HAWK HISTORY: Joined team in 1954-55 season after Hawks' worst year. Since then team has moved to contention with several near-misses for first place, plus a Stanley Cup.

Biggest contribution has been development of solid farm system which has continually sent youngsters to Hawks. Last season, for instance, six men were playing NHL hockey as rookies with several more coming up this season.

Married, lives in Skokie. Soft-spoken, but outspoken in his dealings with other owners and managers.

Socko Uren has been promoted from the St. Louis Braves of the Central League where he spent four years with Gus Kyle. Now that he is with the Black Hawks Chicago has a 1-2 punch in trainers much like their Hull-Mikita 1-2 punch in the scoring field.

BLACK HAWK HISTORY . . . Obtained mainly for his ability to score on power play. Will miss early part of season because of recent operation on back. However, he could be main key to Hawk title hopes if he comes back to the ice in sound condition. One of fastest men in hockey . . . Certainly the smallest, but Billy Reay voted Henry best man on breakaway in a survey last year, even before he was on Hawk team.

HAWK HISTORY: Brother of the great Bobby Hull, but many believe he has harder shot than his famous brother. Played his amateur hockey at St. Catharines. Biggest problem is learning to skate with NHL players. Has the ability if he can gain the experience to go with it. Size and speed in his favor as well as the fact that his shot gives opposing goalies nightmares.

Married on June 19, 1965 to Sue Newman.

Soft-spoken youngster who is hoping to live on his own reputation although most people are usually comparing him with the Golden Jet.

STAN JOINS MAX . . . Stan Mikita became only the sixth player in history to lead the NHL scoring two years in a row and the second Black Hawk. Max Bentley did it in 1946 and 1947.

DOUGLAS JARRETT

Born: London, Ont., April 22, 1944

NHL RECORD: 46 games—2 goals, 15 assists.

ACCOMPLISHMENTS: Made Black Hawk team after just a few games in the Central League, jumping from the Amateurs.

HAWK HISTORY: Played his junior hockey at St. Catharines. One of the better stick handlers. His size and strength, as well as defensive speed, important to the future of the Hawks as some of the veterans reach retirement age.

Married . . . wife, Mary Lou, son, Doug, Jr.

Quiet, soft-spoken, but hard-nosed on the ice. Played some of the best defense during playoffs for Hawks, especially when pressed into full time service during Pierre Pilote's injury. His youth and speed should tab Jarrett as a future great.

RONALD PATRICK "CHICO" MAKI

RIGHT WING

Shoots right 5'10" 170 lbs.

NHL RECORD: Five years, 35 goals, 61 assists, 96 points.

ACCOMPLISHMENTS: Had 30 goal season at Buffalo in 1960-61. Last season's 16 goals best in majors.

Married . . . wife, Nancy; two children, Michael and Steven.

ALLISTER W. "AL" MAC NEIL

DEFENSE

Shoots left 5'10" 176 lbs.

ACCOMPLISHMENTS: Teamed with Matt Ravlich as one of the Hawks' two defensive units and has gained reputation as hard-nosed when necessary and terrific hustler at all times.

HAWK HISTORY: Ability to dish out punches when his buddies are in trouble has tabbed him as one of the really good fighters in the game. A man to shy away from, but not a dirty player . . . Penalty minutes not excessive. Has taken on the bullies and always comes off on top.

Single, despite his handsome physique and easy manner. His Scottish tang belies his Nova Scotian background. Genuine smile for his friends makes him one of league's most popular athletes.

STANLEY MIKITA

HAWK HISTORY: Line he centers has been scoring backbone of team since he joined squad in 1959-60. With Wharram and Mohns, makes up "Scooter" line. With Bobby Hull, makes best 1-2 punch in hockey, possibly of all time. Joined Hawks direct from St. Catharines.

ACCOMPLISHMENTS: Had 20 goals in 1959-60 . . . 13 goals last year playing mostly at left wing after missing 21 games from injuries. HAWK HISTORY: Joined Hawks last season after big trade with Boston. One of fastest skaters in league. Can play up front or, if used on defense, is one of league's top defense men.

Married . . . wife, Jane; two children, Doug, Jr. and daughter, Andrea. Makes home near Boston in off-season.

ERIC PAUL "NESTER" NESTERENKO

RIGHT WING

Shoots right 6'1" 195 lbs.

NHL RECORD: In league since 1951-52. Played 760 games, scored 167 goals and 193 assists. In 69 playoff games—has 10 goals.

ACCOMPLISHMENTS: Best year 1957-58 with 20 goals. Set record of six short-handed goals last year. One of top penalty killers in game.

HAWK HISTORY: With team since '56-57. Used as defensive forward and penalty killer . . . has had spurts as scoring threat, however. Nicknamed many things, including "Elbows," "the Blanket," "The Thinker."

Married . . . wife, Barbara; three children, Donna, Paul and Melanie.

Works as public relations man for Air Canada. Very accomplished after-dinner speaker. Enjoys off-beat discussions on politics and philosophy. Attended Northwestern, hopes to teach physical ed. after hockey career is over.

BOBBY IN 30 GOAL STREAK . . . Bobby Hull's 39 goals last year made it the sixth year in a row that the Golden Jet scored more than 30 goals in a season, an NHL record.

CANUCKS CLICK . . . Montreal led all teams with 57 power play goals last year. The Hawks were fifth in the league in taking advantage of penalties to the opposition, garnering only 48 power play goals.

STASH KEEPS PITCHIN' . . . Although Bobby Hull has led the Black Hawks in goal scoring the last three years and six of the last seven, Stan Mikita has scored more points than the Golden Jet the last three seasons. In fact Stash by Gosh has led the entire NHL the last two years in point scoring.

PIERRE PAUL "PETE" PILOTE

DEFENSE

Shoots left 5'10" 173 lbs.

Born: Kenogami, Que., Dec. 11, 1931

NHL RECORD: 626 games, 68 goals and 284 assists. Scored 14 goals last year for Hawk record among defensemen.

TROPHIES: Three-time James Norris Memorial Trophy winner as best defenseman, 1962-63, '63-64, '64-65.

HAWK HISTORY: Captain of team . . . considered backbone of attack. Biggest potential in bringing puck out of his end and setting up plays.

Married . . . wife, Anne; father of four, Denise, Pierre, Jr., Renee, and David.

PIERRE PLUNKS 'EM HOME . . . An answer to why Pierre Pilote was again named the James Norris trophy winner as the best defenseman is found in the fact that he scored seven power play goals to lead all defensemen in that department.

NOW FOR 300? . . . The Hawks scored 224 goals, a new high for Black Hawk teams.

POWER PLAY PERSONALITY . . . Camille Henry led all NHL players with 16 power play goals last year. He scored 13 for New York and three more after joining the Hawks. Bobby Hull was tied for fourth place with 10. Stan Mikita had eight.

BOBBY NEEDS 12 MORE . . . Bobby Hull is only 12 points away from Bill Mosienko's all time Black Hawk record of 550 points in a career. Bobby surpassed Mosie last year in goal scoring and should have no trouble amassing 13 points in the coming season to take over the point lead.

MATTHEW JOHN RAVLICH

DEFENSE

Shoots left 5'10"

Born: Sault Ste. Marie, Ont.

July 12, 1938

NHL RECORD: 63 games; 4 goals, 16 assists, 20 points.

ACCOMPLISHMENTS: Moved right into Hawk lineup when he was brought up from Buffalo because of injury to Doug Mohns.

HAWK HISTORY: Was a member of St. Catharines farm team but was drafted by Boston. Hawks made trade to get him back and were happy not to have lost him permanently. Style of defense is much like that of Pierre Pilote. It is hoped that Ravlich will develop into the same kind of offensive specialist while guarding the back door.

Married . . . wife, Glory; daughter, Kelly.

Hails from same area as two other Hawks, Phil Esposito and Chico Maki.

FRED STANFIELD

CENTER

Shoots left 5'10" 180 lbs.

Born: in Toronto, Ont.

May 4, 1944

NHL RECORD: 58 games; 7 goals and 10 assists.

ACCOMPLISHMENTS: Jumped right from St. Catharines to Black Hawk regular berth. One of top rookies in 1964-65 season.

HAWK HISTORY: Youth and stickhandling ability handy during his first season. Fact that he played with two veterans, Bill Hay and Eric Nesterenko gave him a chance to learn as he played. Considered a good bet to be next NHL super star.

Married on May 29, 1965 to Anita Levasseur.

Has a good knack of getting puck away fast. Although not considered a hard shot, his shots are accurate. Scored several goals during season and playoffs from the face off. His youth belies his cool-headed approach to tough situations.

GET OUT THE HALLO'S . . . Although the Hawks have gained a reputation, mostly unwarranted, for being rough and dirty, they have three Lady Byng trophy winners on their roster, Camille Henry, Bobby Hull and Kenny Wharram. Hull and Wharram have won it the past two seasons.

Mosienko Joins Hall of Fame

NEWEST BLACK HAWK to enter the Hockey Hall of Fame is Bill Mosienko who scored 258 goals in 13 seasons for the Hawks.

Mosie's most famous effort came on March 23, 1952 when he scored three goals in 21 seconds, a record that will probably stand for many more years. Mosie now runs a bowling alley in Winnepeg. He has three sons, Billy Brian and Wendy. Billy is 17.

"MOSIE"

His line mate Doug Bentley, made the Hall of Fame last year. Possibly the most famous of all Hawk trios, Max and Doug Bentley and Bill Mosienko will long be remembered among the Hawk rooters.

Mosienko held the all time Hawk scoring record until the middle of last season when Bobby Hull moved ahead. However, it must be remembered that Mosie played with perennial second division teams while Hull has been on contenders during most of his Hawk career.

DID YOU KNOW . . . A goalie's pads can't be more than 10 inches wide, and the blade of a goalie's stick shall not exceed three and a half inches, except at the heel, where it can be an extra inch wide?

HAWKS' SCOUTS

KEN CAMPBELL, *Eastern Division Scout*

AFTER FOUR YEARS in the Black Hawk organization, Campbell has proved his ability in finding talent and, more important, his ability to thrive on long hard days and hard work. General manager of the St. Catharines team, the keystone to Black Hawk farms, Ken last year turned the coaching duties over to another man so that he could travel and check up on youngsters from Ottawa to New Brunswick.

He coached Omaha two years, after serving as playing coach at Pembroke in the Senior OHA. Served 5 years in the Canadian Armed forces, finishing up as a captain.

CECIL *(Tiny)* THOMPSON, best known as one of the great goalies of all time with Boston. Brother of the Hawks' famous Paul, who helped win the '34 and '38 Cups. They are partners in a hotel operation in Calgary. Tiny already is installed in Hockey's Hall of Fame.

Handles the Western scouting duties for the Hawks. Among proteges are Johnny McKenzie, Bill Gadsby, Al Rollins, Bert Olmstead, Doug Barkley. Involved in helping Hawks obtain Bill Hay from Montreal. Since Western Canada is sparsely populated, it's necessary for Tiny to travel as much as 2,000 miles to check on one prospect and get back to another area the same day to watch another. Served in Canadian Air Force during war . . . Won Vezina trophy in 1930-33-36 and 38.

BLACK HAWKS ON CHANNEL 9

FOR THE FIRST TIME in Chicago history, all Black Hawks' road games will be televised back to Chicago fans via WGN-TV, channel 9. This policy will also be followed during the play offs if the Black Hawks are eligible for Stanley Cup play.

Lloyd Pettit, a graduate of Northwestern University, former basketball star with Great Lakes during World War II, and well known for his hockey telecasts since 1961, will do the play by play.

Pettit joined WGN in 1956 from WTMJ in Miwaukee where he had been doing Milwaukee Braves games.

He lives in Inverness, Ill., with his wife Barbara and four children, Leslie, Doug, Mark and Chris.

Jack Jacobsen, producer of WGN-TV hockey games, is the only Chicago sports producer to win an Emmy for his outstanding work in producing sports and special events. Jacobson has directed all WGN hockey games since 1961. He joined WGN in 1948 as a cameraman and since has produced many sports events on the station. He attended Roosevelt High School, Wright Junior College and Northern Illinois State Teachers College. He and his wife, Estelle, live in Skokie and have three children, Leslie, Ricky, and Shari.

HULL IN ELITE CIRCLE . . . There are only 15 players in NHL history who have scored 250 goals or more and Bobby Hull is the only one in the lineup who has played less than 10 years. Hull moved into the magic circle in his eighth season.

Bill Mosienko, the other long time Black Hawk in the 250 goal club, got 258 in 13 years. Hull has 264 in eight. One of Bobby's patented 40 goal years would put him in the 300 club this year, a group which includes only six men so far.

Camille Henry who joined the Hawks late last year is the last man to make the group of 250.

CHICAGO STADIUM HOLDS BIG WINDY CITY SPORTS TRADITION

THE STADIUM, the world's largest indoor arena in seating capacity, has been the scene of six national political conventions, championship fights, six-day bike races, wrestling, soccer, track, rodeos, symphonies, tennis, softball, midget auto racing, operas, basketball, religious revivals, dog, horse, and flower shows, swimming meets, circuses, and, of course, Black Hawk hockey.

Possibly three of the most unusual events ever held in the Stadium were two funerals and a football championship. The funeral rites were for Mayor Cermak and Patrick Harmon.

Pro Football

On December 18, 1932, perhaps the strangest indoor sporting event ever held was unfolded in the Stadium. Because of a blizzard, the National Football League championship game between the Chicago Bears and the Portsmouth Clippers was transferred indoors and played on an 80 yard especially designed field. The Bears won the game 9 to 0.

The Stadium has been graced by many personalities of the stage, business, athletic, and political worlds. In January, 1936, a blonde skater from Europe made her professional debut with the Hollywood Ice Revue. This lass from Norway, Sonja Henie, has since become the world's best known skater.

Three Presidents in Stadium

There have been countless personalities from the entertainment world who have appeared in the Stadium. Roy Rogers, Hopalong Cassidy, Bob Hope, Jimmy Durante, Bing Crosby, and Satchmo Armstrong are just a few. In fact, almost every known entertainer has at one time or another played the Stadium.

Politics also has contributed its share of world-known figures to the roster of those making Stadium appearances. These include Franklin D. Roosevelt, Thomas Dewey, Harry Truman, and John F. Kennedy. Kennedy held his last rally prior to the 1960 election inside the Stadium. Roosevelt received the Democratic nomination

twice in the Stadium, while Truman received his party's V.P. nomination.

The most impressive facility in the Stadium is probably the huge Barton pipe organ, capable of producing volume equivalent to 2,500 instruments of a brass band. Its keyboard is so huge it had to be built upright and semicircular so one man could operate it. The organ is powered by a 100 HP motor and twin Spencer turbine blower. The console weighs 7½ tons. It took 36 men to install the organ.

With a legal capacity of 26,085, the Stadium has held more than 30,000 for national political conventions.

Bismarck Leads Way to Boost the Black Hawks

FOR THOSE WHO WONDER why newspapers and readers spend so much time and energy on sports, let them study the events surrounding Black Hawk games in Chicago Stadium.

Many restaurants in the city have set up plans whereby fans can have dinner before the game, park their car and take a bus furnished by the restaurant to the Stadium. The idea has become so popular that new restaurant plans are popping up every year.

Pioneer in this operation has been the Bismarck hotel, where as many as eight bus loads have been seen caravaning to the Stadium after patrons have enjoyed dinner in the Swiss Chalet. The Bismarck parks your car and then there is a bus waiting at 7 p.m. to transport the passengers to the Stadium. It leaves after the game and helps avoid problems of traffic and parking.

Not all restaurants with plans are known to the Black Hawks because many buy their tickets on season plans and use their own means of publicizing among their own customers. Others set up bus transportation for those who already have their tickets.

At any rate, the Black Hawk games seem to generate extra business for many companies that see fit to use foresight and imagination.

THEY GO BY THE BOOK . . . Two players reporting to Black Hawk training camp in September are school teachers . . . Dave Drydon, great young goalie, and Oscar Gaudet, stocky stick handler, are teachers with careers to fall back on when their hockey years are over.
