Greg Dillard
Director of Media Relations

Jeffrey Sanders
Media Relations Coordinator

On behalf of the Arizona Coyotes Media Relations Department, welcome to the 2019-20 National Hockey League season. Since 1996-97, the Coyotes have produced some of the Valley's top sports stories and we expect the excitement to continue this year. As we enter our 23rd year in the Valley of the Sun, we hope to make your job covering the Coyotes as easy and as pleasant as possible. In order to help our operation run smoothly and make your jobs easier, we ask that you please follow the guidelines below:

MEDIA CREDENTIALS:

Media credentials are issued to working media only. The media entrance at Gila River Arena is Gate 1, located at the southwest corner of the arena. The media entrance and media will-call window will be open 3 hours prior to the start of each game. All credentials are non-transferable. Any unauthorized use will subject the bearer to ejection from Gila River Arena and confiscation of the credential. All media are required to display credentials when entering the media lounge, press box and dressing room areas, and must wear their credentials throughout the game. Season media passes will be issued to established newspapers, television & radio stations, websites and magazines. Please contact Greg Dillard (greg.dillard@arizonacoyotes.com) for season media credential requests.

INDIVIDUAL GAME CREDENTIALS:

Individual game credentials should be requested through Jeffrey Sanders (jeffrey.sanders@arizonacoyotes.com) at least 24 hours prior to game time. Pre-arranged passes must be picked up at the media entrance at Gate 1, located at the southwest corner of Gila River Arena. Credentials will be issued on an availability only basis.

PREGAME ACCESS:

NHL dressing rooms are not open prior to game time. Requests for interviews prior to the game will be accommodated upon the approval of the players and coach involved. However, NHL regulations allow for a maximum of three players per team to be made available upon request up to 90 minutes before the game. Coyotes' players will be made available from 4:30 p.m. to 5:00 p.m. for a 7:00 p.m. start. The ideal time for game day interviews is at the morning skate, held each game-day morning (10:00 a.m. or 10:30 a.m.) at Gila River Arena or occasionally at the Ice Den in Scottsdale (practice times are subject to change). Please contact any member of the media relations staff to set up a request.

POSTGAME ACCESS:

Both the Coyotes and the visitors dressing rooms will be open no later than five minutes after each game. Media will have access to the players for 30 minutes after the rooms are opened. Only working media with official credentials will be allowed into the dressing rooms. Following the player media access, Coyotes Head Coach Rick Tocchet will be available for postgame comments in the interview room, located across the hall from the Coyotes' dressing room. The NHL officials' locker room is off limits to the media. If a comment or interpretation from the game's referee or NHL supervisor is required, a pool reporter may be assigned. ABSOLUTELY NO AUTOGRAPHS ARE ALLOWED DURING MEDIA ACCESS PERIODS.

DAILY PRACTICES:

Coyotes' practices will be held at Gila River Arena or the Ice Den in Scottsdale. All practices are open to the media. For up-to-date information on practice times and locations, please email Greg Dillard (greg.dillard@arizonacoyotes.com) to be included on the team's practice distribution email list.

PRESS BOX ACCESS:

The Keilback Press Box at Gila River Arena is located on the west side of the building on level 7. A designated press elevator (right side) is located next to Gate 1 (media will-call) and the press lounge. Upon arrival in the press box, please review the posted seating chart for assigned seats.

BROADCAST BOOTH POSITIONS:

All broadcast positions are located in the main press box of Gila River Arena. Please review the posted seating chart for assigned booths.

GAME NOTES:

Complete sets of NHL game notes will be made available in the media work room in the media lounge as well as in the press box. Game notes, stats and releases can also be found online at ArizonaCoyotes.com or NHLMedia.com. Additional materials (game summaries, intermission notes, etc.) will be distributed to all working media throughout the game.

FTP:

Coyotes media relations will once again provide access to video interviews with coaches and players following practices, morning skates and each game. For information on how to access the team's FTP site, contact Greg Dillard (greg.dillard@arizonacoyotes.com).

PHOTOGRAPHY:

Photo credentials will also be issued in the same manner as media credentials. Newspapers, websites and magazines on assignment may obtain passes by having the photo editor request a single-game credential. Please email Jeffrey Sanders (jeffrey.sanders@arizonacoyotes.com). Team photographer, Norm Hall, will assign photo positions on a game-by-game basis. Photographers must check in with Mr. Hall or a member of his staff in the media lounge prior to game time. All photographers must comply with space assignments and shooting regulations. Photographers must shoot from designated areas only. Should photographers require any additional information regarding equipment (i.e. strobes), please contact Norm Hall at (602) 620-1532 or NHall7@cox.net.

WIFI/PHONES/STATISTICIANS:

Media are provided with high speed internet lines and wireless internet access in the press box and media work room. Should you require a phone line at Gila River Arena, please contact a member of the Coyotes media relations staff. Statisticians are available to assist television broadcasters by contacting Director of Broadcasting Doug Cannon (doug.cannon@arizonacoyotes.com). These services must be arranged at least 24 hours prior to the game.

Wifi: ArenaMedia
Password: Medi@1920

MEDIA PARKING:

The Coyotes offer media parking in the Renaissance Hotel parking garage located directly across from Gate 1 at Gila River Arena, which is located near the southwest corner of the arena. Media must enter off Maryland Ave to access the garage. Visiting media who require media parking should contact Jeffrey Sanders (jeffrey.sanders@arizonacoyotes.com).

We hope this outline of procedures and guidelines will assist you in your coverage of the Arizona Coyotes and the National Hockey League in 2019-20. Please don't hesitate to call us if you need additional assistance. We look forward to working with you again this season.

The Arizona Coyotes spend countless hours and resources developing partnerships with other community, nonprofit and educational organizations throughout Arizona. The result is the creation of many innovative programs that benefit thousands of people in Arizona and help further extend the bounds of the team's community efforts. The great success of these programs is a result of the excellent partners we have with the Arizona community.

In-Kind Donations
The Arizona Coyotes give out over 1,500 in-kind donations to valley non-profit organizations throughout the year to support fundraising initiatives. These donations help raise over $250,000 for Arizona's non-profits.

Howler and Coyotes Crew
Our favorite furry desert hockey ambassador, Howler, and the Paw Patrol ladies entertain fans throughout the Valley, making over 500 community appearances a year for everything from hospital visits to charitable walks to school assemblies.

Tickets for Kids/Service Men and Women
The Coyotes organization, players, individuals and corporate partners sponsor children from non-profit organizations and service men and women, including veterans, to a Coyotes game. Due to this generosity, more than 15,000 individuals have an opportunity to attend a Coyotes game each season.

Ticket Assist Program
Season ticket holders can donate their tickets when they are unable to attend a game or funds to purchase tickets. These tickets are then distributed to local non-profit organizations throughout Arizona with the Tickets for Kids/Service Men and Women Program.

Future Goals Program
Future Goals is an online learning initiative that uses the fast-paced, exciting game of hockey as a learning vehicle for students to understand the real-world application of key science, technology, engineering, and math (STEM) subject matters. The program also introduces students to significant future career opportunities that exist in STEM-related fields. Program, training and usage is all FREE to teachers/schools. Over the last four years, over 65,000 students have benefitted from the curriculum!

Healthier Me
Healthier Me is an innovative, games-based digital course that gives first through fourth graders the tools to make healthy, informed decisions when it comes to health and nutrition. Throughout the course, students embark on fun wellness adventures through interactive games from completing grocery shopping to creating a well-balanced cafeteria lunch while working through true-to-life scenarios to help them achieve positive wellness outcomes.

Coyotes Reading Program
The Arizona Coyotes are committed to improving literacy in the state of Arizona by offering an incentives-based reading program to local teachers at no cost. The Coyotes Reading Program supports existing reading curriculum in grades 2-4 by encouraging students to increase the minutes they spend reading both in school and at home while receiving Coyotes prizes for their accomplishments. Over 11,000 students will participate in this years' program.

Coyotes Speakers Bureau
The Arizona Coyotes offer local organizations and schools to request a speaker from our staff, management, and alumni for special events. We are dedicated to sharing our knowledge and specialties to those in the community interested in learning more.

Howler's Kids Club
Provides a special opportunity for our young fans to interact with Howler and the Coyotes on a more intimate level. Kids receive special merchandise, access to exclusive Kids Club events, special ticket deals and memories to last a lifetime.

Volunteering and Hospital Visits
Arizona Coyotes players, coaches, management and staff visit local non-profits and children's hospitals throughout the year to support the specific organizational needs. Whether it's packing boxes, serving food, or brightening the day of kids during their hospital stay, the Coyotes organization is always willing to lend a hand.

Player Programs
Arizona Coyotes players support local non-profits through multiple different channels based on their personal passions and connections to causes. Throughout the year, players may host events, guests to games, appear at events, donate time/finances, among many other activities. Players are dedicated to giving back to our fans and community.

Arizona Coyotes Hockey Development Program (AZCHDP)
The AZCHDP helps young individuals develop as athletes, leaders and members of the community through various ice, roller, and street hockey programs that emphasizes excellence, commitment, discipline, teamwork, and sportsmanship. The goal is to give every participant (coach, player, and parent) the opportunity to improve their knowledge of hockey and experience the enjoyment the game provides. With hockey emerging as a warm weather sport, the Arizona Coyotes have developed several avenues for fans to participate in the sport and experience hockey through hands-on interaction. For more information on the Coyotes Amateur Hockey initiatives, visit https://youth.arizonacoyotes.com/

Little Howlers Program
The Little Howlers Program is an on-ice youth hockey program hosted in cooperation with the NHL, NHLPA, CCM and Pure Hockey. The program consists of six one-hour sessions designed to provide kids ages 5-9 a risk-free introduction to the sport of hockey. For a $150 each participant receives a set of head to toe equipment, which includes a pair of skates, and a jersey, all of which the player gets to keep after their experience is complete, plus a Howlers Kids Club membership and voucher to a future Coyotes game. For more information or to register for an upcoming clinic, visit https://learntoplay.nhl.com/coyotes.

Coyotes Raise the Pack PE Curriculum
The Arizona Coyotes developed a PE Curriculum for Street Hockey to be donated, along with sticks, nets, balls and pinnies, to over 300 schools around Arizona. This curriculum is 6 days long and designed for grades 3-6, but also has sections for grades K-3 and grade 7&8. The lesson plans incorporate basic hockey skills and gradually add more challenging drills to keep kids engaged and get more experience. Teachers are provided with a curriculum book plus a Howler thumb drive with videos of drills. Kids will receive a digital hockey workbook with activities and offers from the Coyotes.

Small Frys Girls Hockey Program

In collaboration with Chandler-born Olympic Silver Medalist, Lyndsey Fry, the Coyotes have created "Small Frys" which is a development program for girls just graduating Little Howlers. The program is a 20-week summer program broken into three sections, called "strides", that focus on skill development, team play strategies and finishes with a cross ice mini-season. Included in Small Frys is the All HERS (Hockey Equipment Replacement System) gear exchange that allows the girls to trade in their old equipment for brand new gear at no cost. Included is a graduation and offers to continue with the Arizona Kachinas Girls Hockey program. For more information visit https://youth.arizonacoyotes.com/smallfrys

Part of the Pack Rink Partnership

For the first time in Coyotes History, the team has embarked on a city-wide partnership with six local hockey rinks in the Phoenix area. Each rink is provided various marketing items, such as dasher boards, banners, house league jerseys, etc, all branded with the Coyotes Logo in order to signify a pack mentality with anything associated with youth hockey. Other benefits include special player visits, hockey clinics, and web-site sponsorships. To learn which local rink is near you, please visit https://youth.arizonacoyotes.com/rinks.

Arizona Coyotes Hockey Road Tour

The Arizona Coyotes Hockey Road Tour is a fun and exciting mobile rink set-up that brings the joy of hockey to events around the state. Included is a mini street hockey rink underneath two giant tents that will keep out the Arizona heat. Kids can also participate in our ESports Section where you can play against other Coyotes fans in NHL '20 while you wait to get back in the rink! After players have shown off their skill, they can head over and get their picture taken and be turned into an official Arizona Coyotes trading card! Ticket information and Enter to Win contests are also included at the Hockey Road Tour.

ARIZONA COYOTES FOUNDATION

ARIZONA COYOTES FOUNDATION

Mission

The Arizona Coyotes Foundation seeks to enhance the quality of life throughout Arizona communities by supporting non-profit organizations that promote healthcare, education, sports and cultural arts programs for children and servicemen and women.

Supporting Arizona Nonprofits

Since 1996, the Arizona Coyotes Foundation (Tax ID # 86-1021459) has donated millions of dollars in the form of grants to local non-profit organizations supporting children and servicemen and women. Without these funds, some of our community's most deserving non-profits wouldn't have the opportunity to make a positive, and even life-altering impact on those they serve. Leveraging our community ties and support of the Arizona Coyotes fan base, we have helped hundreds of Arizona non-profits fulfill their missions with monetary and in-kind donations.

Fundraising to Engage and Inspire

Events

The Foundation hosts fundraising events to engage our fans and inspire the community to give back to those in need.

The Face-Off Luncheon on October 1 kicks off the season with Arizona Coyotes players, executives and community members.

The first-ever Celebrity Top Golf Event on Thursday, February 27.

The Street Hockey Showdown on November 4 gives youth the opportunity to play in a street hockey tournament where Arizona Coyotes players will serve as coaches.

The Celebrity Waiters Gala on Monday, January 27 puts plates in the hands of players who serve donors at a fun, festive evening with silent and live auctions to benefit the Foundation's non-profit partners.

50/50 Raffle

Giving back is part of the game. During each home game, the Foundation hosts a 50/50 raffle that funds the next grant cycle. Our 50/50 raffle is now available not only in arena, but also online and open to anyone over the age of 18 located in the state of Arizona. Tickets can be purchased throughout the entire season at www.arizonacoyotes.com/5050raffle.

In-Arena Philanthropy

Every game, at Charity Corner on the main concourse, fans have the opportunity to benefit the Foundation by buying and bid on specialty items such as authentic Coyotes signed memorabilia, specialty jerseys, mystery pucks, and more!

Scoreboard Messages/Zamboni Rides

Fans are able to donate to the Foundation by purchasing a scoreboard message or a Zamboni ride during any home game.

Change Jars

Fans are encouraged to "Help make a CHANGE in Arizona" by dropping their spare change in the numerous Arizona Coyotes Foundation change jars scattered throughout the arena. Funds collected from these jars directly benefit nonprofit grants.

Visit the ArizonaCoyotes.com/foundation for more information or to make a donation to the Arizona Coyotes Foundation.

The Coyotes have partnered with National Assistance Dogs Inc. to adopt a 14-week-old black Labrador Retriever puppy named Luna. The Coyotes will be Luna's Puppy Raiser and will train her in housing, vetting, basic obedience, socialization to all environments and individuals as well as proper service dog etiquette and public access manners. Once Luna completes her training, she will be given to a veteran in need.

National Assistance Dogs Inc. (NADI) provides trained assistance dogs primarily to our great nation's veterans with mobility and post-traumatic challenges. The organization's mission is to raise, train, and place vastly skilled assistance dogs to enrich lives in our community through specialized programs.

Throughout the 2019-20 season, Luna will train at the Coyotes offices and attend most Coyotes home games. She will also make special appearances at Coyotes practices and team events. Fans can follow Luna's story on the team's social media channels and at ArizonaCoyotes.com/Luna.

About NADI:
NADI strives to make a difference in the lives of those who they serve and impact the community by education and providing volunteer opportunities throughout the development of puppies into assistance dogs. Clients are partnered with an assistance dog that is a compatible match through personality and ability to perform specifically trained tasks to their needs. Through this partnership, clients gain the ability to take on and accomplish daily life demands. NADI's certified, working assistance dogs enhance the quality of their disabled handlers' lives not only through performing mitigating task work, but also enrich a sense of freedom and independence. For more information on NADI or to become a volunteer, visit https://nadiassist.org/volunteer.html

GILA RIVER ARENA

Gila River Arena, Arizona's Premiere Sports & Entertainment Venue, is a state-of-the-art, multi-purpose facility located at Loop 101 and Glendale Avenue. The arena anchors the 223-acre, $1 billion development Westgate Entertainment District, the "crown jewel" of sports and entertainment complexes. The Coyotes, the Gila River Indian Community and Gila River Casinos agreed to terms on a nine-year partnership agreement that includes the naming rights for the venue. This is the first federally recognized Tribal naming rights deal with a sports venue that houses one of four major professional sports leagues in the country.

Owned by the City of Glendale, managed by AEG Facilities, Gila River Arena is home to the National Hockey League's (NHL) Arizona Coyotes and a multitude of spectacular entertainment events annually. With two separate concourses on two seating levels, Gila River Arena's open concourses are fan-friendly and provide fans with an open view of the ice. The Arena also features an intimate seating bowl that has all the modern amenities. The venue seats 17,125 for Coyotes games and both seating levels have been strategically situated to create great hockey sightlines.

There are 87 luxury suites in Gila River Arena, including two tower suites and 12 party suites that can accommodate large groups of up to 50 people. In addition, the Suite Level Club (located on the club suites level) consists of 400 upscale seats with unique club and dining opportunities. The BMW Lounge is an upscale private club, open exclusively to season ticket holders. The Lounge is located directly behind the Coyotes and visiting team player benches, offering fans unique views of both the Coyotes and visiting team players as they enter and exit the ice.

Levy Restaurants and the Coyotes continue to elevate the fan experience year-to-year, evolving menus and leveraging the latest technology and guest insights to create a dining experience to match the excitement on the ice. Fans can also visit the Dos Equis Deck, a club style deck located on upper suite level above Gate 4.

Fanatics Retail Group continues to manage the team's retail store, the Coyotes Den at Gila River Arena. Born in New York City to immigrants from Cuba, Alex grew up in the Los Angeles area. In 1985, he received his Bachelor of Science degree from California State University, Long Beach.

Shortly after graduating, Alex established La Pizza Loca, a fast food pizza business focused on the needs and unique tastes of the local Latino community. Building further on his success, Alex assembled and developed a residential and commercial real estate portfolio with holdings throughout Southern California. Those investments led Alex to expand into construction through Meruelo Enterprises, Inc., owner of six utility construction companies with deep roots in building major private and public construction projects throughout Southern California.

An active investor, Alex currently sits on the board of Commercial Bank of California based in Irvine, California. His other business interests include the SAHARA Las Vegas Hotel and Casino, the Grand Sierra Resort and Casino in Reno, and a number of television and radio stations in Southern California.

TUCSON ROADRUNNERS COACHING STAFF

Jay Varady
Head Coach

Jay Varady enters his second season as Head Coach of the Roadrunners. He led Tucson to a record of 34-26-5-3 in his first season behind the bench.

Varady joined the Coyotes organization from the Kingston Frontenacs of the Ontario Hockey League (OHL) where he led Kingston to a record of 36-23-6-3 in his first season as the team's head coach. He also guided the Frontenacs to a 9-7 playoff record, losing to the Hamilton Bulldogs in the OHL's Eastern Conference Championship.

Prior to coaching Kingston, Varady served four seasons as the head coach of the Sioux City Musketeers of the USHL, posting an impressive 136-88-0-16 record. Varady led his club to the postseason in three of four seasons and won the Anderson Cup, the regular season title in 2016-17. He also led Sioux City to the league finals in 2017.

Varady previously coached two seasons (2011-2013) with Ducs d'Angers in France and helped the team win the 2013 regular season title and make an appearance in the league finals.

The Cahokia, IL native joined Angers after seven years with the Everett Silvertips of the Western Hockey League where he was an associate coach for three seasons (2007-2010) and an assistant coach for four seasons (2003-2007).

Varady has also served several stints with Team USA. In 2014 and 2016, he coached the American team to the gold medal in the World Junior A Challenge. He won a silver medal at the Hlinka Tournament with Team USA in 2011 and was part of the coaching staff that won gold at the 2010 World Junior Championship in Saskatoon.

John Slaney
Assistant Coach

John Slaney enters his third season an Assistant Coach in Tucson and his ninth with the Coyotes organization. Slaney previously spent two seasons as an assistant coach with Arizona and four seasons as an assistant coach with the Portland Pirates (AHL). He started with the Pirates in 2011-12 after finishing his playing career with Plzen HC (Czech) following the 2010-11 season.

Leaving his mark as one of the best defensemen in AHL history, Slaney began his coaching career with a wealth of accolades. He was a two-time recipient of the Eddie Shore Award (given annually to the AHL's top defenseman) with the Philadelphia Phantoms in the 2000-01 and 2001-02 seasons. He also won a Calder Cup championship with the Phantoms in 2005.

He was inducted into the Wilkes-Barre/Scranton Penguins Hall of Fame in 2016. A member of the Penguins inaugural team, Slaney appeared in 89 games with Wilkes-Barre/Scranton during parts of two seasons (1999-2001), recording 42-68-110.

Slaney became the AHL's all-time leading scorer as a defenseman in 2005-06 until his mark (519 career points) was surpassed by Oklahoma City's Bryan Helmer. Slaney also played in 29 games and posted 14-13-27 for Portland during the 1993-94 Calder Cup championship season.

During his career in the NHL, Slaney totaled 22-69-91 in 268 games with the Washington Capitals (1993-95), Colorado Avalanche (1995-96), Los Angeles Kings (1995-97), Phoenix Coyotes (1997-98), Nashville Predators (1998-99), Pittsburgh Penguins (1999-00) and Philadelphia Flyers (2001-02; 2003-04). Slaney also skated in 14 games for the Capitals (1993-94), Penguins (1999-00), and Flyers (2001-02) during the Stanley Cup Playoffs where he netted two goals and registered an assist.

The 47-year-old native of St. John's, Newfoundland was originally drafted by Washington in the first round (ninth overall) of the 1990 NHL Entry Draft.

He and his wife, Brenda, have a son, Tyler, and daughter, Julia.

Steve Potvin
Assistant Coach

Steve Potvin enters his third season with the Roadrunners as Assistant Coach. He previously served as the Coyotes' skills coach in 2016-17.

As the organization's skills coach, Potvin focused on player assessment and individual skill improvement with players at both the NHL and AHL levels.

Potvin joined the Coyotes after a professional career that included 478 professional American Hockey League (AHL) and top European league games.

The former forward registered 31-44-75 in 158 career AHL contests. Potvin collected 133 goals and 184 assists in 350 games over 10 seasons in Europe.

Steve and his wife, Nada, have three children: Max (16), Nash (13) and Eliana (10).

WINNIPEG JETS

1979-80: When the Winnipeg Jets joined the National Hockey League in 1979, they made their debut in new jerseys that were white with a wide blue stripe and two thin red stripes that ran from the collar over the outer arm to the wrist. The logo was the word "JETS" spelled out inside a circle. The "J" in Jets was represented by a hockey stick. A smaller circle with the outline of a commercial jet airliner found itself in the hook of the "J." Underneath "Jets" was the word "Winnipeg" spelled out. The logo had been with the team for three AVCO Cup Championships in the World Hockey Association and would remain with the team as the transition was made from WHA to NHL.

1987-88: The Jets made an addition to their uniform to acknowledge the official charity of the Winnipeg Jets, the Winnipeg Jets Goals for Kids Foundation. The Jets placed a Goals For Kids shoulder patch on the existing uniform to recognize the work that the Goals For Kids Foundation did to benefit the children of Manitoba.

1990-91: The Jets came up with a new logo and uniform, "emblematic of a new era of professional hockey in Winnipeg." The new logo depicted a circle with the words "Winnipeg Jets" written in a slanted fashion to show speed, and a shadow of a jet plane with a trail of vapor going through the word "Jets." The "J" in "Jets" is once again portrayed as a hockey stick. The new jerseys were white with a wide blue stripe in the middle of two thin red stripes (touching each other) circling the elbows of the sleeves and at the waist. The road jerseys reversed the blue and the white from the home jerseys.

1995-96: As the team played its last season in Winnipeg as the Jets, the last 10 games of the regular season and the playoffs saw the addition of a commemorative "Season to Remember" patch added to the right breast of both the home and road jerseys.

ARIZONA COYOTES

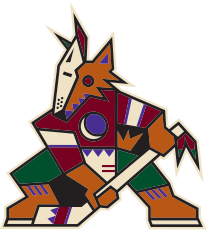

1996-97: With the dawn of a new era as the Phoenix Coyotes, it was time for a new uniform and logo to represent the team. The logo depicted a Kachina style coyote standing upright with a hockey stick; the most striking feature was the mask drawn in the Southwestern style to show off the team's new colors: forest green, brick red, sand, sienna, and purple. The home jersey was predominantly white with green and black accent colors and brick pattern borders around the elbows of the sleeves and waist. The road jersey's main color was black with accent colors of brick red and green. A shoulder patch recognized the Phoenix Coyotes Goals For Kids Foundation while the club's secondary logo (a purple circle with a white "C" moon inside, intersected by the words "Phoenix Coyotes") occupied the other shoulder. The new uniform was completed with matching socks and solid black pants.

1998-99: The Coyotes decided to further extend the team's identity by adding a third uniform. A true expression of the American Southwest, this alternate jersey first appeared mid-season (Feb. 6, 1999). The large Coyote head served as the primary logo with the trim of the jersey revealing a desert scene at night with two saguaro cacti in the foreground and the Coyote moon rising over the desert mountain landscape. A desert-dwelling nocturnal lizard known as the gecko decorated each shoulder. Matching socks and solid black pants finished the uniform.

2003-04: With the opening of their new arena in Glendale, the time had come for a new set of logos and uniforms to reflect the aggressiveness and excitement of Coyotes hockey in the new arena while maintaining ties to seven years of Arizona history. The official Coyotes colors were now brick red, desert sand and black – three colors that were all included in the original Coyotes logo. The logos, uniforms and arena all predominantly feature the brick red color. The primary logo is an aggressive coyote howling at the moon that contains key elements carried over from the original logo including the two-tone face with zig-zag black markings down the middle of the logo, three pieces of mane leading down to the neck and triangular markings in the ear and chin. Additionally, the Coyotes logo includes four triangles (also borrowed from the original logo) across the bridge of the snout, representative of the Four Peaks. There are two secondary logos: a representation of Arizona featuring the letters "PHX" underneath a striped pattern that mirrors the state flag and a new version of the desert crescent moon with a slightly altered geometric shape as well as new colors. The uniforms have a traditional hockey feel and feature the primary Coyotes logo on the chest along with the secondary "PHX" patch on the right shoulder. The home jersey is predominantly brick red with a white, three-stripe pattern on the arms and at the waist, and also features a lace-up collar. The road jersey is predominantly white with the same striping pattern as the home jersey featured in brick red but includes a V-shaped collar instead of laces.

2007-08: Along with the entire NHL, the Coyotes switched to a new, technologically-advanced uniform featuring fabrics that were more form fitting and aerodynamic as well as breathable and water-repellant. Lighter fabric and stretch material resulted in more comfort and freedom of movement for the players. Brick red covered the shoulders on the white jerseys to give the state of the art uniform a retro look. On both the dark and white jerseys, striping was removed from the bottom, a lace-up collar was featured, and the "PHX" patch was moved from the right to left shoulder.

2008-09: The Coyotes introduced a black third jersey and wore them for the first time on Nov. 28, 2008 when the team hosted the Colorado Avalanche. The goal of the initiative was to create a new look that gave Coyotes fans elements they hadn't seen in the uniform before. A leaping coyote logo - a full body interpretation of the Coyotes crest - was selected for the new alternate jersey, aggressively leaping forward depicting the athletic, determined nature of NHL hockey. Two new Coyotes alternate logos were also introduced to accompany the classic Coyotes crest and leaping coyote, including a new "Phoenix Coyotes" script word mark and Coyotes paw print. The new script word mark provided a traditional look, while the Coyotes paw print design symbolized the unity of the Coyotes pack. The black jersey was accented with brick red and desert sand, the Coyotes' official colors.

2014-15: With the franchise officially renamed the Arizona Coyotes on June 27, the team's jerseys now featured a left shoulder patch with 'AZ'.

2015-16: In the franchise's first major uniform overhaul since 2003, the Coyotes unveiled new home and away jerseys and uniforms as well as a new secondary logo prior to the 2015-16 season. The body of the Coyotes home and away jerseys remains unchanged but the new jerseys feature an original sleeve stripe designed to connect with Arizona's distinctive striated landscape. These bold sleeves, along with a striking black pant, will be worn both at home in Glendale and on the road. The new red jersey shoulder patch features a coyote's paw "A" mark, an icon built for Arizona's hockey fans; while the white jersey shoulder will carry an updated "AZ" mark, connecting back to the new word mark. Finally, a uniquely Southwestern pattern in the jersey's neckline connects the Coyotes to the legacy of Arizona. This updated uniform features Reebok's latest technological innovations and represents an industry leading commitment to the best for the athlete.

2017-18: The National Hockey League (NHL®) and adidas unveiled the new ADIZERO Authentic NHL jerseys and uniforms for all 31 NHL teams, including the Arizona Coyotes. At the forefront of innovation, design and craftsmanship, the new ADIZERO Authentic NHL jersey takes the hockey uniform system and hockey jersey silhouette to the next level by redefining fit, feel and lightweight construction. Featuring new cresting materials and construction technology, the ADIZERO Authentic NHL jersey reduces crest weight by up to 46%, while a single layer perforated numbering system reduces number weight by up to 60%, in order to deliver a new jersey that is up to 19% lighter when compared to the current NHL Jersey. The ADIZERO Authentic NHL jersey features adidas Clima® technology in each of the jersey fabrics to deliver breathability and enhanced performance. Combining moisture management technology and a streamlined silhouette to maximize air flow circulation with materials that are up to 133% more permeable than fabrics currently used on ice allows athletes to be cooler. Constructed for durability, the ADIZERO Authentic NHL jersey fabrics are up to 27% stronger in burst testing and up to 72% tougher in abrasion testing compared to the current NHL jersey.

2018-19: The Coyotes and adidas collaborated to reintroduce the throwback, 90s-inspired, fan-favorite black Kachina jersey that will be the Coyotes alternate jersey for the season. The Coyotes wore the original black Kachina jerseys for all road games from 1996 - 2003. During that time, the team reached the playoffs in five of their first six seasons in the Valley. The Coyotes reintroduced the popular black Kachina jersey for the first time in 12 years on March 5, 2015 for Throwback Night when Arizona hosted the Vancouver Canucks. This marked the first time that the Coyotes wore a throwback jersey in an NHL game. Since 2015, the Coyotes have worn the black Kachina jersey four times at Gila River Arena (Nov 27, 2015; Feb 20, 2016; Nov 25, 2016 and Feb 18, 2017).

Backchecking Forwards in the attacking zone skate back to their own end to protect their own net and prevent opponent's shots on goal.

Boarding An excessively violent board check against an opponent.

Body Check The legal use of the body (most often the hip or shoulder) to knock an opponent off the puck.

Breakaway A clear scoring opportunity where no defensive player is between the puck carrier and the goaltender.

Breakout Beginning an offensive rush by passing the puck out of the defensive zone up into the neutral ice zone.

Butt-Ending Use of the shaft end of the stick in a jabbing motion to hit an opponent.

Charging Taking more than three skating strides prior to checking an opponent.

Cross-Checking Hitting an opponent with both hands on the stick and no part of the stick on the ice.

Delay of Game When any player, while in his defending zone, shoots the puck directly (non-deflected) out of the playing surface, except where there is no glass, a penalty will be assessed for delaying the game. When the puck is shot into the players' bench, the penalty will not apply. When the puck is shot over the glass behind the players' bench, the penalty will be assessed.

Diving A minor penalty may be assessed for any player who "dives" or embellishes a fall or reaction to draw a penalty.

Drop Pass A pass in which the player carrying the puck leaves it behind for a trailing teammate.

Face-Off The act of dropping the puck between opposing players to begin play.

Five-Hole The area where a shooter would attempt to score between a goalie's pads.

Freezing the puck Pinning the puck against the boards with either the stick or the skates.

Game Misconduct A penalty that disqualifies a player for the remainder of the game.

Goal Crease The blue semicircular area in front of each goal designed to protect goalies from interference by attacking players.

Hat Trick Three goals in a single game by a single player. If a player scores three consecutive goals in a game it is known as a "natural hat trick."

Head Manning A forward pass made to an attacking teammate farther up the ice.

Icing Shooting the puck from behind the red line (center ice) beyond the opponent's goal line. After an icing call, a face-off is held in the offender's zone. Icing is legal when a team is shorthanded, when the puck passes through the goal crease, if the goalie plays the puck, if a defensive player could have played the puck, or if an attacking player touches the puck first. A team that ices the puck will not be permitted to make any player substitutions prior to the ensuing face-off. The determination of players on-ice will be made when the puck leaves the offending player's stick.

Interference Illegal body contact with an opponent who is not in possession of the puck, or knocking an opponent's fallen stick out of his reach.

Major Penalty A five-minute penalty called for fighting or flagrant minor infractions, such as high-sticking, butt-ending, or elbowing.

Man Advantage A team with one or more players on the ice than the opposing team.

Minor Penalty A two-minute penalty called for a variety of infractions, including holding, interference, cross- checking, delay of game, and too many men on the ice.

Misconduct Penalty A ten-minute penalty called against an individual. Substitutes are permitted to immediately replace a player serving a misconduct penalty.

Neutral Zone The area (neither offensive or defensive) between the two blue lines.

One-Timer A shot towards the goal in which the shooter receives a pass and shoots the puck without stopping it.

Off-Side Occurs when both skates of an attacking player cross the blue line into the attacking zone before the puck. Results in a face-off in the neutral zone.

Penalty Killing The act of preventing goals while playing shorthanded.

Penalty Shot A one-on-one breakaway situation awarded to an attacker when that attacker is fouled from behind and is denied a breakaway scoring opportunity, or when the goaltender deliberately displaces the goal post during the course of a breakaway, or when a defensive player falls on the puck in his own goal crease.

Point A position just inside the attacking blue line usually occupied by a defenseman when their team is in control of the puck inside the attack zone.

Poke Check A defensive play in which the puck is removed from the possession of an attacker with the blade of the stick.

Power Play Occurs when a team has a one or two man advantage over the opposition due to penalties.

Shootout The shootout is used to decide tie games. The "breakaway" is the most exciting play in hockey, and the shootout gives each team the opportunity to use the breakaway in order to determine a winner. If the game remains tied following sudden-death overtime, then a shootout will occur. Three players from each team will participate in the shootout in the order the coach selects. The teams alternate shots. The team with the most goals after each team has taken three shots is declared the winner, unless the outcome is determined earlier in the shootout (example: if Team A is ahead 2-0 after each team has taken two shots). If the score remains tied, the shootout will proceed to a "sudden death" format until there is a winner.

Shorthanded Occurs when the opposition team has a one or two man advantage due to penalties.

Slashing Hitting an opposing player with the stick or swinging the stick at an opposing player.

Slot The area directly in front of the goal crease (between the face-off circles) where many scoring opportunities take place.

Spearing Stabbing an opponent with the point of the stick blade while the stick is being carried in one or both hands.

"Tag-Up" Rule If while an offside is delayed, the linesman shall nullify the offside if all players of the offending team clear the zone by making skate contact with the blue line, permitting the attacking players to re-enter the zone or if the defending team passes or carries the puck into the neutral zone. Play will continue if offensive players who preceded the puck into the attacking zone return to the blue line and "tag" it.

Assist An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.

Coaches Record A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

Game Played A player receives credit for playing in a game if: i) he steps on the ice during time played or; ii) serves any penalty.

Game-Winning Goal After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).

Goal A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.

Goals-Against Average Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).

Goaltender Record A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

Penalty-Killing Pct. Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.

Plus-Minus A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthand goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic.

Power-Play Goal A goal scored by a Club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power-play goal:

- if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power-play goal.
- if a Club scores on a delayed penalty, the goal is not a power-play goal.
- if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages.
- if a Club is on a power-play for any length of time, it is considered to have had an advantage.
- if a minor penalty is incurred by a Club on a power-play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.

Power-Play Percentage Total number of power-play goals divided by total number of power-play opportunities.

Save Percentage Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots-against.

Shooting Percentage Divide the number of goals scored by the number of shots taken.

Shorthand Goal A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.

Shot on Goal If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

Shutout If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.

Tenths of a Second If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)

*Minor league officials

Abduction: Movement of a joint away from the center of the body.

AC Joint (Acromioclavicular joint): Joint of the shoulder where acromion process of the shoulder blade and the distal end of the collarbone meet; most shoulder separations occur at this point.

Adduction: Movement of a joint toward the center of the body.

Adhesion: Abnormal adherence of collagen fibers to surrounding structures during immobilization following trauma or as a complication of surgery which restricts normal elasticity of the structures involved; or scar tissue which forms after trauma or surgery which can restrict normal motion.

Aerobic: Exercise in which energy needed is supplied by oxygen inspired and is required for sustained periods of vigorous exercise with a continually high pulse rate.

Anabolic Steroids: Steroids that promote tissue growth by creating protein in an attempt to enhance muscle growth. The main anabolic steroid is testosterone (male sex hormone).

Anaerobic: Exercise without the use of oxygen as an energy source; short bursts of vigorous exercise.

Anterior Cruciate Ligament (ACL): A primary stabilizing ligament within the center of the knee joint that prevents hyperextension and excessive rotation of the joint. A complete tear of the ACL necessitating reconstruction could require up to 12 months of rehabilitation.

Anti-Inflammatory: Any agent which prevents inflammation, such as aspirin or ibuprofen.

Arteriogram: A film demonstrating arteries after injection of a dye.

Arthrogram: X-ray technique for joints using air and/or dye injected into the affected area; useful in diagnosing meniscus tears of the knee and rotator cuff tears of the shoulder.

Arthroscope: An instrument used to visualize the interior of a joint cavity.

Arthroscopy: A surgical examination of the internal structures of a joint by means of observation through an arthroscope. An arthroscopic procedure can be used to remove or repair damaged tissue or as a diagnostic procedure in order to inspect the extent of any damage or confirm a diagnosis.

Atrophy: To shrivel or shrink from disuse; as in muscular atrophy.

Baker's Cyst: Localized swelling of a bursa sac in the back of the knee as a result of fluid that has escaped from the knee capsule. A Baker's cyst indicates that there is a trauma inside the knee joint that leads to excessive fluid production.

Bone Scan: An imaging procedure in which a radioactive-labeled substance is injected into the body to determine the status of a bone injury. If the radioactive substance is taken up by the bone at the injury site, the injury will show as a 'hot spot' on the scan image. The bone scan is particularly useful in the diagnosis of stress fractures.

Bursa: A fluid-filled sac located in areas where friction is likely to occur. The bursa sac minimizes the friction, for example, between a tendon and bone.

Cartilage: Smooth, slippery substance preventing two ends of bones from rubbing together and grating. Most joints use this to cover bones next to each other. A meniscus is made of cartilage.

CAT Scan (Computerized Tomography): Use of a computer to produce a cross-sectional view of the anatomical part being investigated from x-ray data.

Chondromalacia: Roughening of the articular cartilage. Best known for the roughening of the underside of the kneecap, which can occur in any kneecap injury.

Clavicle: Collarbone; the bone connecting the breastbone with the shoulder blade.

Closed Reduction: Re-alignment of a fracture or dislocation without surgery.

Coccyx: The 'tailbone,' a group of four vertebrae that are fused together to form a small triangular bone, located at the terminal end of the spine.

Concussion: Jarring injury of the brain resulting in dysfunction. It can be graded as mild, moderate or severe, depending on loss of consciousness, amnesia and loss of equilibrium.

Contusion: An injury to a muscle and tissues caused by a blow from a blunt object.

Corticosteroids: Used to suppress joint inflammation and inflammation in a bursa or near tendons.

Cryotherapy: A treatment with the use of cold.

Cyst: Abnormal sac containing liquid or semi-solid matter.

Degenerative Joint Disease: Changes in the joint surfaces as a result of repetitive trauma and 'wear and tear'.

Deltoid Ligament: Ligament that connects the tibia to bones of the medial aspect of the foot and is primarily responsible for stability of the ankle on the medial side. Is sprained less frequently than other ankle ligaments.

Deltoid Muscle: Muscles at the top of the arm, just below the shoulder, responsible for shoulder motions in the front, side and back.

Disc, Intervertebral: A flat, rounded plate between each vertebrae of the spine. The disc consists of a thick fiber ring which surrounds a soft gel-like interior. It functions as a cushion and shock absorber for the spinal column.
