CHUCK NOLL

Head Coach

In 1976 Chuck Noll can move into a very select circle of coaches by winning a third straight league championship. Only two men—Curly Lambeau (1929-31) and Vince Lombardi (1965-67), both with Green Bay,—have ever won three NFL titles in succession in the 56-year history of the National Football League. A total of eight, including Noll, have had the opportunity by winning two crowns in a row.

When the Steelers won their first title in 1975, it enabled the 44-year old Noll to reach the goal he established when he became the Steeler head coach in 1969. It was a tough and sometimes rocky road.

Chuck had been a success at every level of football in which he had been involved prior to coming to Pittsburgh. As an All State player at Benedictine High School in Cleveland, he earned a scholarship to Dayton where he became a standout and captained the team in his senior year.

The Cleveland Browns selected him on the 21st round of the 1953 draft. Coach Paul Brown used him as a guard for four seasons before moving him to defense as a linebacker for his final three years. In seven seasons with Cleveland, the Browns won five Eastern Conference titles and two of those teams went on to win NFL championships.

In 1960 at the young football age of 27, Noll retired as a player to go into coaching. An assistant's position at Dayton did not materialize so he joined Sid Gillman with the Los Angeles Chargers (now San Diego) in the new American Football League. He was there six years as a defensive assistant. The Chargers won five division titles and two AFL crowns.

In 1966 he joined Don Shula's staff at Baltimore as the defensive backfield coach. In a three year period, the Colts lost just seven regular season games and won the NFL championship in 1968.

Unlike the earlier part of his football career when success and football were synonymous. Noll did not transform the Steelers into immediate winners when he took over. The process was gradual. It took four seasons to turn in a winning record and six to reach the ultimate objective of a league championship.

In the early days, each year was an improvement over the previous one and it was obvious that he was progressing. Out of

necessity, he had to exercise patience, which is one of his many outstanding qualities, as he constructed what was to become the premier team in professional football. He believed the way to build a championship-calibre team was through the college draft.

Utilizing the advantage of drafting high and the input of a very capable personnel department, he astutely went about the job. Beginning with his first draft choice of Joe Greene, he established the pattern he would follow and kept adding quality players. As a result, he assembled a team that is almost completely homegrown. Only five of the players on last year's Super Bowl roster had played for any other NFL team. Of the 22 starters, 21 originally were Steelers.

Once the building process was underway, Noll's coaching talents took over. In addition to the aforementioned patience, he has several other remarkable qualities which have played a major role in his success.

His low-key, scholarly approach has resulted in a noticeable looseness in the squad. He has an easy rapport with the players which enables him to communicate well with them and it is combined with an unquestioned discipline. It is a well-conceived, delicate balance and has been developed by him over many years as a player and assistant coach. Out of this has come a mutual respect between the coach and his players which was very evident in the critical early years and has been enhanced by time and success.

Noll's accomplishments in Pittsburgh are amazing. He has been the major force in turning a losing team into a championship one. He has become a dominant figure in the sport while maintaining a designed degree of anonymity foreign to men of his stature. His formula has become a model for teams facing the same situation the Steelers did in 1969.

The Steelers have made the playoffs four years in a row and during this period their record is a spectacular 43-12-1 in the regular season and 7-2 in the playoffs. It is a team with the capability of continuing at the same pace and a coach who has the capacity to sustain this success.

Chuck's interests outside of football are varied and an interesting reflection of the man. His latest challenge is flying and he owns a plane. He is a classical music devotee, a scuba diver, a wine connoisseur, a food gourmet and even has his own flower garden in which his specialty is growing orchids.

Chuck and his wife Marianne have an 18-year old son, Chris, who is a student at the University of Rhode Island.

BUD CARSON

Defensive Coordinator

In the four year period that Bud Carson has been with the Steelers, their defense has been the best in the NFL. This has enabled the team to win two league championships and make four straight playoff appearances.

When Bud joined the team in 1972 he was the defensive backfield coach but by the middle of his first season Chuck Noll put him in charge of the entire defense as defensive coordinator, the position he holds now. In that capacity he has been able to develop the Steelers' aggressive defensive style which has been the major factor in their success.

He is the only member of the Steeler staff with head coaching experience above the high school level. He came to the Steelers from Georgia Tech where he had succeeded Bobby Dodd in 1967 after serving as the defensive coordinator the year before. In five years there, Bud had a 27-27 record which included two bowl appearances. His best year was 1970 when Tech had a 9-3 mark.

Carson began his coaching career at Scottdale (Pa.) High in 1955 and in two seasons had a 16-2-1 record. He returned to North Carolina, as an assistant for seven years. He spent one year at South Carolina as the defensive head coach before going to Georgia Tech.

As a player at North Carolina, Bud was an All Southern Conference defensive back for three years. A 30-month stint in the Marines followed college.

Bud is a native of Brackenridge, Pa. He and his wife Linda have two daughters, Dana(16) and Cathy(1), and two sons, Cliff(15) and Gary(14). They live in Upper St. Clair.

DICK HOAK

Offensive Backfield Coach

In his 10-year career, Dick Hoak was one of the most productive players in Steeler history and now is employing the same qualities of hard work and a sharp football mind to accomplish the same thing as the team's offensive backfield coach.

This is his fifth season in his present post and he is one of the best assistants in the NFL. Since being given additional responsibilities in 1974, he has been very instrumental in the Steeler offense's overall improvement.

Hoak gained 3,965 yards rushing during his career and ranks as the Steelers' third all-time leader. Three times he led the team in rushing and in 1968 gained a career-high 858 yards to rank fourth in the league. He had the top game of his career that year against New Orleans when he ran for 166 yards which included a 77-yard TD, the longest in the NFL that year.

At the end of that season, he was named to the Sporting News All Eastern Conference 1st team and selected to play in the Pro Bowl. Later he won the Dapper Dan Award as Pittsburgh's outstanding sports figure for his efforts.

Dick was the Steelers' seventh draft choice in 1961 after he had completed a great career at Penn State where he played both halfback and quarterback. Before rejoining the Steelers as a coach in 1972 he spent one year as a high school coach.

Dick is a native of Jeannette, Pa. and now lives in Greensburg. He and his wife Lynn have two daughters, Kelly(11) and Katie(8), and one son, Richard(4). Dick will be 35 during the season.

GEORGE PERLES
Defensive Line Coach

In the four years George Perles has been the Steelers' defensive line coach, he has been a major factor in the team winning two league titles and being in the playoffs each of those years.

With an easy-going, enthusiastic philosophy, George has developed the defensive line into one of the best in pro football history. He has motivated these great athletes into playing as a unit and by doing this has maximized their exceptional individual talents. He has an extremely warm rapport with his players which has been an important aspect of his success.

The 42-year old Perles has been in coaching since 1961. After serving two years in the Army after high school, he enrolled at Michigan State where he was a two-way tackle in the days of one platoon football. He majored in Physical Education and stayed in school an extra year to earn his master's degree in that field.

His first coaching assignment was in the high school ranks. He spent a year at Chicago St. Rita before returning to his hometown of Detroit to coach St. Ambrose for three years. These two successful stints led to a two year tour at Dayton University.

George returned to Michigan State in 1967 as an assistant. He coached the defensive line for three years and the defensive backs for two. He left there to join the Steelers in 1972 and joined the team as it began its ascent.

George and his wife Sally have a daughter, Kathleen(18), and three sons, Terrence(16), John(13) and Patrick(12). They live in suburban Upper St. Clair.

DAN RADAKOVICH
Offensive Line Coach

A major reason for the success of the Steeler offense has been the improved play of the offensive line. The man responsible for this is Dan Radakovich who is in his fourth season with the team but just his third as Offensive Line Coach. In 1971 he served as the Steelers' defensive line coach.

Although his methods are unorthodox there is no question about his ability as evidenced by the Steeler performance in 1975 when they set team records for rushing and passing percentage. Dan employs a great deal of classroom work. He is a stickler for fundamentals and usually keeps his players on the practice field longer than the other coaches.

Prior to coming to the Steelers for his second tour, the 41-year old Radakovich had spent his entire career as a defensive coach in the college ranks with the exception of the one previous season here.

After graduating from Penn State where he had been a center and linebacker, he joined Rip Engle's staff as a graduate assistant in 1957 and three years later became a full-time member, working mainly with the linebackers. He remained in the same capacity when Joe Paterno succeeded Engle.

In 1970 he left to become the head defensive coach at Cincinnati. The next year he joined the Steelers but departed after one year to return to college coaching. He spent two years as the defensive coordinator at Colorado.

Dan went to Duquesne High where he captained the football and basketball teams. He and his wife Nancy have a son, Dan(17), and three daughters, Lisa(13), Leslie(10) and Lori(8).

LOU RIECKE
Strength Coach

A major reason for the Steelers' success is that as a team they have been physically stronger than most of their opponents. When Chuck Noll added Lou Riecke to his staff as Strength Coach in 1970 this was his objective and the results have been extremely impressive.

Riecke's approach to this continuing project is a basic yet well-conceived plan which he prescribes on a year-round basis. It involves intensive work in the off-season and during training camp and tapers off to a mandatory once a week routine during the regular season.

While this program is primarily designed to increase the strength of the players, it provides the additional benefits of increasing the speed and stamina of the athletes. As a result, the Steelers have developed exceptional team speed and endurance as well as strength.

It was only natural that Lou would eventually find his way into his present position because he is so well-qualified. He has the first-hand experience of being a competitive weightlifter and the educational background to understand its proper application.

In addition to his weightlifting, Riecke was active in football and track in high school and in the latter in college. He attended LSU where he majored in Zoology and Chemistry and went to medical school there for two years.

In 1947 he won the NCAA weightlifting championship and three times took the national YMCA title. He was on the United States team for two world championship meets and was a member of the 1964 Olympic team in Tokyo.

Riecke lives in New Orleans. He and his wife Enid have four daughters, Cindy(24), Ginger(22), Vicki(20) and Lee(17).

JOHN SPEZZAFERRO
Offensive Assistant

After being out of football for 11 years, John Spezzaferro returns to take his first position in pro football. As an offensive assistant, he is the only new member of the Steeler staff.

The 55-year old Spezzaferro has had a successful coaching background in the Ohio high school and college ranks. He and Chuck Noll's paths first crossed when Noll was a player at Dayton and John was the offensive line coach. His three year term there from 1951-53 was his second college post.

After graduating from Heidelberg College where he captained the football team in 1946 and majored in Political Science, he remained for two years as the freshman football coach before moving into a long and distinguished career as a head high school coach in Dayton and Cleveland. In both these cities his teams were annually in the running for city titles. He also had other coaching and administrative duties in this 16-year period. During this time he received his master's degree in Education at Western Reserve. In 1970 the Cleveland Coaches Association honored him with its Golden Deeds Award for his meritorious service.

John's college education was interrupted by World War II. He served three years in the Marines as a squad leader in a Rifle Platoon and was wounded in Okinawa.

For the past 10 years, John has been with the State of Ohio's Department of Personnel as the administrator of their Training and Employment Manpower Programs.

John is a native of Shawmines, Pa. He grew up in Cleveland where he was an outstanding athlete in several sports.

LIONEL TAYLOR

Receiver Coach

In the seven seasons Lionel Taylor has been the Steelers' Receiver Coach he has earned a reputation as an outstanding teacher in the art of catching a football. He came to the team in 1970 and is the senior member of Chuck Noll's staff.

Lionel had a distinguished 11-year career as a pro player. It began in 1959 with the Chicago Bears. When the rival AFL was formed the following year he went with Denver and blossomed into one of the all-time great receivers before playing his final two seasons with Houston.

His total of 567 receptions is still the fourth best career mark. He led the AFC in receiving in four of its first five years and in 1961 became the first pro player to catch 100 passes in a season. He set records for the most times leading the league in receiving(5) and the most catches in a game(13).

In combining his experiences as a player and a knack for teaching, the 40-year old Taylor has developed the Steeler receiving corps into one of the best in the NFL. He utilizes many innovative techniques which have been very effective. For the most part, he has worked with young players who are in the important early years of their careers when they must adapt to the professional style of play. He has been instrumental in helping these players make a smooth transition and to become outstanding pro players.

Lionel is a native of Kansas City, Mo. but grew up in Lorado, W. Va. He was an All Frontier Conference flanker at New Mexico Highlands. He and his wife Lorencita have two daughters, Loretta(16) and LaVern(14). They live in McMurray, Pa.

PAUL URAM

Flexibility Coach

After three years as a part-time member of the Steeler staff, Flexibility Coach Paul Uram became a full-time assistant this season.

The 50-year old Uram has been a pioneer in the field of preparing athletes for competition and is the foremost authority in sports on this subject. His method of stretching drills generally is accepted as superior to the traditional calisthenics long utilized in sports, particularly football.

His primary function is to develop a daily program which will enable each player to be as physically prepared as possible when he takes the field to practice or play a game.

In addition to his duties as Flexibility Coach, Paul works closely with the team's kickers. He also has a variety of other duties which encompass many areas.

In the three previous years Paul has been with the Steelers, the team has had an extremely low injury rate and he has played a major role in this positive statistic. Last season the Steelers were the only NFL team to go through the season without making a change in their 43-man roster.

Uram attended Slippery Rock College where he lettered in football and track. He earned his master's degree in Physical Education at Pitt. He was an outstanding gymnast, winning junior and senior national Sokol titles. He has been elected to the Helms and Western Pennsylvania Halls of Fame.

A native of Butler, Paul has been on the high school faculty there since 1955 before retiring this past year and had coached football and gymnastics. He and his wife Helen have one son, Ron(20).

BOB WIDENHOFER
Linebacker Coach

One of the youngest and most successful assistant coaches in the NFL is Bob (Woody) Widenhofer who, at 33, is in his fourth season with the club.

After being overshadowed by their defensive linemates in the past, the Steeler linebackers received their due recognition in 1975 when all three regulars were selected to the AFC Pro Bowl team and this in turn brought some well-deserved credit to their coach who has done a fine job in helping mold the great defensive unit.

Both Andy Russell and Jack Ham were with the Steelers when Woody arrived in 1973 but the rapid development of Jack Lambert into one of the NFL's best middle linebackers completed what is regarded as the league's top linebacking unit and has been Widenhofer's greatest accomplishment as a coach. From the day Lambert was drafted in 1974, the pair have worked very hard together to fill the missing link in what made a good defense a great one.

Woody was an outstanding high school athlete in Detroit, playing football, baseball and basketball. At Missouri, he won two letters as a linebacker.

His coaching career began in the school ranks, at Holy Redeemer and Nativity High. Both were two year stints in Detroit.

In 1969 Woody joined the staff at Michigan State and spent two years there while earning a master's in Physical Education. He became the defensive coordinator at Eastern Michigan in 1971 and his team was undefeated. The next season he moved to Minnesota.

Woody spent the first ten years of his life in Butler, Pa. He and his wife Sherrill have two daughters, Kimberly(7) and Stacy(5). They live in Upper St. Clair.

RALPH BERLIN
Trainer

Ralph is now in his ninth season as the Steelers' Head Trainer. He played football at Iowa State and began his career as a trainer there. He also has been at DePauw and Kentucky and had pro experience with St. Louis in the NFL. He has a master's degree in Health and Safety and a BS in Physical Education.

TONY PARISI
Equipment Manager

Tony joined the Steelers in 1965 after a career in hocky as a player and a trainer. He is a native Canadian who is primarily responsible for the purchasing, care and reconditioning of the team's equipment and also helps out in the training room.

JACK HART
Field Manager

In the thirty years that Jack Hart has been with the Steelers, he has served in many capacities. Now as the Field Manager he puts in long hours in having the playing fields at St. Vincent College and Three Rivers Stadium well-prepared for the team.

Topped NFL in interceptions in his first year with 24 . . . Has opportunity to become winningest QB in Super Bowl history and eventually could win more league titles than any QB in NFL history.

COLLEGE: Holds all school passing and total offense records . . . Completed 52.5% of his passes for 7,149 yards and 42 TDs . . . Was co-captain in his senior year . . . 1st team AP College Division, Coaches and Time All America teams . . . 2nd team UPI and Sporting News . . . Sept. 28 at Pittsburgh, 49,348

O. J. Simpson ran for 227 yards and the Steelers committed five costly turnovers. The Bills' first two scores resulted from a Terry Bradshaw interception and a fumble. After that they controlled the game on the running of Simpson and Jim Braxton which forced the Steelers out of their normal game. Joe Gilliam brought the Steelers back but it was too little, too late.

Pittsburgh 20, Denver 9

Oct. 12 at Pittsburgh, 49,164

After three losses and a frustrating overtime tie against the Broncos, the Steelers finally beat Denver on the strength of Lynn Swann's two sensational end zone receptions. They were able to sit on a 17-3 lead after the Broncos lost their best offensive player, Otis Armstrong, and their best defensive player, Paul Smith. Four turnovers killed what little offense the Broncos were able to generate.

Pittsburgh 34, Chicago 3

Oct. 19 at Pittsburgh, 47,579

The youthful Bears hung tough through a fairly even first half until a pass interference penalty set up the game's first touchdown late in the second quarter. The Bears ball-control style was very effective as they mixed their plays well, frequently passing on first down and running on passing downs. Defensively, they held the Steelers to their lowest yardage output of the year in a game that had just one turnover.

Roy Gerela's third field goal with little more than two minutes to play provided the winning margin as the Steelers unleashed a potent ground game that saw Rocky Bleier set a career-high of 163 yards rushing. John Hadl called upon all of his 15 years of experience to keep the Packers in the game all the way while using a wide assortment of plays to keep the Steeler defense honest.

Mike Wagner's two fourth quarter interceptions stopped a late Bengal rally to protect a Steeler lead triggered by Franco Harris' best regular season game and the passing combination of Terry Bradshaw and Lynn Swann. The middle two quarters belonged to the Steeler defense as it completely throttled the Bengals, limiting them to one first down and 54 yards in this stretch.

In what was billed as a defensive struggle, the teams showed quite a bit of offense with turnovers and penalties being a major factor all day. In the end, it was the Steelers' bench and Bobby Walden's punting that made the difference. Steve Furness, rookie John Banaszak and Frenchy Fuqua were outstanding in relief of injured regulars. Walden's educated foot kept the ball away from Billy Johnson, the Oilers' ace returner.

Terry Bradshaw connected with Lynn Swann on a 42-yard scoring pass with seven seconds to play in the first half to help the Steelers shake their doldrums and then go on to an easy victory. A KC on-side kick to open the second half misfired and it led to a second TD. For the second week in a row the Steeler bench played well, particularly Steve Furness and the running backs.

Nov. 24 at Houston, 49,947

The Steelers took sole possession of first place for the first time all season with their most impressive victory of the year. Playing before a near-hysterical crowd against an outstanding team, they went to their ball-control game with Franco Harris' rushes and Terry Bradshaw's pinpoint passing. The defense contained the Oilers almost the entire night with a broken play accounting for the only Houston TD.

Nov. 30 at New York, 52,618

In their first NY appearance in six years, the Steelers set a team record with their ninth straight win. They overcame a ragged offensive start caused by Terry Bradshaw's problems with an unpredictable wind and a minor injury to Franco Harris to score twice in the second quarter. Four Joe Namath interceptions stalled Jet drives which could have made the game much closer. Once again the Steeler bench excelled.

Los Angeles 10, Pittsburgh 3

Dec. 20 at Los Angeles, 69,389

The Rams turned the Steelers fourth turnover of the game into a fourth quarter score to end the longest winning streak in Steeler history and the longest in the NFL in 1975. Both teams used reserves freely, the Steelers by choice and the Rams out of necessity. The three LA interceptions were the most against the Steelers all season. The highlight of the game from a Pittsburgh standpoint was Franco Harris' new single season rushing record and his 19th 100-yard game which carried him over the 4,000 mark for his career.

AFC Playoff Game

Pittsburgh 28, Baltimore 10

Dec. 27 at Pittsburgh, 49,053

Franco Harris ran for an AFC playoff record 153 yards but it was Mel Blount's interception late in the third quarter that provided the Steelers with the impetus to overcome a 10-7 Baltimore lead. Following Jack Ham's interception, the Steelers put together a 61-yard, four-play drive, highlighted by Frank Lewis' sensational one-hand 34-yard catch, to take a 7-0 lead late in the first quarter. Playing without regular quarterback Bert Jones, the Colts used a Lloyd Mumphord interception to tie the game on Marty Domres' pass to Glenn Doughty. Another turnover, one of four by the Steelers, a fumble by Harris at his own 19, gave the Colts a field goal and their only lead of the game. Three minutes later Blount made his steal and Bleier scored standing up on the first play. The Pittsburgh defense stiffened, holding the Colts without a first down on their next three possessions. The Steelers put it out of reach with Terry Bradshaw's gutty two-yard run which capped a 39-yard drive, and then Andy Russell's record 93-yard fumble return followed a Ham sacking of Jones who had returned at the start of the final quarter.

In a game that was not decided until the final play, the Steelers overcame eight turnovers, including a lost on-side kick which gave the Raiders a final opportunity to win. The game was played on an icy field with temperatures in the teens and strong, gusty winds. Oakland intercepted two passes in the first quarter but the best they could get out of them was a missed 38-yard field goal. The Steelers took advantage of the initial Raider turnover, the first of Mike Wagner's two interceptions and a 20-yard return, to get on the board with a field goal. The Steelers missed two field goal attempts in the third quarter, 44- and 48-yard tries, which saw the Raiders committing three turnovers and the Steelers one. Franco Harris completed a 70-yard drive when he found the middle jammed and swung around his left side for 25 yards and the game's first TD on the second play of the final quarter. Ken Stabler responded with a 60-yard, six-pass drive to reduce the Steeler lead to three again. Another Oakland fumble which Jack Lambert grabbed for his third recovery of the game on the Oakland 25 set up the final Steeler score. While the Steelers were running out the clock, Harris fumbled and the Raiders quickly moved into position for a 41-yard field goal. The Steelers committed their third fumble in the last five minutes of the game on the ensuing onside kickoff but time ran out on the Raiders.

Pittsburgh 21, Dallas 17

Jan. 18 at Miami, 80,197

Reggie Harrison turned the momentum of the game from Dallas to Pittsburgh with a blocked punt early in the fourth quarter which cut the Cowboys' lead to 10-9. The Steelers returned the following free kick into Dallas territory from where they got into position for their first of two field goals in a two minute span to take their first lead of the game. Mike Wagner intercepted a pass on the first play after the first field goal which enabled the Steelers to take a five point lead. On a third and four situation, Terry Bradshaw eluded a strong Dallas blitz and unloaded a tremendous pass to Lynn Swann for a 64-yard score. The Cowboys came back on the next series to go 80 yards on five plays and the game ended with Roger Staubach throwing two incomplete passes in the end zone, the last of which was intercepted by Glen Edwards. A fumbled snap by punter Bobby Walden set up the first Cowboy score, a short pass over the middle on the first play on which the Steeler secondary was out of position. The Steelers stormed back to tie it with Lynn Swann, the game's MVP, making the first of his three sensational receptions, a 32-yard leaping catch, highlighting the 67-yard drive. The Dallas field goal on the third play of the second quarter was the only additional scoring until Harrison came up with his big play.
