problems we had in '94, and those were problems that cost us at least a couple of wins."

Wessel's work with outside linebackers and defensive backs at Notre Dame earned him his entry into the NFL coaching ranks. But he coached special teams throughout his terms at both Notre Dame and Louisiana State, while also coaching linebackers and defensive backs at both schools.

Wessel was a player on four bowl teams with Florida State, and coached in seven bowls while on the staffs at LSU and Notre Dame.

As a Florida State player, Wessel set an NCAA record for most blocked punts returned for touchdowns with two against Arizona State and three overall during the 1984 season. Several publications named him the All-America special teams player of the year. He came to Florida State as a quarterback, but became starting free safety by the beginning of his junior season.

Wessel's birthdate is Jan. 5, 1962. He is a graduate of Pace High in Miami, and he holds a degree in business from Florida State. He spent the 1979-80 school year at Fork Union (Va.) Military Academy, where he starred in football and baseball.

He is married to the former Mary Gayle Hamilton of Baton Rouge, La.

PLAYING AND COACHING HISTORY — 1981-84: Played quarterback and free safety at Florida State. **1985-90:** Assistant coach (AC), Louisiana State. **1991-93:** AC, Notre Dame. **1994-96:** AC, Bengals.

KIM WOOD

STRENGTH & CONDITIONING

Entering his 22nd season with the Bengals, Kim Wood is the dean of NFL strength and conditioning coaches. A hard-driving coach who still maintains an easy rapport with his players, Wood has set up strength and conditioning programs for a number of NFL teams.

He is known nationwide for his outspoken pleas against the use of steroids in strength training. The Bengals' training program was aggressively steroid-free long before official sanctions against the drugs became a nationwide norm.

Wood has seen many of his athletes perform impressive feats in the weight room, but that's not his goal.

"We train very hard, but we're not training our people to be weight lifters or power lifters," Wood says. "We always keep the perspective that we're working with these guys to be the best football players they can be."

An outstanding running back at the University of Wisconsin during his college days, Wood has also been connected with Hammer Strength corporation, a leading strength and training equipment manufacturer.

Wood's birthdate is July 12, 1945. His hometown is Barrington, Ill. He has four children: John, 16; twin daughters Becky and Alyssa, 14; and Jacqueline, 12.

PLAYING AND COACHING HISTORY — 1965-68: Played running back at Wisconsin. **1975-96:** Strength coach, Bengals.

DOING IT ALL

Roger Jones played the most snaps (229) on special teams last season of any Bengals starter returning in 1996.

Jones did the extra duty despite starting all 16 games.

5th year in NFL

33

1995 Games/Starts: 16/0 (Ind.)
Career Games/Starts: 56/12
Acquired: UFA (Ind) '96
Birthdate: 9/17/70

Ambrose joins Bengals after starring in Colts' impressive playoff run of last season ... Unrestricted free agent signed three-year contract on 2/22/96 ... Has good range and fundamentals, and finished '95 playing at peak efficiency ... First player chosen in Round 2 of 1992 draft.

DAVE SHULA SAYS: "In Ashley Ambrose, we're getting a player who's ready to break into the best years of his career. This upgrades a position that was shaky for us last year, partially because of a lot of injuries. We're going to have competition that makes everyone better."

1995: Came on strong in late season ... Intercepted 2 passes for 12 yards in Game 16 as Colts shut down New England 10-7 to clinch playoff berth ... Started all three Indy playoff games, and had 1 INT for 2 yards in playoff victory 1/7/96 at Kansas City ... Totaled 3 INT in regular season, tying Eugene Daniel for team lead ... First interception of season was on Oct. 1 in 21-18 victory vs. Rams, and he also had forced fumble in that game ... Had 10 tackles and four passes defensed in playoffs.

PREVIOUS SEASONS — 1992: Drafted by Colts in 2nd round (29th overall) ... Signed Aug. 11 ... Opened NFL career as a starter in Sept. 6 victory vs. Cleveland ... Also started Sept. 13 at Houston, but suffered fractured right ankle in that game ... Returned in reserve role Nov. 1 at San Diego, after missing five games ... Inactive with groin injury Dec. 6 at New England ... Finished season with 8 tackles and four passes defensed. **1993:** Saw action in 14 games, and started Games 4 and 6-10 ... Had career-high 44 tackles and five passes defensed for the season, and had career-best game in tackles with 10 (9 solo) on Nov. 7 at Washington. **1994:** Played all 16 games for first time in career ... Started Games 1-3 at LCB and Game 8 at RCB ... Tied for second on team with 14 passes defensed for the season ... Career-long 42-yard INT return Dec. 4 at Seattle ... Credited with four passes-defensed in 10-6 victory vs. Miami on Dec. 18, including break-ups on Dolphins' final two plays of game from Indy two-yard line ... Four tackles and INT for 8 yards Sept. 18 at Pittsburgh.

COACH RON MEEKS SAYS: "Ashley's gone through the labor pains, the crying times. We're looking to reap the benefits of what he's learned. He has good footwork, good range. He's solid. A big upgrade for us."

AMBROSE ON THE BENGALS: "Oakland had money on the table, too, but I'd rather be where I'm at now. The Bengals made it feel like a home, like a family. I told my agent to try and get it done here because I liked what they're trying to do, and I hit it off with everybody."

COLLEGE: Four-year letterman at Mississippi Valley, with 17 INT for 300 yards, 40 passes defensed and 110 tackles ... Also had 7 kick returns for TDs (4 on punts, 3 on kickoffs), tying NCAA Division 1-AA record ... Had career averages of 28.9 yards on KOR and 17.8 yards on punt returns ... Had 3 punt returns for TDs as a senior, leading nation ... Named a senior All-American by *Poor Man's Guide to the NFL Draft.*

JEFF BLAKE – QB

Ht: 6-0 **Wt:** 202
College: East Carolina
5th year in NFL

8

1995 Games/Starts: 16/16
Career Games/Starts: 29/25
Acquired: W (Jets) '94
Birthdate: 12/4/70

Entering his second full season as a starter, Blake has proven worthy of Bengals QB tradition set by Ken Anderson and Boomer Esiason ... Led AFC in '95 with 28 TD passes and set Bengals record for completions (326) while throwing for second-most yards (3822) in club history ... Started for AFC in Pro Bowl and connected with Pittsburgh's Yancey Thigpen for Pro Bowl-record 93-yard TD pass ... A heady player with excellent movement skills in the pocket, he helped offensive line to the best sacks-allowed performance (25) in club history ... Crowd-pleasing, confident player who sparked "Blake-mania" in Cincinnati during his 1994 debut.

DAVE SHULA SAYS: "Jeff's challenge this year is to respond to a new set of expectations, and to more demands on his time. Now that he's on the national scene as a Pro Bowl quarterback, he's facing higher expectations on the field, and more need to prioritize workout time vs. appearance time. He's been a big success for us, and learning to deal with those things is part of what it takes to stay a success."

1995 RECAP: One of 11 Bengals to start all 16 games ... Missed time briefly with minor injuries during three games — Oct. 29 vs. Cleveland, Nov. 19 vs. Pittsburgh and Dec. 24 vs. Minnesota ... Took every offensive snap in other 13 games.

1995 HIGHLIGHTS: Threw often, with club-record 567 attempts, but didn't succumb to wildness. His plus-11 differential in TD passes (28) to interceptions (17) was just one off the AFC-best performance of plus-12 by John Elway and Jim Harbaugh ... Passer rating of 82.1 was Bengals' highest since Boomer Esiason's 92.1 in 1989 ... Passed for one or more TDs in Games 1-14 and set club record with 21 straight games with a TD pass, dating back to last 7 games of 1994 season ... AFC-leading 28 TD passes was two better than 2nd-place John Elway ... Blake was first Bengal to lead AFC in TD passes since Boomer Esiason in 1989, and fell one short of Ken Anderson's club-record 29 TD passes in 1981 ... Passing yardage total of 3822 was 2nd in AFC to Elway's 3970 and 2nd in Bengals history to Esiason's 3959 in 1986 ... Through Oct. 29 game vs. Cleveland, Blake had led offense to nine straight games of 300-plus yards, tied for Bengals' longest streak since 1986 ... Elected to AFC Pro Bowl squad as No. 2 QB vote-getter behind Dan Marino; named to start Pro Bowl when Marino withdrew due to injury ... Threw for 6 TDs and no INT in 2 games vs. division champ Pittsburgh, going 3-0 in each game ... Had career high 81.8% completions (18-for-22) while leading 27-9 victory Oct. 19 at Pittsburgh ... Also had 3 TDs and no INT on Sept. 24 vs. Houston and on Oct. 1 vs. Miami ... TD pass of 88 yards to Darnay Scott Sept. 17 at Seattle was AFC's longest completion in 1995 ... Passed 5 yards to Carl Pickens for game-winning TD Nov. 26 at Jacksonville, lifting Bengals from 13-10 deficit to 17-13 lead with 0:17 left in 4th quarter ... Led Bengals to tie for biggest comeback in team history Dec. 24 vs. Minnesota. Completed 19-of-26 for 196-2-1 in second half as Bengals rallied from 24-3 deficit to win 27-24 ... Passed for 200-plus yards in 15 of 16 games, missing only Nov. 5 vs. Oakland

(Jeff Blake — cont'd)

(159) ... Averaged 40.2 passes per game over last 5 games, as Bengals rushing attack struggled ... Had career-high 46 attempts Sept. 28 vs. Houston, and had 46 again Dec. 17 at Cleveland ... Rushed for 2 TDs, getting 1-yard score Nov. 19 vs. Pittsburgh and 8-yarder Nov. 26 at Jacksonville ... First Bengals QB to rush for 2 TDs in a season since Esiason in 1984 ... Rushing total of 309 yards was 3rd-most in Bengals history and most since Anderson's record 320 in 1981 ... Rushed for 2-point conversion Nov. 5 vs. Oakland ... Avoided being sacked in Games 1, 7, 10, 12 and 16, with Bengals winning all five of those games ... 16 of Blake's 28 TD passes were thrown to Carl Pickens, making Blake-Pickens the NFL's top passing TD combo of the last two years. They have 25 TD passes since start of '94 season. Tied for second are Steve Young-Jerry Rice of San Francisco and Warren Moon-Cris Carter of Minnesota, each with 24.

1995 TOP PERFORMANCES: COMPLETIONS — 30 on Dec. 10 vs. Chicago. **YARDS** — 356 on Sept. 24 vs. Houston. **TOUCHDOWNS** — 3 (four times), on Sept. 24 vs. Houston, Oct. 1 vs. Miami, Oct. 19 at Pittsburgh and Nov. 19 vs. Pittsburgh. **LONG COMPLETION** — 88 yards to Darnay Scott on Sept. 17 at Seattle.

PREVIOUS SEASONS — 1992: Drafted by Jets in sixth round (166th overall) ... Played in 3 games as a rookie, completing 4-of-9 passes ... Made NFL debut Nov. 29 vs. Kansas City and went 3-for-3 passing ... Inactive for Games 1-9 and Game 11 ... Active but DNP in Games 10 and 14-15. **1993:** Saw action in preseason, but was on Jets inactive list for all 16 games, backing up Boomer Esiason and Browning Nagle. **1994:** Acquired by Bengals on waivers Aug. 29 ... In Bengals starting debut Oct. 30 vs. Dallas, passed for 2 TDs, 0 INT and 243 net yards, Bengals' most net yards in last 16 games ... Starter for team's first victory Nov. 6 at Seattle, producing most passing yards (387) and directing most total offense (496) since 10/7/90, span of 68 games; Named AFC Offensive Player of the Week ... Passed for 4 TDs Nov. 13 vs. Houston, first Bengals QB to notch 4 since Boomer Esiason on 12/17/89 ... Named AFC Offensive Player of Month for November ... Led AFC passing ratings with 90.7 mark through games of Week 13 (Nov. 27-28) ... Directed comeback from 27-10 deficit in 33-30 season finale victory over Philadelphia; threw for two TDs and had key run of 16 yards on fourth-and-16 in fourth quarter ... His eight completions of 50-plus yards were two more than Philadelphia's Randall Cunningham, NFL's second-highest in that category ... Was designated 3rd QB for first six games ... Also designated 3rd QB for Game 7 at Cleveland, but made brief Bengals playing debut in that game after injuries to David Klingler and Don Hollas ... Started Game 8 vs. Dallas and every game thereafter ... Passing total of 741 yds. from Seattle and Houston games ranks as most in Bengals history for back-to-back games.

BLAKE ON THE OFFENSE: "It takes years with the same players and the same system for it to be like Dallas and 'Frisco. As players, we have to accept it in more detail. We need to try and pick it apart just like our coaches. We need to know why we're running certain things. Once we get to that level, we'll understand the offense better and be able to execute even when other things aren't going well."

SHULA ON BLAKE AND CARL PICKENS: "They've clicked from day one together. It's fitting that the first time each went to the Pro Bowl, they went together. They've been a big part of each other's success."

COLLEGE: Set or tied 32 ECU records while passing for 5133 yards and posting TD/interception ratio of 43/20 ... Led Pirates to an 11-1 mark as a senior and school's highest-ever ranking in the polls

(9th) ... Earned honorable mention All-America honors from *Associated Press* and *Football News* ... Finished 9th in 1991 Heisman Trophy balloting.

PERSONAL: Born in Daytona Beach, Fla., but hometown is Sanford, Fla., where he attended Seminole HS ... Married (wife Lewanna) with three children (Emory, 4, Torre, 3 and Trey, 1) ... Son of Emory Blake, who played in CFL for Toronto and was Jeff's coach in HS ... Godson of Tim Raines of baseball's New York Yankees.

NIGHT OWL'S DELIGHT

The Bengals' Aug. 10 preseason game at Arizona will start at 10:30 p.m. Cincinnati time, marking the latest TV kickoff in 28 seasons for viewers back in Bengals country.

It'll be only the third time ever for a Bengals kickoff at 10 p.m. or later in the Eastern time zone. The most recent instance — as well as the latest hour for kickoff — was an 11:15 p.m. ET start for a game at San Diego on Sat., Oct. 4, 1969. The other instance was the second game ever played by the Bengals — an Aug. 10, 1968 preseason game at Denver which kicked off at 10 p.m. in the East.

Powerful young lineman seeks first extensive playing time after missing last season on injured reserve ... Gets high marks from coaches for toughness and aggressive attitude, and has potential to earn starting position ... Has size and strength to handle NFL trench warfare.

COACH PAUL ALEXANDER SAYS: "The future looks bright for Rich. He was out last season, but he has the right personal makeup to get through this. He hustles, throws his body around, shows a lot of intensity. When I scouted him coming out of college, I thought he was the toughest offensive lineman in the draft."

1995: Started all 4 preseason games at LG, but suffered severe left ankle sprain in preseason finale Aug. 25 vs. N.Y. Jets ... Placed on injured reserve list Aug. 29 ... Fully healthy by season's end as he worked in Bengals' rehab program.

1994: Drafted in third round by Arizona (76th overall) ... Made Cardinals' 53-man roster, but was on inactive list for 10 games ... Acquired Nov. 18 by Bengals on waiver claim ... On Cincinnati inactive list for Games 11-13 ... Made NFL debut Dec. 11 at Giants, and also played in last two games ... Played a part in Bengals' best rushing game of season (152 yards Dec. 24 vs. Philadelphia) and in third-best game (121 yards Dec. 11 at Giants).

COACH BRUCE COSLET SAYS: "Braham had an unfortunate year in '95. We decided we had to had to sit him down on IR for the year, so he couldn't practice. But I know he's itching to get back in there, and before he got hurt, we liked what we saw."

COLLEGE: Joined West Virginia as a walk-on, but persevered to earn second-team All-America honors as a senior ... Started 33 games at LT ... All-Big East as a senior, leading line that paved way for 13th-ranked offense in nation, averaging 463.9 yards per game ... Helped lead Mountaineers to 11-1 season, including Orange Bowl berth ... As junior, started every game and earned team's Whitney Gwynne Award, for unsung hero on offense.

PERSONAL: Hometown is Morgantown, W.Va., where he attended University HS ... High school athletic career included second-team all-state honors in basketball ... Holds degree in finance from West Virginia ... Hobbies include basketball and racquetball ... Pronounces last name "BRAY-um" ... Single.

Truly the anchor of Bengals line, Brilz missed only one offensive snap last season, playing 976 of a possible 977 ... He supplied brawn and much of the brains as Bengals line posted all-time best performance in sacks allowed (1.56 per game) ... Was the line's highest-graded player in coaches' overall evaluations ... Diagnosed with stress fracture of right foot during May '96 mini-camp; underwent surgery May 7 and is expected to be ready for preseason schedule.

DAVE SHULA SAYS: "Darrick is about as solid as you can be on the offensive line. He handles the physical part well, and the mental part exceptionally well. He's become the quarterback of our offensive line. We depend on him to get everybody up front on the same page."

1995: Made line calls all season and was a major factor in maintaining stability as guard personnel shifted due to injuries ... Coaches rated him with zero missed assignments ... Led line with 9 "pancake" blocks ... Charged with only one penalty all season, fewest number among linemen ... Played 16 games for the fifth time in last six seasons, and has missed only one game during that span.

THE MISSED SNAP: What happened on that one snap last season, the only one Darrick Brilz missed among 977 offensive plays? It happened Sept. 17 at Seattle, and Brilz explains: "I didn't have any choice. I was lined up as an eligible receiver in field goal formation, and we faked it and made a first down. I couldn't go back in as center on the next play because you can't go from an eligible to an ineligible position without sitting out one play."

PREVIOUS SEASONS — 1987: Signed with Washington May 1 as rookie free agent ... Released Aug. 31, but re-signed on Sept. 23 as replacement player ... Played seven games, starting four ... Placed on injured reserve due to pinched nerve Dec. 12 and missed remainder of season. **1988:** Claimed by San Diego Aug. 16, on waivers from Washington ... Played 14 games with Chargers. **1989:** Waived by San Diego Aug. 1 ... Signed by Seattle Aug. 16 ... Played 14 games. **1990:** Had first 16-game season, and made first Seahawks start Dec. 2 vs. Houston, subbing for injured Edwin Bailey ... Started last five games, in which Seahawks went 4-1. **1991:** Played 16 games with seven starts, six at LG and one at C. **1992:** Was only Seahawk player on either side of ball not to miss a snap all season. **1993:** A 16-game fixture at LG, he helped fuel Seahawks' improvement to 4th place (from 20th) in NFL rushing rankings ... Extended to 78 his streak of consecutive games played. **1994:** Signed March 28 by Bengals as unrestricted free agent ... Missed only two of 925 offensive snaps in the 15 games he played ... Missed Nov. 27 game at Denver with knee sprain ... Played 93% of offensive snaps for full season (923 of 992), third-best figure on offensive unit ... Played every offensive snap in 13 games, including 10 straight at start of season ... Started first three preseason games at RG ... Switched to C for final preseason game, and made all 15 regular-season starts at C ... Steady play helped Bengals improve nine spots in NFL yardage rankings compared to '93; Bengals' rise to 18th from 27th was NFL's second-biggest improvement.

BRILZ ON THE BENGALS: "Free agency would have been interesting, but I signed (a contract extension during the '95 season) because I think this is a team on the rise. This is a team that's going to make some noise."

COLLEGE: Four-year letterman and two-year starter at Oregon State ... Played both guard and tackle.

Bengals' biggest player when height and weight are taken into account, Brumfield uses size to good advantage in the interior line ... Started career-high 11 games in '95, and was credited in coaches' statistics with no sacks allowed ... Opened season as starter, fought through early slump and then finished strongly, even though groin pull nagged him throughout season's second half.

COACH JIM ANDERSON SAYS: "We're looking forward to giving Jason a lot of work in training camp and to him having a good preseason. He's elusive; he's got a natural talent for making people miss. Now it's just a matter of how well he works and responds to the opportunity to play."

1995 RECAP: Signed April 26 as rookie free agent ... Impressive early in training camp, and led the team in rushing (13-52) in preseason opener at Indianapolis, including 6-yard TD run ... Suffered severe hamstring pull the following week in practice, however, and missed remainder of preseason schedule ... Former Bengal Jim Breech never missed a field goal attempt in overtime. He provided the winning kick nine times in OT, more than any kicker in NFL history.

"In that type of situation (overtime), your adrenaline is pumping so much that you just want to make sure not to overkick the ball," Breech said. "The key is to be real deliberate on that first step to just gather everything together."

Bengals eagerly await delayed debut of the top overall pick in '95 NFL draft ... Carter spent '95 season in rehab after suffering torn left knee ligament (ACL) in preseason action Aug. 17 at Detroit ... Progress in rehab consistently rated excellent ... Had no difficulty while participating in '96 spring mini-camps, and forecast calls for full-speed status at opening of training camp ... An exceptionally explosive player at Penn State, he was virtually the unanimous choice of NFL coaches and scouts as the best available player in the '95 draft.

DAVE SHULA SAYS: "In my mind, Ki-Jana's injury is behind him now. He's been a star in the rehab process, working hard and looking very good in football-type drills. He still has the hurdle of taking the first few real hits on that leg. But knowing his mentality and what he's showed so far, I feel very good about it."

1995 RECAP: Signed July 19 ... Slowed early in training camp by sore right Achilles tendon and missed first two preseason games ... Returned to practice at full speed Aug. 13 ... COACH JIM ANDERSON SAYS: "If Ki-Jana plays as hard as he's worked during the off-season, then we expect great things — a really big year. It's hard to stay at it for weeks and months after a tough injury, but the work he's put in is going to pay big dividends."

CARTER ON THE '96 SEASON: "I really don't want to talk about the knee anymore. Once they gave me full (medical) clearance, I'm ready to go. If I hurt it, I hurt it. I'm not going to take it easy."

Led team in tackles-for-loss for third straight season, maintaining role as one of the NFL's best run-defenders among DEs ... Played DT in nickel front.

COACH LARRY PECCATIELLO SAYS: "John Copeland may very well be our best player on defense. Certainly, our coaching staff believes he should have been in the Pro Bowl last year. He's been a great player for two years now, and it's somewhat unfortunate it takes the sacks he had last year to make people realize it. There's more to it than just sacks. However, I think John is ready to take his place now and earn recognition as one of the better defensive ends in the league."

1995: Led defense not only in sacks, but in QB hurries (23), tackles-for-loss (8) and batted passes (3) ... Led line with career-high 61 tackles (58 solo) ... Had Bengals' only blocked FG of season, Nov. 26 at Jacksonville, preserving 7-7 halftime tie in eventual Cincinnati victory ... Led defensive line with 93 special teams plays ... Credited by coaches for "near-perfect" performance in Dec. 10 win vs. Chicago; led line with 6 tackles (all solo), had 4 hurries and 1 batted pass ... Also led the line in tackles Nov. 19 vs. Pittsburgh and Nov. 12 at Houston, and tied for line lead Sept. 24 vs. Houston ... Tied with Artie Smith for line lead with 2 forced fumbles ... Cited by coaches for only 4 missed assignments in 1089 plays, lowest ratio on defensive unit ... Second on team to FS Darryl Williams with 1089 scrimmage snaps; played 96.7% of defensive snaps (1089 of 1126) ... Played every defensive snap in Games 3, 9, 11 and 16.

COACH TIM KRUMRIE SAYS: "John's coming off a great season last year, and he's one of our leaders. I'm looking for him to have an All-Pro year. His work habits on and off the field have improved tremendously the last couple years, and it shows. He comes to play every down, every day."

PREVIOUS SEASONS — 1993: Drafted by Bengals in 1st round (5th overall) ... Signed Aug. 13 ... Led team in tackles-for-loss (8) ... According to coaches' stats, also led defensive line in forced fumbles (3) and passes defensed (4) ... Showed knack for timing jumps to bat down passes ... Had dominant game, including sack and forced fumble, vs. Jets Nov. 21, but suffered knee sprain ... Came back from injury after missing two games, a week sooner than anticipated. **1994:** Started

Had seven tackles (six solo) and six-yard sack Sept. 25 at Houston.

OT JOE WALTER ON COPELAND: "John is one tough son of a gun. He stays low, stays under your pads. When you feel like you've got him, he'll bull you. He's got great reactions."

Powerful LB comes to Bengals as unrestricted free agent after gaining a starting role last season at Cleveland ... Signed with Cincinnati on 3/14/96 for two years ... Should improve Bengals' run-stopping power on the flanks ... Had an interception return for a TD last season, and is a solid special teams player with one blocked punt and one tipped punt for his career.

COACH DAVE SHULA SAYS: "We've seen Gerald across the sidelines for a few years, wearing Cleveland colors, and we liked what we saw. Now we've got him, and the initial plan is to work him with Rico McDonald at right outside linebacker, hopefully in a situation where they both can be fresh and healthy all season. Gerald also has pass rush skills, and we're going to explore those to see what we can develop."

1995: Ended Browns season with career-high 79 tackles, two interceptions, four passes defensed and eight stops on special teams ... Started last six games, and also started Games 1 and 3 ... COACH JOE PASCALE SAYS: "Gerald is a physical linebacker who can play over the tight end, but he can also play off the ball. He did a lot of things at Cleveland that we do here in our defense. I'm looking forward to seeing exactly where he fits our scheme. We welcome a guy of his size, because to play good run defense, there's no substitute for having big, physical people."

COLLEGE: Transferred to South Carolina after twice earning All-America honors at Garden City (Kan.) JC ... Began Gamecocks career as defensive end, later moved to OLB in 3-4 defense ... Named South Carolina Defensive Player of the Year in 1990 ... Seven sacks in his two Gamecock seasons.

Birthdate: 8/4/68

Multi-talented outside LB was playing his best football of a productive '95 season when he was lost for the remainder of the year with a broken left leg in Game 11 vs. Pittsburgh ... Former first-round draft pick returns for '96 in first year of a four-year contract ... Has been a starter when healthy since 1990, longest such run on Bengals defense ... An every-down player in an age of increasing defensive specialization, Francis is tough against the run, good in zone pass coverage and dangerous when freed to rush the passer.

DAVE SHULA SAYS: "James was having a terrific season, probably his steadiest to date, before he had the injury last year. We're glad we've got him signed up for a while now, and we're confident we'll get an encouraging answer to the question of whether he can quickly get back to the form he showed in 1995."

1995 RECAP: Suffered broken left leg (fibula) Nov. 19 on fourth defensive snap vs. Pittsburgh ... Placed on injured reserve list Nov. 22 ... 11 games played was his fewest in six Bengals seasons.

1995 HIGHLIGHTS: Through 10 games (prior to injury), ranked 3rd defensively with 63 tackles (53 solo) and also ranked 3rd in sacks (3 for 27 yards) ... Played 80.8% of defensive snaps (564 of 698) through 10 games ... Played every defensive snap (66) on Nov. 5 vs. Oakland, and led team in tackles (13 solo-1 assist-14 total), with solo and total tackle figures each tying Steve Tovar for team's best of season ... Also had 5-yard sack vs. Raiders ... Tied for the team tackles lead (5-2-7) in last full game, Nov. 12 at Houston ... Led LBs in tackles Sept. 10 vs. Jacksonville (6-0-6) and Oct. 1 vs. Miami (5-2-7) ... Had 10-yard sack on Mark Brunell Sept. 10 vs. Jacksonville, during Jaguars' final possession as Bengals held on for 24-17 victory ... Had 12-yard sack in Oct. 19 victory at Pittsburgh, dropping Neil O'Donnell at Bengals 20 and forcing Steelers to settle for field goal.

SIGN OF FAITH: The Bengals signed Francis to a new, four-year contract on Nov. 20 of last season, the day after he was lost for the year with a broken leg. "All I can say is, Mike Brown cares," Francis said. "I was going to be a free agent, and he could have said, 'See you later, James. We'll check on you in six to seven months.' I don't know if I would have taken this offer if I hadn't gotten hurt. But nobody was going to offer me close to this deal coming off an injury like I have, and I appreciate the Bengals' faith in me."

PREVIOUS SEASONS — 1990: Drafted by Bengals in first round (12th overall) ... Signed July 19 ... Enjoyed dazzling rookie season, with seven sacks in first seven games (eight overall) and a team-leading 78 tackles ... Had 15-yd. INT for TD in season-ending win over Browns that clinched AFC Central title. **1991:** Started all 16 games for second straight year ... Opened season at inside LB, but was moved in September back to natural spot on outside ... Finished third on team with 68 tackles. **1992:** Had career-high three INT, including 66-yarder for TD Nov. 22 vs. Detroit ... Had two INT for 107 yards in Detroit game, plus seven solo tackles, two sacks and a forced fumble, and was

named AFC Defensive Player of Week ... Had six sacks. **1993:** Started slowly, due to groin strain suffered in first quarter of season opener at Cleveland ... Injury limited him to 22 defensive snaps in first four games ... On inactive list Sept. 12 vs. Colts and Sept. 19 at Steelers ... Returned to form near mid-season, and played 588 of 601 defensive snaps over final nine games ... Played DE in nickel fronts ... Helped seal 16-10 victory over Raiders Nov. 28 with interception of Jeff Hostetler pass at the Cincinnati 26 with 3:39 to play ... Helped cap 21-17 win over Atlanta on Dec. 26 by pinning three-yard loss on Erric Pegram in final moments ... Had seven-yard sack on Vinny Testaverde vs. Cleveland Oct. 17 ... Had nine-yard sack, from Bengals' two-yard line, on Warren Moon at Houston Oct. 24 ... Had 12-yd. INT at San Francisco Dec. 5. **1994:** Started all 16 games for third time in career ... Tackle total (101) was 23 better than his previous career high, and ranked third on the team ... Led LBs in sacks (4.5) and passes defensed (7) ... Played 1003 scrimmage snaps, second on team to Darryl Williams ... Played 95.3% of defensive snaps, third-highest percentage of unit snaps behind Bruce Kozerski (99.5%) and Darryl Williams (99.3%) ... Led LBs by wide margin in coaches' QB "hurries" (16) ... Longest sack was 11 yards Nov. 27 at Denver (Elway) ... Led team in tackles with 11 on Sept. 25 at Houston and with 10 on Nov. 13 vs. Houston ... 11 solos at Houston were most by a Bengals LB during season ... Finished second on team in solo tackles (88) ... Had one sack each at Pittsburgh, at Denver, at New York and at Arizona; credited with half sack vs. Houston ... One of eight Bengals to start every game.

COACH JOE PASCALE SAYS: "It's very important to us that James comes back in top-notch form from his injury. He's a big, physical guy with a lot of different abilities, and we missed him when he wasn't available. His best asset is that he's very strong at the point of attack."

COLLEGE: All-America LB at Baylor who also was valuable sixth man on varsity basketball team ... Believed to be only major college athlete to play in two bowl games (1988 Bluebonnet and 1989 Liberty) and two post-season basketball tourneys (1988 NIT and 1989 NCAA) ... Blocked eight kicks as a senior, and his 12 career blocked kicks set a school record.

PERSONAL: Born in Houston, Texas ... Attended LaMarque (Texas) HS ... Brother, Ron, played DB for Dallas Cowboys (1987-90).

Career Games/Starts: 17/0

Greater Cincinnati native made strides as a backup receiver in '95, and showed excellent potential late in season as a kickoff returner ... Smart player who has quickly learned both flanker and split end positions in Cincinnati offense.

COACH BRUCE COSLET SAYS: "Jeff had to prove he belonged in this league (entering as an undrafted rookie free agent), and he's made himself a valuable commodity. He can play all the wide receiver spots, and we could use him out of the backfield if we needed to. He knows everybody's assignments each week, and we don't feel at all at a loss when he goes into the game at any position."

1995: Played all wide receiving positions ... Totaled 141 plays with scrimmage offense and had only 1 assignment mistake ... Three of his 4 catches produced 1st downs on 3rd-down plays ... Gained 18 yards on 3rd-and-17 play Dec. 17 at Cleveland, gained 11 on 3rd-and-10 play Oct. 29 vs. Cleveland, and gained 7 on 3rd-and-6 play Nov. 26 at Jacksonville ... Saw most scrimmage action with 39 plays Oct.

29 vs. Cleveland, following minor injury to Darnay Scott ... All 17 kickoff returns came during final seven games, and included 3 returns of 46 or more yards ... Long return of 55 yards came on opening kickoff Nov. 19 vs. Pittsburgh, following lateral from David Dunn, and set up 35-yard Bengals TD drive ... Season average of 26.7 yards on kickoff returns rivaled league-leading 27.0 average of Denver's Glyn Milburn, but Hill was 3 returns short of qualifying for official leaders ranking ... Also contributed on kickoff coverage team.

1994: Signed in spring as rookie free agent ... Had four catches for 43 yards in preseason ... Waived Aug. 28 ... Signed Aug. 30 to Bengals practice squad ... Signed Dec. 5 to 53-man roster ... Inactive for Games 14-15 ... Made NFL debut in Dec. 24 victory vs. Philadelphia and had a 40-yard KOR among four for a total of 97 yards.

COACH JOE WESSEL SAYS: "Jeff has great vision running with the ball as a return man. He's the kind of runner players want to block for. We want to look at him as a punt returner this year as well as keeping him in the mix on kickoff returns."

COLLEGE: Started Purdue career at RB after dominant prep career as runner, but later was switched to WR ... Caught 35 passes for 559 yards and 4 TDs as a senior, showing excellent ability to run after a catch.

PERSONAL: Hometown is Mt. Healthy, Ohio, where he attended Mt. Healthy HS ... Lives in Cincinnati ... Single ... Hobbies include performing rap music with two older brothers, billiards, Sega games and bowling ... Loves to watch *"SportsCenter,"* and *"The Young & The Restless."*

* — Although Hill played for Cincinnati in 1994, he was not on the 53-player roster or appropriate reserve list for the 6 games needed to earn an accrued year of credit toward free agency. Thus, he is considered a second-year player in 1996.

Intelligent and hard-working, Jefferson became an every-game performer on special teams in 1995 after playing just 6 games in 1994 as the NFL's youngest rookie in 20 years ... Saw action in 6 games at LB in '95.

COACH JOE PASCALE SAYS: "Kevin is a good athlete and smart enough to learn a number of positions. He's been of value to the team because of that adaptability. He's still a young player, and as his maturity comes around, he should compete for playing time at a particular spot."

1995: Saw brief action at LB in 5 of the last 6 games, as well as in Game 8 vs. Cleveland ... Starter for special units on kickoffs coverage, kickoff return, punt coverage and punt return ... One of seven Bengals to log 200 or more special teams plays (241) ... Recovered fumble by Mel Gray on kickoff return at Houston 18-yard line in Nov. 12 victory at the Astrodome; had 6-yard fumble return to Oilers 12, setting up Bengals field goal ... Tied for 4th in special teams tackles in press box stats with 9; also 1 fumble recovery on special teams ... Credited in coaches' reports for goal-line defensive work Dec. 3 at Green Bay.

1994: Signed following draft as rookie free agent ... Waived Aug. 28, and re-signed Aug. 30 to Bengals practice squad ... Signed Oct. 4 from practice squad to 53-man roster, becoming youngest NFL player since Andy Livingston, who played at age 19 for the 1964 Chicago Bears ... Worked in some practice sessions as a deep snapper.

COACH JOE WESSEL SAYS: "Kevin saw a lot of action for us on the coverage and return teams, and always gave a full effort. That's the first key to any success out there, and he's still a very young guy. This year, we're looking for him to improve his consistency and make a few more of the plays he didn't quite make the year before."

COLLEGE: Played both outside and inside LB at Lehigh, and led the team in sacks for three seasons ... As a senior, led team in tackles, sacks and forced fumbles; also had three tackles-for-loss for 15 yards.

PERSONAL: Hometown is Philadelphia ... Attended Hempfield Area HS ... Holds B.S. in mechanical engineering from Lehigh ... Hobbies include music, magic and puzzles.

One of the NFL's most versatile special teams performers, Johnson punts, has kicked off and is one of the NFL's best holders on place kicks ... Career resume also includes 2 TD passes and 2 field goals from 50-plus yards ... Capped '95 season with the first-team punter's berth on "Dr. Z's All-Pro Team" for Sports Illustrated ... Led the NFL in differential between inside-20 punts and touchbacks (plus-22), and placed second in photo finish for league's net punting title (38.6).

DAVE SHULA SAYS: "Lee was one of the main reasons our special teams jumped 21 places in the overall effectiveness ratings. With his effective punting and kickoffs, he's a valuable weapon as a dual specialist. And he's an unsung hero for the job he does year in and year out as our holder."

1995: Net punting average, taken to three decimal points, was 38.632 yards. Such math was necessary to determine NFL leader, and Johnson finished second to Jacksonville's Bryan Barker, who averaged 38.634 ... Johnson led NFL in net punting for 12 weeks during season ... Had 26 punts downed inside-20 and only 4 touchbacks, and his plus-22 differential was league's best by a margin of 2 over San Diego's Darren Bennett and Washington's Matt Turk ... Had 18 inside-20 kicks and only 1 touchback over Bengals' last 10 games ... Averaged more than 42 yards in gross punting average (42.1) for seventh straight season ... Led special teams with 14 "big plays," as designated by coaching staff ... Fine year as holder for place kicks included handling of low snap on Doug Pelfrey's game-winning 51-yard field goal as time expired in Dec. 24 finale vs. Minnesota ... Took snap as holder on fake field goal Sept. 17 at Seattle and passed to James Joseph for 5-yard gain and 1st down at Seattle 10-yard line ... Helped Pelfrey to perfect season (34-of-34) on PATs ... Tied for second in AFC with 9 touchbacks on kickoffs ... Longest punt was 61 yards Nov. 19 vs. Pittsburgh ... Best game average was 52.0 Sept. 3 at Indianapolis ... Missed 4th quarter of season opener at Indianapolis with hamstring pull suffered on kickoff coverage, but returned to action following week and was injury-free remainder of season.

PREVIOUS SEASONS — 1985: Drafted in fifth round by Houston (138th overall) ... Signed June 25 ... Won punting job and had 35.7-yd. net average, third best in AFC. **1986:** Had league-high 36 kickoffs for touchbacks ... Ranked third in NFL with 26 punts inside-20. **1987:** Punted in nine games for Oilers ... Claimed on waivers Dec. 2 by Buffalo ... Subsequently waived by Buffalo and claimed Dec. 10 by Cleveland ... Punted and kicked off for Browns during final three regular-season games, plus two playoff games. **1988:** Played three games with Browns ... Claimed on waivers by Bengals Sept. 23, and became important part of team's drive to Super Bowl XXIII ... Handled kickoffs only for Bengals from Weeks 5-13, but took over punting job as well in Week 14 ... Punted 14 times for Bengals for 42.4 avg., and averaged 42.2 on 17 playoff punts with 7 inside-20 and no touchbacks ... Used for first time as long-distance field-goal kicker — missed 50-yarder vs. San Diego Dec. 4, but nailed 50-yarder

(Lee Johnson — cont'd)

vs. Washington Dec. 17 as Bengals won by three (20-17) to clinch AFC Central title. **1989:** Punted 61 times for 40.1 average ... Suffered first two blocked punts of NFL career. **1990:** Produced longest punts of NFL season with pair of 70-yarders, first Sept. 23 vs. New England and second Oct. 22 at Cleveland; those kicks still rate as longest in Bengals history ... Finished third in AFC with 42.3-yd. punting average, and averaged 49.1 yds. on eight punts in two playoff games ... Tossed four-yard TD pass to Rodney Holman vs. New England Sept. 23, serving as holder on fake field goal try. **1991:** Set a personal career high for the second straight year with 43.7-yard punting average ... Kicked 53-yd. field goal at Buffalo Oct. 21. **1992:** Topped 3000-yd. mark in season punting for first time since '86 ... Posted third straight average of 42.0 or better since becoming accustomed to wearing shoe. **1993:** Set Bengals record for most punting yards (3954) in a season ... His 90 attempts were one shy of Pat McInally's 1978 club mark ... Moved past McInally into second place in Bengals' career punting average ... Moved past Dave Lewis into second place for Bengals' career punting yardage ... Had no punts blocked for fourth consecutive season ... Had career-best single-game average of 55.0 yds. at Houston Oct. 24 ... Helped salt away season's first victory, Nov. 28 vs. Raiders, with fourth-quarter punt of 56 yards out of bounds at L.A. one-yard line ... Had season-long punt of 60 yards twice, Oct. 10 at Kansas City and Oct. 17 vs. Cleveland ... Had 52 kickoffs, 14 of which went for touchbacks. **1994:** Lost AFC punting title in photo finish with Raiders' Jeff Gossett, averaging 43.810 yards per kick compared to Gossett's 43.857 ... Posted second-highest average of his career ... Had 19 kicks downed inside-20 compared to just 9 touchbacks ... Threw seven-yard TD shovel pass to Jeff Cothran on Oct. 16 at Pittsburgh; Johnson was holder in fake field goal formation ... Averaged season-high 52.3 punting yards in victory Nov. 6 at Seattle, including season-long 64-yarder which was downed at Seattle 2 in overtime ... Improved career average to 42.7 yards per punt, solidifying No. 2 all-time spot in that category in Bengals record book ... Suffered first blocked punt in five seasons, Oct. 23 at Cleveland, when Gerald Dixon blocked kick in end zone and Travis Hill recovered for Browns TD ... Handled majority of team's kickoffs throughout season ... Had flawless year as placement holder, with several fine saves.

JOHNSON DATA: Before joining the Bengals in 1988, Johnson was strictly a barefoot punter, believed to be the first since Henry "Hawaiian" Hughes of the 1932 Boston Braves. But after coming to Cincinnati, he switched to wearing a shoe. The footwear apparently has paid off, as Johnson has become a key performer after being waived by three earlier clubs. "It gives me a little more control," Johnson says, "though I don't get some of the 65-yarders I once got without it."

COACH JOE WESSEL SAYS: "I was very pleased to see Lee make the 'Dr. Z' all-pro team. It's like with a quarterback. You don't always pick the guy who can throw it the farthest. You give it to the guy who gets the job done, and for a punter, it's all field position. Lee was great with his directional kicking. He deserves to make it."

COLLEGE: Handled punting and placekicking during BYU career, averaging 47.0 on 81 punts, making 95-of-101 PATs and 24 of 40 FG tries ... Set NCAA record at BYU with 60.4-yd. average on five punts in a game against Wyoming ... College nickname was "Thunderfoot."

PERSONAL: Hometown is Conroe, Texas ... Attended McCullough HS in The Woodlands, Texas ... Married (wife Shelly) with twin daughters (Kelsey and Alexandria) ... Works as a stock broker in off-season, and works with Handicapped Ski Programs in Utah ... Hobbies include racquetball, hunting, scuba diving and jazz.

Consistent performer in coverage when healthy; also tough run defender.

DAVE SHULA SAYS: "Rod fought through a tough year last year with injuries. They limited his playing time and his effectiveness. But he had been very steady before he got hurt. He was playing the ball well, especially the deep ball. We look for him to be in a very good fight for a starting job with the new talent we have in the secondary."

Limited to less than half of season's defensive snaps (554 of 1126) after playing 93.9% of snaps in 1994 and 95.2% in '93.

DAVE SHULA SAYS: "Tony has made some spectacular plays at the tight end position, catches that other guys would only dream of making. He can make it to that elite level in this league. To get there, he has to relax and just let things happen on the routine catch. He knows better than anyone that he's missed some opportunities on routine plays, missing catches he should have made."

EARLY 1996: At press time, McGee was an unsigned restricted free agent.

1995: Receptions and yards were the second-most in Bengals history by a TE, topped only by Dan Ross (71-910) in 1981 ... Finished third in yards and fourth in catches among TEs league-wide ... Second on Bengals to Carl Pickens in receptions, and was second on team to Darnay Scott in yards-per-catch (13.7), excluding players with fewer than 5 catches ... Yards-per-catch average was tops among the top 4 TEs in receptions league-wide ... Scored 2 TDs against division champ Pittsburgh, getting 12-yarder Oct. 19 at Steelers and 20-yarder Nov. 19 vs. Steelers ... TD catch of 5 yards Dec. 24 vs. Minnesota tied game at 24 in 4th quarter; Bengals went on to win, 27-24.

Caught 7 for 102 yards Sept. 26 vs. Seattle, and keyed Bengals' victory over Rams on Dec. 19 with six for 90 yards ... Missed one game, Nov. 14 vs. Houston, with low back contusion ... Led Bengals TEs with 111 special teams plays. **1994:** Best overall receiving day (5-70) came Nov. 20 vs. Indianapolis ... Also had five catches Sept. 18 vs. New England and Nov. 27 at Denver ... Scored first NFL touchdown Dec. 24 vs. Philadelphia, with an eight-yard catch from Jeff Blake ... Had career-long receiving gain (54) Dec. 18 at Arizona ... Caught 2 or more passes in 12 games ... Allowed only three pressures and no sacks in 124 pass protection situations ... Flagged for only two penalties, and coaches considered one of those an incorrect call.

COACH GARY MOELLER SAYS: "Tony had a good year last year, and could have been outstanding with a couple of key catches. But he made some great catches, and his future looks bright. He's hard-working and talented and will get better every year because of his work habits."

Greater Cincinnati native returns for fourth season, having shown potential to eventually challenge Jim Breech's Bengals career records ... Pelfrey produced a second straight record-setting performance in '95 ... Set club season scoring record with 121 points, bettered his own season club mark with 29 FGs, and established himself as Bengals career FG accuracy leader ... Had game-ending FGs in Cincinnati victories at Indianapolis and vs. Minnesota.

DAVE SHULA SAYS: "We opened last season by winning on one of Doug's kicks, and we ended it winning on one. He's a proven clutch kicker, and as people who follow us off the field know, he's also a tremendous asset to the community."

PRESENTS FROM PELFREY: Each of the last two Bengals seasons has ended with Pelfrey kicking a field goal of 50-plus yards to break a tie on the last play of the game. He hit from a career-long 54 yards to beat Philadelphia 33-30 in 1994, and from 51 yards to defeat Minnesota 27-24 in '95. The Philadelphia kick was Pelfrey's second FG in the last :03 of the fourth quarter, a feat believed unique in NFL annals. The Minnesota kick completed a Bengals comeback from a 24-3 deficit, tying the biggest comeback in club history. Both games were played on Christmas Eve, making Pelfrey the closest thing in stripes to a real Santa Claus for Bengals fans.

MORE 1995: Winning kick vs. Vikings broke Pelfrey's own 1994 record of 28 FGs in season ... Scored 9 points in Minnesota game (2-2 FGs, 3-3 PAT) to break Jim Breech's 1985 club record of 120 points in season ... Went 5-for-5 on FGs on Sept. 3 at Indianapolis, including 47-yarder with 2:36 elapsed in OT for 24-21 win ... Pelfrey's average points per game (7.56) was second in club history to Horst Muhlmann's 7.93 in 14-game season of 1972 ... Pelfrey's average FGs per game (1.81) was second to Muhlmann's 1.93 in 1972 ... Reached minimum figure (75 attempts) to qualify for team's all-time FG accuracy record, and displaced Breech as the leader in that category at 81.0% (81 of 100) ... Pelfrey's career FG percentage now tops the 80.6 mark of Matt Stover, the official NFL record-holder, but Pelfrey needs 19 more made FGs before he can qualify ... Made 13 straight FG attempts during Games 8-14, tying club record he had shared with Jim Breech ... Had 22-yard attempt blocked Dec. 17 at Cleveland, his only failure to make a FG of under 30 yards in 26 career tries ... Made 1 of 2 tries from 50-plus yards, remaining above 50% on career tries of 50-plus (5-for-9) ... Perfect on PATs (34-34) for first time in career ... Used occasionally on kickoffs ... Onside kickoff Oct. 29 vs. Cleveland was recovered by Bengals and led to TD that forced OT ... Tied for first on special teams with 3 coaches' designations among "Players of the Week" ... Had 2 punts for 26.0 average Sept. 3 at Indianapolis, following injury to Lee Johnson.

PREVIOUS SEASONS — 1993: Drafted by Cincinnati in 8th round (202nd overall) ... Had most field goals in a season for Bengals (24) since Jim Breech had 24 in 1987 ... Tied club record (since broken) with five FGs at Kansas City Oct. 10, scoring all of Cincinnati's

points in 17-15 loss ... Tied NFL record with two field goals of 50 or more yards in one game — at Houston Oct. 24; hit from season-high 53 yds. and from 50 yds. ... Survived rocky FG start (3-for-7) and hit 21 of his last 24 attempts ... Made every FG attempt (13 straight) from last kick of Sept. 26 Seattle game through first try of Nov. 28 Raiders game ... Helped secure season's first victory with 44-yd. FG vs. Raiders, pushing six-point lead to a nine-point margin with 6:16 to play ... Tied with Colts' Dean Biasucci for league's fewest PAT attempts. **1994:** Total points (108) was Bengals' most since Jim Breech's 120 in 1985 ... Record 28 field goals (since broken) eclipsed mark of Horst Muhlmann (27 in the 14-game season of 1972) ... Set Bengals single-game record on Nov. 6 at Seattle with six FGs (in six tries); he had shared previous record of 5 with Muhlmann and Jim Breech ... Made 4-of-4 FGs in Dec. 24 victory over Philadelphia ... Beat Houston Nov. 13 with 40-yard FG at final gun ... Game-winner at Seattle was from 26 yards in OT ... Made 50-yard FG Nov. 13 vs. Houston and 49-yarders vs. Cleveland, at Houston and at Cleveland ... Improved PAT ratio over 1993 with 24-of-25 reading ... Scored highest percentage of his team's total points (39.1) of all NFL kickers ... Used occasionally on kickoffs ... Named AFC Special Teams Player of the Week in consecutive weeks, following games of Nov. 6 at Seattle and Nov. 13 vs. Houston.

COACH JOE WESSEL SAYS: "Doug has given us about everything you could ask for in a field-goal kicker. His numbers speak for themselves. What we'd like to get from him this year is a little more help on kickoffs."

COLLEGE: Originally a walk-on at UK, Pelfrey graduated with the second-most FGs in school history (34) and the most from 50 yards or more (8) ... Two-time selection as first-team All-SEC ... Played outfield on 1989 UK baseball team ... Pelfrey is the first player from nearby UK to play more than a cameo role for the Bengals.

PERSONAL: Hometown is Edgewood, Ky. ... Attended Scott HS ... Married (wife Carla) ... Probably Bengals' most active player in civic and charitable events, he heads Kicks for Kids, a non-profit agency benefitting mentally and physically challenged children ... Kicks for Kids events include celebrity benefit basketball game, golf tournament and Christmas party for children ... Benefit basketball game in April '96 featured Bengals players and stars from University of Kentucky national champs, and had to be postponed and moved to a larger gym because of ticket demand ... Pelfrey teamed with area firms last season to produce $12,100 for Kicks for Kids, based on donation pledges of $100 for every point he scored ... Operates youth kicking camp at University of Kentucky ... Holds B.S. degree from Kentucky in Dental Studies, and has completed one year of dental school at UK ... Named Academic All-American in 1992, Academic All-SEC in 1991-92 and named to NCAA "Good Works Team" in '92 ... Hobbies include golf and classic cars ... Full name is William Douglas Pelfrey.

MILESTONE FG

STREAKS TO REMEMBER

The Bengals record for consecutive made field goals is 13, first set by Jim Breech in 1990 and later tied by Doug Pelfrey in 1993 and 1995.

But two other FG streaks in club history are definitely worthy of note:

- While tying the record last season, Pelfrey also put together a streak of 19 made FGs in 20 attempts. His only miss among the 20 came on a try of 63 yards just before halftime Oct. 29 vs. Cleveland — a boot that would have tied the 26-year-old NFL distance record held by Tom Dempsey of New Orleans. Take away that low-percentage attempt, and Pelfrey would have a record-smashing Bengals streak of 19 straight FGs.
- Over the 1973-74 seasons, Horst Muhlmann knocked home 14 straight field goals. But three of the kicks came during a 1973 season playoff game against Miami, and postseason games form a separate category in record-keeping.

Returns for '96 in the prime of a career which could place him among Bengals' all-time greats ... DAVE SHULA SAYS: "There are a lot of guys in the NFL that have as much or even more natural ability than Carl has, but don't have his results. One thing you can't measure is the competitive nature of the guy and his playmaking ability, and that's something Carl has. It doesn't show up on anything, except on Sundays, which is the true test."

1995 RECAP: As restricted free agent, signed four-year contract March 23 after Bengals matched offer from Arizona ... Started every game for first time in four-year NFL career ... Answered call for season finale vs. Minnesota despite having suffered sprained shoulder and mild concussion the previous week at Cleveland.

G BRUCE KOZERSKI ON PICKENS: "All our receivers should look to Carl as an example, and not just for what he does on game day. He shows them how to study, and they should learn from that."

PREVIOUS SEASONS — 1992: Drafted by Cincinnati in second round (31st overall) ... Was *Associated Press* choice as AFC Offensive Rookie of the Year after season of 26 catches for 326 yards and one TD, plus another TD on club-record 95-yard punt return Sept. 20 at Green Bay ... On Nov. 8 in Chicago, made leaping 23-yard TD catch in end zone with 59 seconds left in regulation, forcing overtime in game Bengals won 31-28 ... Missed one game, Oct. 23 at Cleveland, with shoulder injury ... First team selection on *Football News* All-AFC team.

PICKENS ON PICKENS: "I'm competitive. I look at other guys' stats. I want to see what I'm doing stacked against the best."

COLLINSWORTH CONVINCED: NBC's Cris Collinsworth, who leads the Bengals with 417 all-time receptions, is glad he never had to contest Pickens for a starting job. "With this guy, you're talking about the whole package," Collinsworth says. "He can high-jump seven feet, so he goes up and gets the ball. He can go deep. He's got great hands. He's got great moves. The numbers don't lie. No one in this team's history has come close to the catches and TDs he's put up for a season. He's the best they've ever had here."

COACH JOHN GARRETT SAYS: "When Carl came out of Tennessee, some people complained that he didn't have great speed to a clock. But put him in a game, and he rarely gets caught once he has the ball and a step on you."

BENGALS' WORST IS BEST

The most points ever allowed by the Bengals was 51 — in a 51-24 loss to Buffalo on Sept. 9, 1979. That game is no highlight in team lore, but it's significant in one positive sense.

The Bengals are one of only three NFL teams never to allow more than 51 points in a game. The other two clubs, Seattle and Kansas City, also show 51 as their all-time highest yield.

Cincinnati has allowed 50 points only one other time, in a 50-34 loss at San Diego in 1982.

Smart and tough, Rucker has shown the ability to be Cincinnati's most formidable run-stopper inside ... But his overall playing time and tackle production was down slightly in '95 as he tried to play through nagging shoulder and elbow injuries ... Has good pass-rush technique, but needs to control weight to maximize initial burst ... Worked out regularly in Bengals' voluntary off-season program, with aim of a fully healthy '96 campaign.

COACH LARRY PECCATIELLO SAYS: "We're looking for Keith to come back and be a strong inside player for us. Last year, he played through injuries that were limiting some of the things we know he can do. Hopefully, he'll be back at full strength for the whole year."

1995 RECAP: Started Games 1-2 at LDT, but playing time was limited in Game 2 due to shoulder injury (stinger) ... On inactive list due to shoulder Sept. 17 at Seattle, and played only in reserve role Sept. 24 vs. Houston ... Returned to starting lineup at RDT Oct. 1 vs. Miami, and started there the remainder of season, but suffered slow-to-heal hyperextended elbow Oct. 8 at Tampa Bay ... Played season-low 2 defensive snaps in Dec. 24 season finale as injuries wore down his effectiveness.

1995 HIGHLIGHTS: Led line with 8 tackles (6 solo) and 7-yard sack against Craig Erickson in season-opening victory at Indianapolis; also had forced fumble at Indy ... Had 4 solos in just 20 plays while seeing action in second half Sept. 24 vs. Houston; tied for line lead ... Led line with 7 tackles (3 solo) Oct. 8 at Tampa Bay ... His 8 tackles (7 solo) Oct. 29 vs. Cleveland marked the only time all season a DL led the team ... Also had 1-yard sack vs. Browns ... Had season-high 64 defensive snaps vs. Cleveland.

PREVIOUS SEASONS — 1992: Signed May 8 by Cardinals as rookie free agent ... Rose from status of training camp longshot to a starting role by mid-season ... Started five of last six games as Cardinals defense limited foes to an average of 67.5 yards rushing ... Got first NFL start on Nov. 22 vs. Dallas and had six tackles ... Had six more tackles Nov. 29 at Washington ... Had first pro sack in 19-0 win over Giants on Dec. 12. **1993:** Played every game for Cardinals, and made 15 starts ... Had 3 tackles, two assists, one tackle-for-loss and two deflected passes Dec. 26 at Giants. **1994:** Signed with Bengals July 11, after Cardinals granted him free agency by declining to make a tender offer ... Started every game except season opener Sept. 4 vs. Cleveland ... Had eight solo tackles in each of the last two games, tying for team lead Dec. 18 at Arizona and leading line Dec. 24 vs. Philadelphia ... Had one sack for 8 yards Dec. 4 vs. Pittsburgh and one sack for 4 yards Dec. 24 vs. Philadelphia ... Season-high for snaps in a game was 50, on Oct. 30 vs. Dallas and also Nov. 13 vs. Houston ... Played 78 special teams snaps, tied with Dan Wilkinson for most among defensive linemen.

(Keith Rucker — cont'd)

COACH TIM KRUMRIE SAYS: "Keith worked hard in the off-season. He knows he can have a good year if he keeps the weight off and improves his strength and quickness. He can be a dominant player on running downs and possibly get in on some passing downs as well."

COLLEGE: Became first NCAA Division III player invited to Hula Bowl, following his standout senior season at Ohio Wesleyan ... Also played varsity basketball and was an NCAA Division III indoor and outdoor shot put champ ... Began collegiate athletic career on a football scholarship to Eastern Michigan ... The more people you have like him as backups, the better off you'll be, because you can depend on them."

Consistently cited by coaches for steady work as blocking TE ... All of his catches came in Bengals victories ... Started 15 games for second straight season, 14 at LT, but fine showing at LG in '95 finale leaves him a potential starter at either spot in '96 ... Played key role last season in franchise's best-ever performance in sacks allowed (1.56/game) ... Showed improved strength over '94, when hampered by after-effects of serious 1993 forearm fracture.

DAVE SHULA SAYS: "Sarge was a big reason we finished with the team's best-ever number for sacks allowed. But he also opened some eyes with the job he did against (Minnesota DT) John Randle when we switched him to guard for the last game. He could play either position this year, and as a coach, you really like that kind of versatility."

(Kevin Sargent — cont'd)

1995 RECAP: Played every snap at LT in Games 1-12 ... Sidelined after 13 plays Dec. 3 at Green Bay with ankle sprain, causing him to miss Dec. 10 game vs. Chicago ... Played 46 of 64 snaps Dec. 17 at Cleveland despite ankle soreness ... Switched to LG for season finale Dec. 24 vs. Minnesota, subbing for injured Scott Brumfield.

1995 HIGHLIGHTS: Opened season with fine effort at Indianapolis against pass rush threat Trev Alberts ... Also credited by coaches for particularly effective jobs against Miami's Marco Coleman on Oct. 1 and against Tampa Bay's Shane Curry on Oct. 8 ... Showed excellent feet and change of direction all season ... Cited for only 1 missed assignment in 852 total snaps ... Coaches rated him "exceptional" at LG in season finale Dec. 24 vs. Minnesota, given that he had not worked at G until the week of the game.

PREVIOUS SEASONS — 1992: Longshot from Division 1-AA Eastern Washington made the squad out of training camp and played in all 16 games, with eight starts at LT ... Performed well in daunting role of replacing All-Pro Anthony Munoz, who missed eight games with injuries ... Led the offensive line with two fumble recoveries. **1993:** Opened the season as starting LT, but suffered broken forearm on the second play of the opening game in Cleveland ... Spent the next 11 weeks on inactive status, and was transferred to the injured reserve list Dec. 3. **1994:** Opened training camp as candidate for starting C job, but was switched to LT in preseason shakeup caused by injury to Joe Walter ... Played 93.1% of offensive snaps for the season (924 of 992), second-best percentage on the offensive unit ... Played every offensive snap in 13 games ... Started first five games, lost job to Mark Dennis for Game 6, but won it back the next week and held it the remainder of the season ... Consistent play helped Bengals improve nine spots from 1993 in NFL total offense rankings (27th to 18th).

COACH PAUL ALEXANDER SAYS: "Sarge had his best overall year as a pro last year. He did a fine job for us at tackle most of the year, and showed some real versatility when he was moved on short notice to guard. We think he's one of our best assets on the line going into this season."

COLLEGE: Was offensive captain for Eastern Washington his senior season, and was named first-team All-Big Sky Conference.

PERSONAL: Hometown is Bremerton, Wash. ... Attended Bremerton HS ... Off-season residence is Seabeck, Wash. ... Married (wife Krista) with a daughter (Katlyn, 2) ... Hobbies include golf, playing video games, bowling, pool and spending time with family.

Aggressive young CB and punt returner, never afraid to attempt big plays ... Battled injuries in '95, but made impact while getting his first 8 NFL starts ... Led team in passes-defensed (17) and forced fumbles (3), tied for secondary lead in sacks and had team's longest interception return.

DAVE SHULA SAYS: "You have to like the way Corey approaches the game. He plays with bravado, with a reckless kind of attitude that lends itself to big plays. He was especially good when we beat Chicago last year, making several great plays on the ball. But he also has some big plays go against him, and his challenge this year is to keep that aggressive attitude while becoming a more consistent player."

1995 RECAP: Suffered concussion in preseason, Aug. 11 vs. Tampa Bay ... Missed next game but played in preseason finale and Sept. 3 season opener at Indianapolis ... Suffered shoulder injury while sacking Colts QB Jim Harbaugh, and missed next 4 games ... Active but DNP in Game 2, and on inactive list in Games 3-5 ... Returned to action in Game 6, Oct. 8 at Tampa Bay, and made first pro start in Game 7, Oct. 19 at Pittsburgh, subbing for RCB Rod Jones ... Also started Games 8-10 & 12-15 ... Played in reserve role in Games 11 and 16.

1995 HIGHLIGHTS: Credited with 20-yard sack on Jim Harbaugh Sept. 3 at Indianapolis, longest Bengals sack of season ... Was only Bengal to be credited with 4 passes defensed in a game, and did it twice, in victories Oct. 19 at Pittsburgh and Dec. 10 vs. Chicago ... Intercepted Steelers pass in end zone Oct. 19 at Pittsburgh, stopping drive late in 4th quarter of Bengals victory ... Also had 2-yard sack on Erik Kramer vs. Chicago ... Led team with 3 forced fumbles, getting one each in Games 4-6 ... Had 61-yard INT return Dec. 3 at Green Bay, off league MVP Brett Favre; longest INT return of season by Bengals, and longest of season allowed by Packers ... Led team with 3 passes defensed in Nov. 12 victory at Houston.

1994: Drafted by Bengals in 4th round (104th overall) ... Signed July 22 ... Claimed No. 3 CB position as rookie and finished second in passes defensed (13) and tied for second in interceptions (2) ... Had 82-yard punt return for TD Sept. 25 at Houston, and his 11.8-yard season avg. was Bengals' highest since 1984 for players with enough returns to qualify for league title ... Had 4 passes defensed Nov. 27 at Denver, tying team high for the season, and also had personal high 6 tackles in that game ... Accomplished second-place finish in passes defensed despite playing only 39% of defensive snaps ... His 307 punt return yards were third-most in Bengals history ... Missed one game, Dec. 18 at Arizona, with bruised thigh.

COACH RON MEEKS SAYS: "The key for Corey this year is making smart decisions. He can make big plays, but he can't make every big play. He needs to be a little more patient, to realize his strong points and his limits, and that will lead to him being a more consistent player."

COLLEGE: All-American first-team choice as an FSU senior by *The Sporting News*, *Football News* and Walter Camp ... Had 48 tackles with 11 pass deflections and six INT ... Had six solo hits and two pass

Ranked third in nation with 7 INT and fifth in punt returns with 11.9-yd. avg.

PERSONAL: Hometown is Key West, Fla. ... Attended Key West HS ... Resides in Florida during off-season ... One child, Mercedes, 4 ... Hobbies include basketball and listening to music.

Bengals' speediest receiver looks to stay on career fast track in his third NFL season ... Enjoyed a fine sophomore campaign despite competing for passes with record-breaking Carl Pickens ... Topped 800 yards for second straight year and increased his catch total over rookie year ... His 88-yard TD catch from Jeff Blake Sept. 17 at Seattle was the longest AFC pass play of the season.

DAVE SHULA SAYS: "Darnay has big play ability that few guys have. He has the speed to run under deep balls, or to break a short pass into a long play. Plus, he's a physical player — a tough runner and a good blocker. But he's still young. To reach the top level, he needs to work on consistency in catching the ball, and on route discipline."

1995 HIGHLIGHTS: Second on Bengals in receiving yards (821) and TDs (5), and third in catches (52) ... Had second-best yards-per-catch average (15.8) among AFC receivers with 50 or more catches, trailing only Denver's Anthony Miller (18.3) ... First Bengals player to top 800 receiving yards in each of first two seasons since Eddie Brown in 1985-86 ... 38-yard TD reception late in 3rd quarter Dec. 10 vs. Chicago produced eventual winning points in 16-10 victory ... Made opening score of game in both meetings with division champ Pittsburgh, with 47-yard TD catch Oct. 19 at Steelers and 4-yarder Nov. 19 vs. Steelers ... Only Bengal to get two 50-plus receptions in same game; scored on 51-yarder Sept. 24 vs. Houston, and set up another TD with 56-yard gain to the Oiler 2 ... Caught at least 1 pass in every game for second straight season ... Started all 16 games, and extended streak of games played to 32 straight since turning pro.

1995 TOP PERFORMANCES: RECEPTIONS — 5 (four times), Sept. 3 at Indianapolis, Nov. 19 vs. Pittsburgh, Dec. 3 at Green Bay and Dec. 10 vs. Chicago. **RECEIVING YARDS** — 125 on Sept. 24 vs. Houston. **LONG RECEPTION** — 88 (for TD) on Sept. 17 at Seattle.

QB JEFF BLAKE SAYS: "Darnay is our deep threat. He's able to outrun DBs and catch the ball deep. He's also able to take quick stuff and take it deep — just outrun people with speed."

1994: Tied teammate Carl Pickens for NFL lead in receptions of 50-plus yards (5) ... Led AFC in yards per catch (18.8) ... Became only player in Bengals history to record back-to-back games of 150 receiving yards when he caught 4 for 155 on Oct. 30 vs. Dallas and 7 for 157 on Nov. 6 at Seattle ... Had team's longest catch of season (76) at Seattle, setting up game-winning field goal in OT ... Scored TDs on passes of 67 and 55 yards vs. Dallas, joining Isaac Curtis (1973) as only Bengals to score on two passes of 50-plus in the same game ... Threw one pass, Nov. 20 vs. Indianapolis, and completed it for 53 yards to Carl Pickens ... Played 77.9% of offensive snaps, most among Bengals WRs ... Caught at least one pass in every game ... Had first start Sept. 18 vs. NE ... Returned to reserve role in Games 4-5, but started final 11 games ... Named to all-rookie teams by *Football News*, *College & Pro Football Newsweekly* and *Pro Football Weekly*, as voted by the Pro Football Writers of America.

(Darnay Scott — cont'd)

COACH BRUCE COSLET SAYS: "Darnay is one of the young, exciting receivers in the league. He brings us the capability of stretching the field and breaking a game wide open on any given play. He's had two productive seasons, and we see 1996 as a real breakout year for him."

COLLEGE: Set San Diego State career record with 3139 receiving yards, smashing former mark of 2678 ... Caught 19 TD passes his last two seasons, despite sharing ball with star TB Marshall Faulk ... Teamed with Faulk to form top offensive duo in NCAA Division I history, amassing 10,410 yards (Scott 4656; Faulk 5754) ... First player in SDSU history to record three 200-yard receiving games ... Set WAC record in 1992 with 274 receiving yards vs. Texas-El Paso.

Birthdate: 6/14/73

Fourth-round draft pick progressed steadily as a rookie, and will bid for increased role in '96 ... Played mostly in the role of short-yardage and goal-line safety ... Lived up to college reputation as tough run defender ... Backed up at SS and FS, and had two starts at SS.

DAVE SHULA SAYS: "The first thing that comes to mind about Sam Shade is that he started two games for us and we won them both (at Pittsburgh, vs. Minnesota). Sam has a good feel for the running game and he makes sound, sure tackles. What he needs to focus on now is getting more comfortable with adjustments to the passing game and playing in space. He's got the ability, but he didn't do a whole lot of that at Alabama."

1995: Signed with Bengals July 18 ... Played as reserve in Games 1-6 and 8-15 ... Started at SS in Games 7 and 16, subbing for injured Bracey Walker ... Praised by coaches for aggressive play in first pro start, Oct. 19 Bengals win at Pittsburgh; credited with 5 tackles in press box stats and 9 tackles in coaches' stats ... Had season-high 6 tackles (all solo) in start Dec. 24 vs. Minnesota ... Had only 2 plays with regular defense Sept. 17 at Seattle, but registered solo tackles on each ... Special teams starter on KOR and kickoff units; contributed on punt and punt return teams.

COACH JOE WESSEL SAYS: "Sam got better on special teams as last season went on. He's smart and gives a good effort — a good chemistry player. To get better this year, he needs to let it loose, become just a little more reckless."

COLLEGE: Played in every game during four-year stint with Crimson Tide ... Finished third in tackles (57) as a senior and added 4 tackles-for-loss, 3 fumble recoveries and a 28-yard interception vs. Southern Mississippi ... Returned fumble 30 yards for TD vs. LSU ... Finished second on team in tackles as a junior (73) and had 5 tackles-for-loss ... Played cornerback as a freshman and junior before moving to strong safety.

PERSONAL: Hometown is Birmingham, Ala. ... Business major at Alabama.

Undrafted free agent with strong college credentials proved a good find for Bengals secondary in '95 ... Moved into No. 2 FS role behind Darryl Williams, and earned high marks in coaches' evaluations of special teams play ... Credited by coaches for alertness and knowledge of game plan, and for good anticipation of offensive moves.

COACH RON MEEKS SAYS: "Chris isn't the biggest guy in the world, but he's a smart, aggressive football player. He made a good adjustment last year converting from corner (in college) to safety. I think he surprised some people, coming in as a rookie free agent to be our No. 2 free safety. Now he's in a situation where he'll be dealing with a little higher expectations."

Suffered shoulder injury in season opener Sept. 3 at Indianapolis; missed next 3 games ... On inactive list Games 2-3, and active but DNP in Game 4 ... Returned to action Oct. 1 vs. Miami and played in every game thereafter.

Also had 5 solo Oct. 1 vs. Miami ... Earned coaches' "Hit of the Week" award on special teams for forced fumble on kickoff coverage in Nov. 12 win at Houston ... Started for special teams on kickoff and punt return units; contributed on KOR and punt.

COACH JOE WESSEL SAYS: "Chris was very productive on special teams as a rookie. He's smart and tough, gives great effort, and has a lot of football sense. I'm looking for big things from him in '96."

COLLEGE: Outstanding Auburn career earned him 1994 selections as a first-team All-American by *Football Writers* and *Scripps Howard* ... Among three finalists for Thorpe Award, presented annually to top DB in the nation ... Played in Blue-Gray Classic and Senior Bowl games ... Led Auburn DBs with 96 tackles as a senior, and also had 2 sacks and 3 interceptions ... Started all 33 games his final three years ... Rangy young DE has shown flashes of promise during first two seasons, and will bid for regular role in his third campaign ... Playing time increased as '95 season progressed ... Got first 2 NFL starts at season's end when injury forced Dan Wilkinson from lineup ... Coaches like his potential as an inside pass rusher in nickel front.

COACH TIM KRUMRIE SAYS: "Ramondo has shown he can give us good push up the middle on the nickel pass rush. He gets good leverage, and he's tall enough to cause the quarterback a problem with his hands up in the air. To play a bigger role, he needs to improve his consistency and learn not to get frustrated when things don't go his way. He's got the ability to hold the corner (on rushing downs), but he has to get confident of that in his own mind."

1995 RECAP: Active but DNP in Games 1-3 ... Saw action as reserve Games 4-14 ... Started Games 15-16 at RDE.

1995 HIGHLIGHTS: Had 18-yard sack and a forced fumble against Will Furrer in Nov. 12 win at Houston; Oilers recovered fumble but were forced to punt ... Also had fumble recovery following sack by Roger Jones at Houston, but lost the ball to Oilers recovery later on the play ... Led line with 2 solo tackles in Oct. 19 win at Pittsburgh ... Had season-high 3 solos in Dec. 17 start at Cleveland ... Played more than 40 snaps in 3 of last 4 games, getting 44 on Dec. 3 at Green Bay, 40 on Dec. 17 at Cleveland and season-high 61 on Dec. 24 vs. Minnesota ... Played on FG rush unit on special teams.

1994: Signed June 2, following 7th-round draft selection (195th overall) ... Waived Aug. 23, and re-signed Aug. 30 to Bengals practice squad ... Signed Nov. 8 to the 53-man roster and played in 6 of the last 7 games, missing only Dec. 4 vs. Pittsburgh (inactive list) ... Solo tackle on Dec. 24 vs. Eagles.

COLLEGE: Showed great potential at San Diego State, but injuries and inconsistency hurt his total production ... Best year was 1992 junior season, when he had 2 sacks, 6 tackles-for-loss and three forced fumbles, along with 26 tackles ... Played nose tackle as freshman in 1990.

PERSONAL: Born in Winston-Salem, N.C. ... Attended high school in Ansonia, Conn., where he was a two-way tackle as a junior and senior, and All-State as a senior ... Psychology major at San Diego State ... Full name is Ramondo Antonio Stallings.

He can run sideline-to-sideline, and he's an impact hitter when he gets there. He fought through a tough year last year with injuries, so we know he could be even better this season."

1995 RECAP: Missed first 2 preseason games while recovering from broken left hand suffered in June voluntary camp ... Played in Preseason Game 3, but reinjured hand and missed preseason finale ... Cumulative effect of hand and knee injuries limited him to 53 of 138 snaps in Games 14-15, and he was held out of Dec. 24 season finale vs. Minnesota.

1995 HIGHLIGHTS: Despite limited play at end of season, held on to edge FS Darryl Williams 99-98 for second straight team tackling title ... Led team in tackles in 3 games (Sept. 17 at Seattle, Oct. 8 at Tampa Bay, Dec. 3 at Green Bay), tied for team lead in 3 games (Sept. 3 at Indianapolis, Sept. 24 vs. Houston, Nov. 26 at Jacksonville) and led LBs in 2 other games (Oct. 19 at Pittsburgh, Nov. 12 at Houston) ... Tied for team lead with 11 tackles Sept. 3 at Indianapolis despite playing with left hand in fully enclosed "club" cast ... Had 1-yard sack and forced fumble, recovered by Bengals' Ricardo McDonald, on Mark Brunell in 4th quarter of Sept. 10 victory vs. Jacksonville ... Tied his career high, and tied team's best 1995 performance, with 13 solo and 14 total tackles Sept. 17 at Seattle ... Led team with 9 tackles Oct. 8 at Tampa Bay and limited TE Jackie Harris, Bucs' leading receiver at the time, to 2 catches ... Had 13-yard interception Oct. 29 vs. Cleveland's Eric Zeier ... TOP THIS: When Tovar took the field for his start Nov. 12 last season at Houston, it had been only nine days since he underwent arthroscopic knee surgery. Said coach Dave Shula, "I told him, 'They ought to write you up in the New England Journal of Medicine.'"

PREVIOUS SEASONS — 1993: First of two Bengals' draft picks in third round; was 59th overall pick ... Finished fourth on team in tackles (85) despite not starting until mid-season ... Led special teams in tackles on press box stats (11) and in coaches' system (22); also led special teams in total hits (99) ... Injuries opened door for him to play 49 of 65 defensive snaps in his NFL debut at Cleveland Sept. 5, and he responded with seven tackles ... Played 63.9 percent of defensive snaps for the season, but played 95 percent (305-321) over last five games ... Was in double figures for tackles in Games 13-14-15 (12-11-12), and had nine stops in season finale ... Had first pro interception vs. Houston Nov. 14, off Cody Carlson. **1994:** Won team tackling race by 20 over Darryl Williams (122-102) ... Played 93% of defensive snaps (979 of 1053) and played more special teams snaps (182) than any other regular starter ... Played every defensive snap in nine games, including stretch of seven straight (Games 8-14) ... Led team in tackles in four games (at SD, vs. NE, at Den., at Giants), and tied for team lead in two others ... Top tackling game was 13 (10 solos) Dec. 4 vs. Pittsburgh ... Had 10 tackles vs. New England and at Giants ... Had at least 4 tackles in every game ... One of eight Bengals to start all 16 games.

COACH JOE PASCALE SAYS: "Steve has excellent range to cover the field as a run defender, he's a good pass defender, and a willing worker. He's an excellent person to coach. College: Penn State

Career Games: 32
Acquired: FA '94
Birthdate: 12/8/65

A specialist but also a solid overall player, Truitt provides a sure delivery on snaps without sacrificing blocking and tackling ability ... Enjoyed a second mistake-free season in '95 as snapper on punts, and expanded his role in second half of season, taking over job as place-kick snapper after injury to Bruce Kozerski ... A late bloomer, he had never been in a pro football training camp until 1994, when he made the Bengals roster at age 28 to become the NFL's oldest rookie in 48 years.

COACH JOE WESSEL SAYS: "Greg was very consistent again on his punt snaps last year, and he did a great job when Koz (Bruce Kozerski) was hurt, coming in to snap for field goals. Greg also gives us great opportunities in our blocking schemes because of the quickness of his snaps and his own football ability."

1995: Snapped on 70 Bengals punts without having a snap bounce or sail over the punter ... Ran total for career to 150 punt snaps without a miscue ... Aided P Lee Johnson's second-place NFL finish in net punting average (38.6) ... Tied for third on punt coverage unit in coaches' statistics with 4 tackles (3 solo, 1 assist) ... Credited with 2 special teams tackles in press box stats.

1994: Signed April 6 as rookie free agent ... Upon making 53-player roster, became the NFL's oldest rookie (age 28) since Otis Douglas played at 34 for the 1946 Philadelphia Eagles ... Played full season with no mistakes on punt snaps ... Credited in coaches' stats with 17 "total hits" on punt coverage team, second-most on unit ... Had 13 tackles (8 solo) on punt coverage in coaches' stats, and 6 tackles (4 solo) in press box special teams stats ... Helped set up game-winning FG Nov. 6 at Seattle by teaming with Roger Jones to down a 64-yard punt at Seahawks 2 during OT ... Backup snapper on field goals, and saw spot duty on KOR unit.

COLLEGE: Played in national title games each of his first two years at Penn State, losing to Oklahoma in Orange Bowl following '84 season and beating Miami in Fiesta Bowl following '85 season ... Finished Penn State career in 1988, after not playing in '87 season ... Came to Penn State as a strong safety, but also played fullback and on special teams.

1995 Games/Starts: 16/2
Career Games/Starts: 16/2
Acquired: D3 '95 (69th overall)
Birthdate: 11/11/71

Third-round draft pick was described as raw talent entering '95 season, due to limited college experience at T position, but his contributions exceeded expectations ... Returns in '96 with door open to claim starting T job ... A superb overall athlete for his size, he also was used in '95 as extra TE in short-yardage situations, and had 2 receptions including 1 for a TD ... Balance and lateral mobility make him an excellent candidate for the LT demand of playing "on an island."

DAVE SHULA SAYS: "Melvin was one of the real pleasant surprises of last season. We knew he had excellent long-range potential, but we didn't expect him to come along so quickly. He has the chance to be a very good player in this league. He's smart, competitive, big and athletic."

1995 RECAP: Played special teams only in season opener Sept. 3 at Indianapolis ... Played in reserve role at T and/or TE in Games 2-13 ... Started at LT Dec. 3 at Green Bay, subbing for injured Kevin Sargent ... Returned to reserve role in Game 15 ... Started at LT Dec. 24 vs. Minnesota, as Sargent moved to G for injured Scott Brumfield.

1995 HIGHLIGHTS: Playing as short-yardage TE, made leaping grab in end zone for 3-yard TD catch from Jeff Blake on Sept. 10 vs. Jacksonville ... Credited by coaches for effective pass-blocking work against top rushers Greg Lloyd and Kevin Greene in both games against Pittsburgh ... Had 9-yard reception Nov. 19 vs. Pittsburgh, gaining 1st down at Steeler 7 to help set up a TD ... Played 40 snaps Dec. 3 at Green Bay; cited for strong job against DE Sean Jones ... Played every offensive snap as starter at T in victories Dec. 10 vs. Chicago and Dec. 24 vs. Minnesota.

COACH BRUCE COSLET SAYS: "Tuten's going to challenge for a starting job this year, and it's all up to him. He's got the ability, he just needs to keep up his drive and keep maturing, not slack off when he gets patted on the back for having a nice rookie year. He could see some plays at tight end even if he wins a starting tackle job. We know he can catch the ball, and when you put his 320 pounds at tight end, it can give you a real mismatch in your favor against a linebacker."

COLLEGE: Started his Syracuse career as a TE, but switched to LT during 1992 season and started at LT during '93 and '94 campaigns ... Had 51 knockdown blocks as a junior, and credited with 44 more as a senior when he also helped pave the way for an average 200.9 rushing yards per game ... Helped offense to an average 392.5 total yards per game in '93, including 514 yards against East Carolina ... Redshirted in '91, and played the next four seasons.

PERSONAL: Hometown is Washington, D.C. ... Attended Woodrow Wilson HS, where he was a two-time Inter-High Conference selection ... Also named high school MVP in basketball ... Continues to play basketball, and scored 44 points for Bengals team in 1996 off-season victory against Cincinnati Reds squad ... Sociology major at Syracuse ... Full name is Melvin Eugene Tuten, Jr.

Stocky lineman joins the battle for No. 3 DT position after playing in every game in second NFL season ... Also worked at DE during '96 mini-camp ... Smart player who knows the system, but still needs to work on consistency ... Native of Molokai, Hawaii, he has only 5° years football experience at all levels.

COACH TIM KRUMRIE SAYS: "This is the year for Kimo to show his stuff, to come to camp in great shape and show us he can play. He's been around long enough to get his feet on the ground. He can play well against the run, and he's shown us some rush ability at times. Some days he's a ball of fire, but other days there has been a little too much water on the coals. With a little more maturity, I think he'll smooth out that inconsistency."

1995: Played as reserve in Games 1-3 and 5-16 ... Started at RDT in Game 4, Sept. 24 vs. Houston, for injured Keith Rucker ... Had 2 solo tackles in 3 games — Nov. 19 vs. Pittsburgh, Dec. 17 at Cleveland and Dec. 24 vs. Minnesota ... Had 2 tackles (1 solo) and a batted pass Nov. 26 at Jacksonville ... Had 2 games with more than 20 snaps — 22 on Sept. 10 vs. Jacksonville and season-high 46 on Dec. 24 vs. Minnesota ... Credited by coaches with major contribution on kickoff return team, where he was a starter most of the year ... Played as reserve on FG rush team.

1994: Drafted by Bengals in 6th round (162nd overall) ... Had two solo tackles Sept. 11 at San Diego ... Played in Games 2-6, 10, 13 & 15 ... Inactive list for Games 1, 7-9, 11-12, 14 and 16.

One of the most pleasant surprises on the '95 defensive unit, Walker started at SS and proved to be a punishing hitter with a nose for the ball ... Led the team in interceptions (4) and ranked 4th in tackles (85) although he missed 2 games with injuries and was hampered by knee or neck pain in several others ... Major contributor on special teams despite starting role on defense.

DAVE SHULA SAYS: "Bracey came to us as a waivers guy, and that was one great deal for the Bengals. When he's been healthy, he's knocked people around. He has a knack for when he hits you, the ball comes out. It's an intimidating type of defense, and I haven't even mentioned that he led us in interceptions. When he was hurt last year, we missed not having him out there."

1995: Had 2 INT in season opener at Indianapolis, first Bengal to record 2 in 1 game since James Francis vs. Detroit on Nov. 22, 1992; return of 23 yards set up 51-yard Bengals TD drive for 10-7 lead in 1st quarter; had 6-yard return in 3rd quarter ... Saw action on all special teams units except FG squad; started most of the season on punt and punt return units ... Did not play Oct. 19 at Pittsburgh due to knee strain, and Dec. 24 vs. Minnesota due to neck soreness.

1994: Drafted in 4th round by Kansas City (127th overall) ... Played in two games for Chiefs, with one special teams tackle ... Acquired by Bengals Oct. 12 on waivers ... Played for Cincinnati in Games 9-11 & 13-16 ... Inactive for Games 6-8 & 12 ... Productive player in season's second half on goal-line and short-yardage defenses.

COACH RON MEEKS SAYS: "Bracey was known in college as a hitter, a real tough guy, and he showed that to us at this level last year. He made the most of the opportunity we gave him. Now his challenge is to come back and keep improving."

COLLEGE: Earned reputation as big-play man while starting final two seasons at UNC at strong safety ... Finished career with 263 tackles, four interceptions, five forced fumbles, two fumble recoveries and six blocked kicks ... First-team All-American honors from Football Writers Association in 1993 ... Blocked four kicks as a senior, and led the team with 100 tackles ... Closed career with nine tackles vs. Alabama in the Gator Bowl.

COACH JOE PASCALE SAYS: "Brett did a nice job last year backing up Steve Tovar. He was able to set up the front seven, make the necessary adjustments, and know where the zone drops were. He's capable of playing on short notice and playing well, and that's what you need from your backup players."

1995 RECAP: Played in Games 1-3, but suffered jammed neck in Game 3 at Seattle, which kept him on inactive status for Games 4-8 ... Veteran "warhorse" of the offense's right side, Walter returns for 12th Cincinnati season after a smashing comeback year in '95 ... Recovered from torn right anterior cruciate knee ligament which sidelined him for entire 1994 season, and played 975 of a possible 977 offensive snaps while starting every game at RT ... Became one of the rare NFL cases to play successfully on two reconstructed knees, as he had suffered torn left ACL in the 1988 season finale ... Proven pass blocker, he helped line in '95 to the best sacks-allowed performance (1.56 per game) in Bengals history.

COACH PAUL ALEXANDER SAYS: "Joe is still a very physical player, and he's gotten better and better through the years because of his study habits against individual opponents. Every week, you can bet he knows the right technique for counteracting what the other guy does best. He had a remarkable year last year, given his (1994) injury, and we look for him to have an even better 1996."

1995: His only missed offensive snaps all season were one on Oct. 19 at Pittsburgh and one on Dec. 3 at Green Bay ... Ranked second to Darrick Brilz among linemen in "pancake" blocks (6) ... second straight NFL rushing title. **1990:** Started every game and two playoff games as Cincinnati won AFC Central Division title. **1991:** Problems with an irregular heartbeat slowed him in November, but he missed only one game and two starts on the season, and the condition did not prove serious. **1992:** Started every game. **1993:** Started every game for the third time in four seasons ... Wheeler returned from a '94 season lost to injury and led the way in '95 as Bengals special teams improved from 23rd to 2nd place in annual overall ratings by the Dallas Morning News ... Became unrestricted free agent following season, but re-signed with Cincinnati on 4/26/96 ... Only Bengals player to start on five special teams units ... Led special teams in total plays, as he had done in 1993 as well ... Also effective as CB in nickel and dime packages.

COACH JOE WESSEL SAYS: "Leonard was our most productive overall player on special teams last year. He's unselfish, and tough, and the way he plays contributes to the chemistry that's so important in teams play. He knows this is an area where he can excel, and he would have been greatly missed if we'd lost him in free agency."

1995: Fought through several minor injuries to play in every game ... Credited by coaches for physical play in Oct. 8 start at Tampa Bay ... Tied for team lead with 8 tackles (7 solo) Oct. 29 vs. Cleveland ... Had 2 passes defensed in end zone Oct. 1 vs. Miami ... Led special teams with 329 plays, 71% of team season total ... Tied for third in special teams tackles (6). **1993:** Led coaches' ratings with eight 'big plays' on special teams ... Led special units with 271 plays; played on all units except field goal team ... Started both games vs. Houston, and also in victory over Raiders Nov. 28 ... COACH RON MEEKS SAYS: "This is an important year for Leonard in terms of his playing time on defense. He showed last year he's still a great special teams player, but he missed all of '94 with an injury and he was nagged last year by his groin. He's a strong guy who could help us in the nickel package and maybe in some coverages as a safety."

Did not accrue credit for a year's NFL experience. **1993:** Signed April 19 by Bengals, as unattached free agent, for second stint with Cincinnati ... Backed up David Klingler and Jay Schroeder ... Relieved Schroeder in 4th quarter Oct. 24 at Houston and completed 4-of-6 passes for 63 yds., including 27-yarder to Ostell Miles ... Active but DNP in Games 2-4 and 8-11; on inactive list weeks 1, 5-6 and 12-16. **1994:** Waived following spring mini-camp ... Re-signed Oct. 25 (FA) for his third stint with Bengals ... Signed following Oct. 23 Cleveland game, in which QBs David Klingler and Don Hollas were injured ... Saw his only game action late in 4th quarter on Dec. 4 vs. Pittsburgh; no pass attempts ... DNP as No. 2 QB for Games 8-10 and 16 ... Inactive 3rd QB for Games 11-12 and 14-15.

COACH KEN ANDERSON SAYS: "Erik hasn't seen a lot of action recently, but there's a reason he's been here. He's a veteran quarterback who knows how to run an offense — particularly this one — and he'll put the ball in the receiver's hands. If you need him, he's ready."

COLLEGE: Closed Oregon State career as Pac-10's all-time leading passer with 9393 yards, surpassing mark of 9349 by John Elway ... Broke or tied 33 school and conference records.

DAN WILKINSON – DT

Ht: 6-5 **Wt:** 313
College: Ohio State
3rd year in NFL

99

1995 Games/Starts: 14/14
Career Games/Starts: 30/28
Acquired: D1 '94 (1st overall)
Birthdate: 3/13/73

Bengals see talented "Big Daddy" as a vital element in '96 playoff drive ... Wilkinson continued steady progress in '95 by leading all AFC interior linemen in sacks (8.0) ... Led conference despite missing last 2 games with neck injury ... Started 3 games at DE in base defense early in the season, but sacks he had in those games all came while playing DT in nickel front ... Only 23 years old, he would be an NFL rookie this season had he used all his college eligibility at Ohio State ... Consistency against the run improved as '95 season progressed ... Missed final 2 games largely as precautionary measure; no carryover from neck problem expected in 1996.

DAVE SHULA SAYS: "We look for Danny to have a breakout year in his third season, much like John Copeland did last year. Danny improved his pass rush in his second year, as the statistics show, and this year we think he'll reach a new level in overall consistency and run defense. It's all just part of the natural maturation of a young defensive lineman, and people shouldn't forget he's two years younger than the average third-year player."

1995 RECAP: Started Games 1, 2 and 4 at RDE ... Started Game 2 at RDT and Games 5-14 at LDT ... Suffered broken right ring finger in final preseason game and played with cast in Games 1-2 ... Suffered neck injury in Game 14, Dec. 10 vs. Chicago, and was on inactive list for Games 15-16.

1995 HIGHLIGHTS: His 8 sacks was most by a Bengals interior lineman since 1972, when Mike Reid had 12 ... Ranked second on team with 18 QB hurries ... Cited by coaches for only 1 missed assignment in his last 5 games ... Had 2 sacks for 14 yards and led defensive line with 5 tackles (all solo, 1 for loss) in Sept. 10 win vs. Jacksonville; sacked Steve Beuerlein for 10-yard loss in 2nd quarter to force punt, and sacked Mark Brunell on 4th down in final minute to preserve 24-17 victory ... Tied for line lead in total tackles (7) on Sept. 17 at Seattle, with 1 tackle-for-loss ... Sacked Chris Chandler on 3rd-and-7 in 3rd quarter Sept. 24 vs. Houston, forcing punt ... Had 2 sacks for 13 yards, 2 hurries and 1 batted pass Oct. 8 at Tampa Bay; sacked Trent Dilfer for 7 yards in 1st quarter and 6 yards in 2nd quarter ... Season-high 4 hurries Oct. 29 vs. Cleveland ... Led line with 6 tackles (5 solo) Nov. 5 vs. Oakland, and had 5-yard sack against Jeff Hostetler ... Played key role in limiting Houston running game in Nov. 12 victory at Astrodome; coaches put him at NT over Pro Bowl C Mark Stepnoski, who had excelled vs. Bengals in Sept. 24 game ... His 2 sacks for 14 yards Nov. 26 at Jacksonville included 7-yarder on Steve Beuerlein with forced fumble in 3rd quarter; also led line with 3 tackles (2 solo) ... Led line with 3 tackles (all solo) Dec. 3 at Green Bay ... Had 2 hurries and 1 batted pass prior to suffering neck injury Dec. 10 vs. Chicago ... Played 829 snaps, second-most on line ... Played 89.5% of defensive snaps (874 of 976) in the 14 games for which he was active ... Played 78 special teams snaps, second-most among defensive linemen.

GM MIKE BROWN SAYS: "For most of last season, Danny played as well as any defensive tackle in the game. He got more sacks than anyone in our conference playing tackle, and he does a lot of other things that don't get so much attention as sacks."

1994: Became first player drafted No. 1 overall by Bengals ... Signed May 5 ... Started every game except Dec. 4 vs. Pittsburgh and Dec. 24 vs. Philadelphia ... Played 89.6% of defensive snaps (943 total), fifth-most on defense ... Volunteered to yield his starting spot in Philadelphia game so Tim Krumrie could start his final Bengals game ... Had 2 sacks (16 yards) in reserve role in Philly game ... Led team in tackles (7) Nov. 20 vs. Indianapolis ... Led line in tackles (5) in victory Nov. 13 vs. Houston, and also had 1.5 sacks in that game ... Had 12-yard sack Oct. 23 at Cleveland, and three-yard sack Nov. 6 at Seattle ... Had season-high 6 solo tackles Dec. 4 vs. Pittsburgh ... His 78 special teams snaps tied Keith Rucker for most among DL.

COACH TIM KRUMRIE SAYS: "Dan's a special guy. He's proving himself to be worth the interest that had so many teams wanting to trade up and draft him. Now it's up to him to set his goals very high and try to achieve them. The best thing we did for him last year was to put him at tackle early in the year and leave him there. That's his best position, and I think he knows that."

COLLEGE: Played in 1992-93 at OSU after redshirt year in 1990 ... Consensus All-American and All-Big Ten in '93 ... Freshman All-American selection by *Poor Man's Guide to the NFL Draft* in '92 ... Played on scout team as a 348-pound OT during 1991 redshirt year; dropped to 300 pounds by the following season, and was moved to defense.

PERSONAL: Hometown is Dayton, Ohio ... Attended Dunbar HS ... Has teamed with Star Bank to fund charitable foundation called "Big Daddy Fund" that encourages area middle school students to stay in school ... Recreational Education major at Ohio State.

WILLIE ANDERSON – T

College: Auburn

Round 1 (#10 overall)

Ht: 6-5 **Wt:** 325

Birthdate: 7/11/75

71

Top draft pick joins the Bengals with the biggest shoe size in team history, but he moves his 19-EEE feet with grace and quickness ... Highest-drafted offensive lineman by Cincinnati since Anthony Munoz (No. 3 overall) in 1980 ... Displayed rare combination of size, strength and agility while helping lead Auburn to 20-1-1 record in '94-'95 and first 5000-yard offensive season in school history (5049 in '95) ... Impressive in Bengals' May mini-camp with his grasp of offensive concepts and strength in weight room ... Coachable player with a positive but humble attitude ... Entered draft after junior season, and July 15 opening of Bengals training camp falls just four days after his 21st birthday.

DAVE SHULA SAYS: "It's been a long time since we drafted an offensive lineman in the first round, but Willie is a guy we targeted early in the evaluation process. He's gifted, with tremendous size, and he had a very productive career playing in many big SEC games. We look for him to eventually start at tackle, maybe this year, and to stay there a long time."

COLLEGE HIGHLIGHTS — 1995: Second-team All-American selection by *Associated Press* and *Poor Man's Guide to NFL Draft* ... Graded 81% for blocking consistency with 76 knockdowns ... Started 10 games at RT, and came off bench to play against Florida while nursing knee injury ... Helped power Auburn rushing game to SEC-leading 194.3 yards per game ... Had perhaps his best game as a pass blocker as Auburn gained 302 aerial yards in 31-27 victory over Alabama in season finale ... Cited by coaches for just 13 missed assignments in 641 total snaps ... Timed at 5.23 seconds in 40. **1994:** All-SEC first team selection by *AP, Birmingham News* and SEC coaches ... Played 715 snaps with only 7 missed assignments ... Credited with 7 knockdowns as Auburn rolled for 554 yards in 42-18 win over Mississippi State ... Had 11 knockdowns in 38-21 win over East Carolina. **1993:** Moved into starting role as a true freshman by second game of season after battling arch problems during preseason practice ... Played in only 6 games, as he was bothered by ankle injury later in season.

BEATING THE BEST: Anderson marked himself as a blue-chip NFL prospect at age 19. Playing as an Auburn junior, he held Florida All-American DE Kevin Carter to one assisted tackle as Auburn gained

487 yards in a 36-33 victory. Carter proved good enough in '94 to merit the No. 6 overall selection by the Rams in the 1995 NFL draft, and he started every game for the Rams last season. Anderson and Carter could meet again Sept. 1, when the Bengals open the 1996 season at St. Louis.

COACH PAUL ALEXANDER SAYS: "The first time I saw Willie do anything athletically was at the (NFL scouting) combine. Seeing him coming at me during the drills, the feeling I had was like when you drive too close to the railroad tracks. You can feel the vibration of the train coming by. The combination of Willie's size, power and mass coming at you in a hurry would concern some people."

WILLIE ON WILLIE: "I'm coming in with the attitude that I'll work hard and push someone for a job. I won't come in with a big head, because I haven't done anything yet. I'm going to be humble and take the instruction and learn ... (But) if you're a running back and I'm blocking for you, I feel like I'm going to get you 1000 yards. I love my running backs to be stars."

HIGH SCHOOL: All-American first-team selection by *Parade Magazine* and *USA Today* at Vigor HS in Mobile, Ala. ... Chosen National Lineman of the Year by Atlanta Touchdown Club ... Rated the top prospect in the state by *Birmingham Post-Herald and News* ... Lettered in basketball as a center, leading team to state tournament with average of 15 rebounds per game ... Also lettered in track, throwing shot and discus.

PERSONAL: Hometown is Whistler, Ala. ... Marketing Education major at Auburn ... Full name is Willie Aaron Anderson ... Nicknamed "Stew Meat" by his grade-school coach because, as Anderson puts it, "He gave everybody nicknames, and I was a big kid who he said looked like a big old pot of stew meat."

MARCO BATTAGLIA – TE

College: Rutgers

Round 2 (#39 overall)

Ht: 6-3 **Wt:** 250

Birthdate: 1/25/73

89

An instinctive receiver with quick feet and a muscular upper body, Battaglia has the skills to immediately impact Cincinnati's passing attack ... Highest-drafted player in Rutgers history, he set school record for receptions (171) and ranks second in receiving yards (2221) and TDs (16) ...Will need training camp work on pro blocking techniques, but has more than adequate size and toughness.

DAVE SHULA SAYS: "Marco was a tremendously productive player at Rutgers. I remember watching him on national TV against Penn State when he had 13 catches and kept his team in the game throughout the night. He's a guy who could convince us to make more use of the H-back position. We don't have any proven stars coming in at fullback, and if you look at his worth on the field in comparison to the fullbacks, he could lead us to change some of what we do."

COLLEGE HIGHLIGHTS — 1995: Earned widespread first-team All-America honors, and was named Big East offensive player of the year ... His 69 receptions and 894 yards led the nation for tight ends,

(Marco Battaglia — cont'd)

and both those marks set Rutgers season records ... Also broke Rutgers' season mark for receiving TDs (10) ... Had 13 catches for 184 yards vs. Penn State, including TD catches of 17, 35 and 4 yards ... Other 100-yard receiving games were Miami (103) and Boston College (121) ... Timed at 4.75 seconds in 40. **1994:** Earned honorable mention on *UPI* All-America team, and named Rutgers' Most Valuable Player ... His 58 catches led the Big East ... Had 10 receptions for 81 yards against Penn State ... His 7-yard TD catch carried Rutgers past Cincinnati in a 14-9 game ... Had 8 catches for 102 yards against Boston College, and his 7-yard TD helped Rutgers gain a 7-7 deadlock ... Caught 6 for 110 against Virginia Tech, including a 63-yard score, and had 8 for 100 yards against Pitt. **1993:** His 27 receptions and 329 yards ranked second among Big East tight ends ... His two-point conversion reception provided winning points in 39-38 thriller over Duke. **1992:** Played in every game as a freshman, and started vs. Syracuse, Army and West Virginia ... Scored first college TD on 42-yarder against Penn State, and finished with 5 catches for 83 yards in earning ECAC player of the week honors. **1991:** Redshirt season, did not play.

COACH GARY MOELLER SAYS: "Marco has good speed, even though he wasn't the fastest tight end in the draft. We have no doubt he can run down the middle and split defenses. But the thing you really like is, he gets in and out of cuts as well as anybody. When you go back and look at some of the combine times, he did some of the shuttle drills faster than any of them. He has that quickness and movement inside that is really going to help our attack."

MARCO ON MARCO: "I'd have to say my strengths are receiving, making plays and breaking tackles. They say I'm a receiving tight end. But I know I can get the job done blocking. I'm looking forward to the challenge of blocking big defensive ends in the NFL."

HIGH SCHOOL: All-State, All-City and All-Catholic League as a safety, linebacker and wide receiver at St. Francis HS in Queens, N.Y. ... Selected Queens Player of the Year as a senior ... Led his team to three straight NYC Catholic League titles ... On defense, had 10 interceptions, four fumble recoveries and two returns for TDs.

PERSONAL: Hometown is Queens, N.Y. ... Sociology major at Rutgers.

KEN BLACKMAN – G/T

College: Illinois

Round 3 (#69 overall)

Ht: 6-6 **Wt:** 315

Birthdate: 11/8/72

66

Well-known in the bruising Big Ten for his strength and hard-nosed attitude, Blackman has the power to match up with NFL defensive tackles ... Played defensive line at Illinois before being switched to OT as a junior ... Could play guard or tackle as a pro, but initially pegged as contender for Bengals' RG spot ... Ranks 2nd on school's all-time weight room list with a combined lift of 1435 pounds.

COACH PAUL ALEXANDER SAYS: "This guy is physical every play until the whistle. He doesn't try to just block his man, he tries to humble his man. And he's smart and instinctive. We believe he can move inside and learn rather quickly how to play guard."

COLLEGE HIGHLIGHTS — 1995: Started all 11 games at LT ... Helped pave the way for a 1000-yard rushing season by Robert Holcombe, first 1000-yard season by an Illinois sophomore since 1953 ... Worked regularly in practice against defense featuring Kevin Hardy and Simeon Rice, both first-round DL picks in '96 NFL draft ... Timed at 5.0 seconds in the 40 ... Excelled on offensive line despite missing most of spring drills with sprained ankle. **1994:** Started 10 of 11 games at LT, missing only Michigan game, for which he was sidelined with ankle sprain ... Made Illinois' all-time weight-room list with a 700-pound squat and 400-pound bench press. **1993:** Played as a reserve DT as sophomore ... Appeared in 8 games ... Had 7 tackles (4 solo) and one tackle-for-loss (6 yards). **1992:** Played in 8 games as freshman DT ... Registered a safety by tackling Robert Smith, NFL first-round draft pick, in end zone to key Illini victory over Ohio State ... Had 6 tackles and 2 tackles-for-loss. **1991:** Redshirt year.

BLACKMAN ON BLACKMAN: "I am a real physical guy. I've got an attitude. It's the only attitude I've ever had, just a natural attitude. I had it on defense, and as a tight end (in high school). That's what helped me a lot this past year, playing physical and with a lot of emotion."

MORE FROM PAUL ALEXANDER: "We'll work Ken at right guard, because at 6-6 and 315 pounds, he matches up with the powerful defensive tackles like Big Daddy (Dan Wilkinson) and Chester McGlockton. He's incredibly strong, and has a low center of gravity for a tall man. I said in our pre-draft meetings that he was the toughest offensive lineman out there."

HIGH SCHOOL: Career at Wylie HS in Abilene, Texas, led Illinois to recruit him as a tight end ... Earned all-district, all-area and all-West Texas honors as a senior ... Won three letters in football and basketball, and four letters in track and field, primarily for discus.

PERSONAL: Born in Georgia, but spent early school years in Monmouth, Ill. ... Moved to Abilene, Texas, in 7th grade ... Leisure Studies major in College of Applied Life Studies at Illinois ... Hobbies include skiing and auto mechanics.

JEVON LANGFORD – DE

College: Oklahoma State

Round 4 (#108 overall)

Ht: 6-3 **Wt:** 275

Birthdate: 2/16/74

94

Quick, tough and highly motivated, Langford enters first pro camp with a shot at filling Bengals' need for pass-rush threat from RDE spot ... Entered draft following junior season, and rated by analysts as potential fourth-round steal ... Has a great burst around the corner, sharp change of direction, and takes good angles to ballcarrier against running game ... Draft stock may have slipped because of 1995 hand injury ... But he had 8.5 sacks as junior DE, and impressed Bengals coaches with his work at DE during last January's Hula Bowl.

DAVE SHULA SAYS: "There are always going to be some question marks with a fourth-round pick, and ideally, I guess, you'd like someone taller. But we think Jevon is great pick where we got him. He caught our eye at the Hula Bowl, where he was getting up the field very well and rushing the quarterback. He showed real quickness getting off the line of scrimmage. We need to find someone who can do that at the pro level from the right end spot."

COLLEGE HIGHLIGHTS — 1995: Moved to strong-side OLB position, where he had 39 tackles (25 solo), one sack and 4 tackles-for-loss ... Played in all 11 games and started 10 despite playing with a broken hand with screw inserted ... Had 7 tackles (4 solo) in shutout victory over Oklahoma, OSU's first win over Sooners since 1976 ... Had 5 tackles, a sack, 2 tackles-for-loss and a pass deflection vs. Tennessee. **1994:** Started every game at DE ... Led team with 8.5 sacks for minus-57 yards, and also credited with 10 QB pressures ... Had 60 tackles (46 solo) and four tackles-for-loss ... One blocked kick ... Had 2 sacks for minus-13 yards vs. Missouri, plus 7 tackles (4 solo) and 2 deflected passes. **1993:** Moved into starting lineup for final 9 games at DE ... Had first career sack vs. Tulsa, dropping Gus Frerotte for 10-yard loss in 16-10 win ... Sacked Kordell Stewart twice for minus-22 yards vs. Colorado.

JEVON ON JEVON: "I'm grateful I'll get a chance to play (in Cincinnati), but I'm angry, too. I felt I was better than this, that I'd go higher in the draft. Now it's time to play ball, and I'm gonna show 'em."

COACH TIM KRUMRIE SAYS: "What I like about Jevon, as everybody who knows me should know, is that he has a motor. He'll get off the ground and run to the ball, and he'll get after you. I feel fortunate to coach him. He's packing a little attitude, he's a competitor, and he wants to be the best."

HIGH SCHOOL: Earned All-Metro honors, plus honorable mention on *USA Today* All-America team, at Bishop Carroll HS in Washington, D.C. ... Rated among area's Top 20 prospects by *The Washington Post* ... Had 17 sacks and 103 tackles as a senior.

PERSONAL: Hometown is Washington, D.C. ... Business major at Oklahoma State.

GREG MYERS – S

College: Colorado State

Round 5 (#144 overall)

Ht: 6-1 **Wt:** 197

Birthdate: 9/30/72

31

A premier free safety in pass-oriented WAC, Myers also returned 3 punts for TDs in '95 and was a late-round highlight of Bengals' draft ... A consensus All-American, he won Jim Thorpe Award as nation's top college DB and also was named Honda's National Scholar-Athlete of Year ... Has explosive burst to the ball and excellent hands (14 career interceptions) ... Only player in WAC history named first-team all-league four times ... "Myers is the reason I went crazy over Cincinnati's draft," said ESPN analyst Mel Kiper. "In the fifth round, it was a steal."

DAVE SHULA SAYS: "Greg was a very productive player in college, and you try to find those kind of guys. He played in a conference where they throw a lot, he had a lot of opportunities, and he took advantage of them. He's very intelligent, so he should be quick learning our schemes and communicating the adjustments you need to make."

COLLEGE HIGHLIGHTS — 1995: Reached double figures in tackles 5 times in 11 games ... Tied career high with 15 tackles vs. Air Force, and had an interception at CSU five-yard line with less than a minute to play to preserve 27-20 victory ... Had punt returns for TDs of 82 yards at Utah State, 62 yards vs. UTEP and 84 yards at San Diego State ... RIVERFRONT STADIUM

Situated on a 48-acre site on the banks of the Ohio River, Riverfront Stadium has been the home of the Bengals since its opening in 1970.

Seating capacity is 60,389 when the field is in full football configuration. Capacity for football during dual-use periods with baseball is 56,750.

The stadium's AstroTurf-8 playing surface was installed in 1988. This is the third AstroTurf surface in the stadium's history. The first surface was used from 1970-78, and the second surface from 1979-87.

Parking facilities on the immediate site will hold 4500 automobiles. The stadium is surrounded by three parking decks — each a 12-acre area — and the third parking deck is covered by the plaza level, where most fans enter the stadium.

There are an estimated 20,000 parking spaces withing a 12-block radius of the stadium. Riverfront Stadium has been named in major studies as one of the nation's best for incoming and outgoing traffic flow.

The stadium has a main scoreboard 20 feet high by 180 feet long, with 24,000 lamps. In 1987, a Sony JumboTron video board was added for fans' enjoyment.

The largest crowd ever at a sporting event in Cincinnati was the 60,284 who saw the Bengals and Cleveland Browns at Riverfront on Oct. 17, 1971.

The Bengals played their first two seasons, 1968 and 1969, at Nippert Stadium on the University of Cincinnati campus.

BENGALS 17, JACKSONVILLE 13

Sunday, Nov. 26, at Jacksonville Municipal Stadium

Cincinnati's offense surrendered 3 interceptions in the 1st half and opened the 2nd half with 3 straight punts. But two solid 4th-quarter drives were just enough to add up to victory. The Bengals drove 62 yards on 10 plays for a field goal and then 58 yards on 13 plays for a touchdown to erase second-half deficits of 10-7 and 13-10. QB Jeff Blake found WR Carl Pickens, whom the Jaguars had shut down virtually the entire game, in the end zone for a 5-yard scoring strike with 17 seconds left for the win. Jacksonville was able to muster only 295 total yards, including just 78 yards rushing. The win improved the Bengals' record to 5-7 and dropped the Jaguars to 3-9.

GAME 14

BENGALS 16, CHICAGO 10

Sunday, Dec. 10, at Riverfront Stadium

Cincinnati drove 49 yards on 14 plays for a field goal to open the game, and held the lead the rest of the day. The Bengals' offense generated 337 yards on a bitterly cold afternoon (10° F at kickoff), but the defense made the biggest difference in the victory. Cincinnati held the Bears, who ranked 10th in the NFL in passing (259.6-yard avg.), to 183 yards. K Doug Pelfrey connected on field goals in each of the first 3 quarters to stake the Bengals to a 9-3 lead. QB Jeff Blake then hit WR Darnay Scott for a 38-yard scoring strike for a 16-3 lead. Rookie RB Rashaan Salaam scored on a 5-yard run to pull Chicago to within 6 points in the 4th quarter, but Cincinnati's defense stood firm the rest of the game. Blake completed 30 of 41 passes for 253 yards, 1 TD and no interceptions while WR Carl Pickens caught 11 passes for 99 yards. The Bengals improved to 6-8 with the victory — their most wins in a season since 1990. The Bears dropped to 7-7.

Sunday, Dec. 24, at Riverfront Stadium

Cincinnati took the victory on a 51-yard field goal by Doug Pelfrey as time expired. The Bengals rallied from a 24-3 deficit, tying the biggest comeback in club history (the only other time Cincinnati recovered from a 21-point deficit was against Seattle on Sept. 6, 1981). The Bengals scored unanswered TDs on drives of 65, 96 and 40 yards in the 2nd half, while the defense held Minnesota to 138 yards and no points. Cincinnati drove 46 yards in just over 2 minutes for the game-winning kick. Pelfrey established new team season records for scoring (121 points) and field goals (29). The Bengals finished 1995 with a 7-9 record. The Vikings finished at 8-8.

WHY BENGALS?

Paul Brown picked the name Bengals for Cincinnati's football team "to give it a link with past professional football in Cincinnati."

From 1937-41, the Bengals were a famous unit in the Cincinnati area. In 1938, as members of the American League, they played three teams from the National Football League. They beat the Chicago Bears, 17-13, and the Pittsburgh Steelers, 38-0, and tied the Chicago Cardinals, 7-7.

"If we can pick up a thread of tradition, we think it's good," said Brown when he named the team.

Hundreds of names were suggested by fans in an effort to name the new Cincinnati team and the most popular was Buckeyes. It was rejected for obvious reasons.

"The owners rejected it because we didn't want it to be confused with the Ohio State Buckeyes and wanted something to embody four states rather than just one," said Brown. "We feel at home with the name Bengals."

DOUBLING UP

The Bengals have had 103 individual receiving performances of 100 or more yards in a game, and have had 75 individual rushing efforts of 100 or more yards. But only twice has a Cincinnati player managed 100-plus yards both rushing and receiving on the same day.

Essex Johnson was the first, rushing for 121 yards on 21 carries and getting 116 yards on two receptions on Sept. 30, 1973 at San Diego. He stood alone in the category until Dec. 7, 1986, when James Brooks burned New England for 163 yards on 18 rushes and 101 yards on six receptions.

Cincinnati won both games.

Bengals opponents also have managed double-100-yard performances twice, and Cincinnati lost both those games.

On Nov. 23, 1976, Cleveland's Greg Pruitt had 121 yards on 17 rushes and 106 yards on seven receptions vs. Cincinnati at Cleveland Stadium. On Sept. 22, 1985, San Diego's Lionel James became the only NFL player to record dual-100s at Riverfront Stadium. James had 127 yards on 12 rushes and 118 yards on 5 receptions.

A BUSHEL OF BUCKEYES

Ohio State, with one of the nation's strongest football programs and historical ties to Paul Brown, has provided more players to the Bengals than any other college. And by a wide margin.

Fourteen former Buckeyes have worn Cincinnati colors. Arizona State is second with 9 and Nebraska, Houston and Auburn share third place with 8.

Seventeen schools, including the University of Cincinnati and Miami of Ohio, have provided seven or more players to the Bengals. The leaders:

HE'S SEEN 'EM ALL

The Bengals have played 564 games through 1995 — preseason, regular season and postseason — and to the best of the club's knowledge, only equipment manager Tom Gray has been on the scene for every one.

"The first thing that comes to mind about this is that I've been very lucky," says Gray, who joined the Bengals for the 1968 inaugural season after previously serving as assistant equipment manager for the Cleveland Browns. "A lot of things could have happened to make someone miss a game, but I've managed to avoid them."

Mike Brown, Bengals president and general manager, has attended 563 of the 564 games. He missed the 1991 preseason opener at Detroit to remain in Cincinnati with his father, Paul Brown, who was gravely ill.

BENGALS CHRONOLOGY

Paul Brown, who left the Cleveland Browns following the 1962 season with an NFL record of 115-49-6, seven conference titles, and three NFL championships, had the urge to get back into football. His son Mike did a study on pro football expansion and recommended Cincinnati as a potential site. In **1965**, Brown met with Ohio Governor James Rhodes and the two agreed the state could accommodate a second pro football team.

1966 Fearful the Reds baseball team would leave town and feeling pressure from local businessmen pushing for a pro football franchise, Cincinnati's city council approved the construction of Riverfront Stadium.

1967 Brown's group was awarded an AFL expansion franchise. Brown called the team the Bengals, the name of Cincinnati's pro teams in the old AFL of the late 1930s. The Bengals acquired their first player late in the year when they traded two draft picks to Miami for quarterback John Stofa.

1968 The Bengals were awarded 40 veteran players in the allocation draft. In the college draft, they selected Tennessee center Bob Johnson as their first pick. Other draftees included running backs Jess Phillips and Essex Johnson, tight end Bob Trumpy, linebacker Al Beauchamp, and tackle Howard Fest. The Bengals lost their first preseason game 38-14 to Kansas City before 21,682 fans at Nippert Stadium. The Bengals upset Denver 24-10 and Buffalo 34-23 in their first two regular season home games. Paul Robinson led the AFL in rushing with 1,023 yards and was named Rookie of the Year.

1969 Brown drafted quarterback Greg Cook of the Univ. of Cincinnati in the first round. The same draft also produced linebacker Bill Bergey. The Bengals jumped out to a 3-0 record, but the club finished 4-9-1. Brown was named AFL Coach of the Year. Bergey was honored as the AFL Defensive Rookie of the Year, and Cook won the AFL passing title.

1970 The NFL-AFL merger took place before the season, and the Bengals made their first NFL campaign a memorable one. After losing 6 of their first 7 games, they rallied for an 8-6 finish and won the new AFC Central Division. In their first playoff game, they lost 17-0 to Baltimore, which would go on to beat Dallas in the Super Bowl. QB Greg Cook was forced to the injured reserve list in training camp with a shoulder injury that would end his career, and Virgil Carter took over as the starter.

1971 The Bengals picked up QB Ken Anderson and tackle Vernon Holland in the draft, then went 5-0-1 in preseason play. After starting the regular season with a 37-14 win over Philadelphia, the Bengals lost seven in a row on the way to a 4-10 record.

1972 Looking for defensive help, Brown drafted end Sherman White, safety Tommy Casanova, linebacker Jim LeClair, and cornerback Bernard Jackson. Anderson unseated Carter as starting quarterback and the Bengals won three of their last four to post an 8-6 record. Chip Myers set a club record with 57 pass receptions.

1973 Brown drafted wide receiver Isaac Curtis and runners Boobie Clark and Lenvil Elliott. The Bengals split their first eight games, then swept their last six and won their second AFC Central Division title. Cincinnati lost to Miami 34-16 in the AFC playoffs. Clark, who finished the year with 988 yards rushing and 45 pass receptions, was named AFC Rookie of the Year. Essex Johnson led Cincinnati with a career-high 997 yards rushing and Curtis caught 45 passes.

1974 Cincinnati traded Bill Bergey to Philadelphia for two first-round draft choices and a third-round pick in 1977. LeClair replaced Bergey at middle linebacker. The Bengals won four of their first five games but couldn't keep pace with Super Bowl-bound Pittsburgh. Anderson won the NFL passing championship and completed a club-record 64.9 percent of his attempts. Cornerback Lemar Parrish led the NFL in punt returns.

1975 The Bengals opened with six straight wins. LeClair preserved a 21-19 victory over Houston, making all four tackles in a goal-line stand. The Bengals won their eighth game in nine starts against Buffalo as Anderson completed 30 of 46 passes for 447 yards, the tenth-highest one-game total in NFL history. Cincinnati scored 27 points in the first quarter to crush San Diego 47-17 and finish 11-3, its best regular-season record. The Bengals qualified as the AFC wild card team for the playoffs, but their losing post-season record continued with a 31-28 setback to Oakland. Anderson won his second NFL passing championship. A serious blow was the loss of defensive tackle Mike Reid, who retired at age 26 to pursue a career in music.

1976 Brown announced his retirement after 41 seasons of coaching and named Bill Johnson, his long-time assistant, as the successor. Brown continued to serve as the club's general manager and vice president. The Bengals acquired defensive end Coy Bacon in a trade with San Diego and drafted halfback Archie Griffin, the two-time Heisman Trophy winner from Ohio State. The Bengals set a fast pace in the AFC Central Division, winning nine of their first 11 games. The season came down to games against Pittsburgh and Oakland and the Bengals lost both. Those defeats not only cost Cincinnati the division title, but the AFC wild card spot as well. Cornerback Ken Riley led the AFC with nine interceptions.

1977 A loss to Houston in the final game cost the Bengals a spot in the playoffs. The team finished with an 8-6 record. Curtis missed the final six games with a knee injury. Bob Trumpy retired.

1978 QB Ken Anderson missed the first four games with a broken bone in his right hand, and Homer Rice replaced Bill Johnson as head coach after the team started 0-5. The team dipped to marks of 0-8 and 1-12 before rebounding under Rice to win the last three games. In the season finale, the Bengals blasted Cleveland 48-16, setting series records for points and victory margin.

1979 After six straight losses to open the season, the Bengals stunned Pittsburgh 34-10, recovering seven Steeler fumbles. CB Ray Griffin ran back an intercepted pass a club-record 96 yards in a 26-24 loss to San Diego. Pete Johnson powered his way to 15 TDs, but the Bengals struggled to their second straight 4-12 record. Former Cleveland coach Forrest Gregg was named to replace Rice as head coach.

1980 Scoring touchdowns was the major problem as the Bengals went 6-10 in 1980. They managed only 244 points, lowest in the AFC. Anderson had a sub-par year with only six touchdown passes. The Bengals won only one of their first five games, but upset defending Super Bowl champion Pittsburgh twice. First-round draft choice Anthony Munoz impressed at offensive tackle.

1981 The Bengals unveiled new uniforms with tiger-striped helmets, jerseys and pants. They had at least a share of the AFC Central lead the entire season and, on December 13, Anderson threw two touchdowns as the Bengals clinched the division with a 17-10 victory over the Steelers. Cornerback Louis Breeden tied an NFL record when he returned an interception 102 yards for a touchdown in Cincinnati's 40-17 victory over the Chargers in San Diego. Anderson led the NFL in passing with a 98.5 rating. On January 3, the Bengals beat the Buffalo Bills 28-21 in an AFC divisional playoff game. A week later, playing in their first AFC Championship Game, the Bengals defeated San Diego 27-7 at Riverfront Stadium in a temperature of nine degrees below zero with a wind-chill factor of minus 59. In Super Bowl XVI on January 24 in Pontiac, MI, the Bengals trailed 20-0 at halftime and couldn't make up the deficit, losing to San Francisco 26-21.

1982 The Bengals followed up their Super Bowl season with another strong showing. They finished the strike-shortened season behind only the Raiders with a 7-2 mark. The Jets caught them sleeping in the first round of the playoffs, though, beating the Bengals 44-17. Anderson led the AFC in passing for the fourth time as the Bengals boasted the second-best offense in the NFL.

1983 The Bengals' season looked promising at the start of 1983, but a horrendous opening brought about a premature ending. Cincinnati started the season by losing six of its first seven games. The Bengals never recovered and finished 7-9. Despite the losing record, the Bengals claimed the top overall defense in the NFL. In the off-season, Gregg resigned as head coach and Sam Wyche was named as his replacement.

1984 Pete Johnson was traded to San Diego for running back James Brooks. The Bengals lost their first five games, then bounced back to win eight of the last 11 and force the AFC Central Division championship race into the final week of the season, only to fall a game short of Pittsburgh. Cincinnati finished 8-8.

1985 Wide receiver Eddie Brown from Miami (Fla.) was the Bengals' top draft choice. Wide receiver Isaac Curtis, a premier Bengal for 12 years, retired shortly before training camp opened. Cincinnati finished 7-9 and was in the thick of the AFC Central race, which Cleveland won with an 8-8 record. Second-year quarterback Boomer Esiason replaced Ken Anderson. Offensive tackle Anthony Munoz was named to the AFC Pro Bowl team for the fifth consecutive time. The Bengals set a club scoring record with 441 points.

1986 Cincinnati's No. 1 choice in the college draft was Washington linebacker Joe Kelly. Wide receiver Tim McGee of Tennessee was drafted later in the first round. Punter Pat McInally retired. The Bengals unleashed a high-powered offense in their battle for the AFC Central Division title and finished 10-6, narrowly missing a playoff berth. Tackle Anthony Munoz was selected to the AFC Pro Bowl team for the sixth year in a row. He was joined by guard Max Montoya, running back James Brooks and quarterback Boomer Esiason. Linebacker Reggie Williams was selected "One of the Top 10 Young Men in America" by the United States Jaycees. Later, Williams was selected NFL Man of the Year for his efforts to charity and the community. Munoz was named Seagrams' top offensive lineman of 1986.

1987 The Bengals won their season opener in Indianapolis, but then the season turned sour. They lost the next week to San Francisco, suffered the turmoil of the NFL players' strike for the next three weeks, and were unable to regroup when the strike was over. Their 4-11 record was their worst since 1979. Individual bright spots included Jim Breech leading the AFC in scoring with 97 points, Anthony Munoz being voted to his seventh straight Pro Bowl, and nose tackle Tim Krumrie making his first Pro Bowl.

1988 The Bengals brought about the biggest turnaround in NFL history by rising from their 4-11 finish of 1987 to a 12-4 regular-season record. They won the AFC Central Division title, and defeated Buffalo 21-10 for the AFC Championship on January 8 (1989). On January 22 (1989), they appeared in their second Super Bowl and lost 20-16 to San Francisco when the 49ers scored a touchdown with 34 seconds remaining in the game. Coach Sam Wyche's team posted a 14-5 mark in regular and postseason play, best in the NFL. Wyche received numerous honors for his brilliant coaching and nine Bengals were selected for the Pro Bowl — quarterback Boomer Esiason, nose tackle Tim Krumrie, tackle Anthony Munoz, guard Max Montoya, tight end Rodney Holman, wide receiver Eddie Brown, running back James Brooks, safety David Fulcher and cornerback Eric Thomas. Esiason was voted the NFL's Most Valuable Player and Munoz the top offensive lineman. In January of '88, linebacker Reggie Williams received the "Sportsman of the Year" award from Sports Illustrated. Defensive back Rickey Dixon, an All-American from Oklahoma, was the Bengals' first selection in the 1988 draft. "Ickey" Woods, the top rusher in college football in 1987 while at Nevada-Las Vegas, was Cincinnati's second choice. Woods led the Bengals in rushing in 1988 with 1,066 yards.

1989 The Bengals traded their first round draft choice to Atlanta for three later selections. Eric Ball, a running back from UCLA, was Cincinnati's first selection, coming in the second round. The Bengals,

hit hard by injuries throughout the season, went 8-8 and narrowly missed gaining a spot in the playoffs. Six Bengals were selected for the Pro Bowl — tackle Anthony Munoz, quarterback Boomer Esiason, strong safety David Fulcher, running back James Brooks, tight end Rodney Holman and guard Max Montoya.

1990 The Bengals drafted Baylor linebacker James Francis in the first round of the draft. Running back Harold Green of South Carolina was the second round choice. Cincinnati posted a 9-7 regular season record to win the AFC Central Division Championship and move into the playoffs, where the Bengals belted the Houston Oilers 41-14 before losing to the Los Angeles Raiders 20-10 in the second round. Three Bengals were selected for the Pro Bowl game — tackle Anthony Munoz, tight end Rodney Holman and safety David Fulcher.

1991 Cincinnati drafted outside linebacker Alfred Williams, an All-American from Colorado, in the first round of the 1991 draft. Paul Brown, founder of the Bengals and a member of the Pro Football Hall of Fame, died August 5. The Bengals had a 3-13 season record. Dave Shula replaced Sam Wyche as head coach following the season.

1992 The Bengals made quarterback David Klingler, who played in college for the University of Houston, their No. 1 draft choice. Klingler started four of the final five games of the season in which the Bengals finished 5-11. Harold Green rushed for 1,170 yards and was selected to play in the Pro Bowl. All-Pro Anthony Munoz played his final game for the Bengals. Michael Pope was named offensive coordinator after the season and Ken Anderson was signed as coach of the quarterbacks.

1993 Defensive lineman John Copeland, an All-American from Alabama, was the Bengals' first-round draft choice. The Bengals acquired cornerbacks Sheldon White and Mike Brim and quarterback Jay Schroeder, who were unrestricted free agents, and lost cornerback Eric Thomas, wide receiver Tim McGee, safety Barney Bussey and tight end Jim Riggs. Quarterback Boomer Esiason was traded to the New York Jets for a third-round draft choice. The young Bengals lost their first 10 games before defeating the Los Angeles Raiders 16-10. Cincinnati then had wins over the Los Angeles Rams 15-3 and the Atlanta Falcons 21-17 in the final weeks of the season to finish 3-13.

1994 The Cincinnati coaching staff underwent a change when Bruce Coslet, former head coach of the New York Jets, returned as the offensive coordinator and Larry Peccatiello became the defensive coordinator after Ron Lynn resigned. The Bengals signed eight veteran free agents while losing only one and they used the top pick in the draft on Ohio State defensive tackle Dan Wilkinson. The team lost its first eight games of the season. With quarterbacks David Klingler and Erik Wilhelm sidelined with injuries in the eighth contest, third-string quarterback Jeff Blake started against two-time defending Super Bowl champion Dallas and nearly pulled off the upset victory before losing, 23-20. Blake went on to amaze the league with his performances and never relinquished his starting role. The Bengals finished 3-13.

1995 The Bengals traded up in the first round of the draft for the first time in club history, and selected Penn State running back Ki-Jana Carter with the No. 1 overall pick, obtained from Carolina. Carter suffered a knee injury in the third preseason game and missed his entire rookie season. Nonetheless, the Bengals made a dramatic improvement over the previous four years, going 7-9 with five losses by just three points each. Quarterback Jeff Blake, wide receiver Carl Pickens and kicker Doug Pelfrey posted record Bengal seasons, and Blake and Pickens went on to start in the Pro Bowl.

1996 For the first time since the 1987-88 off-season, the Bengals' entire coaching staff returned and no new coaches were added. In March, Hamilton County voters approved a half-cent sales tax increase, the majority of which would fund new and separate stadiums for both the Bengals and major league baseball's Cincinnati Reds. The Bengals drafted tackle Willie Anderson out of Auburn with their first-round pick.

BENGALS TOUGH IN OT

The Bengals are among the NFL's elite teams in regular-season overtime, with a 12-6 record and .667 winning percentage. From a standpoint of total victories plus winning percentage, Cincinnati arguably is the best.

Only Minnesota (13-12-2) has more overtime wins, and the Vikings have played nine more overtime games than Cincinnati. Only Buffalo has a better winning percentage, and the Bills have only 9 total wins (9-4, .692).

Former Bengal Jim Breech kicked an NFL-record nine winning field goals in overtime, never missing one in an extra period.

Overtime for regular-season games was instituted in the NFL in 1974.

BENGALS RADIO NETWORK

PAUL KEELS

DAVE LAPHAM

Paul Keels and Dave Lapham team up on the Bengals Radio Network for the first time in 1996.

Keels, one of the region's top play-by-play sportscasters, was named the new "Voice of the Bengals" on May 4. He becomes the third play-by-play voice in club history, succeeding Phil Samp (1968-90) and Ken Broo (1991-95).

Keels spent five of the last seven years as the play-by-play announcer for University of Cincinnati football and basketball. A graduate of Moeller High School and Xavier University in Cincinnati, Keels has also done play-by-play for University of Michigan sports, the NBA Detroit Pistons and the USFL Michigan Panthers. He recently has done NFL and college football games for the Mutual Radio Network.

Lapham has provided color commentary on Bengals games since 1986. Lapham, an All-American offensive lineman at Syracuse, was selected by Cincinnati in the third round of the 1974 NFL draft and remained a standout pro guard with the Bengals through the 1983 season. He is also a sports analyst for WCPO-TV.

The Bengals Radio Network, headed by flagship stations WCKY-AM 550 and WLW-AM 700 in Cincinnati, is comprised of over 30 stations in Ohio, Kentucky, Indiana, Pennsylvania and West Virginia.
