LEON HESS, Chairman of the Board

"It all starts at the top."

That's a common phrase when talking about the success of any professional operation, and it particularly holds true with the steps taken to bring about the resurgence of the New York Jets.

Chairman of the Board Leon Hess showed his desire to return the club to the forefront of the NFL in 1977 when he revamped the club's administration and overall operation of the team.

His patience and commitment towards building a solid foundation has been rewarded the past few years. Hess has stood behind the Jets' building program and has seen the club advance to the NFL playoffs two of the past three seasons, including coming within one game of the Super Bowl in 1982.

Hess has also fought long and hard to achieve first-class conditions for both the players and fans throughout the years. For a decade the Jets were never allowed to play home games before their fans during the baseball season but that all changed in 1978 when the Jets were guaranteed at least four early season home games.

This past year, citing Shea Stadium as "the NFL's poorest facility for athletes and spectators alike", Hess announced plans to move to the Meadowlands for the 1984 season. With this move, thousands of additional Jets' fans will have the opportunity to watch NFL football in comfort and safety, in modern, clean surroundings, with proper facilities, adequate parking and good football sight-lines.

In addition, Hess continued to provide the Jets' players and staff with outstanding facilities at the training complex by installing a new AstroTurf field and an improved weightroom.

This past year, Hess was an honored recipient of the Distinguished American Award at the National Football Foundation and Hall of Fame Dinner. Past winners of that award have included Vince Lombardi, Bob Hope, Jimmy Stewart, Bill Carpenter and Fr. Theodore Hesburgh.

Hess, now the sole owner, has been totally involved in the development of the club since acquiring part of the franchise in 1963. He is chairman of the board of the Amerada Hess Corporation. He is a respected number of the board of directors of the Monmouth Park Jockey Club, the American Broadcasting Corporation and the Mutual Benefit Life Insurance Company.

JIM KENSIL, President

Progress in pro football depends greatly on stability and direction. The Jets believe that in Jim Kensil they have the man at the top to provide these essential elements for success.

In his seven season with the Jets, Kensil has stressed communication within the organization and has exhibited strong leadership. Under his guidance, the Jets qualified for the playoffs for the first time in 12 years in 1981 and came within one game of the Super Bowl in 1982.

Following the disappointing 1983 campaign, Kensil worked closely with Joe Walton, Jim Royer and Mike Hickey to return the Jets to the playoffs by making several trades to bolster the club and infuse new blood.

During Kensil's tenure as president, the organization has emphasized the building of the club through the draft. In that time the draft has provided 30 players including 17 starters, 3 of whom were selected to the Pro Bowl in 1983.

Kensil, who was named the Jets' president and chief operating officer on June 6, 1977, was an administrator for the NFL for 16 years, nine as executive director and seven as director of public relations. Commissioner Pete Rozelle called Kensil, "my offensive and defensive coordinator."

Kensil succeeded Leon Hess, who had served as acting president of the Jets following the death of Phil Iselin in December, 1976. Hess now has the responsibilities of chairman of the board and chief executive officer for corporate matters. Kensil also serves as a member of the board of directors.

Kensil, is a member of the executive committee of NFL Properties and is on the board of the Bert Bell NFL Retirement Plan.

While in the NFL office, Kensil made many innovative contributions and was one of the chief architects of the present NFL scheduling format.

Kensil began his sportswriting career as a student stringer at the University of Pennsylvania. In 1952 he joined the AP in New York prior to serving in the Army in Germany as editor of the Seventh Army newspaper.

He returned to the AP in 1954 where he covered sports, edited the wire and wrote a weekly column about sports on TV and radio. He left the AP in 1961 to join the NFL as P.R. director.

Kensil was born Aug. 19, 1930, in Philadelphia, PA. He and his wife, Catherine, have four children and reside in Massapequa, Long Island. Their oldest son, Mike 28, is traveling secretary for the Jets. They also have two other sons, Joe 26 and Danny 22, and a daughter, Mary Jo 24.

JOE WALTON, Head Coach

"I've learned a great deal from last season," said Joe Walton entering his second season as head coach. "There's a fine line between winning and losing. The only way to win is through good preparation and to play with consistency and enthusiasm. There is no doubt you have to stay healthy and not have too many injuries at one position. The people in your skill positions have to come through. They have to have good years."

Following two consecutive years in the playoffs, including an appearance in the 1982 AFC Championship game, the Jets dropped to a disappointing 7-9 mark for the 1983 campaign, with five of those losses coming by seven points or less, two within the last 30 seconds.

It was a frustrating rookie year for Walton who saw the Jets racked by injuries to key personnel. The 1982 NFL rushing leader Freeman McNeil, and the player most responsible for the club going to the AFC Championship game, was lost for seven weeks with a shoulder separation; and key third-down specialist Bruce Harper missed half the season. In fact, both were healthy and available to play at the same time for only one quarter the entire season. The offensive line did not have the continuity needed with lengthy injuries to regular LG Stan Waldemore and all-pro center Joe Fields. Injuries also limited expected contributions from 1982 starters LB Greg Buttle, DT Abdul Salaam, FB Mike Augustyniak and rookie RB Johnny Hector.

"Joe accepted the blame for us," said all-pro tackle Marvin Powell. "That's not fair, but that's the kind of person he is. He's a throwback to the coaches of old. He's not a PR machine, he's all football. Joe Walton is stern and honest and expects his men to act like men."

"A lot of things happened last year, but the man kept going," said Freeman McNeil. "He's an example to us as well as a coach. He's a strong man."

"Joe works hard, knows the game, is dedicated and principled," said Jets' president Jim Kensil. "They're all cliches, but to me they're real."

The 48-year old Walton remains optimistic about 1984 after the Jets' offense recorded the most yards in team history in 1983 (343.3 - 214.1 passing, 129.3 rushing), while the defensive unit gave up only 2 TDs or less in nine of the 16 games.

"In 1982 we were one step away," said Walton. "In 1983 we might have been 300 steps away. Some of the adversity we went through in 1983 will certainly turn into a positive factor in preparing for 1984. What we have to do is make sure we make the

corrections to go in the right direction this season".

Walton and the Jets' management began to go in that direction during the offseason by making several trades to strengthen the team for the present and future.

"Some people have said, we're 'rebuilding', we're not rebuilding, we're remodeling," said Walton. "We need to get more young people pushing, a competitive training camp, and if we get a lot of players out of the 'comfort zone', we can improve. We have a good nucleus, not 'the greatest talent in the NFL' syndrome, but good football players. If we can get that renewed enthusiasm, we are capable of winning and making a challenge for the playoffs."

Walton took over as head coach in February, 1983, after serving as the Jets' offensive coordinator the previous two seasons, where he played a major role in the club's two successive appearances in the playoffs. With Walton calling the plays, the Jets' offense ranked third in the NFL in the 1982 regular season and produced 454.0 yards per game in playoff victories against Cincinnati and the Raiders.

"Joe Walton brought stability to our offense," said Joe Fields. "He has the knack of patting you when you need it and kicking you in the butt when you need it. He seems to know who to do it to and whom not."

Walton's value is recognized by not only the Jets, but others in the world of professional football.

"I remember Pat Summerall (Walton's teammate on the 1961-63 Giants) telling me that Joe Walton was the smartest player on the field," said CBS color commentator and former NFL coach John Madden. "He said that Joe knew what every player was doing on every play. You had to have him in the huddle."

"I always felt Joe had one of the most creative minds in football," said Hall of Fame QB Y.A. Tittle. "He was trying things way before others did. He was one of the first people to use men in motion. In 1970, he was way ahead of most of the passing theorists in the NFL, the way he dictated what a defense had to do."

Walton joined the Jets in 1981 after coaching with Washington from 1974 and serving as its offensive coordinator since 1978. He is credited with the development of Redskin QB Joe Theismann. Under Walton, Theismann was the second highest rated passer in the NFL in 1979 behind Roger Staubach. Washington experienced only one losing season during his seven years there while compiling a 61-43 record.

"Joe Walton is a special kind of guy," said Theismann. "We became two bodies in one mind while he was here. In his last three years here, I spent more time with Joe than I had with any one member of my own family. I consider the time I was with him an invaluable experience."

Walton was in charge of the receivers and passing game for the Giants from 1969-73. He tutored both Fran Tarkenton and Norm Snead during that era. Snead won the NFL passing championship and went to the Pro Bowl in Walton's last season with the Giants, 1973. Tarkenton went to the Pro Bowl under Walton in 1969 and 1970. Walton did some radio work before joining the Giants' staff as a scout from 1967-68.

Walton was Washington's second round draft choice in 1957 and played four seasons before being traded to the Giants in 1961. He played tight end for the Giants, who won championships in all three seasons he played there. Walton caught 95 passes for 1,321 yards and 17 TDs during that time.

In his overall career he caught 178 passes for 2,623 yards and 26 TDs. Walton was called by Y.A. Title "the best third down receiver in the game, bar none", while Walton claims that "Title was probably the most influential man in my ideas about the passing game and total offensive picture".

Walton, despite standing only 5 feet 10 inches and weighing

185 pounds, played tight end and linebacker for three years at the University of Pittsburgh and won all-American ranking.

As a rookie with the Redskins in 1957, Walton was originally tried at left cornerback (Don Shula was the right cornerback) before being moved to his natural position, tight end.

His introduction to football came a lot earlier than that, though. Walton's father, Frank, was an all-America guard at Pittsburgh, played in the first College All-Star game in 1934 and went on to play for the Redskins when they were still the Boston Redskins. Walton's father, nicknamed "Tiger", served as a player/assistant coach when the team moved to Washington in 1944-45. In 1946, at the age of 11, Joe Walton started week-ending at Pittsburgh Steeler camps, where his father served as their offensive line coach.

The grandson of Italian immigrants, Walton's family came to this country with the surname Tataseo. "My grandfather, who came over when he was 17, changed our name," said Walton. "He was working on the railroad and I guess he wanted a name that was easier to pronounce. I heard he used Wilson first, but that was too common, and he kind of settled on Walton."

Although football is a very important part of Walton's life, he is a strong family man who enjoys spending time in his East Islip, NY home. Walton relaxes by jogging every day and playing golf in the offseason.

Walton was born Dec. 15, 1935 in Beaver Falls, PA. He and his wife, Ginger, have three children: daughters Jodi 20, Stacy 18 and son Joseph Jr. 12.

JETS VETERANS

DAN
Alexander 60

G 6-4 260 6/17/55
Louisiana State
Draft 8a, 1977 8th Season

PRO: "Dan is our most consistent offensive lineman and he plays at a steady high level," said Walton. "We feel that he's the most underrated offensive lineman in the NFL."...had his usual durable season in 1983...started all 16 games and has now played in 103 consecutive, the most by an active Jet...graded out the highest among Jets' linemen in 1983...has averaged only 1 penalty per 261 plays (total of 15) in the past 4 seasons...called the "best pass blocker on the team" by linemate Marvin Powell... makes very few mistakes...his low center of gravity enables him to sustain blocks well...made smooth transition to guard after playing DT at LSU...won starting job in 3rd game of rookie season, alternated later in year and took over spot permanently in 1978.

COLLEGE: Started 2 years in LSU defensive line with Miami's A.J. Duhe...had 10 QB sacks as a senior...played in Japan and Hula bowls.

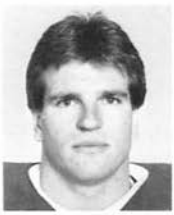

PERSONAL: Single...has degree in law enforcement...nicknamed "Bayou"...an avid hunter...twice all-city at Lamar High in his birthplace and hometown of Houston, TX.

PRO CAREER STATS: Jet fumbles recovered: 1 in 1978, 1 in 1982. Games played/started (103/95 total): 1977 (14/8), 1978 (16/16), 1979 (16/15), 1980 (16/16), 1981 (16/15), 1982 (9/9), 1983 (16/16).

Dan is as good as any guard in the NFL, but he's in an awkward situation with 2 people from the same team already in the Pro Bowl (Powell, Fields). Thinking back over the linemen I've coached, I'd say Dan has substantially more athletic ability than most of them. He's played both sides of the line. It takes more of a natural athlete to play defensive line.

Some ends are strong. Some are fast. But very few have the qualities of size, strength and speed that Gastineau has in such quantities. That's what makes him so difficult. What it comes down to is can I back up as fast as he can run forward 6 yards?

—Miami T Eric Laakso

Mark Gastineau had some added excitement during the week at the Pro Bowl last January in Hawaii. He was having lunch with Buffalo DT Fred Smerlas when they both noticed a wild bull that had gotten loose from its cage while being shipped. With the bull running down Main St., Gastineau grabbed a rope out of one of the worker's hands and prevented possible disaster by using his rodeo skills to lasso the bull and tie it to the nearest palm tree.

Part of the reason I can take the pounding is because I'm small and can give with the blow. I'm built stocky and I'm able to absorb the punishment. I went to a cowboy picture where they said all the tough guys are dead. I'm not tough. Durable, maybe.

—Bruce Harper

Defenses hate to see Bruce out there, because more times than not, he'll make the big catch or the big play. That's his signature as a football player in the NFL. They know what's coming and they can't stop it.

JONES *(continued)*

sion on Physical Fitness in 1976...an avid photographer who has had his works on exhibit...birthplace: Lawton, OK...moved in 7th grade to Lampasas, where he lived with his grandparents.

The big thing about Lam is not just that he has outstanding speed, it's the way he incorporates it into his game. He can catch the ball with his fingers, and he can move back into the ball to catch it. Guys who can do that, move back into the ball, are the guys who have the most confidence in their ability to catch it. He's just like Wesley Walker, a perfectionist. Lam has the ability to turn an 8-yard square-in into an 80-yard TD. He makes that first guy miss and he's gone.

Freeman is an offensive lineman's dream. He makes every block seem like a crusher. He reads you and takes advantage of what you do. Freeman can go forward a couple of steps, sideways a couple of steps - all at the same speed. Most of the time you just get a little piece of your block, but that's always enough for Freeman. **—Joe Fields**

Freeman is incredible. I've seen him actually do a 360-degree turn, get hit, spin around and wind up exactly where he was before. He's like a floating mirage out there. Freeman McNeil is our meal ticket. **—Marvin Powell**

I love kids. They are totally honest. They can teach you a lot if you just pay attention to them. If I go to a picnic, I always wind up playing with the kids. The adults probably wonder what I'm doing, but I'm comfortable with kids. They don't want anything from you except a little time and that's beautiful. I hate to be hustled, so do kids. Maybe that's why we get along so well. We see the world the same way.

—Freeman McNeil describing his relationship with kids.

It's like Clark Kent and Superman. You see the man, then you see the moves and it doesn't fit together. I feel things. I feel people behind me. We all have that sense, it's just that most people don't have to rely on it the way I do to survive. **—Freeman McNeil**

Sept. 4, JETS 41, at SAN DIEGO 29 (51,004) — Fair and Sunny. Nobody wants to get into a shootout with Dan Fouts and the Chargers, especially on their own turf. The Jets' new head coach Joe Walton was no exception and his game plan was to control the ball and the clock. The Jets controlled the ball for 82 plays and 36:31 as they ran right at the Chargers for 251 yards, with Freeman McNeil's 120 leading the way. The defense picked off 2 passes, recovered 1 fumble and the play of the special teams led to 2 scores, once picking up a SD fumble on a punt return and Kirk Springs returning a kickoff 64 yards. The victory was the Jets' first on opening day since 1978 and first winning opener on the road since 1972.

The Seahawks got plenty of help from the Jets who made 7 turnovers (4 fumbles, 3 interceptions). Seattle controlled the line of scrimmage for much of the game rushing for 196 yards, led by rookie Curt Warner's 128 yards. Despite the 7 turnovers, the Jets had their chances down to the end, but Seattle closed the door with a final interception at its own 17 with less than 2 minutes left. Sept. 18, at NEW ENGLAND 23, JETS 13 (43,182) — Sunny and warm. The Patriots literally ran over the Jets at Foxboro. With Tony Collins leading the way with a NE club record 212 yards on 23 carries plus 3 TDs, the Pats rushed 47 times for 328 yards. NE's defense stopped the Jets' running game, which was tops in the NFL, holding it to 89 yards. The Jets' second-half effort failed when they moved into scoring position in the 4th quarter with a 1st down at the NE 7, but couldn't get a TD and being without the services of K Pat Leahy (back spasms) had to go for the 6 points and failed on 4th and goal at the NE 18.

Sept. 25, JETS 27, L.A. RAMS 24 (OT) (52,070) — Sunny and cool. The Jets evened their record at 2-2 with a thrilling overtime victory over the Rams, but lost premier running back Freeman McNeil for 7 weeks with a separated shoulder. Pat Leahy's 26-yard FG with 8:22 gone in OT proved to be the difference, but there were a whole lot of wild and big plays prior to that: Eric Dickerson's 85-yard TD burst on the 2nd play from scrimmage, Dickerson's 5-yard TD run after Kirk Collins' 58-yard int. return, Jerry Holmes 57-yard TD run with a blocked FG, a bench clearing brawl after a big Mark Gastineau sack, Ferragamo's 2-yd TD pass to tie the game with only 32 seconds left, and Holmes' interception 30-yard int. return in OT to the 50 and Todd taking the Jets to the LA 7 where Leahy kicked the game winning FG. Todd's 446 yards were the most in 1983.

Oct. 3, JETS 34, at BUFFALO 10 (79,033) — Cool. The offense and defense combined for the best effort of the season on Monday Night TV. The offense, which produced a balanced 416 yards, was led by Bruce Harper's 118-yards rushing. The defense, which was sparked by Mark Gastineau's first pro TD (recovered fumble in end zone) and his 3 sacks, held the Bills to only 216 yards, made 7 sacks, recovered 2 fumbles and made 4 int while holding Joe Cribbs to 13-28. Cribbs also had 2 costly fumbles for a 14-point swing. One was at the NY 1 and on the next series at the B1 which was recovered in the end zone by Gastineau.

The Jets were inside the C20 4 times but only scored once after failing on a 4th and 1, suffering a fumble at the C9 and an interception at the C5. Oct. 23, ATLANTA 27, at JETS 21 (46,878) — Rainy and cool. The Jets built a 21 point lead and then saw it vanish as Atlanta came back in a rush scoring 3 TDs in a span of only 4:09 to tie the score and then win it on a pair of Mick Luckhurst FGs. Bruce Harper sparked the Jets to a 7-0 lead when he broke a 78-yard TD, bouncing up off the ground after slipping and finding a seam. With the score 21-7, Billy Johnson broke a 41-yard punt return to set up Steve Bartkowski's 25-yard TD to William Andrews. Moments later, Johnson sped 71-yards for another Falcon TD with a punt return. After stopping the Jets next drive, Bartkowski moved Atlanta into position for Luckhurst's 32-yard winning FG.

Oct. 30, JETS 27, at SAN FRANCISCO 13 (54,796) — Cloudy and cool. "The patient's not well yet, but we're recovering," said Joe Walton after the Jets ended a 3-game losing streak by beating the 49ers. The New York defense shut down the 49ers who managed only 312 yards total offense and only 85 on the ground. Joe Montana was intercepted twice, the last by Jerry Holmes resulting in a game-sealing 43-yard TD. Pat Leahy was awarded a game ball with FGs of 49 and 46 yards. The Jets did not fold when the 49ers were given great field position with a punt return to the J7 and a fumble recovery at the J11. They answered back the 49ers gift TD with Leahy's 49-yard FG 2 seconds before the half and forced SF to go for a FG after its recovery and came back with Leahy's 46-yard 3-pointer.

Nov. 6, BALTIMORE 17, at JETS 14 (53,323) — Cloudy and cold. Four turnovers - one of which led directly to a TD and another which stopped a scoring drive at the one, helped Baltimore defeat the Jets. The Colts capitalized on Johnny Hector's fumble at the J30 to move ahead 10-7 and later Curtis Dickey scored his 2nd TD of the game when he caught a tipped ball off the hands of Bobby Jackson in the end zone giving the Colts a 17-7 lead. Baltimore's defense stopped the Jets last chance drive at their own 37 when they sacked Richard Todd for a 10-yard loss and tipped a pass at the line.

Dec. 4, JETS 10, at BALTIMORE 6 (29,431) — Cloudy and overcast. The Jets held on by their fingernails and came away with a slim win over the Colts. The teams traded early turnovers before Richard Todd put the Jets ahead 10-3 in the second quarter with an 8-yard TD pass to Freeman McNeil. Baltimore closed to 10-6 before the Jets stopped a Colt drive with a Bob Crable interception in the end zone with 7:01 remaining. Then when Baltimore drove to the J7 with 0:48 left, Joe Klecko sacked Mike Pagel on 1st down. Following a holding penalty putting the ball at the J23, 2 hurried passes fell incomplete and then Pagel was rushed out of the pocket crossing the line of scrimmage to turn the ball over on downs. Klecko had 2½ sacks, Mark Gastineau 1½ plus 2 forced fumbles and LB's Crable and Lance Mehl had interceptions. McNeil rushed 24-102.

Dec. 10, PITTSBURGH 34, at JETS 7 (53,996) — Sunny and cool. "We got an old fashioned butt-kicking. They beat us, and they beat us bad," said Joe Walton after the Steelers eliminated any playoff hopes the Jets had, 34-7. Terry Bradshaw only played a little more than a quarter, but that proved to be enough to give the Steelers a needed spark. He passed for 2 TDs before having to leave with a bruised arm. Cliff Stoudt threw a pair of TD passes and the Steeler defense made 3 interceptions and also knocked Richard Todd from the game with a bruised thigh in the 3rd quarter. The only spark for the Jets in their last game at Shea Stadium came from Lam Jones who was 7-146-1 TD (from Pat Ryan).

WEEB EWBANK — A HALL OF FAMER

Weeb Ewbank, who guided the Jets for more than a decade, was inducted into the Pro Football Hall of Fame on July 29, 1978.

The former Jets' and Colts' (1954-62) head coach achieved a distinction that will never be matched — the only coach to win world championships in both leagues.

The Colts were dismal losers when Weeb took over in 1954. He built them up to the NFL champions in 1958 when they beat the Giants in a memorable sudden death overtime and they won the title again in 1959. Weeb joined the Jets in 1963 and developed them to the team that shocked the Colts in Super Bowl III.

Weeb joined impressive company. Paul Brown, George Halas and Vince Lombardi are the only coaches in the Hall of Fame who were contemporaries of Weeb during his head coaching career.

WEEB EWBANK — A HALL OF FAMER

Weeb Ewbank, who guided the Jets for more than a decade, was inducted into the Pro Football Hall of Fame on July 29, 1978.

The former Jets' and Colts' (1954-62) head coach achieved a distinction that will never be matched — the only coach to win world championships in both leagues.

The Colts were dismal losers when Weeb took over in 1954. He built them up to the NFL champions in 1958 when they beat the Giants in a memorable sudden death overtime and they won the title again in 1959. Weeb joined the Jets in 1963 and developed them to the team that shocked the Colts in Super Bowl III.

Weeb joined impressive company. Paul Brown, George Halas and Vince Lombardi are the only coaches in the Hall of Fame who were contemporaries of Weeb during his head coaching career.

JETS' PLAYOFF HISTORY

1968 AFL CHAMPIONSHIP

DEC. 29, 1968 — SHEA STADIUM

NEW YORK 27, OAKLAND 23

The New York Jets climaxed their finest season in history (11-3) by scoring a 27-23 victory over Oakland. A title game record crowd of 62,627 sat in on the chilly and windy proceedings at Shea Stadium and saw Joe Namath toss three touchdown passes.

Despite the fact that Namath attempted a record 49 passes, the Jets still mixed their attack. Matt Snell and Emerson Boozer gained 71 and 51 yards, respectively, behind fine blocking from the front line.

The Raiders carried the game down to the final minutes before Lamonica's lateral pass for Charlie Smith rolled free and was recovered by the Jets' Ralph Baker.

The victory gave head coach Weeb Ewbank the honor of being the only coach to win titles in both the NFL and AFL.

SUPER BOWL III

JAN. 12, 1969 — MIAMI ORANGE BOWL

NEW YORK 16, BALTIMORE 7

Defying the oddsmakers (17½ point underdogs) and the strength of traditions, the Jets became the first AFL team to win the Super Bowl by rumbling over and through the Baltimore Colts to record a 16-7 triumph.

As it was in the AFL championship contest, Joe Namath led the way. The all-pro quarterback directed the Jets' attack flawlessly, driving the team to a second quarter touchdown by Matt Snell (four yards) and three second-half field goals by Jim Turner. Snell had an outstanding game, gaining 121 yards on 30 carries.

The defense shared at least as much glory as the offensive unit, intercepting the Colts four times. Randy Beverly picked off two; Jim Hudson and Johnny Sample, one each. The defensive unit harrassed Colts' quarterbacks Earl Morrall and Johnny Unitas all afternoon, allowing them to complete only 17 of 41 passes. The victory was the third in World Championship competition in as many tries for Weeb Ewbank and made him the only man ever to coach world champions in both the AFL and NFL.

1969 AFL PLAYOFF

DEC. 20, 1969 — SHEA STADIUM

KANSAS CITY 13, NEW YORK 6

The game was a classic battle of defenses, played in remarkably cold and windy conditions before a sellout 62,977 fans. Through the first three quarters, neither team could penetrate for a touchdown and the score stood at 6-3 for the Chiefs. Jim Turner had put New York out in front, 3-0, with a 28-yard field goal the first time the Jets had the ball, but the Chiefs' Jan Stenerud retaliated with a 23-yarder on the next series.

Not until the fourth quarter did the breaks occur. With first and goal on the one-yard line, three cracks, including a Joe Namath bootleg, failed to bring a touchdown. Turner then kicked a 7-yard field goal to tie it, 6-6.

Two plays later Kansas City was in the end zone. Len Dawson hit Otis Taylor for a 61-yard pass play to take the Chiefs to the Jet 19. Then Dawson fired the final 19 yards to Gloster Richardson for the only TD of the game.

Namath threw 20 passes over the next two Jets' series, but a fourth down incompletion and a Jim Marsalis interception thwarted the Jets and put Kansas City on the road to the world championship.

1981 AFC WILD-CARD PLAYOFF

DEC. 27, 1981 — SHEA STADIUM

BUFFALO 31, NEW YORK 27

In one of the most exciting playoff games ever played, the Buffalo Bills hung on to defeat the Jets, 31-27 as Bill Simpson made an interception on the two-yard line with time running out.

The Bills scored on the opening kickoff when they recovered a Bruce Harper fumble and quickly built that to a 24-0 second quarter lead. The Jets rallied in the third quarter to make it 24-13. The game appeared over as Joe Cribbs busted a 50-yard TD to give Buffalo a 31-13 lead with 10:16 left.

The Jets refused to die, however, and with Richard Todd at the controls, New York scored 2 quick TDs and were now down 31-27 with 3:44 to go. A swarming defense forced the Bills to go three and out and with 2:36 left and the goal line 80-yards away, Todd started the Jets on their march. They drove to the Bills 11-yard line with 14 seconds on the clock, but Simpson made his game-saving interception and the Jets' season ended.

1982 AFC PLAYOFF

JAN. 9, 1983 — CINCINNATI RIVERFRONT STADIUM

NEW YORK 44, CINCINNATI 17

The Jets mixed up solid and hard hitting football with a measure of razzle dazzle on offense and gimmicks on defense to beat the Bengals at Cincinnati in round one of the NFL Super Bowl tournament. The Bengals jumped to leads of 14-3 and 14-10 and were threatening to score again, when the Jets' defense might have made the play of the day. Nickel back Johnny Lynn made an interception at the J1 and with Freeman McNeil leading the way behind an awesome performance by the offensive line, the Jets surged to a 17-14 lead which they never surrendered. McNeil was the "cannon" being shot by Richard Todd 21 times for 202 yards and one TD.

1982 AFC PLAYOFF

JAN. 15, 1983 — LOS ANGELES MEMORIAL COLISEUM

NEW YORK 17, L.A. RAIDERS 14

The Jets spring upset number two in the 2nd round of the Super Bowl tournament, beating the Raiders to enter the AFC championship game. Richard Todd's 45-yard pass to Wesley Walker set up the winning one-yard TD run by Scott Dierking, but it took a pair of Lance Mehl interceptions in the last 3 minutes to wrap it up for the Jets. New York jumped to a 10-0 lead on a 20-yard TD pass from Todd to Walker and a Pat Leahy FG, but the Raiders came storming back in the 2nd half to take a 14-10 lead. The Jets came back to take the lead at the 3:45 mark following the Todd to Walker bomb, but the Raiders still had plenty of time. It looked as if the Jets had put the Raiders away when Mehl intercepted Plunkett at the LA27 with only 2:49 left, but the Raiders got one more chance when they recovered a McNeil fumble at their own 33 with 2:26 to go. Then Mehl made his clinching interception and this time the Jets ran out the clock.

1982 AFC CHAMPIONSHIP

JAN. 23, 1983 — MIAMI ORANGE BOWL

MIAMI 14, NEW YORK 0

On an extremely muddy field at Miami's Orange Bowl, the Jets and Dolphins waged a defensive battle which ended with Miami on top 14-0 to earn a trip to the Super Bowl. A.J. Duhe was the hero of the game which saw a total of 12 turnovers, with three interceptions, returning the final one 35-yards for a touchdown early in the fourth quarter. Woody Bennett ran seven yards for the first Miami touchdown on the Dolphins' first possession of the third quarter, capping a 48-yard, seven-play drive following Duhe's second interception. The poor field conditions severely hurt the Jets' rushing attack as Freeman McNeil, who had rushed for 303 yards in the previous two playoff wins, was limited to only 46 yards on 17 carries due to the footing. It was the first time in NFL playoff history that two teams were deadlocked at 0-0 at halftime. The Jets passing game was also hindered as Richard Todd was intercepted a record-tying five times by Miami. The New York defense held Miami to only 198 net yards, intercepted David Woodley three times and forced three fumbles.
