THE CLEVELAND BROWNS
ARE COMMITTED
TO CHAMPIONING
YOUTH FOOTBALL, EDUCATION AND
SOCIAL JUSTICE
IN OUR COMMUNITY AND
THROUGHOUT OHIO.

THE BROWNS HAVE A UNIFIED AND FOCUSED PHILANTHROPIC MISSION WITH **"BROWNS GIVE BACK"** THAT EXTENDS THROUGHOUT NORTHEAST OHIO

Led by Dee and Jimmy Haslam, Whitney and JW Johnson, COO David Jenkins, EVP/GM Andrew Berry and Head Coach Kevin Stefanski, the entire Browns organization – coaches, players and front office members – are dedicated to creating meaningful impact in the communities in which we live and work by investing their time and resources under the Browns Give Back platform.

The target of these endeavors is devoted to three focus areas: EDUCATION, YOUTH FOOTBALL and SOCIAL JUSTICE. The Browns also remain committed to their social justice efforts through #BETHESOLUTION and INSPIRE CHANGE.

"We understand the impact this franchise has on the community and recognize that it's ours and the entire Cleveland Browns organization's responsibility to be a driving force for positively enhancing Northeast Ohio," said Managing and Principal Partners, Dee and Jimmy Haslam. "The city of Cleveland has given so much support to the Browns, and through our Browns Give Back initiative-- which focuses on education, youth football and social justice-- we aim to advance these three areas across our region through impactful programming, and strategic funding that creates measurable results.

The Browns' emphasis on education and youth football advances their unwavering commitment to prioritize the well-being of children, who symbolize the future of our city. When the children of Northeast Ohio succeed and accomplish their goals it becomes a collective victory, for everyone in the area, including the Browns. The same goes for volunteerism, which is encouraged and amplified through First and Ten, not only locally but in the cities in which fans and teammates live.

*The Cleveland Browns are committed to assisting in the development, safety and growth of youth and high school football throughout Northeast Ohio with year-round programming for players, coaches, officials and parents. Through camps, clinics and other initiatives, the Browns goal is to promote **healthy social**, **emotional**, **intellectual** and **physical development** of youth by enhancing opportunities for youth football participation and education.*

CLEVELAND BROWNS FIELD PROJECTS

As part of the Browns' dedication to education, youth and high school football as well as Northeast Ohio, Dee and Jimmy Haslam, JW and Whitney Johnson and the Browns organization have helped install 14 high-quality synthetic turf fields in the past seven years at schools and community organizations throughout the region. While each field is lined to permit frequent use by various sports groups, including football, soccer, and more, one primary focus is to offer youth educational tools through these "outdoor class-rooms," which allow opportunities to participate in extracurricular activities that support attendance, school engagement and overall personal growth. The site selection process prioritizes promoting equal access to beneficial educational resources to everyone throughout the community, no matter their race, gender or economic status.

The project launched in May 2016, when the Haslams and Browns committed to new surfaces at five Cleveland Metropolitan School District (CMSD) schools over a two-year span. During the community impact project's planning stages, CMSD identified five locations that would create the most significant results throughout the city. Three fields – Roye Kidd Field, James F. Rhodes Field and Bump Taylor Field – were completed for the start of the 2016 high school football season, while John Adams Field and John Marshall Field finished construction in fall 2017.

Throughout the region, the new field installments, the physical education classes and local community members have also received additional access to the spaces, given many time limitations related to grass field maintenance have been eliminated with the implementation of synthetic turf.

In 2022, the Browns completed two new high school fields – one at Olmstead Falls City Schools Vitamix Field at Charles Harding Memorial Stadium and one at Akron Public Schools' Buchtel Stadium. This past spring marked the completion of Lou Groza field at Roehm Athletic Complex, bringing the total to 14 fields since 2016.

BROWNS GIVE BACK - YOUTH FOOTBALL

HELMETS PROGRAM

HELMETS, presented by Meijer and in association with University Hospitals and Xenith, aims to advance player safety by awarding two eligible Ohio area high school football programs with $25,000 in new Xenith football helmets. As a prerequisite, programs must commit to enhancing player health and safety by enrolling in USA Football's medically endorsed Youth Football Certification course, which offers certification clinics to educate coaches about concussion recognition and response protocols, proper equipment fitting, shoulder tackling, heads up blocking, heat emergency preparedness and hydration and sudden cardiac arrest. The Browns most recently awarded 300 custom helmets to 10 Rookie Tackle programs and two high schools (Liberty High and Brush High) across Northeast Ohio during 2023 Training Camp.

JR. BROWNS

As part of the Cleveland Browns' commitment to assisting the development, safety and growth of youth and high school football throughout Ohio, Jr. Browns NFL FLAG is the team's official youth football program committed to children 5-14 years (K-8th grade). It provides boys and girls opportunities to play in one of the NFL's largest organized non-contact football leagues.

BROWNS GIVE BACK - YOUTH FOOTBALL

LEGENDS CLINICS

With the new high-quality synthetic turf fields throughout Greater Cleveland, Akron, Lorain and Toledo, the Browns have helped create new opportunities to play football in the region. To further their support, the Browns in the summer of 2018 introduced the Cleveland Browns Legends Clinic. Through the program, nearly 3,500 kids have already had the opportunity to attend a free clinic where Browns alumni serve as Play Football Ambassadors while high school coaches offer up tips and hands-on instruction. The sessions include fundamental football skills stations, contests, and non-contact games in a high-energy, fun, and positive environment to promote a love of the game for youth participants.

ROOKIE TACKLE

Introduced in 2016 as a modified form of the game, Rookie Tackle launched in 2017 in Northeast Ohio. The Browns and local youth football organizations across the country are hosting Rookie Tackle programs to further introduce the new education and skills-progression focused version of the sport.

The Cleveland Browns were the first NFL team to help coordinate USA Football's "modified tackle" football scrimmages and a Rookie Tackle pilot league within their home market as the two organizations continue their partnership and dedication to advance youth players' enjoyment of playing the country's most popular sport.

Rookie Tackle was created to provide a playing structure and format to serve as a youth football development bridge between flag football and 11-player tackle. In line with other sports' development models, Rookie Tackle offers young participants an opportunity to be introduced to or progressively learn more about football fundamentals, strategy and the game itself before advancing to full 11-on-11, 100-yard competition that is equivalent to the high school, collegiate and professional ranks.

YOUTH FOOTBALL CAMPS

The Cleveland Browns Youth Football Camp Series, in association with University Hospitals, helps kids sharpen their skills as they work on all the basics from passing and kicking to blocking and defense. Participants were given the opportunity to be coached by local high school coaches, participate in daily challenges and experience once-in-a-lifetime activities. Camp sessions in 2023 took place at CrossCountry Mortgage Campus, training facility of the Cleveland Browns, and Fortress Obetz Field near Columbus. This past summer over 150 athletes received scholarships to the camps to ensure kids who wanted to play had the opportunity to.

HIGH SCHOOL GAME OF THE WEEK

The Cleveland Browns High School Game of the Week (HSGOTW) returns this fall for the 14th consecutive year, presented by Ohio CAT in association with ForeverLawn. Since the program began, more than eight million votes have been submitted for weekly matchups posted on ClevelandBrowns.com, making the Game of the Week page one of the most visited pages on ClevelandBrowns.com. Last year, St. Ignatius High School Football Head Coach Chuck Kyle was named the 2022 Cleveland Browns High School Coach of the Year. Through the program, $24,000 was distributed to support multiple teams' programs' health and safety. In addition, we were proud to celebrate the Glenville football as the first ever CMSD school to be named state champion.

ADAPTED FOOTBALL LEAGUE

Established in 2011 as the first competitive adapted football program in Ohio, the Cleveland Browns Adapted Football League gives children and adults of all abilities the opportunity to participate in an organized, competitive and developmental sport that would otherwise be unavailable to them. The primary focus for each player includes (1) skill development, (2) social interaction and (3) physical exercise. The league is organized into two divisions, including one for players using wheelchairs.

The Adapted Football League began its 13th season in June 2023, in partnership with Achievement Centers for Children and serves over 120 athletes each year.

GIRLS HIGH SCHOOL FLAG FOOTBALL

The Browns and Northeast Ohio Flag Football (NEO Flag) launched the first-ever All Girls High School Division in the state of Ohio in 2021. Girls flag football is gaining popularity in high schools and colleges throughout the country, and women's flag football is officially a National Association of Intercollegiate Athletics (NAIA) varsity sport – thanks to a two-year partnership between the NAIA, the National Football League (NFL) and Reigning Champs Experiences (RCX).

Together the Browns and NEO Flag have been working to elevate girls flag football to promote equality in sports offered at the high school level. Ultimately, the Browns aim to ensure Girls High School Flag Football becomes a sanctioned varsity sport under the Ohio High School Athletic Association. The league featured nine teams and more than 125 athletes during its first season and has grown to 30 teams and over 450 participants.

IMPACTING THE LAND - #BETHESOLUTION

Following the tragic death of George Floyd in 2020, and as protests spread from coast to coast and across the globe, Browns Executive Vice President of Football Operations and General Manager Andrew Berry on June 5 sent a passionate email to all Browns employees. Ultimately, it served as the inspiration for a call to action that now includes Browns fans through the team's **#BeTheSolution** campaign. Berry's email started with a message of empathy and sympathy to those who have struggled to focus on the day-to-day not only because of what was transpiring in the wake of Floyd's death, but also the tragedies involving Breonna Taylor, Ahmaud Arbery and others victims representing the African-American community. In his email, Berry encouraged staff to take one of three significant steps to educate themselves and/or make a donation to an organization committed to social equality initiatives. Berry's call to action encouraged the organization to be instruments for change and since its inception to the Cleveland Browns organization, programming has been put in place:

Bill Willis Coaching Fellowship: The Browns created the **Bill Willis Coaching Fellowship** in 2021 to provide opportunities for a rising minority coach with a focus on the offensive side of the ball. The Fellowship honors Bill Willis, who helped break the color barrier in the NFL and played for the Browns from 1946-1953. Ashton Grant, the first recipient of the team's Bill Willis Coaching Fellowship, earned a full-time role with the Browns as an offensive quality control coach in 2022 after two years as a fellow and is now the team's offensive assistant/quarterbacks coach. Israel Woolfork was the second recipient of the fellowship and recently was named the quarterbacks coach of the Arizona Cardinals.

Build The Bridge: The Browns partnership with **Build the Bridge** through **#BeTheSolution** was established by Cleveland Heights coaches Mac Stephens and Kahari Hicks and Lorain Head Coach Damion Creel. Build the Bridge strives to create a coalition of coaches, players, parents, administration and community members to foster the success of student-athletes through social-emotional, educational, and athletic advancement. The program creates opportunities for all team members to build relationships and mutual respect between diverse communities, regardless of their race, class or creed.

Cleveland Huddle: The **Cleveland Huddle** began in February 2021 in alignment with the team's Black History Month celebration and **#BeTheSolution** initiative to assist Black-owned restaurants while also providing food relief to individuals in need. To date, the program has served over 10 different restaurants and homeless shelters.

Inspire Change Jim Brown Changemakers Award: As part of the NFL's 2022 Inspire Change Changemaker Awards, one of which is honored by each of the league's 32 teams, the Browns announced their accolade would be called the "**Inspire Change Jim Brown Changemakers Award**" to honor Pro Football Hall of Famer Jim Brown, who was a civil rights leader during and beyond his football career. The Founders of "Build The Bridge" (Mac Stephens, Kahari Hicks and Damion Creel) were the first-ever recipients of the award and received a $10,000 contribution as part of the recognition, as well as tickets and travel accommodations to Super Bowl LVII in Arizona.

Uniting Neighbors: Head Coach Kevin Stefanski has been influential in furthering the team's **#BeTheSolution** efforts through his Uniting Neighbors events. Through community-centric events, Stefanski has aimed to create meaningful engagement between Cleveland youth and Cleveland safety forces.

More information on the team's engagement through the NFL Inspire Change initiative are detailed on the following page.

#BETHESOLUTION CALL TO ACTION:

1) Spend at least 8 minutes and 46 seconds (in honor of Floyd) on one of a number of educational or dialogue items available and submit a short written or video reflection about what they learned or will do moving forward
2) Sign up for any social activism initiative
3) Donate funding to a social activism cause

IMPACTING THE LAND - BROWNS SOCIAL JUSTICE INITIATIVES

As part of the league's Inspire Change initiative, the Cleveland Browns stand in solidarity through their Be The Solution initiative with all the people across our community and country making the commitment, effort and sacrifice necessary to demand and work together towards positive change. Over the past five years, the organization has distributed over $2 million in grants that impact aligned social justice initiatives. The Cleveland Browns organization is committed to becoming an instrument for change in the following areas:

1. **Economic advancement through a focus on championing Black & minority-owned businesses and supporting the re-entry process.**
2. **Police and community relations.**

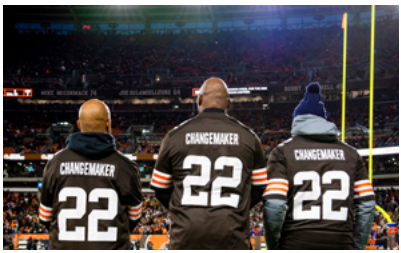

CL3 Alliance: In July of 2020, the Browns, Cleveland Cavaliers and Cleveland Guardians teamed up to form the **CL3 Alliance**, a social justice partnership focused on four pillars–education, law enforcement, voting, and community engagement. The Alliance has hosted 13+ Conversations for Change, encouraging dialogue between hundreds of youth and law enforcement officers.

EDWINS Leadership & Restaurant Institute: The Browns have invested in the areas of criminal justice reform as well as re-entry programs by annually supporting **EDWINS Leadership & Restaurant Institute**–including more than $300,000 in grants since 2017. Founded in 2007, **EDWINS Leadership & Restaurant Institute** gives formerly incarcerated adults a foundation in the culinary and hospitality industry while providing a support network necessary to their long-term success. To date, less than one percent of **EDWINS** graduates have been reincarcerated. During the five years of the partnership, the Browns have helped fund Leadership Training, Expansion/Creation of both the Butcher Shop and Family Housing, in addition to helping fund curriculum that over 450,000 inmates have access to.

JumpStart: In partnership with **JumpStart**, the Browns aim to help bridge resource gaps and accelerate economic outcomes for black and minority-owned small businesses throughout the City of Cleveland and Northeast Ohio. Since joining forces with JumpStart two years ago, the partnership has held four Small Business Impact Showcases--a demo style competition where program participants use their knowledge and skills to present their pitch to a panel of judges for a chance to take home up to $10,000 to grow their business. In addition, two Small Business Training Camps were hosted at Cleveland Browns Stadium where participants learned fundamentals of securing small business capital from industry leaders and business advisors, including keynotes, workshops, business networking and a four-minute pitch competition featuring Cleveland-based entrepreneurs vying for opportunity to take home cash prizes to grow their business. The partnership has resulted in over 25 minority and black-owned businesses experiencing growth in significant employment and revenue.

In an effort to fully support the **NAACP's Freedom Fund** and their mission to ensure the political, educational, social, economic equality of rights of all persons and to eliminate race-based discrimination, the Browns have been avid contributors and hosted the 2023 Cleveland NAACP Branch Freedom Fund Dinner at Cleveland Browns Stadium.

Legal Aid: To support individuals facing housing challenges or potential eviction, the team has funded a full-time position with **Legal Aid** through its partnership, encompassing $240,000 in funding. **Legal Aid**, a free service for its beneficiaries, secures justice and resolves fundamental problems for those who are low income and vulnerable by providing high quality legal services.

DEE AND JIMMY HASLAM

MANAGING AND PRINCIPAL PARTNERS
SCHOOL UNIVERSITY OF TENNESSEE
HOMETOWN KNOXVILLE, TENN.
NFL EXPERIENCE 13TH YEAR
BROWNS EXPERIENCE 12TH YEAR

Dee and Jimmy Haslam have created three primary areas of focus to set the team's culture in Cleveland and help direct all important processes and decisions for the organization. The club's standard is centered on providing a consistently winning team on the football field; taking exceptional care of the team's fans by providing a premier experience throughout the year; and striving to make a positive impact in the Northeast Ohio community with an emphasis on education, youth football, community engagement through volunteerism while advocating for social justice.

The Haslams are committed to restoring championship football in Cleveland. To best position the team for success, the Haslams have consistently invested in the organization and its facilities to provide the best resources available, while working diligently and responsibly in partnership with the City of Cleveland and the City of Berea.

MAKING A DIFFERENCE

Dee and Jimmy are immersed in numerous philanthropic and community endeavors to impact Northeast Ohio and have always taken a proactive approach to help address the needs of their communities. Upon becoming owners of the Browns, they quickly engaged themselves in the Northeast Ohio community.

The Haslams are deeply immersed in supporting programs for youth hat remove barriers and improve chances for success academically and motivate children to go to school. They have focused on renovating football fields throughout Northeast Ohio to enhance the football programs but also improve physical education offerings for students and allow community groups to benefit. These community assets are not only used for sports but for recreational programs that keep children and families active, engaged and inspired.

The Haslams have helped refurbish many Cleveland public school's athletic fields, installing 14 high-quality synthetic turf fields across Northeast Ohio. Beginning in 2016, Dee and Jimmy announced a commitment to provide five Cleveland Metropolitan School District (CMSD) fields with high-quality synthetic turf during the next two years. Three fields – Roye Kidd Field, James F. Rhodes Field and Bump Taylor Field – were renovated before the start of the 2016 high school football season. In 2017, renovations were completed on John Adams Field and John Marshall Field. The fields are available to all CMSD schools and are lined to accommodate multiple sports to offer more students opportunities to benefit from the upgraded playing surfaces. In 2018, the field project expanded beyond Cleveland with fields in Toledo, Lorain and eventually Akron and East Cleveland.. The Haslams have also initiated the turf field project in Knoxville, providing funding to transform 13 fields at area high schools.

The Haslams have invested $11 million in Breakthrough Charter Schools, which helps provide equal educational opportunities for local youths throughout greater Cleveland. In 2019, the Cleveland Browns also launched the "Get 2 School, Stay in the Game" Network, in partnership with the Ohio Department of Education and Harvard University's Proving Ground, to promote the importance of school attendance and put an end to chronic absenteeism.

Dee and Jimmy have led the Browns efforts and impact in the social justice space. They have met with Browns players to support their ideas and efforts in determining the best ways to make an impact. Since, 2017 the team has donated over $2 million to organizations that work to impact the space. The Browns have hosted three social justice summits; two that brought together the Cleveland Police Department with Cleveland Metropolitan School District high school students to create

a forum for open and honest dialogue about social injustice and another that brought community and civic leaders to the Browns facility to engage players and the entire organization. Players have also participated in ride-a-longs with local police departments and the Haslams have provided written testimony in support of state criminal justice reform bills. Dee sits on the NFL's social justice committee that works directly with players to advise league on social justice initiatives and funding of programs.

Since 2022, the Browns through their social justice efforts have supported minority and black-owned businesses through a partnership with Jumpstart, a Northeast Ohio-based, nationally recognized venture development organization providing capital, services, and connection to help entrepreneurs grow and corporations innovate. With Haslam's support, the team has hosted hundreds of minority entrepreneurs at small business boot camps at Cleveland Browns Stadium and has provided capital grants to participants of Jumpstart's business accelerators cohorts. Since partnering with JumpStart, over 25 minority and black-owned businesses across Northeast Ohio that have participated in the cohorts have experienced significant employment and revenue growth.

In November of 2020, through donations from players and matched by the Haslam family, $350,000 was raised to purchase equipment for the East Cleveland school district so their students could learn remotely during the pandemic when the digital divide became even more pronounced in underserved communities.

In January of 2019, Dee participated in a panel discussion as part of the R.I.S.E. Super Bowl Champions of Change Town Hall at the King Center in Atlanta, Georgia to discuss team ownerships' role in the league's social justice initiative.

Dee and Jimmy Haslam were presented with the Maltz Heritage Award that recognized their transformational leadership, civic engagement, and philanthropic contributions in Northeast Ohio.

Dee and Jimmy launched the Haslam Sports Group Diversity and Opportunity Fellowship in 2021. Designed to improve the pipeline of diverse future sports industry leaders, the year-long sports business fellowship provides a unique, immersive opportunity to recent college graduates. The fellowship program provides a range of experiences in several sports business disciplines across the two major league professional sports teams that comprise Haslam Sports Group (Cleveland Browns and Columbus Crew SC) to expand the participants' knowledge of and experience in the business of professional sports and prepare them for a successful career.

In 2022, the Browns received inaugural John B. Wooten Award by the Fritz Pollard Alliance. The award honors NFL teams that embody workplace diversity, equity and inclusion across the hierarchy. The Browns have filled their business and football operations departments with multiple fellowships and diverse hires that have helped the organization grow.

In March of 2020, Dee and Jimmy on behalf of the Haslam family pledged $1.5 million to COVID-19 relief funds throughout the state of Ohio. Through their Haslam 3 Foundation, the Haslams earmarked $1 million to the Greater Cleveland COVID-19 Rapid Response Fund and $500,000 to the Columbus Foundation's Emergency Response Fund.

"We are humbled by the tremendous work of people around the world in their efforts to help those impacted by COVID-19 and we wanted to try to positively impact those affected in our own communities of Cleveland and Columbus," Dee and Jimmy Haslam said. "We are grateful for the individuals who are putting others before themselves and for the sacrifices they are making."

In August of 2019, the Haslam 3 Foundation donated $4.5 million to education-based programs that give school-aged children more access to three arts organizations in Cleveland: Playhouse Square, the Rock and Roll Hall of Fame and the Cleveland Orchestra.

"Education is one of our priorities," Dee Haslam told Cleveland.com after the donation. "We know that engaged students are more likely to go to school. We're able to help in a way that may make a difference and excite these children to be engaged in something that touches their hearts,"

In 2017, the Browns' philanthropic efforts through the Cleveland Browns Foundation, Community Relations and personal giving from the Haslams, coaches, players and the rest of the Browns organization were unified with the creation of "Browns Give Back."

The Haslams established a focus and direction for the Browns Give Back initiative, with a commitment to make a continuing impact in education, youth football and community engagement through volunteerism. The foundation of the Haslam's philanthropy strategy is based on the belief that every child deserves a quality education. They have made improving education in underserved and disadvantaged communities a priority for their philanthropic efforts.

In December of 2019, the Haslams helped open the doors to the Haslam-Sansom Ministry Complex in the Lonsdale community of Knoxville, Tenn. The $8 million privatively funded project by the Haslam and Sansom families consists of 30,000 square feet and includes two fields, which can be used for soccer or football, a gymnasium with two full-sized basketball courts, a chapel, a community room and a medical clinic. It was built for the Emerald Youth Foundation and the complex will serve the more than 1,400 young people within Emerald as well as help hundreds of families in the underserved Lonsdale neighborhood.

The Haslams worked strategically and passionately to bring the NFL Draft to Cleveland, knowing the impact it could have on the community to host such a signature event. On May 22, 2019, Commissioner Roger Goodell announced that Cleveland would host the 2021 NFL Draft in partnership with the City of Cleveland, Greater Cleveland Sports Commission and Destination Cleveland.

Dee is also committed to the betterment of the Northeast Ohio community through her active involvement as a member of the board of directors for the Greater Cleveland Partnership; the United Way of Greater Cleveland (Executive Council); University Hospitals Systems; the Cleveland Orchestra; and the Rock & Roll Hall of Fame. She also serves on the boards of the University of Tennessee Haslam College of Business; the Emerald Youth Foundation; State Collaborative on Reforming Education (SCORE) in Tennessee; and is the acting chair of Lakeshore Park. Dee also serves on the board of the Greater Columbus Partnership.

In May of 2017, Dee was appointed by Governor Jeb Bush to ExcelinEd's Board of Directors, which is a foundation that has become a national leader in the education reform movement. She was also awarded an honorary doctorate after delivering the commencement speech at Baldwin Wallace University.

Dee and Jimmy helped co-found the Haslam Scholars Program in 2008. The program offers unique in-depth academic enrichment for top students at the University of Tennessee.

Jimmy also serves on the boards of the American Federation for Children, the National Association of Truckstop Operators and Anderson Media Corporation. In 2006, he served as Tennessee statewide campaign chair for Bob Corker, now a United States Senator. Jimmy was also the 2010 Tennessee statewide finance chair for Governor Bill Haslam. In October 2011, Jimmy was recognized as a "Significant Sig" by the Sigma Chi Foundation. Jimmy's additional civic involvement includes service on the boards of directors of Lakeshore Park in Knoxville, Tenn. He formerly served as campaign chair for both Knox Area Rescue Ministries and United Way of Greater Knoxville.

In June of 2017, Jimmy was honored by the Cleveland branch of the NAACP at its 105th Anniversary Celebration Freedom Fund Dinner.

To help further advance the NFL, Jimmy is a member of the league's business ventures, media, and Hall of Fame committees and chairs the investment committee. Dee serves on the social justice working group, legislative and conduct committees.

The Haslams received their first award as members of the NFL in 2014 when they were recognized by the Fritz Pollard Alliance with the Paul 'Tank" Younger Award for promoting diversity within NFL front offices.

During their tenure, the Haslams have also directed major renovation projects that resulted in a $125 million of upgrades to FirstEnergy Stadium and $15 million to the team's training facility, in partnership with the City of Cleveland and City of Berea.

BEYOND THE NFL

In January of 2019, the Haslams expanded their sports interests and investments when they reached an agreement with Major League Soccer to operate the Columbus Crew. After only two seasons in their role as investor-operators, the club captured MLS Cup 2020, their second championship in league history. Dee has led the efforts to create Lower.com Field, the new Columbus Crew downtown stadium, which officially opened in July of 2021.

The dynamic, modern and inspiring stadium is an accessible and inclusive community asset for the city of Columbus and serves as an anchor to the adjacent mixed-use development neighborhood called Astor Park that is set to open in 2023. Additionally, in June of 2021, the Crew opened the Ohio Health Performance Center, a new dynamic 42,000 square feet, first-in-class MLS training facility for all soccer operations, including First Team and Academy. Dee and Jimmy worked passionately to bring the MLS All-Star game to Columbus and the signature event will be held at Lower.com Field in 2024. Dee was also named to MLS's Board of Governors. After the family acquired the Crew, they formed the Haslam Sport Group (HSG). In addition to owning and operating the Crew and the Brown, HSG also explores various investment opportunities within the sports and entertainment industries. HSG recently became an investor in Misfits Gaming Group, a global esports and entertainment company.

This past April, HSG added to their sports portfolio when the NBA Board of Governors approved an ownership share purchase of the Milwaukee Bucks by Dee and Jimmy Haslam. The Haslams joined Wes Edens and Jamie Dinan as co-owners of the Bucks. The new ownership group will control and operate the Bucks; Fiserv Forum; the Froedtert and the Medical College of Wisconsin Sports Science Center, the team's training center, the Wisconsin Herd, the Bucks G League affiliate; and Bucks Gaming, the team's 2K League affiliate.

A native a Knoxville, Tenn., Jimmy Haslam began his career at Pilot Corporation in 1976, a company his family founded in 1958. In 1980, Haslam was named vice president of sales, development and operations. At that time, Pilot operated 100 convenience stores with annual fuel sales of about 125 million gallons. Under Jimmy's leadership as CEO of the Pilot Company, a position he had held since 1996 and the company saw exponential growth of its network and today supplies more than 11 billion gallons of fuel per year. Pilot has an industry-leading network of more than 950 retail and fueling locations that offer a variety of products, amenities and innovative solutions to make road travel easier. The Pilot Flying J travel center network includes locations in 44 states and six Canadian provinces with more than 680 restaurants. Pilot Company's energy division supplies fuel, DEF, bio and renewables and provides hauling and disposal services as the third largest tanker fleet in North America. In October of 2017, Warren Buffet's Berkshire Hathaway acquired an investment-stake in Pilot Flying J. Jimmy was thrilled to collaborate with Berkshire Hathaway and expressed those feelings in a recent interview, "Obviously to have a partner like Warren and Berkshire Hathaway, I think, is a tremendous honor for our team members. Pilot Flying J has always been a growth company, and obviously partnering with Warren is an opportunity to grow even more." On January 1, 2021, Jimmy became chairman of the board and remains in that position today.

Dee, an Emmy-nominated TV producer, was the executive producer and CEO of RIVR Media Companies. Since launching RIVR Media in 1999, Dee has been the executive producer for ground breaking series such as "Trading Spaces," "Whale Wars," "World Series of Poker," "Renovation Realities," "Fat Guys in the Woods," and "Escaping Polygamy." Recently, RIVR was named a Realscreen's Global 100 TV production company. In June of 2012, Dee started Nest Features, an independent film company that produces films in and about the American South. Prior to RIVR's launch, she worked in various production roles with Bagwell Communications and Cinetel Productions. Dee transitioned from her role as CEO at RIVR Media in early 2018 to devote more of her time to Cleveland but remains a partner and executive producer.

Dee's professional association memberships include: Academy of Television Arts and Sciences; In Counsel with Women; Women in Cable Telecommunications; International Women's Forum; C200; and the Society of International Business Fellows.

In July of 2018, Cleveland Crain's honored Dee as a Women of Note for her efforts and commitment towards the betterment of Cleveland.

The Haslams first became involved in the NFL by acquiring minority ownership of the Pittsburgh Steelers in 2008, marking the first time ownership of the franchise expanded beyond the Rooney and McGinley families. The Haslams kept that stake until taking control of the Browns.

On Aug. 2, 2012, Dee, Jimmy and the Haslam family agreed to purchase the Cleveland Browns. The sale was unanimously approved by NFL owners on Oct. 16, 2012, and the closing took place on Oct. 25.

The Haslams have three adult children and six grandchildren.

ANDREW BERRY

EXECUTIVE VICE PRESIDENT OF FOOTBALL OPERATIONS AND GENERAL MANAGER
SCHOOL HARVARD UNIVERSITY
HOMETOWN BEL AIR, MD.
NFL EXPERIENCE 15TH YEAR
BROWNS EXPERIENCE 7TH YEAR

Andrew Berry was named the Browns Executive Vice President of Football Operations and General Manager on Jan. 28, 2020. Berry re-joined the Browns staff after serving as Vice President of Player Personnel from 2016-18.

In his first season at the helm, Berry shaped a roster that helped the team to their first playoff appearance since 2002 and first playoff victory in 26 years. Berry used an aggressive approach to improve the roster during his first offseason, including inking DE Myles Garrett to a five-year contract extension and signing unrestricted free agent RT Jack Conklin. Both Garrett and Conklin went on to earn first-team All-Pro honors in 2020, while G Joel Bitonio and G Wyatt Teller were each second team selections. Berry also drafted offensive tackle Jedrick Wills in the first round of the 2020 NFL Draft, who made a successful transition from right tackle to left and earned All-Rookie Team Honors from the Pro Football Writers of America.

Prior to the 2021 season, the Browns signed RB Nick Chubb to a three-contract extension. Chubb, a four-time Pro Bowler, has finished second in the NFL in rushing yards twice (2019 and 2021) and third once (2022). During the season, the Browns inked Gs Joel Bitonio and Wyatt Teller to contract extensions. Bitonio, a five-time Pro Bowl selection and five-time All-Pro honoree, and Teller, a two-time All-Pro who earned his first Pro Bowl nod in 2021, were both signed through the 2025 season. During the 2021 NFL Draft, the Browns selected CB Greg Newsome and LB Jeremiah Owusu-Koramoah with their first two picks. Both players were named to the PFWA's 2021 NFL All-Rookie team.

Berry helped re-shape the Browns offense with two trades during the 2022 offseason. The team acquired four-time Pro Bowl WR Amari Cooper and three-time Pro Bowl QB Deshaun Watson. The team also signed two-time Pro Bowl CB Denzel Ward and TE David Njoku to contract extensions prior to the 2022 season.

Prior to the 2023 season, Berry continued his aggressive approach to improving the roster. The Browns traded for three-time Pro Bowl DE Za'Darius Smith and WR Elijah Moore. The team also signed Conklin to a four-year extension and C Ethan Pocic to a three-year extension. The club added a number of unrestricted free agents, highlighted by DT Dalvin Tomlinson.

In his first stint with the Browns, Berry first worked under Executive Vice President of Football Operations Sashi Brown followed by General Manager John Dorsey. He helped lead all talent evaluation efforts for the club, including college prospects and NFL free agents. He also helped in overseeing the club's scouting department and worked closely with other high-ranking members of the front office.

During Berry's first three drafts with the Browns, the team selected at least one future Pro Bowler every year: LB Joe Schobert (fourth round, 2016), DE Myles Garrett (first round, 2017), CB Denzel Ward (first round, 2018) and RB Nick Chubb (second round, 2018).

In between his stints with the Browns, Berry served as the Vice President of Football Operations with the Philadelphia Eagles in 2019. In his one draft with the Eagles, Philadelphia used a second-round pick on RB Miles Sanders, who went on to lead all NFL rookies in scrimmage yards with 1,327 and set an Eagles rookie rushing record with 818 yards.

Berry also spent seven seasons (2009-15) in the Indianapolis Colts front office, including his final four as pro scouting coordinator. He started with the Colts in 2009 as a scouting assistant and was promoted to pro scout in 2011 before being elevated to pro scouting coordinator in 2012. During his time in

Indianapolis, the Colts won four AFC South titles, made five postseason appearances and advanced to Super Bowl XLIV. From 2009-15, Indianapolis won 67 games, the sixth-most in the NFL during that span.

In the Colts' front office, Berry managed the free agency process, scouted upcoming opponents and evaluated NFL players and players from other professional leagues. He also assisted with college scouting, preparation for the NFL draft and participated in contract negotiations during free agency.

Berry graduated cum laude from Harvard University with a bachelor's degree in economics and a master's degree in computer science in four years. While at Harvard, he was a four-year starter as a cornerback and was a three-time All-Ivy League team selection and an All-America honoree. He totaled 125 career tackles and five interceptions playing for the Crimson.

Berry was one of five finalists for the John Wooden Citizenship Cup, which is awarded to the nation's highest-achieving student-athlete who best displays character, teamwork and citizenship. He was a finalist for the Draddy Trophy as the national scholar-athlete of the year and was named the 2009 Football Championship Subdivision Athletic Director Association Scholar-Athlete of the Year.

In June 2020, Berry sparked the #BeTheSolution campaign to emphasize education and encourage others to implement action for ending social and racial injustice practices. Berry created the challenge internally with an email to the Browns organization and donated $8,460 to the NAACP Legal Defense Fund for efforts after at least 50 employees completed one of the following in honor of George Floyd, Breonna Taylor, Ahmaud Arbery and many more who tragically lost their lives: 1. Spend at least 8 minutes and 46 seconds (in honor of Floyd) on one of a number of educational or dialogue items provided in the email and submit a short written or video reflection on what they learned or will do moving forward. 2. Sign up for any social activism initiative. 3. Donate anything to a social activism cause. The Haslam family pledged to match every dollar raised and contributed to the organizations of employees' choice to a social justice nonprofit. The Browns staff raised more than $185,000 in a two-week span for 14 different charities. Berry later invited fans, players and members of the media to join in the fight to #BeTheSolution.

In 2022, the Browns received inaugural John B. Wooten Award by the Fritz Pollard Alliance. The award honors NFL teams that embody workplace diversity, equity and inclusion across the hierarchy. The Browns have filled their business and football operations departments with multiple fellowships and minority hires that have helped the organization grow. Among the several diverse hires Berry has made was Kwesi Adofo-Mensah, who served as Vice President of Football Operations from 2020-21, until he was hired as the General Manager for the Minnesota Vikings in 2022. The Browns also hired Catherine Raiche as Assistant General Manager and Vice President of Football Operations, the highest-ranking female football executive in the NFL.

Berry and his wife Brittan have two boys, Zion and Kairo and a girl, Eden Ruth.

David Jenkins is in his 20th season with the Browns and sixth as the team's Chief Operating Officer. As COO, Jenkins leads the team's daily business operations and its long-term vision, directing all organizational goals related to the business, including financial management, revenue generation, marketing, stadium operations, government relations and administration.

Jenkins acted as one of the Browns' primary advocates, along with Dee and Jimmy Haslam, Whitney and J.W. Johnson and Haslam Sports Group executives, to bring the NFL Draft to Northeast Ohio. On May 22, 2019, Commissioner Roger Goodell and the NFL announced that Cleveland would host the 2021 NFL Draft, in partnership with the City of Cleveland, Greater Cleveland Sports Commission and Destination Cleveland. Hosted April 29-May 1, FirstEnergy Stadium and the lakefront served as the main hub for the 2021 NFL Draft in Cleveland, one of the country's largest events responsibly held with comprehensive COVID-19 protocols since the start of the pandemic. The event welcomed approximately 160,000 NFL and Browns fans in-person, including the league's NFL Draft Experience within FirstEnergy Stadium, and averaged 6.1 million viewers across TV and digital platforms, making it the third most-watched Draft in league history.

In addition to his responsibilities with the Browns, Jenkins also serves as the COO of Haslam Sports Group (HSG). He played a pivotal role in the Haslam and Johnson families' acquisition of the investor-operator rights to Major League Soccer's Columbus Crew, which officially transferred to HSG and partner Dr. Pete Edwards on Jan. 1, 2019. Jenkins was highly involved throughout each stage of an expedited franchise transition that kept the original MLS franchise in its rightful home city.

After acquiring operating rights to the Crew, HSG leadership directed the successful construction of Lower.com Field – a finalist for SportsBusiness Journals' 2022 "Sports Facility of the Year" award – and major renovation of the OhioHealth Performance Center. The Crew also raised the MLS Cup in 2020, their second league title in club history.

HSG's mission is to engage and unite communities through premier sports and entertainment experiences. It strives to create world class organizations that achieve sustainable success, provide a best-in-class fan experience and give back to their region, while serving as stewards of true community assets. HSG invests in strategic sports and entertainment opportunities. Its current portfolio includes the Cleveland Browns, operating rights to the Columbus Crew and current investments in Misfits Gaming Group, StatusPro, Jackpot.com, Lyte, Cast Iron Media, Wicket, ChargeFUZE, WNBA, ManCan and Courtside VC.

Prior to being elevated to COO, Jenkins spent three seasons as the team's Executive Vice President and five as Chief Financial Officer. He oversaw all finance-related departments of the organization – budgeting and strategic planning, financial reporting, audit and risk management – and in 2016, added stadium operations, legal, information technology and administration to his duties.

Joining the Browns in October 2004 as a financial and business analyst, Jenkins also held positions as the club's director of finance (2006), vice president of finance (2007-10) and senior vice president of finance & administration (2010-12). In 2007, he was the team's representative at the National Football League's management training program at Stanford University and was a participant in the Leadership Cleveland Class of 2009.

Jenkins began his professional career at Arthur Andersen LLP, where he served as a senior auditor from 1997-2002. He also worked in business development and auditing at KPMG

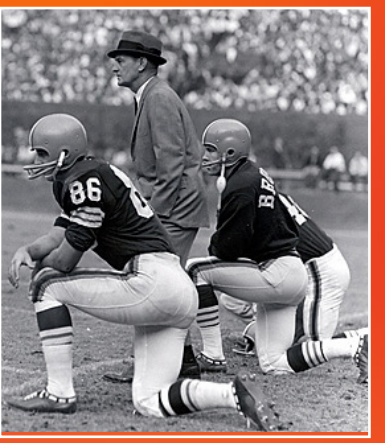

LLP, Proviti Inc. and STERIS Corporation prior to joining the Browns.

Jenkins, who is on Baldwin Wallace University's Board of Trustees, is a member of the board of directors for the Cleveland Browns Foundation, the Downtown Cleveland Alliance, the Greater Cleveland Sports Commission, and Cleveland Development Advisors, and previously contributed as a board member of the MetroHealth Foundation, Cuyahoga Community College Foundation, Achievement Centers for Children, Greater Cleveland Food Bank, the Berea Chamber of Commerce and Lakewood Catholic Academy. While with the Browns, he also served as an adjunct professor at his alma mater, Baldwin Wallace University, where he taught a class on finance in the sports industry.

A 2018 Cleveland Crain's Business C-Suite COO honoree, Jenkins is a native of East Rochester, N.Y. and earned his B.S. in business administration from Baldwin Wallace in 1997. He now resides in Westlake with his wife, Ada, and sons, Tony and Sonny.

PAUL BROWN'S INNOVATIONS

RENEE HARVEY

VICE PRESIDENT, CLEVELAND BROWNS FOUNDATION
SCHOOL IDAHO STATE UNIVERSITY
HOMETOWN DENVER, COLO.
NFL EXPERIENCE 22ND YEAR
BROWNS EXPERIENCE 22ND YEAR

Renee Harvey is in her 22nd year with the Browns and currently serves as Vice President and Executive Director of the Cleveland Browns Foundation. Named to the position in 2013, Harvey manages all long-term strategies and day-to-day operations for the Foundation and its commitment to education in Ohio through Browns Give Back and the Stay in the Game! Network.

Harvey is a member of the team's leadership group as the Browns have established a culture where supporting the community is prioritized as a main measurement of success, along with winning consistently and creating an exceptional fan experience. In 2017, Harvey helped develop and launch the team's philanthropic mission of Browns Give Back, the team's community platform that is dedicated to education, youth football and volunteerism, with a focus of sparking meaningful, long-term impact in those three key areas.

The Cleveland Browns Foundation, in partnership with the Ohio Department of Education and Proving Ground at Harvard University, created in 2019 the Stay in the Game! Keep Learning, Every Day! Network, a statewide initiative designed to promote the importance of school attendance and reduce chronic absenteeism. The Browns are dedicated to improving the quality of education for students in Ohio by making investments that keep kids in school every day so they can succeed, highlighted by the Stay in the Game! Network. The team and its network partners and collaborators deploy attendance-focused campaigns, sharpening school improvement plans, launch attendance strategies and evaluate the impact to better support Ohio's schools and districts through collective impact.

The Stay in the Game! Network engages local school districts and promotes quality education by using attendance data and feedback from families to build a school-going culture, uncover and reduce common barriers to attendance and support opportunities for students to thrive. To further advance that effort, Harvey and the Foundation also work with an esteemed advisory board of industry experts, which includes various Ohio government and educational non-profit leaders.

For the 2022-23 school year, the Stay in the Game! Network has partnered with 17 school districts, benefitting more than 150,000 students in Ohio. In June 2022, Columbus City Schools – the largest school district in the state – formally partnered with the Network to regularly engage with Haslam Sports Group's Columbus Crew to further address chronic absenteeism, along with Harvey's support.

No matter the circumstances, the Stay in the Game! Network will continue to encourage and support students to maintain a strong educational-going mindset to keep learning, every day, aligned with its overall goal to help end chronic absenteeism and provide all students equal opportunities to be successful. To learn more visit, visit stayinthegame.org.

During the COVID-19 pandemic, the Browns and Cleveland Browns Foundation also made significant contributions to address the digital divide with the focus of helping create equal educational opportunities for all students in Cleveland, which is currently cited as the community with the lowest availability of internet connectivity among the country's major cities. Along with other donations, the Browns distributed $350,000 to East Cleveland City Schools in 2020 to address educational needs related to the digital divide, as well as $60,000 to Maple Heights City Schools, made possible through the team's "Hats Off to Our Heroes" Fund. East Cleveland and Maple Heights are both partners of the Stay in the Game! Network.

Harvey also played a pivotal role in 2013 during

the execution of an eight-month evaluation and transformation of the Cleveland Browns Foundation, established in 1999, that resulted strategic plans committed to education. Emphasizing attendance, the Foundation's mission is to improve the quality of education for students in Ohio by making investments that keep kids in school every day so they can succeed.

A member of the Browns since 2002, Harvey previously strengthened the club's local and national philanthropic efforts as vice president of community outreach. She was responsible for strategic planning and implementation of all community relations and youth football initiatives. Harvey also directed the allocation of resources related to player appearances, financial support and in-kind contributions.

Prior to joining the Browns, Harvey spent four years with the NHL's Anaheim Ducks, leading the team's community outreach efforts and the Ducks Care Foundation. She guided the Foundation as it issued more than $1 million of grants each year and oversaw many successful fundraising events, including the creation of Dux in Tux, which raised more than $1 million for the Cystic Fibrosis Foundation in the first three years.

Harvey is a member of the Browns' internal social justice leadership team and contributes to the CL3 Alliance, a social-justice collaboration that includes the Browns, Cavaliers and Guardians. She serves on the board of the Rainbow Babies and Children's Foundation and is a member of the Philanthropy Ohio Education Advisory Committee and the United Way of Greater Cleveland Public Policy subcommittee.

Harvey received a B.A. in education from Idaho State University and an M.A. in sports administration at the University of Northern Colorado. A native of Denver, Colo., Harvey resides in Brunswick with her husband, Neal, and three sons.

- **2019** MINNESOTA VIKINGS, OFFENSIVE COORDINATOR
- **2020-** CLEVELAND BROWNS, HEAD COACH

Kevin Stefanski was named the 18th full-time head coach in Cleveland Browns history on January 13, 2020. He spent the previous 14 seasons with the Minnesota Vikings, where he moved up the coaching ladder from assistant to the head coach to offensive coordinator.

During the Browns 76-year history, the team has surpassed 6,000 scrimmage yards in a single season just six times but have reached the mark in all three seasons under Stefanski. Since 2020, the team ranks among the NFL leaders in most rushing categories including rushing yards (second with 146.7 yards per game), rush average (third with 4.85) and rushing touchdowns (tied for fourth with 60).

During his first three seasons, Stefanski has led the Browns to 27 total wins, the most by any Browns coach since the team's return in 1999. He has recorded a 16-9 record at FirstEnergy Stadium, while not recording a losing record at home in any season. His .640 win percentage at home is the club's highest over a three-year span since 1987-89 (.717).

In his first season with the Browns, Stefanski led the team to its first playoff appearance since 2002 and first playoff victory in 26 years. He notched the most wins (11) by a first-year Browns head coach since Paul Brown had 12 in the team's inaugural season in 1946. Stefanski's 11 regular season wins were the most by a first-year head coach in 2020 and marked just the 11th time since 1970 a first-year coach has won 11 or more games. Stefanski was named the NFL Coach of the Year and joined Forrest Gregg (1976) as the second coach in franchise history to earn the honor.

Stefanski's first season was unlike any other in NFL history as he and the club had to navigate the new realities and protocols presented by the COVID-19 pandemic. During his first offseason program, he and the staff had to install a new offensive and defensive system entirely virtual. Stefanski and his coaching staff didn't meet most of the players in-person until training camp, which was completely revamped to adhere to the league's protocols. During the second half of the season, the Browns dealt with numerous stops and starts to their schedule, including complete closures of the team facility, because of positive COVID-19 tests.

Despite the new norms, Stefanski, who serves as the team's play-caller, helped the Browns offense to some of its best numbers in generations. Cleveland's 408 points were its second-most in franchise history, while the club also finished with its second-best total in scrimmage touchdowns (48) and tied for the second-most first downs (355). The Browns finished third in the league in rushing with an average of 148.4 yards per game (the team's best since 1978).

Stefanski helped several Browns earn individual honors as DE Myles Garrett and RT Jack Conklin were named first-team All-Pros by the Associated Press, while G Joel Bitonio and G Wyatt Teller each earned second team honors. Garrett, Bitonio and RB Nick Chubb were selected to the Pro Bowl.

He didn't just bring the team together on

the field, he also brought them together in the community. As protests for social justice erupted all across the country during the summer of 2020, Stefanski carved out meeting time to allow the players time to discuss how they felt in the moment. They were also given time off during the funeral of George Floyd, whose controversial death spurred the movement. Stefanski then empowered them to "get in the arena" and use their platform to make a difference however they saw fit.

In 2021, the Browns led the NFL in rushing average with a 5.09 mark, which helped Chubb finish second in the league in rushing yards. The club's rush average was the highest by a Browns team since 1966. The team's 6,090 scrimmage yards were the fourth-most by the club in a single-season.

Defensively, the Browns finished the season fifth in the NFL in total defense, marking just the third time since 1970 that the team has ranked in the top-five and the club's highest finish since 1987. Garrett set the single-season franchise record with 16 sacks.

Stefanski helped five Browns earn Pro Bowl honors, the most by the team since 2013. Bitonio, Chubb, Garrett, Teller and CB Denzel Ward all earned Pro Bowl honors. Bitonio and Garrett also earned first team All-Pro honors, while Teller was named to the second team.

In 2022, the Browns recorded the third highest-rushing total in team history with 2,490. Chubb finished third in the NFL with 1,525 rushing yards. The team's 6,200 scrimmage yards were the second most in team history. Defensively, Garrett tied his own team single season record with 16 sacks, making him the NFL only player to record at least 16 sacks in 2021 and 2022. Bitonio, Chubb and Garret each earned Pro Bowl and AP All-Pro honors, with Bitonio garnering first team All-Pro honors. Teller was also named to the Pro Bowl.

Stefanski joined the Vikings in 2006 as an assistant to the head coach and remained with the organization under three different head coaches. After serving as assistant quarterbacks coach from 2009-13, Stefanski spent two seasons (2014-15) coaching the tight ends and one season (2016) as running backs coach. From 2017-18, he coached the quarterbacks and added the role of interim offensive coordinator for the final three games before being named the team's offensive coordinator in 2019.

In 2019, the Vikings posted a 10-6 record and earned their first road playoff win since January 9, 2005, after defeating the Saints, 26-20, in New Orleans. Three offensive players were selected to the Pro Bowl as RB Dalvin Cook and FB C.J. Ham were each named to their first career Pro Bowl with Cook voted a starter. QB Kirk Cousins was also named to the Pro Bowl.

In his first full year under Stefanski, Cousins set a single-season career high for passer rating with a 107.4 mark, fourth best in the NFL in 2019. Cousins also finished with a career-low

six interceptions, while adding 26 touchdowns and a 69.1 completion percentage, fourth in the NFL in 2019. He set a Vikings record for completions in a season with 425 and finished with the second-most passing yards (4,298) and passer rating (107.4) in Vikings history.

With 1,135 rushing yards, Cook became the eighth player in Vikings history to rush for 1,000 yards in a single season and the first since Adrian Peterson in 2015. Despite missing the final two games of the season, Cook finished fourth in the NFL with 13 rushing touchdowns and seventh in scrimmage yards with 1,654.

WR Stefon Diggs set a career high with 1,130 receiving yards, giving him back-to-back 1,000-receiving yard seasons for the first time in his career. Diggs finished fourth in the NFL with an average of 17.9 yards per reception in 2019.

Stefanski was elevated from quarterbacks coach to interim offensive coordinator in Week 15 of the 2018 season and promptly guided the unit to two of its best showings of the season. In his first game calling plays, Minnesota scored a season-high 41 points and recorded 418 yards of offense en route to a 41-17 victory over the Dolphins.

As quarterbacks coach in 2017, the Vikings were forced to go to their backup, Case Keenum, early in the season after starter Sam Bradford went down with an injury. Keenum, who had completed 58 percent of his passes previously owned a 9-15 career record as a starter, went on to complete nearly 68 percent of his throws with 22 touchdowns and seven interceptions while leading the Vikings to a record of 11-3.

In his lone season coaching the running backs in 2016, the Vikings battled injuries along the offensive line and to RB Adrian Peterson that caused the runner to miss 13 games. The running game leaned on veterans Jerick McKinnon and Matt Asiata as the duo combined for 941 yards and eight rushing touchdowns.

As tight ends coach, Stefanski helped develop Pro Bowl TE Kyle Rudolph. In 2015, his unit helped clear the way for Adrian Peterson to lead the NFL in rushing with 1,485 yards.

Stefanski was elevated to assistant quarterbacks coach in 2009, where he had a hands-on role in one of the most successful offensive seasons in Vikings history. Veteran QB Brett Favre signed with the team in mid-August and closed the season with 4,202 passing yards and 33 touchdowns. The Vikings finished the season 12-4 and won the NFC North.

Stefanski spent 2006-08 working directly with Head Coach Brad Childress on administrative duties and special projects. Stefanski first worked with Childress during Eagles training camp in 2005 as part of the team's operations department.

Stefanski spent the 2005 season at his alma mater, Pennsylvania, as assistant director of football operations, coordinating all aspects of the Quakers' day-to-day operations.

A team captain as a senior in 2003, Stefanski was part of one of the most successful stretches in the history of the Quaker football program. The team won three Ivy League titles (2000, 2002 and 2003), and went 10-0 in 2003 to become the first undefeated Penn team in a decade. During Stefanski's tenure, the squad posted a 42-7 overall record and a 32-3 mark in Ivy League play.

Stefanski earned a bachelor's degree in communications from Pennsylvania and attended St. Joseph's Prep in Philadelphia.

In 2022, the Browns received inaugural John B. Wooten Award by the Fritz Pollard Alliance. The award honors NFL teams that embody workplace diversity, equity and inclusion across the hierarchy. The Browns have filled their business and football operations departments with multiple fellowships and minority hires that have helped the organization grow. Stefanski, along with EVP and GM Andrew Berry, created the Bill Willis Coaching Fellowship for a rising minority coach with a focus on the offensive side of the ball. Stefanski also hired Callie Brownson as Chief of Staff in 2020, who later became first woman to coach an NFL position group in a regular-season game.

The Stefanski family has made a name in athletics as Kevin's father, Ed, was a basketball standout at Penn and works in the front office of the Detroit Pistons. He has previously held executive positions with the NBA's New Jersey Nets, Philadelphia 76ers, Toronto Raptors and Memphis Grizzlies.

Stefanski and wife, Michelle, have a daughter and two sons.

WALTER PAYTON MAN OF THE YEAR

LG Joel Bitoinio represented the team's 2022 Walter Payton Man of the Year, presented by Nationwide. One of the NFL's most prestigious honors, the award recognizes one member from each of the NFL's 32 clubs for their exceptional performance on the field and their dedication to the community.

"The honor of being the Walter Payton Man of the Year for the Cleveland Browns is pretty surreal," said Bitonio. "You see guys like (Browns Legend T) Joe Thomas who have won the award before and you see across the NFL guys like (former Saints QB) Drew Brees, (Cardinals DE) J.J. Watt and people who did things on very grand scales and have been great role models for their team and their community. To be named the Man of the Year for me is pretty special. I look back on my upbringing and the coaches and the people who have been part of my life growing up, and I think it is just a cumulative, 'Thank you.' I appreciate it, and let's see what else we can do to help the community."

"While the entire NFL and Browns fans have watched Joel excel on the field for the past nine seasons, we have been extremely fortunate to see first-hand his contributions to our team and Northeast Ohio as an incredibly high-character man, teammate and leader," said Haslam Sports Group Managing and Principal Partners Dee and Jimmy Haslam. "The Walter Payton Man of the Year Award is truly special because it recognizes a player's passion and dedication to the game and community service, and Joel consistently embodies what this honor represents in every way."

During his time in Cleveland, Bitonio has engaged in many Browns community events encompassing the team's commitment to education, youth football and social justice, including support of the Stay in the Game! Get to School, Every Day Network; participating in Cleveland Browns Adapted Football League sessions; serving as a member of the Browns social justice committee leadership council; and making multiple visits to children at University Hospitals Rainbow Babies and Children's Hospital and individuals receiving treatment at University Hospitals Seidman Cancer Center.

BILL WILLIS FELLOWSHIP

The Browns created the Bill Willis Coaching Fellowship in 2020, which is intended for a rising minority coach with a focus on the offensive side of the ball. In the program, the coach spends a full season with Cleveland's coaching staff and assists coaches with week-to-week game plans and talent evaluations. The fellowship also provides the coach with a plethora of resources to network with other coaches, gain valuable knowledge on the implementation of NFL-level coaching methods, and improve their path to a professional coaching career.

The team created the fellowship to provide opportunities and experience to minority coaches, who have historically faced barriers in their pursuit of entry-level positions and promotions. The fellowship was named after Willis, who along with teammate Marion Motley, overcame many obstacles to become two of the first African-American professional football players in the modern era. Willis played with the Browns from 1946-53 and was enshrined into the Pro Football Hall of Fame in 1977. Ashton Grant, the first recipient of the team's Bill Willis Coaching Fellowship, earned a full-time role with the Browns as an offensive quality control coach in 2022 after two years as a fellow and is now the team's offensive assistant/quarterbacks coach. Israel Woolfork was the second recipient of the fellowship and recently was named the quarterbacks coach of the Arizona Cardinals. The latest recepient of the fellowship is Nemo Washington, who will work closely with running backs coach/run game coordinator Stump Mitchell.

LOU GROZA FIELD PROJECT

Celebrating the Cleveland Browns commitment to education and youth and high school football, the team hosted a special field dedication ceremony in June 2023 at Berea City School District's Lou Groza Field. The field features ForeverLawn high-quality turf and marks the 14th field surface installed in Ohio schools and communities by the Browns, courtesy of the Haslam and Johnson families and Browns Give Back, since the team's long-term field initiative launched seven years ago in May 2016.

The Browns have partnered with Berea City School District and other local groups who use Lou Groza Field for community engagement opportunities for many years, including the Browns Adapted Football League with Achievement Centers for Children. To expand the partnership, Berea City School District officially joined the Stay in the Game! Network for the upcoming school year (2023-24).

"We are thrilled to have officially broken ground on the state-of-the-art synthetic turf field from ForeverLawn at Berea City School District's Lou Groza Field," said Vice President of Community Relations Jenner Tekancic. "This project represents our commitment to providing top-notch facilities for our community, fostering athletic excellence, and creating valuable opportunities for our youth. The new field will not only enhance the playing experience but also serve as a catalyst for the overall development and growth of our students, athletes, and the entire Berea community. We extend our heartfelt gratitude to the Berea City School District for their partnership, and we eagerly anticipate the lasting positive impact this facility will bring to our community in the years ahead."

Recently joining forces with the Cleveland Browns as their Official Synthetic Turf Partner, ForeverLawn emerges as a leading provider of premium synthetic turf, headquartered in Louisville, Ohio. The high-performance synthetic turf from its SportsGrass line of products have been installed at the Lou Groza Field renovation, as well as future sites selected by Browns Give Back.

CROSSCOUNTRY MORTGAGE CAMPUS

The Cleveland Browns and CrossCountry Mortgage (CCM), one of the nation's largest and fastest growing retail mortgage lenders, are entering the 2023 offseason by building upon multiple successes from the first two years of their long-term strategic partnership, including at the CrossCountry Mortgage Campus in Berea.

The team and CrossCountry Mortgage announced their long-term partnership in July 2020, which includes naming rights for the team's CrossCountry Mortgage Campus in Berea. The collaborative is already planning new opportunities to engage Browns fans and the community in 2022 and beyond.

"Our partnership with CrossCountry Mortgage has and will continue to be impactful, given it was established in full alignment with two of our collective organizations' main goals – engaging Browns fans in unique ways and continuing to make a meaningful difference in our community," said Haslam Sports Group Executive Vice President and Chief Operating Officer Dave Jenkins. "We appreciate the relationships and activations that we have been able to create together during the first season of the partnership and look forward to building upon that foundation in future years."

CrossCountry Mortgage, LLC is a top 10 retail mortgage lender in America, founded in 2003 by CEO Ronald J. Leonhardt, Jr. The company has more than 6,000 employees and licenses in all 50 states. A direct lender and approved seller and servicer by Freddie Mac, Fannie Mae and Ginnie Mae, CCM offers a broad portfolio of home purchase and refinance programs ranging from conventional and jumbo mortgages to government-insured programs for Veterans and rural homebuyers.

DINO LUCARELLI MEDIA CENTER

The Dino Lucarelli Media Center, opened in December of 2002 at CrossCountry Mortgage in Berea, features an expansive media work room and a radio/television interview area. The space was also renovated in 2017 to provide a more vibrant environment for media within the facility. Lucarelli worked with Cleveland media for more than 50 years and has been affiliated with the Cleveland Browns organization since 1975 with responsibilities in player relations, media services and alumni relations. Lucarelli called the naming of the media center "one of the biggest thrills of my life." The Cleveland Chapter of the Professional Football Writers of America (PFWA) has named its "Good Guy Award" for Lucarelli. The Good Guy Award is given annually for cooperation with the media and for the way a player carries himself in the community and with his teammates. The National Football Foundation (Northeast Ohio Chapter) Lifetime Achievement Award is also named for Lucarelli.

SENATE BILL 3

On December 2, 2020, the Browns submitted a letter in support of Ohio Senate Bill 3, which aims to update the state's possession, sealing, and trafficking laws and provides additional resources to the rehabilitation of those suffering from drug addiction. The team's endorsement of the bipartisan bill falls in line with the team's continued efforts for social justice and marks the second time Cleveland players have endorsed a piece of state legislation. In 2017, the Browns voiced their support for Senate Bill 66, which similarly addressed how the justice system treats low-level, non-violent drug offenders.

"Following the formation of the Coalition, the NFL and its member clubs – including the Cleveland Browns – worked to form a joint player-ownership committee focusing on social justice issues. The Cleveland Browns are proud to be a leader in this effort and one of the teams with ownership representation on this committee. We are committed to supporting our players' advocacy priorities and making our community a better place for all."

HIGH SCHOOL GIRLS FLAG FOOTBALL

Through the Browns and Northeast Ohio Flag Football (NEO Flag) launched the first-ever All Girls High School Division in the state of Ohio in 2021. Girls flag football is gaining popularity in high schools and colleges throughout the country, and women's flag football is officially a National Association of Intercollegiate Athletics (NAIA) varsity sport – thanks to a two-year partnership between the NAIA, the National Football League (NFL) and Reigning Champs Experiences (RCX).

In May of 2021, the Browns hosted the first-ever Girls High School Flag Football Championship Tournament, capping the inaugural season of the new league that offered organized high school girls flag football competition for nine teams in Ohio for the first time. The following year, the event was presented by Gatorade and expanded to 30 schools for the single elimination tournament, which featured more than 200 student-athletes.

The Girls High School Flag Football season is an extension of the Browns' efforts to advance girls flag football as part of their ongoing dedication to assisting the development, safety, and growth of youth and high school football throughout Northeast Ohio. The team's long-term vision is for flag football to become a fully sanctioned varsity sport available to high school female student-athletes through OHSAA. In partnership with the Browns, NEO Flag in 2022 launched Ohio's first-ever All Girls High School division. The league featured nine teams and more than 125 athletes during its first season and has grown to 30 teams and over 450 participants.

JOE THOMAS RETIREMENT

On March 14, 2018, left tackle Joe Thomas announced his retirement from the NFL.

"From the moment I was drafted, the city embraced me in a way that I could never fully describe. I am proud to call Cleveland home," said Thomas. "The loyalty and passion of Browns fans is unmatched and it was an honor to play in front of them from the past 11 years. I would like to thank all of the coaches, teammates, staff, fans and everyone who has shown me support throughout my career. Even though I will be hanging up my cleats, I will always be a Cleveland Brown."

The third overall pick in the 2007 draft, Thomas played every offensive snap for the Browns from his rookie season through Week 7 in 2017, when he sustained a torn triceps that ended his consecutive snaps streak at 10,363. His Iron Man stretch, which consisted of 167 consecutive games, is believed to be the longest consecutive snaps streak in NFL history.

BROWNS
25

The Cleveland Browns have one of the richest traditions in professional football, boasting eight league titles, including four NFL championships. In addition, 17 former Browns have been inducted into the Pro Football Hall of Fame in Canton, the seventh-most of any NFL franchise.

The Browns were founded in 1945 as a charter member of the All-America Football Conference (AAFC), under businessman Arthur B. "Mickey" McBride, who would name Paul Brown the team's general manager and head coach. The franchise conducted a team naming contest, and the No. 1 choice was "Browns," highlighting Paul Brown's popularity in the area. In addition to Brown, that first team consisted of future Hall of Famers in center Frank Gatski, quarterback Otto Graham, offensive tackle/kicker Lou Groza, receiver Dante Lavelli, fullback Marion Motley and lineman Bill Willis.

In their first season in the AAFC (1946), the Browns posted a 12-2 record and went on to defeat the New York Yankees in the league's inaugural championship game, 14-9. They were equally successful off the field, averaging more than 57,000 fans to their home games at Municipal Stadium. The Browns would go on to claim the AAFC title in all four years of the league's existence, including a 15-0 record in 1948.

In 1950, the Browns were one of only three AAFC teams to merge with the National Football League, along with the San Francisco 49ers and Baltimore Colts. Despite joining a more established league, Cleveland continued its success as they marched through the 1950 regular season with a 10-2 record before defeating the New York Giants in the playoffs and the Los Angeles Rams in the championship game. In fact, the Browns appeared in the NFL Championship game in each of their first seven years in the league (1950-56), coming away with three titles during that time (1950, 1954-55).

Quarterback Otto Graham guided the Browns to the championship game in all 10 of his professional seasons, helping the team capture seven titles (four AAFC and three NFL). Graham led the AAFC in passing all four years and led the NFL in passing twice (1953 and 1955), while totaling 23,584 passing yards combined in both leagues.

In 1957, the Browns selected Syracuse running back Jim Brown with the sixth overall pick of the NFL Draft. Brown would go on to lead the league in rushing that year with 942 yards in just 12 games as he was named NFL Rookie of the Year. He helped the Browns back to the NFL title game that season, although they dropped a 59-14 decision to the Detroit Lions. The following year, Brown again led the league in rushing, with 1,527 yards and 27 touchdowns. It marked one of seven times over the next eight years in which he rushed for more than 1,100 yards.

After going consecutive seasons without making the playoffs for the first time in franchise history (1961-62), Blanton Collier took over for Paul Brown as head coach in 1963, and guided the team to a regular season record of 10-4 as they returned to the postseason, led by Jim Brown's career-high 1,863 rushing yards. The following year, the Browns put together a record of 10-3-1, capped by a 27-0 victory over Baltimore in the NFL Championship game. The 1964 season marked the first of three NFL title game appearances for the Browns over the next five years.

Following the 1965 season, Brown unexpectedly announced his retirement to pursue an acting career. In his final year, Brown rushed for 1,544 yards, the third straight year and eighth time in his nine NFL seasons that he topped the league's rushing chart.

Following Brown's retirement, Cleveland could not be derailed as the team qualified for the postseason in three of the next four years, including two NFL Championship game appearances (1968-69). Running back Leroy Kelly, an eighth-round draft choice of the team in 1964, rushed for more than 1,000 yards in three of those seasons (1966-68).

On Sept. 21, 1970, the Browns became part of history as they had the distinction of hosting the New York Jets in the first-ever Monday Night Football game, emerging with a 31-21 victory.

Collier wrapped up his coaching career following the 1970 season. He registered a 76-34-2 (.688) regular season record and guided the Browns to four NFL Championship games.

The decade of the 1970s started with the Browns making two trips to the playoffs in the first three years. Then came a stretch in which the Browns missed the postseason seven straight seasons (1973-79). In the final year of that span, however, the Browns, under the guidance of second-year Head Coach Sam Rutigliano, put together a record of 9-7 and affectionately earned the nickname of the "Kardiac Kids." Of the team's nine victories that year, seven came by seven points or less. Two of those wins occurred in overtime, while three others were decided within the final two minutes of regulation.

This excitement continued into the following season of 1980. After starting the year 2-3, the Browns reeled off five straight wins and victories in eight of their next nine. Of those eight triumphs, six came by six points or less. On the final week of the season, Don Cockroft's 22-yard field goal with less than two minutes to play lifted the Browns to a 27-24 victory over the Bengals at Cincinnati's Riverfront Stadium, as Cleveland captured its first AFC Central crown since 1971 and its first playoff berth since 1972.

In 1985, the franchise underwent a makeover as Marty Schottenheimer was named the team's sixth full-time head coach and the club selected University of Miami quarterback Bernie Kosar – a Youngstown native who grew up in Boardman, Ohio – in the NFL Supplemental Draft. By midseason of his rookie year, Kosar had cracked the starting lineup, leading the Browns to wins in four of his first six starts. Cleveland went on to post an 8-8 record that year, which was good for first place in the AFC Central division. That season, running backs Earnest Byner and Kevin Mack both topped the 1,000-yard rushing mark, a feat that would not be accomplished again by a pair of running backs on the same team in the same season until 2008.

The Browns seemed poised for their first playoff win since 1969 as they held a 21-3 third-quarter lead over the Dolphins at the Orange Bowl before Miami reeled off 21 unanswered

points to come away with a 24-21 victory. With Kosar at the helm, the Browns would win three AFC Central division titles over the next four years (1986-87, 1989) and qualify for the playoffs on each occasion. Three of those four appearances resulted in a spot in the AFC Championship game, only to be stopped short of their ultimate destination by the Denver Broncos each time.

In Aug. of 1991, the Browns moved into a new administrative complex in Berea and began holding training camp there in July of the following year.

On Nov. 6, 1995, it was announced that the Browns had signed a deal to relocate to Baltimore for the following season. In Feb. 1996, the NFL announced that the Browns would be "deactivated" for three years and that a new stadium would be built for a new Browns team – either as an expansion team or one that would move from another city – that would begin play in 1999. Cleveland NFL Football (Cleveland Browns Trust) was formed by the NFL with Bill Futterer as President and NFL Commissioner Paul Tagliabue as Trustee. The Trust represented the NFL in the stadium design and construction, managed the sale of suites and club seats, and sold Permanent Seat Licenses and season tickets. In March 1998, at the owners meeting in Orlando, Tagliabue announced that the Browns would be an expansion team rather than a relocated team. On Sept. 8, 1998, the NFL awarded the new Cleveland Browns franchise to a group led by Alfred Lerner, and the NFL formally transferred ownership on Oct. 23, 1998.

The new Cleveland Browns franchise played their first game on Aug. 9, 1999 when they edged the Dallas Cowboys, 20-17 in overtime, in the annual Hall of Fame Game at Fawcett Stadium in Canton to open the preseason. They played their first regular season game on Sept. 12 against their long-time rival, the Pittsburgh Steelers at FirstEnergy Stadium. Their initial regular season victory occurred in dramatic fashion as a 56-yard Hail Mary from quarterback Tim Couch to wide receiver Kevin Johnson as time expired lifted the Browns to a 21-16 decision over the Saints at the Superdome, in what would be the first of two wins in that first season back for Cleveland.

On Oct. 23, 2002, owner Alfred Lerner passed away and his son, Randy, took over control of the team. Later that year, the Browns won their final two regular season games to finish with a record of 9-7, earning them their first playoff berth since returning to the league just four years earlier.

With the third overall pick in the 2007 NFL Draft, the Browns selected left tackle Joe Thomas. He played every offensive snap for the Browns from his rookie season through Week 7 in 2017, when his streak ended at 10,363, the longest streak in NFL history. He also became the fifth player and the only lineman in NFL history to be selected to the Pro Bowl each of his first 10 seasons.

The team unveiled a Ring of Honor at FirstEnergy Stadium at halftime of the home opener against the Kansas City Chiefs on Sept. 19, 2010. The inaugural class consisted of the franchise's first 16 Hall of Famers, as the name of each man was permanently displayed on the stadium's upper deck facade. In 2012, the years of the team's eight league championships were added to the southeast end of the facade. In 2018, the number 10,363 was enshrined to honor Joe Thomas' snap streak. In 2019, Clay Matthews was inducted into the Browns Ring of Honor. In 2021, Hall of Fame WR Mac Speedie was inducted.

On Aug. 2, 2012, Dee and Jimmy Haslam agreed to purchase controlling interest of the Cleveland Browns from Randy Lerner. The NFL approved the Haslams as the owners on Oct. 16.

The Browns and FirstEnergy Corp. announced that the team's venue would be called FirstEnergy Stadium, Home of the Cleveland Browns on Jan. 15, 2013.

On Oct. 29, 2017, the Browns played their first regular season game outside of the United States when they faced the Minnesota Vikings at Twickenham Stadium in London, England.

The Browns selected QB Baker Mayfield with the first overall pick in the 2018 NFL Draft and in just 13 starts, he set the NFL record for touchdown passes by a rookie with 27.

Kevin Stefanski was named Head Coach on Jan. 13, 2020 and Andrew Berry was named Executive Vice President of Football Operations and General Manager on Jan. 28, 2020. On January 15, 2020, Mac Speedie was elected to the Pro Football Hall of Fame Class of 2020.

Kevin Stefanski led the Browns to an 11-5 record in 2020 to clinch the team's first playoff berth since 2002 and ending the league's longest playoff drought for a club. The team then went on to grab their first postseason victory since the 1994 season, beating the Pittsburgh Steelers in the AFC Wild Card Round on Jan. 10, 2021.

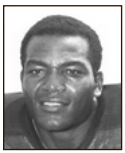

DE Myles Garrett set a single-season franchise record after recording 16 sacks in both 2021 and 2022. On Oct. 16, 2022, Garrett passed Clay Matthews Jr. (62.0) for most sacks in Browns' franchise history. RB Nick Chubb (1,525 rushing yards) became the second back in team history to achieve 1,500 rushing yards in a single season (Jim Brown in 1958, 1963, & 1965). In addition, Joe Thomas was inducted into the Browns' Ring of Honor and named a first-ballot Hall of Famer on Feb. 9, 2023, five years afer his retirement.

#14 OTTO GRAHAM

From 1946-1955, Otto Graham guided the Browns to 10 league championship games and NFL Championships in 1950, 1954 and 1955. He led the NFL in passing for two seasons and recorded 23,584 career passing yards. In 1953, Graham finished the season with a 64.73 completion percentage, the highest in club history. He was an All-League selection from 1951-55. Graham was inducted into the Pro Football Hall of Fame in 1965.

#32 JIM BROWN

Brown was the NFL's leading rusher in eight seasons and holds the Browns franchise record for career rushing yards, attempts and touchdowns. An All-America selection from Syracuse in 1956, Brown was named NFL Rookie of the Year in 1957. He participated in nine consecutive Pro Bowls from 1958-66 and was voted NFL most valuable player in 1957, 1958 and 1965. Brown was inducted into the Pro Football Hall of Fame in 1971.

#45 ERNIE DAVIS

After being selected first in the 1961 NFL draft, the Browns acquired Ernie Davis in a trade with the Washington Redskins. Tragically, Davis passed away two years later from leukemia and never played a professional game. A star running back from Syracuse, Davis was the first African-American to win the Heisman Trophy in 1961 and guided the Orangemen to their only national championship the same year.

#46 DON FLEMING

Don Fleming was selected by the Chicago Cardinals in the 28th round of the 1959 NFL draft. He was traded to the Browns in 1960 and was a mainstay at the safety position. From 1960-63, Fleming intercepted 10 passes and was named to The Sporting News All-AFC team in 1962. During the 1963 offseason, Fleming and a co-worker were sadly electrocuted working a construction job. His passing came a few weeks after Ernie Davis' death.

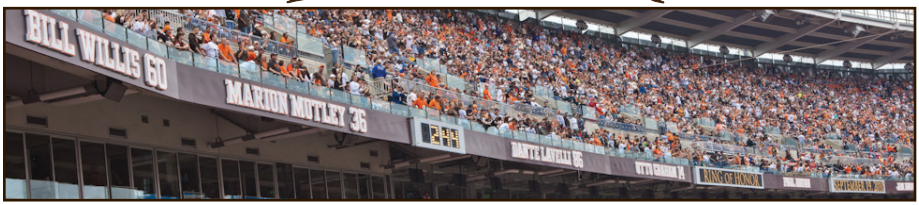

#76 LOU GROZA

Lou Groza is Cleveland's all-time top scorer with 1,349 points on 234 FGs, 641 PATs and one TD. He scored at least one point in 107 consecutive games and his last-second field goal sealed the 1950 NFL Championship for the Browns. Originally an offensive left tackle, Groza suffered a back injury which converted him into a kicking specialist from 1961-67. He was an All-NFL tackle on six occasions and was the NFL Player of the Year in 1954. Groza was inducted into the Pro Football Hall of Fame in 1974.

CLEVELAND BROWNS RING OF HONOR

CLEVELAND BROWNS
RING OF HONOR

To pay homage to their great history - one of the richest in the NFL - the Browns unveiled the Cleveland Browns Ring of Honor during a special ceremony at halftime of the 2010 regular season home opener, against Kansas City on Sept. 19. The initial group of inductees consisted of the 16 former Browns enshrined in the Pro Football Hall of Fame. The names of these 16 greats are prominently displayed on the facade of the upper deck of the stadium. In 2012, the years of the team's eight league championships were added to the facade at the southeast end of FirstEnergy Stadium. On Oct. 14, 2018, Joe Thomas' streak of 10,363 was enshrined. Thomas played 10,363 consecutive offensive snaps over 167 games from his rookie season in 2007 until 2017. On Sept. 22, 2019, Clay Matthews was inducted to the Browns Ring of Honor. Matthews, a first-round pick in 1978, played 16 seasons (1978-93) with the Browns and is considered one of the league's best linebackers and most durable players. In 2021, Mac Speedie, played seven seasons (1946-52) with the Browns and was inducted into the Browns Ring of Honor.

GAME DAY

CLEVELAND BROWNS STADIUM, HOME OF THE CLEVELAND BROWNS

Cleveland Browns Stadium is home not only to a storied football franchise but also to a dedicated, passionate group of people who are the world's greatest fans. At Cleveland Browns Stadium, fans take pride in supporting their team in a safe, enthusiastic and family-oriented atmosphere. This special combination of sportsmanship and exhilaration makes Sunday afternoons with the Browns a memorable experience.

Cleveland Browns Stadium was built on the hallowed ground of the old Municipal Stadium. The lakefront is home of the Cleveland Browns, where the legendary Coach Paul Brown established Cleveland's first football dynasty in the 1940s and 16 Cleveland Browns established their credentials for induction into the Pro Football Hall of Fame in Canton. In 2010, the team's Pro Football Hall of Fame enshrinees were further honored by the unveiling of their names in the Ring of Honor, which recognizes their contributions to the Cleveland Browns organization. The names of these 17 greats, as well as LB Clay Matthews, who was added in 2019, are now permanently displayed on the facade of the stadium's upper deck, while Joe Thomas' historic consecutive offensive snaps played streak was recognized when "10,363" was placed in the Ring of Honor and unveiled in 2018.

Cleveland Browns Stadium is a celebration of the city's renaissance, drawing people to the lakefront every day. The crown jewel of the North Coast Harbor, Cleveland Browns Stadium is located next to the Rock & Roll Hall of Fame and the Great Lakes Science Center. While on the south side of the stadium, fans can grab items to represent their favorite team at the Pro Shop, where proceeds from purchases within the location are then donated to benefit the Northeast Ohio community.

NOT JUST FOR BROWNS GAMES

Cleveland Browns Stadium also plays host to various major events and is available for private functions such as wedding receptions, proms, holiday parties and business luncheons. In 2017 and 2019, the stadium played host to international soccer doubleheaders featuring the U.S. Men's National Team during the Concacaf Gold Cup. In 2018, Cleveland Browns Stadium also welcomed the U.S. Soccer Women's National Team for a friendly against China PR and two major stadium concert tours -- Taylor Swift's reputation tour and the JAY-Z and Beyoncé OTR II tour. In 2022, the venue hosted Def Leppard and Motley Crue for "The Stadium Tour", followed by an MGK concert and the Top Golf Live Stadium Tour late in the summer months. The venue also played host to Monster Jam in the 2022 and 2023 summers.

In 2017, the facility also hosted a U2 concert. On June 5, 2016, the stadium welcomed the U.S. Soccer Women's National Team for the second leg of a two-game friendly series against Japan.

In 2015, and Monster Jam welcomed One Direction and Luke Bryan for top-notch concerts. In 2012, "The Brothers of the Sun Tour," featuring Kenny Chesney and Tim McGraw, came to FirstEnergy Stadium. The stadium has also played host to Kenny Chesney concerts in 2007 and 2008, as well as The Three Tenors (2000),

George Strait (2000) and *NSYNC (2001).

On May 29, 2013, the U.S. Men's National Team hosted Belgium for the first international soccer match at the stadium since 2006. On six occasions since 2005, the High School Charity Games have been staged at Cleveland Browns Stadium, showcasing some of the top area high school football talent. College football has been a regular on Cleveland Browns Stadium's docket. On September 21, 2013, Tuskegee University and Winston Salem State University squared off in the Third Annual Cleveland Classic HBCU football game. From 2006-2013, a college game was played at the stadium each year except 2010. Additionally, the stadium hosted the Ohio State and University of Michigan hockey teams for Faceoff on the Lake in February of 2023.

STADIUM RENOVATION, 2014-15

In 2015, the Browns completed a two-year, $125 million modernization project that was launched by Dee and Jimmy Haslam in 2013. The Browns, with the City of Cleveland and Mayor Frank Jackson's support, now provide the team and its fans a top-tier NFL facility, one with a significant home-field advantage charged by the Dawg Pound.

"This renovation is a result of wanting to create the best fan experience in the NFL, and also to create a venue to attract other world-class events..." said Jimmy Haslam. "We realize the transformative opportunity of this investment for the City of Cleveland. We're excited to reward our fans and the community with the experience they deserve."

All facets of the renovation were incorporated with the mission to provide Browns fans an enhanced in-game experience, while also improving the team's home-field advantage, bolstered by the NFL's most loyal and passionate fan base.

In 2015, the modernization revitalized the look and feel of the stadium's external and internal features, creating a vibrant environment that highlights Cleveland and the Browns' illustrious history. In addition to upgrading lighting, signage and way-finding throughout the concourses, high-definition graphics inside and outside the stadium now depict current players, Browns legends, the historic Dawg Pound and the best fans in the league.

During Phase II, the Browns also increased the availability of Cleveland chef partner options and general concessions for all fans, focusing on Cleveland tastes. Renovated dining locations and upgraded food and beverage amenities were added, including new concepts and offerings, in addition to modernized facades, signage, menu boards and way-finding throughout the stadium. All 35 permanent concession stands were remodeled.

Prior to the start of the 2021 season, the team installed and fully optimized a new WiFi system to offer fans increased access through their mobile devices, including to track stats and scores across the league and additional team information through the Browns Mobile App.

In an effort to further highlight the team's connection to Cleveland and its thriving food scene, celebrity chef concepts, including Rocco Whalen's Great Lakes Cheesesteaks, are now featured in the 100 and 500 levels of the stadium.

The Browns began their food and beverage transformation through an expanded partnership with Aramark, which in 2014 became Cleveland Browns Stadium's general concessionaire after serving as the facility's premium dining and catering company since 2012. During Phase I, the team incorporated menu items from many of Cleveland's award-winning chefs that previously were only available in premium areas. The first stage of the renovation created new stands in general concession locations, highlighted by Symon's B Spot in the west end zone and a new concept from Whalen, Great Lakes Cheesesteaks, in the east end zone.

In the second phase, the team also modernized premium areas, including upgrading all club seats and suites,

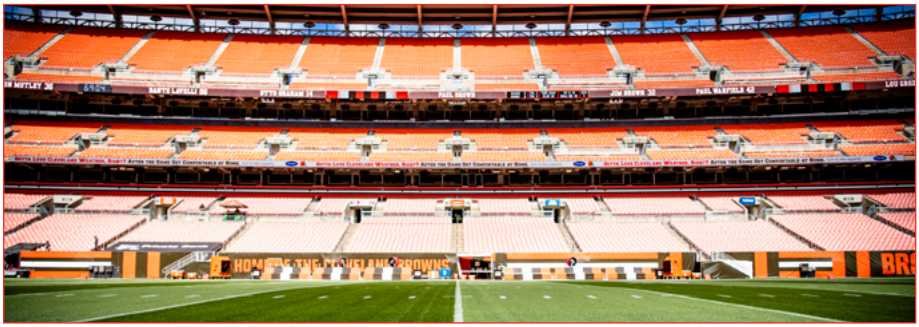

while adding more top-level entertainment areas. A field-level hospitality location has been constructed opposite of the Browns' locker room, while the north and south clubs and upper- and lower-level suites were restructured and refurbished, with every facet of each area receiving fresh upgrades.

During Phase I, the Browns installed two new angled video boards that measure approximately 6,900 square feet, nearly triple the size of the old units. The boards, which are equivalent in size to 645 60-inch HD televisions, are 32 feet lower and 56 feet closer to the field, further enhancing their impact on all fans' viewing experience. New LED video boards, which feature stats, scores and information, as well as new and upgraded LED ribbon boards, were installed throughout the stadium.

The new video elements are complemented by an entirely new audio system, delivering crisper, clearer audio throughout the stadium. The main bowl's system was entirely replaced with best-in-class audio equipment, and is supported by additional speaker locations throughout the complex that improved clarity to previously shadowed areas. With the new video and audio systems, the Browns have incorporated state-of-the-art technologies that impress fans with high-level scoreboard programming and concert-quality sound.

In 2014, the project also increased the lower bowl's seating capacity while improving sightlines. Many Browns fans are now seated closer to the field and observe dramatically better views of the game, fostering a more intimate environment while enhancing the team's home-field advantage. In addition to creating more prime locations for fans, the Browns expanded ADA seating in the project's first phase.

Easing in-stadium access for fans was another priority in the renovation's initial stage. Two escalators were installed in both the east and west end zones to ensure the most fluid, convenient movement in and between stadium levels. There are now 12 escalators that provide access to stadium concourses, including direct access to the 300 and 500 levels.

For the first time in 2014, Cleveland Browns Stadiumfeatured fan decks that host unique engagement areas in both end zones. Each deck offers a special in-stadium viewing experience, with fans gaining access to new locations and activations while still being able to watch the game live.

In July 2021, the Cleveland Browns and CrossCountry Mortgage, LLC, one of the nation's largest and fastest growing retail mortgage lenders, announced a long-term partnership that includes naming rights for the team's "CrossCountry Mortgage Campus" training and administrative complex in Berea. The building originally opened in August of 1991 and has undergone many renovations since its debut. The 115,000 square foot building has two floors, both of which have been renovated in recent years.

In addition to making significant investments to improve the CrossCountry Mortgage Campus in recent years which included an extension of their lease with the City of Berea, Haslam Sports Group has acquired a number of properties in the area surrounding the fields and main building, which opened in 1991. Plans are currently being developed to align with the team's strategic vision and ultimate expansion of its home at the CrossCountry Mortgage Campus. The primary goal is to ensure the Browns continue to provide the organization, players and Browns fans with first-class resources in all aspects of football and business operations, as well as enhanced opportunities to host additional events in the Northeast Ohio community.

Prior to the 2016 season, the Browns made significant upgrades to the building's exterior and interior, focusing primarily on improving player areas to provide the team's coaches and players with best-in-class resources, by adding 25,000 square feet and renovating an additional 25,000 square feet of the facility. In addition to increasing the size of office and meeting spaces, Cleveland redesigned the locker room, player meeting rooms, player lounge, cafeteria and training room, including the installation of a lap pool and new hot and cold tubs.

During the 2013 offseason, the facility's second floor underwent a 36,000 square foot renovation. The new space boasts an open floor plan and was designed to create a vibrant, energetic and collaborative space for the club's football and business operations. The new space houses a state-of-the-art media studio where radio and television production take place in house.

Connected to the facility is the team's 60,000 square foot indoor field house. The facility also hosts four regulation-size natural grass practice fields ideal for year-round football operations, including the club's training camp.

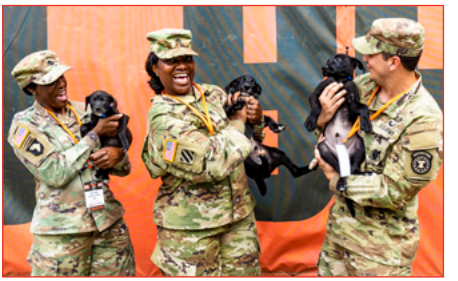

The Cleveland Browns and City of Berea agreed to a lease amendment that guarantees the team's facility will remain in Berea through at least 2028.

CLEVELAND BROWNS TRAINING CAMP HISTORY

The CrossCountry Mortgage Campus hosted 2023 Browns training camp, which marked the 29th time (1992-95, 1999-2023) the team conducted training camp at the facility.

Hiram College	1952-74

In April 2020, the Browns debuted new uniforms that evoked the best memories of the storied franchise's past with a modern twist. Inspired by the AAFC and NFL champion squads of the 40s, 50s and 60s, the Kardiac Kids, the team's memorable run through the mid-80s and even some of the best memories in recent years, the Browns' updated look pays homage to the past while incorporating all of the modern technology of the Nike Vapor Untouchable Uniform, which provides the kind of wear-ability and comfort players expect in the modern NFL.

"We wanted to get back to the roots of who the Browns are," said Haslam Sports Group President and Browns Partner JW Johnson. "We've heard it from our fans and from our players. We needed to get back to our roots.

"As you look at iconic franchises like the Browns, the Bears, the Packers, the Cowboys – they're true to who they are. They're not doing a lot of changes and trying to make a lot of flashy moves with their uniforms. I think when we went through the process, it just felt right that we got back to who we are and who we'll always be."

With the platform of the unveiling, the Browns also supported the true heroes on the front lines of the COVID-19 global health crisis. The Browns launched the "Hats Off To Our Heroes" Fund, which focused on aiding health care professionals, first responders, educational professionals and other groups who are pivotal in the community year round and valiantly persisted as role models in the face of significant adversity due to coronavirus. In addition to personal donations from team members, partners and fans, the Browns committed 100 percent of the team's net proceeds from 2020 Browns jersey sales at FirstEnergy Stadium's Pro Shop, in partnership with Legends, and online through Fanatics for a significant period of time.

The Browns' updated look features brown jerseys with white numbers and white jerseys with brown numbers that will be worn with brown or white pants, both of which feature a brown stripe sandwiched by two orange stripes running down the side. The most common looks will be brown jerseys with white pants and white jerseys with brown pants. Both the tops and bottoms will include the traditional striping – three white stripes and two orange stripes on the brown jerseys and matching socks; three brown stripes and two orange stripes on the white jerseys and matching socks -- that has been a core fixture on the team's uniforms throughout the vast majority of its history.

The Browns' helmet continues to feature a brown facemask, which was introduced in 2015, but will no longer include carbon fiber texture in the striping. Stitched inside the collar of every jersey is "1946," the year the team was founded. It replaces "DAWG POUND," which filled the spot from 2015-19. Additionally, all three jersey fronts will not feature a wordmark above the numbers for a cleaner finish.

"We just felt like getting back to our roots and going back to who we are and who we'll always be is a reason why we made this change," Johnson said. "We hope that our fans, alumni and players, who are obviously really excited about it, will be happy with the direction where we went."
