IN MEMORIAM

GAETAN DUCHESNE
(1962-2007)
"The Duke"

His stay in San Jose was brief (1993-95), but Gaetan Duchesne's veteran leadership played a tremendous role in the Sharks National Hockey League record-setting 58-point turnaround in the 1993-94 season. His presence also helped San Jose amaze the hockey world when the No. 8-seeded Sharks eliminated the No. 1 seed Detroit Red Wings in the 1994 Western Conference Playoffs. In 1,028 NHL games over 14 seasons with five teams, he scored 179 goals and 254 assists.

JOHN FERGUSON
(1938-2007)
"Fergie"

John Ferguson was a key member of San Jose's hockey operations department for 11 seasons and played an integral role in the organization's rise to becoming a Stanley Cup contender. "Fergie" was the Sharks senior professional scout for six years and was a special consultant to the general manager for the last five. As a player, he was arguably the toughest enforcer during his playing days in the 1960s and early 1970s with the Montreal Canadiens, winning five Stanley Cups in just eight seasons. In the front office as a general manager for two National Hockey League clubs, he earned five executive of the year awards.

WARREN STRELOW
(1934-2007)
"The Taskmaster"

Warren Strelow spent 10 seasons coaching the Sharks goaltenders. However, he made his mark in hockey long before coming to San Jose as the goaltending coach for Team USA on the 1980 gold medal-winning "Miracle on Ice" Olympic squad. He was also the National Hockey League's first full-time goaltending coach (Washington, 1983-89). Among his protégés: Evgeni Nabokov (2001 Calder Memorial Trophy winner), Martin Brodeur (two-time Vezina Trophy winner), Miikka Kiprusoff (2006 Vezina Trophy winner) and Vesa Toskala.

The San Jose Sharks organization will never forget the impact each of these individuals has made on the ice and in our hearts.

A NEW YEAR… A NEW LOOK… A NEW ERA

Since the San Jose Sharks made their National Hockey League debut in the 1991-92 season, their cutting-edge logo depicting a shark chomping a hockey stick in half has become one of the most recognized marks in professional sports.

After a long and healthy run of 16 years, this triangle logo, and its supporting marks, have now taken on a more menacing, intimidating appearance.

On July 24, the Sharks introduced the new look of Sharks Territory.

The primary crest still retains the shark chomping down on a hockey stick, but the updated look incorporates more Deep Pacific Teal (the primary color) and emphasizes speed, strength and determination.

The eight supporting marks also incorporate the same characteristics — right down to the fonts and the showing of the shark's tail.

The new logos were designed by renowned sports team logo designer Terry Smith, who designed the original logo. Smith created the new marks over an 18-month period with input from Sharks players and front office staff.

(Left to right) Patrick Marleau, Kyle McLaren, Mike Grier and Joe Thornton show off the Sharks new look at the jersey unveiling on Sept. 17 at HP Pavilion at San Jose.

The new look of Sharks Territory coincides with the launch of the new RbK EDGE Uniform System.

After more than two years of research and testing, the NHL and RbK created a system that meets the performance demands of today's NHL player. Technologically advanced materials and fabrics that are more breathable, more water-resistant, more comfortable and more compatible with equipment will make up the new uniform.

All 30 NHL teams will utilize the RbK EDGE Uniform System in 2007-08. This is the first time in North American professional sports history that a uniform innovation has been implemented League-wide.

Merchandise featuring the new look of Sharks Territory — including authentic and replica uniforms, T-shirts, caps and novelty items — are available at The Sharks Store in HP Pavilion at San Jose and online at www.SharksStore.com

The on-ice looks aren't the only things that have changed in Sharks Territory. Over the summer, HP Pavilion at San Jose underwent a $16.5-million renovation that included installation of a new Daktronics large screen high resolution center video board, ribbon board and an enhancement of the sound system and acoustics. HP Pavilion at San Jose has the most square footage of LED boards of any indoor venue in the United States.

ABOUT SILICON VALLEY SPORTS & ENTERTAINMENT

Silicon Valley Sports & Entertainment (SVS&E) provides a single resource for business partners to utilize when planning their sports and event relationships. Taking full advantage of the expertise and capabilities involving all or part of the San Jose Sharks business operations — including marketing, corporate partnership sales management, broadcast, ticket sales, event presentation, community programs, media relations, advertising, facilities, promotions, publishing, merchandising and additional areas of the organization — helps the success of any program.

Created in the summer of 2000, SVS&E oversees all business operation aspects of the San Jose Sharks, HP Pavilion at San Jose and select HP Pavilion events. In addition, SVS&E manages all or parts of Sharks Ice at San Jose (the Sharks training and public skating facility), Sharks Ice at Fremont, the SAP Open tennis tournament (ATP Tour), the American Hockey League's Worcester Sharks (the Sharks top development affiliate) as well as select HP Pavilion events such as American Metal & Iron Fight Night at the Tank (professional boxing) and Strike Force Mixed Martial Arts.

Benefits of a business arrangement with SVS&E allow the San Jose Sharks and HP Pavilion Management to combine existing marketing programs, sales resources and contacts to create more efficient and meaningful business partnerships. SVS&E allows the organization to provide fully integrated advertising/corporate partnership packages that reach the multiple demographic segments represented in Silicon Valley.

Current entities utilizing the experience and services of SVS&E include the San Jose Grand Prix, which played hosts to its third event in downtown San Jose in July, the San Jose SaberCats of the Arena Football League and the San Francisco Dragons of Major League Lacrosse.

SVS&E has also provided a variety of services in the past for other properties including: the San Jose Stealth of National Lacrosse League, the Golden Baseball League, the San Jose Earthquakes of MLS, the Siebel Open Senior PGA tournament and other events and properties.

From 2000-02, SVS&E ran the operations of the San Jose Earthquakes, which moved to Houston in 2005, and included their first MLS Championship season in 2001.

Another option for business partners, SVS&E Publishing, was created in 2001. SVS&E Publishing, a full-service publishing division, handles a majority of the design, editorial and printing needs for most of the SVS&E properties. In addition, SVS&E Publishing produces publications for numerous outside clients including the San Francisco 49ers, Oakland Raiders, Columbus Blue Jackets and San Jose Grand Prix.

In 2003, SVS&E Merchandise was added to the SVS&E family. SVSE Merchandise is an industry leader and innovator in all aspects of building a brand. With a client list that includes many of the Silicon Valley's top corporations, professional sports teams and major sport events, SVS&E Merchandise has both the expertise and understanding necessary to help develop a brand. Services include graphics and production, event merchandise management, online stores with fulfillment and customer support, VIP Gifting and motivational/recognition programs.

SVS&E was a key element in the 2002 purchase of the organization and its assets from previous Owner George Gund III by a local ownership group, San Jose Sports & Entertainment Enterprises (SJSEE), led by current President and Chief Executive Officer Greg Jamison.

In 2001, the organization entered into a naming rights rebranding of San Jose Arena with Compaq Computer Corporation and the City of San Jose. The agreement, which was amended in 2002 to reflect the subsequent merger between Compaq and HP, runs through 2015 and provided a new name to Northern California's premier sports and entertainment venue, resulting in HP Pavilion. The agreement ensures the Sharks will remain in San Jose for the foreseeable future and the facility receives necessary amenities, upgrades and improvements its patrons have come to expect and enjoy.

This summer, SVS&E oversaw $16.5 million of improvements — which included new LED signage displays throughout the seating area of the Pavilion, a new state-of-the-art high-resolution scoreboard and a superior sound and video system to support high definition.

Business arrangements similar to SVS&E aren't uncommon in the sports and arena management industry. Other examples of this type of business arrangement include Orca Bay Sports & Entertainment in Vancouver which oversees the management of the Vancouver Canucks of the NHL and GM Place; Kroenke Sports Enterprises in Colorado which manages the NBA's Denver Nuggets, the Colorado Avalanche of the NHL and the Pepsi Center; and Palace Sports & Entertainment in Detroit which operates the NBA's Detroit Pistons, the Palace of Auburn Hills as well as the Tampa Bay Lightning of the NHL which plays its games in Tampa, Fla.

FRONT OFFICE

Greg Jamison

President and Chief Executive Officer

Greg Jamison serves as president and chief executive officer of Silicon Valley Sports & Entertainment (SVS&E), a position he has held since his promotion from executive vice president and chief operating officer in 1996. He also serves as manager and a board member of the San Jose Sports and Entertainment Enterprises ownership group after being personally approached by former Sharks Owner George Gund III to assemble a group of local investors to purchase the team in 2001.

In these roles, Jamison, 57, oversees all aspects of the day-to-day business operations and handles all major company decisions for SVS&E. This division of the company, created in the summer of 2000, oversees all business operation aspects of the San Jose Sharks, HP Pavilion at San Jose and select HP Pavilion events. In addition, SVS&E manages all or parts of Sharks Ice at San Jose (the Sharks training and public skating facility), Sharks Ice at Fremont, the SAP Open tennis tournament (ATP Tour Tennis), the American Hockey League's Worcester Sharks (the Sharks top development affiliate) as well as select HP Pavilion events such as American Metal & Iron Fight Night at the Tank (professional boxing) and Strike Force Mixed Martial Arts.

Current existing entities utilizing the experience and services of SVS&E include the San Jose Grand Prix, which played hosts to its third event in downtown San Jose in July 2007, the San Jose SaberCats of the Arena Football League and the San Francisco Dragons of Major League Lacrosse.

SVS&E previously operated the Siebel Classic, a Senior PGA tour event held in San Jose, and the San Jose Stealth of the National Lacrosse League.

Benefits of a business arrangement with SVS&E allow the San Jose Sharks and HP Pavilion Management to combine existing marketing programs, sales resources and contacts to create more efficient and meaningful business partnerships. SVS&E allows the organization to provide fully integrated advertising/corporate partnership packages that reach the multiple demographic segments represented in Silicon Valley.

During his tenure, Jamison has overseen the transformation of the Sharks into one of the National Hockey League's most respected and successful franchises. In his 10 seasons as president, the team has advanced to the Stanley Cup Playoffs eight times, including the franchise's first berth in the Western Conference Finals in 2004.

Over the last three seasons, no team has appeared in more playoff rounds than San Jose (seven) and only the Anaheim Ducks (six) have won more series than the Sharks (four).

Initially hired in 1993 for his proven leadership and ability to mesh the unique needs of all franchise supporters — including fans, businesses and corporate partners — with the talents of the club's front office personnel, Jamison's leadership role extends to working closely with Executive Vice President and General Manager Doug Wilson on a variety of organizational and hockey department issues, including major player and personnel decisions and issues relating to overall company objectives and philosophy.

In March 2001, Jamison presided over the renaming of San Jose Arena to HP Pavilion. This important agreement ensured that the team will remain in San Jose through 2015, provides the necessary resources to continually upgrade and maintain the facility and created the HP Pavilion Community Fund, which provides a minimum of $500,000 annually to community endeavors throughout the Bay Area. In 2007, Jamison announced a $16.5 million upgrade to the facility's scoreboard, fascia signage and sound system, allowing HP Pavilion to remain as the premier entertainment venue in Northern California.

Since Jamison's arrival, the Sharks have also implemented numerous creative programs to benefit the Bay Area community. First and foremost was the creation of The Sharks Foundation — established to meet the educational, social and cultural needs of the local community by offering unique resources and financial support to those in need. Last year, The Sharks Foundation donated more than $300,000 to seven beneficiaries and more than $3.7 million since its inception in 1995. Other community-related programs, such as the innovative Fremont Bank Reading Is Cool program, clearly place the Sharks at the forefront of community relations and strengthen the team's policy of being a "good neighbor" to Bay Area residents.

Jamison is an active participant in the endeavors of several local community organizations, including serving as past board president and now a member on the Board of Trustees of Ballet San Jose and past chairman of the San Jose Convention & Visitors Bureau board. He's a member of other boards — including Special Olympics, KTEH and American Leadership Forum and San Jose Sports Authority.

Jamison arrived in San Jose after a notable stint as vice president of business operations with the Indiana Pacers of the National Basketball Association from 1987-93. Under Jamison's leadership, the Pacers were annually considered among the NBA's top clubs in sponsorships, ticket sales, team merchandise and broadcast production.

From 1980-87, Jamison served as director of marketing for the Dallas Mavericks, where he was pivotal in raising the club from expansion team status to one of the most respected front offices in the NBA. Jamison's career in athletics began in 1977 with a three-year stint as director of marketing for Athletes in Action, a Christian amateur sports organization.

A native of the Pacific Northwest, Jamison earned a bachelor's degree in education from Northwest Nazarene (Idaho) College and a master's degree in administration from Colorado State University.

Malcolm Bordelon

Executive Vice President of Business Operations

Malcolm Bordelon enters his 14th season with the San Jose Sharks, his 12th as executive vice president of business operations, having been promoted to the post by President and CEO Greg Jamison on March 15, 1996. Bordelon previously served as vice president, broadcast and media marketing since joining the club in July 1994.

Bordelon, 49, oversees the following departments: Broadcasting; Corporate Partnerships; Marketing; Event Presentation; Ticket Sales and Service; Suite Sales and Hospitality and Communications, which includes Fan Development, Internet Services, Media Relations, Public Relations, as well as SVS&E Merchandising and SVS&E Publishing. He also oversees business operations for the SAP Open tennis tournament (ATP circuit). Furthermore, as a member of Senior Management, Bordelon is involved in review and pursuit of new business opportunities for SVS&E.

In addition to overseeing the business operations of the Sharks, Bordelon has played a key role in developing and is also responsible for managing Silicon Valley Sports & Entertainment.

This division of the company, created in the summer of 2000, oversees all business operation aspects of the San Jose Sharks, HP Pavilion at San Jose and select HP Pavilion events. In addition, SVS&E manages all or parts of Sharks Ice at San Jose (the Sharks training and public skating facility), Sharks Ice at Fremont, the SAP Open tennis tournament (ATP Tour Tennis), the American Hockey League's Worcester Sharks (the Sharks top development affiliate) as well as select HP Pavilion events such as American Metal & Iron Fight Night at the Tank (professional boxing) and Strike Force Mixed Martial Arts.

Current existing entities utilizing the experience and services of SVS&E include the San Jose Grand Prix, which played hosts to its third event in downtown San Jose in July 2007, the San Jose SaberCats of the Arena Football League and the San Francisco Dragons of Major League Lacrosse.

SVS&E previously operated the Siebel Classic, a Senior PGA tour event held in San Jose, and the San Jose Stealth of the National Lacrosse League.

Benefits of a business arrangement with SVS&E allow the San Jose Sharks and HP Pavilion Management to combine existing marketing programs, sales resources and contacts to create more efficient and meaningful business partnerships. SVS&E allows the organization to provide fully integrated advertising/corporate partnership packages that reach the multiple demographic segments represented in Silicon Valley.

Most recently, Bordelon played an integral role in the planning and launch of the Sharks updated logo for the 2007-08 season. Bordelon also worked closely with RbK/CCM and the National Hockey League to develop and coordinate the launch of the Sharks new uniform for 2007-08 and was a central figure in the concept and implementation of the Sharks third "black" jersey worn from 2001-07.

In addition, he's the franchise contact for a number of NHL sponsorship, broadcasting and other business-related issues. In that capacity, he served as the team's primary contact and coordinator with the NHL for the 1997 All-Star Game as the Sharks and the City of San Jose played hosts to what has been called one of the most successful mid-season classics ever conducted. He also worked with the NHL as the club's main liaison for the Sharks two-game series vs. the Calgary Flames in GAME ONe Japan, the NHL's kick-off weekend to the 1998-99 season in Tokyo.

The Sharks have also made significant gains in sponsor partnerships under Bordelon's direction, including the naming of HP Pavilion at San Jose and the club level of the facility as The Comerica Bank Club. Since he joined the organization, numerous Bay Area high-tech companies have made their first forays into sports sponsorship with the Sharks and other SVS&E properties.

Bordelon was named to the initial steering committee of the San Francisco Chapter of the National Sports Marketing Network, an industry trade organization for sports business professionals. Bordelon also currently serves on the board of the San Jose Downtown Foundation and also served as the San Jose Downtown Association president in 1998 and 1999 and remains an active board member. He's also a member of the San Jose Convention and Visitors Bureau and a member of the SJCVB Marketing Committee. Bordelon is a member of class XVIII in the American Leadership Forum-Silicon Valley, a nonprofit organization dedicated to building a better Silicon Valley community by joining and strengthening leaders to serve the public good.

Bordelon joined the Sharks after spending six years as director of sponsorship sales and promotions with the Indiana Pacers. With the Pacers, Bordelon's department experienced record growth in sponsorship income and an outstanding record of renewal business. Previously, he spent seven years within the advertising industry, including stints in media sales with Carlisle Outdoor Advertising and advertising agencies Ogilvy & Mather and Cunningham & Walsh, claiming numerous national and local awards and citations for outstanding creative and professional achievement.

A native of Houston, he graduated from Texas Tech University with a degree in advertising. Upon his graduation, he was named the American Advertising Federation Outstanding Advertising Student and the Texas Tech School of Mass Communications Most Outstanding Student. In addition, on Oct. 16, 1999, Bordelon was awarded the "Outstanding Alumni of the School of Mass Communications" during Texas Tech's homecoming festivities. He and his family live in the Almaden area of San Jose.

Charlie Faas

Executive Vice President and Chief Financial Officer

Charlie Faas enters his fifth year with the San Jose Sharks and Silicon Valley Sports & Entertainment as executive vice president and chief financial officer.

Faas oversees finance, accounting, information technology and human resources. As the chief financial officer, he's responsible for all financial matters with regards to the Sharks and other properties, including HP Pavilion Management, Silicon Valley Sports & Entertainment, Sharks Ice at San Jose, Sharks Ice at Fremont and the Worcester Sharks of the American Hockey League, the Sharks top development affiliate. Faas works closely with the board of directors of SJSEE. His duties also include business acquisitions and compliance with National Hockey League and City of San Jose reporting requirements. He also serves as a board member of The Sharks Foundation.

Before joining the organization, Faas held various finance positions in California and New York, most recently as the chief financial officer at Pharsight Corporation. His additional experience includes stints as corporate controller for ZLand.com, methodology services controller and finance director with Cadence Design Systems and numerous financial management positions at IBM.

ASAS is a non-profit organization that provides year-round sports, cultural, academic and technology programs for at-risk youth throughout the greater San Jose community. It is part of the National ASAS program founded by California Governor Arnold Schwarzenegger. SJSA is a non-profit organization that serves as the sports marketing agency for the City of San Jose.

Jim Goddard enters his 17th season with the Sharks and his 10th as executive vice president and general manager of HP Pavilion at San Jose.

Goddard, 58, oversees all facets of the building's operation, including ticket operations, event booking, guest services, parking, food services, engineering and facility technical operations. He's the point person for all discussions between building management and the City of San Jose. In the summer of 2007, Goodard helped implement the ambitious, $16.5 million capital upgrades project to HP Pavilion that included the a new, multi-level LED scoreboard, LED full color fascia display, an state-of-the-art seating area sound system, roof-rigging weight capacity increase, a new HDTV control room and an additional concourse level suite.

Goddard also oversaw two separate expansion and renovation projects of Sharks Ice at San Jose, which included the addition of a multi-million dollar, 58,000-square foot training and practice facility for the Sharks in August 2000 and a fourth sheet of ice in 2005. The facility is now the largest ice facility under one roof west of the Mississippi River. In addition, the facility added Stanley's, a 5,400 square-foot sports bar which overlooks three of the four ice surfaces and boasts 11 flat-screen plasma televisions and a state-of-the-art sound system.

From 1993-96, he served as vice president of building operations and from 1990-93, Goddard served as San Jose Arena project manager, helping oversee the design and construction of the facility. He represented the Sharks and HP Pavilion Management interests in working with the City of San Jose, architects, consultants and contractors.

Goddard came to San Jose from Minnesota, where he completed a 23-year term of service at the Met Center, finishing as vice president of Met Center Operations. While at the Met Center, Goddard was involved in all aspects of the management and operation of the facility, working with promoters, tenants, concessionaires and suppliers to ensure a consistent level of superior service was enjoyed by everyone involved with the building.

Goddard attended the University of Minnesota.

He's an active board member of the Tech Museum of Innovation, the Silicon Valley Land Conservancy, the San Jose Silicon Valley Chamber of Commerce and the San Jose Rotary.

Doug Wilson

Executive Vice President and General Manager

Through strong drafting, shrewd trades and timely free agent signings, Doug Wilson has crafted a talented team designed to compete for the Stanley Cup annually without sacrificing the future or strapping the franchise financially.

In his first three seasons as executive vice president and general manager of the Sharks, he has guided the team to its most successful era since the team's inception.

Since being named to his position on May 13, 2003, no team has appeared in more Stanley Cup Playoff rounds (seven) than San Jose and only the 2007 Stanley Cup Champion Anaheim Ducks (six) have won more playoff series than the Sharks (four).

During that same span, the Sharks rank fourth in total points (310, 138-74-34 record), tied-for-fifth in wins among all National Hockey League teams and San Jose has posted nearly three consecutive 100-point seasons (2003-04 — 104; 2005-06 — 99; 2006-07 — 107).

Perhaps the cornerstone of Wilson's tenure centers on the acquisition of 2006 Hart and Art Ross Memorial Trophy winner Joe Thornton, who has scored more points in the past two seasons (239 points [51 goals, 188 assists]) than any other NHL player.

In 2006-07, the team shattered the franchise record for wins in a season (51) and set marks for home (25) and road wins (26), the most of any NHL team last season.

A firm believer in identifying a core group of talented players and keeping them intact, Wilson has recently successfully re-signed many key players on the Sharks roster, ensuring continuity moving forward. Recently, Thornton, Patrick Marleau, Milan Michalek and Craig Rivet all signed multi-year contract extensions, joining previously re-signed players such as Jonathan Cheechoo, Evgeni Nabokov and Kyle McLaren, who surrendered potential unrestricted free agent status to remain in San Jose.

In 2003-04, Wilson's team captured the Pacific Division, setting a franchise record with 104 points, earning the second seed in the Western Conference for the Stanley Cup Playoffs for the first time in franchise history and a first-ever trip to the Western Conference Finals. The Sharks 43-21-12-6 record in 2003-04 was the third-best mark in the NHL.

In his current role, Wilson has overall authority regarding all hockey-related operations. He oversees all player personnel decisions, negotiates player contracts, coordinates the efforts of the team's scouting department, leads the team in its draft day preparation and administers the club's player evaluation process at all professional, minor and junior levels.

In his previous role as the team's director of pro development (1997-03), the 16-year NHL veteran's responsibilities included evaluating talent at all professional and minor league levels and continuous assessment of the Sharks roster and reserve list. In addition, he provided valuable input assisting in the club's player development programs and consulting with the hockey department on all major personnel issues, special assignments and contract negotiations.

Working closely with the entire hockey department, Wilson played a major role in creating a positive atmosphere in the dressing room and on-the-ice attractiveness to obtaining and retaining veteran free agents such as Vincent Damphousse, Mike Ricci, Gary Suter, Scott Thornton and Mike Vernon.

The 50-year-old Wilson was an integral member of the NHL Players' Association for four years (1993-97). With the NHLPA, he served as coordinator of player relations and business development and was primarily responsible for overseeing player relations, the development of business ventures and managing international affairs. Wilson is also a past president of the Players' Association.

Wilson sat on the board of the Canadian Hockey Association and has extensive experience in talent evaluation. He served as management consultant for Canada's entries in the 1994, 1995, 1996 and 1997 World Junior Championship tournaments — resulting in four consecutive gold medal finishes and also served on the management team for Canada's entry in the 1998 Winter Olympic Games.

Wilson draws on a vast amount of hockey knowledge and expertise throughout his experiences on- and off-the-ice. His older brother, Murray, played seven NHL seasons, capturing four Stanley Cup Championships with the Montreal Canadiens (1973, 1976-78). As a member of the Ontario Hockey League's Ottawa 67s, Wilson played for Hall of Famer Brian Kilrea, junior hockey's all-time winningest coach. During his tenure with the Chicago Blackhawks, he was a teammate of NHL legend Bobby Orr and a roommate with Hall of Famer Stan Mikita.

In 2004, Wilson was named to the NHL Game Committee, a panel of players, coaches, executives and media responsible for examining all aspects of the game. The committee, which initially met during the offseason, included Hall of Fame Coach Scotty Bowman, Pittsburgh's Chairman of the Board Mario Lemieux and former national television analyst/goaltender and current St. Louis President of Hockey Operations John Davidson, among others.

A first round draft choice (sixth overall) by the Blackhawks in 1977 after a stellar junior career with the Ottawa 67s, Wilson played 14 seasons in Chicago and still ranks as the club's highest scoring defenseman in points (779 — fifth overall), goals (225 — 12th overall) and assists (554 — third overall). Wilson ranks fifth all-time in games played (938) for Chicago. In addition, he led all Blackhawks defensemen in scoring for 10 consecutive seasons (1980-81 through 1990-91) and captured the 1982 James Norris Memorial Trophy, symbolic of the League's top defenseman, when he tallied 39 goals and 85 points — still Blackhawks single-season records for goals and points for a defenseman.

He was selected to eight NHL All-Star Games (seven with Chicago and one with San Jose) and while with Chicago, Wilson was named as an NHL First Team All-Star in 1982 and twice was named as an NHL Second Team All-Star (1985 and 1990).

Acquired by San Jose from Chicago just before the Sharks inaugural season (1991-92), Wilson brought instant credibility and respect to the young franchise. He played two seasons for the Sharks, scoring 48 points (12 goals, 36 assists) in 86 games and, entering this season, ranks T-56th on the Sharks all-time scoring list, T-17th all-time among defensemen.

Included in Wilson's Sharks career highlights are serving as the franchise's first team captain (1991-93), being the team's first representative in an All-Star Game (1991-92), playing in his NHL-milestone 1,000th game on Nov. 21, 1992 (77th player in League history) and twice named Sharks nominee (1992 and 1993) for the King Clancy Award (for leadership and humanitarian contributions both on-and off-the-ice). At his 1,000th NHL game played ceremony, he announced the creation of the Doug Wilson Scholarship Foundation, to provide assistance to worthy college-bound Bay Area students, which continues today.

Wilson announced his retirement as a member of the Sharks during training camp in 1993-94 after playing in 1,024 career games. In addition, he played in 95 career playoff games and scored 80 points (19 goals, 61 assists). The Ottawa, Ontario native scored 827 points (237 goals, 590 assists) during his career that began in 1977-78 with Chicago.

In 2004, Wilson was named to the Positive Coaching Alliance's National Advisory Board. PCA, established at Stanford University in 1998, looks to create a positive character-building experience by using sports to teach life lessons while de-emphasizing the "win-at-all-cost" mentality.

Wilson was inducted into the Chicago Sports Hall of Fame in September 1999. He also serves on the NHL's board of directors for the alumni association.

In October 1998, the Ottawa 67s honored his stellar career by retiring his No. 7 sweater. Known as an offensive defenseman, he recorded 295 points in 194 OHL games with the 67s from 1975-77. In addition, during the same weekend of activities in his hometown, he was inducted into the Ottawa Sports Hall of Fame.

Doug and his wife, Kathy, have four children: Lacey, Doug, Charlie and Chelsea.

Russell oversees ticket sales and operations as well as suite sales and hospitality for the Sharks, SAP Open (ATP circuit) and co-promotes building events. As the chief marketing officer for SVS&E, he also oversees marketing, advertising and publicity for a variety of HP Pavilion events. Russell is also responsible for marketing HP Pavilion to the entertainment, sporting and event industries as the top facility in Northern California at which to entertain, play and compete.

Before joining the organization, Russell spent three years with the NFL's Los Angeles Rams as director of sales and marketing where his responsibilities included ticket sales, marketing, advertising and corporate sponsorships. His additional experience includes stints as vice president of sales and promotions for the Arena Football League's Anaheim Piranhas and general manager of several franchises in the Major Indoor Soccer League.

A native of Cleveland, Russell earned a bachelor's degree in communications from Ohio University and a master's degree in sports administration from The Ohio State University.

Rich Sotelo

Vice President of Building Operations

Rich Sotelo enters his 15th year with the Sharks and his eighth as vice president of building operations. From 1995-99, he served as director of operations for San Jose Arena Management.

Sotelo, 50, oversees various aspects of HP Pavilion at San Jose's Building Operations Department, including audio/visual, engineering, security, conversion, cleaning, facility enhancements and construction projects. In addition, Sotelo is responsible for coordinating the facility's Emergency Response Contingency Planning and, utilizing his past knowledge and involvement with labor union negotiations, he's the HP Pavilion at San Jose's liaison and main negotiator in handling all collective bargaining agreements with the various unions.

With a 25-year background in engineering and facility operations, Sotelo, who began his career at San Jose Arena after initially being hired in 1993 by Johnson Controls, also possesses an intricate understanding of the building's inner workings. He has extensively handled equipment and facility shakedown, developed a vast knowledge of arena equipment and facilities, implemented the process to inspect and catalog all equipment locations and continues to monitor all maintenance needs.

His experience was invaluable in managing HP Pavilion at San Jose improvement projects such as the installation of an additional ice making chiller, installation of dehumidification equipment and the challenging placement of the HP signs that adorn both entrances and the roof.

In the summer of 2007, Sotelo oversaw the ambitious, $16.5 million capital upgrades project to HP Pavilion that included the a new, multi-level LED scoreboard, LED full color fascia display, an state-of-the-art seating-area sound system, roof-rigging weight capacity increase, a new HDTV control room and an additional concourse level suite.

In addition to onsite building projects, he worked on and oversaw two separate expansion and renovation projects of Sharks Ice at San Jose, which included the addition of a multi-million dollar, 58,000-square foot training and practice facility for the Sharks in August 2000 and a fourth sheet of ice in 2005. The facility is now the largest ice facility under one roof west of the Mississippi River. In addition, the facility added Stanley's, a 5,400 square-foot sports bar which overlooks three of the four ice surfaces and boasts 11 flat-screen plasma televisions and a state-of-the-art sound system.

A native Californian, Sotelo was raised in San Leandro and attended Chabot College in Hayward. Sotelo is on the board of directors for the San Jose Sports Hall of Fame.

Wayne Thomas

Vice President and Assistant General Manager

Wayne Thomas recently completed his 11th season as assistant general manager and his sixth as vice president, providing Sharks Executive Vice President and General Manager Doug Wilson with an experienced, versatile and valuable assistant.

Thomas, 59, is well versed in all aspects of the National Hockey League, garnering experience from 35 years of being a player, head coach, assistant coach, advance scout and executive. Before his promotion in March 1996, he was in his third season as Sharks assistant coach and assistant to the general manager.

An Ottawa, Ontario native, Thomas is intimately involved with all aspects of the Sharks on- and off-ice operations, including evaluating players on the Sharks reserve list with special emphasis on goaltenders, scouting other NHL teams and taking an active role in contract negotiations and player personnel matters.

For the past four seasons, Thomas has taken on a more advanced, day-to-day role in working with the Sharks goaltenders on- and off-the-ice.

Thomas serves an important role as a liaison between the coaches, training staff and the hockey department, facilitates the interaction of hockey department personnel within the organization, coordinates the construction of the NHL regular season schedule, manages training camp preparation, assists the efforts of the Sharks scouting staff and coordinates a variety of front office administrative matters.

In addition, Thomas supervises the relationship between the organization and its player development teams. In that role, he serves as the general manager of the American Hockey League's Worcester Sharks (the organization's top development affiliate) and works closely with other development organizations, including the ECHL's Fresno Falcons.

Under Thomas' direct supervision and following the franchise's goal of developing players from within, the Sharks AHL affiliate system has produced a number of key players on the Sharks current roster, acquired mainly through the NHL Entry Draft, including Evgeni Nabokov, Jonathan Cheechoo, Milan Michalek, Steve Bernier, Joe Pavelski, Ryane Clowe, Marcel Goc, Christian Ehrhoff, Patrick Rissmiller, Doug Murray and Rob Davison.

In his role as Sharks assistant coach from 1993-96, Thomas assisted with game strategy, advance scouting of opponents and performed individual work with the Sharks goaltenders. In addition, he collaborated with the general manager on a year-round basis regarding administrative matters.

Thomas joined the Sharks coaching and management staff for the 1993-94 season after spending three seasons (1990-93) as an assistant coach with the St. Louis Blues. Thomas also served in that capacity with the Chicago Blackhawks in 1987-88 and was head coach at Peoria (International Hockey League) from 1988-90 and at Salt Lake City from 1985-87. His 1985-86 squad captured the IHL's Turner Cup Championship.

A former NHL goaltender, his playing career consisted of 243 games over nine seasons, including stints with Montreal, Toronto and the New York Rangers. Thomas was a member of the Canadiens 1972-73 Stanley Cup Championship squad. Additional career highlights included being selected to and getting the win at the 1976 NHL All-Star Game as a member of the Maple Leafs, posting 10 career shutouts — including one in his first NHL start — and a lifetime goals-against average of 3.34. After his retirement in 1981, Thomas spent four seasons as an assistant coach with the Rangers.

Thomas has a bachelor's degree in physical education from the University of Wisconsin, where he played three years of hockey from 1967-70.

Ron Wilson

Head Coach

In his first three full seasons behind the bench in San Jose, Ron Wilson has established the Sharks as one of the National Hockey League's top teams, advancing deep into the Stanley Cup Playoffs each year.

Since the beginning of the 2003-04 campaign, no team has appeared in more Stanley Cup Playoff rounds (seven) than San Jose and only the 2007 Stanley Cup Champion Anaheim Ducks (six) have won more playoff series than the Sharks (four).

During that same span, the Sharks rank fourth in total points (310, 138-74-34 record), tied-for-fifth in wins among all NHL teams and San Jose has nearly posted three consecutive 100-point seasons (2003-04 – 104; 2005-06 – 99; 2006-07 -- 107).

In 2006-07, the team shattered the franchise record for wins in a season (51, T-2nd NHL, T-1st, West), points (107, T-5th, NHL) and set marks for home (25) and road wins (26, 1st NHL). San Jose also set new team marks for power play goals (92, 2nd NHL) and power play percentage (22.4%, 2nd NHL).

On March 18, 2007 at Colorado, Wilson, 50, became just the 13th coach in NHL history to reach the 1,000 game plateau and entering the 2007-08 campaign, he ranks 11th all time in games coached and third among all active coaches, behind Mike Keenan and Jacques Martin. He also ranks fourth among all active NHL coaches in career wins with 469 entering the season.

Under Wilson's guidance in the 2005-06 season, Joe Thornton and Jonathan Cheechoo authored League-leading career seasons with Thornton capturing the Hart Memorial Trophy as the NHL's most valuable player and the Art Ross Trophy as the NHL's leading point scorer and Cheechoo earning the Maurice "Rocket' Richard Trophy as the NHL's top goal scorer. That same year, Wilson coached his 900th NHL game and won his 400th NHL game on Feb. 10 vs. Dallas.

In 2003-04, Wilson was the runner-up for the 2003-04 Jack Adams Trophy, awarded to the NHL's top coach, as San Jose rebounded from a disappointing 2002-03 campaign in which they finished in last place in the Pacific Division and 14th in the Western Conference to capture their second Pacific Division title, a then-franchise-best 104 points and the second seed in the Western Conference for the Stanley Cup Playoffs.

He led the team to its first-ever appearance in the Stanley Cup Western Conference Finals and was also named "Best Coach" for the 2003-04 season by *The Hockey News*.

Wilson's family has a deep history in the game of hockey as his father, Larry, and uncle, Johnny, both won Stanley Cups while playing for the Detroit Red Wings. Wilson's coaching and playing experience includes stints at the professional, amateur, collegiate and international ranks.

Wilson coached the Washington Capitals from 1997-02, posting a 192-167-51 record, which included consecutive Southeast Division titles (1999-00 and 2000-01) and was highlighted by being named as a finalist for the Jack Adams Trophy as the NHL's Coach of the Year (1999-00) and a trip to the Stanley Cup Finals (1997-98). His .540 winning percentage with Washington ranks him third on the franchise's all-time list behind Bryan Murray (.572) and Terry Murray (.545).

Before coaching the Capitals, Wilson was named the first head coach of the expansion Mighty Ducks of Anaheim in 1993 and led the organization to their first trip to the Stanley Cup Playoffs in 1996-97, where they defeated the Phoenix Coyotes in the Western Conference Quarterfinals. In four seasons behind Anaheim's bench, Wilson posted a 120-145-31 record.

Wilson also served as an assistant coach with the Vancouver Canucks from 1990-93.

Throughout his professional and amateur career, Wilson has enjoyed a long-standing relationship with USA Hockey. In 2004, Wilson was named head coach of the United States entry in the World Cup of Hockey and led the team to the semifinals. In 1996, he led Team USA to the gold medal at the inaugural World Cup of Hockey with a two-games-to-one series victory over Team Canada in the finals and was named USA Hockey National Coach of the Year. He also coached the U.S. National Teams at the 1994 and 1996 World Championships, where his teams finished fourth and third. Wilson also served as head coach for Team USA at the 1998 Olympic Winter Games.

Wilson has also developed a reputation as one of the NHL's more technologically savvy coaches. He and his assistants (Tim Hunter and Rob Zettler) utilize a laptop computer on the bench for replays and a tablet personal computer to capture statistics in real time. In addition, Wilson conducts meetings in the locker room with a SMART Board, a "digital chalkboard," that uses streaming video and a telestrator which allows him to move player templates with his finger.

Born in Windsor, Ontario and raised in Riverside, R.I, Wilson gained the attention of NHL scouts while playing at Providence College, where he played under current New Jersey Devils President and General Manager Lou Lamoriello and was a teammate of Anaheim Ducks Executive Vice President and General Manager Brian Burke. In his four years at Providence (1973-77), he was an All-American selection twice and a four-time All-ECAC selection. As a sophomore, Wilson was named ECAC Player of the Year when he led the nation in scoring with 87 points (26 goals and 61 assists) in only 26 games. Wilson, a member of the Providence Hall of Fame, still holds the school records (and NCAA records for defensemen) in career points (250), assists (172), most points in a single season (87) and single-season assists (61).

Wilson was selected by the Toronto Maple Leafs in the seventh round (132nd overall) of the 1975 NHL Entry Draft.

He began his professional career with the Dallas Blackhawks (Central Hockey League) in the spring of 1977, joining the Maple Leafs for the 1977-78 season and playing in 64 NHL games over three seasons. In 1980, Wilson headed to Europe for six seasons, playing for EHC Kloten and HC Davos of the Swiss Elite League, before returning to the NHL in 1985. He signed as a free agent with the Minnesota North Stars and finished his playing career in 1988. In 177 NHL

games with Toronto and Minnesota, Wilson posted 93 points (26 goals and 67 assists). He also played for the U.S. National Teams in 1975, 1981, 1983 and 1987.

Off the ice, Wilson is a scratch golfer who narrowly missed qualifying for the 2005 U.S. Open in a playoff. He makes his offseason home near Hilton Head, S.C.

Tim Hunter

Assistant Coach

Former Sharks forward Tim Hunter enters his sixth season as assistant coach with San Jose, after having been named to Head Coach Ron Wilson's staff on Dec. 6, 2002. One of Hunter's primary responsibilities includes working with the team's forwards. Only five National Hockey League teams finished the 2006-07 season with more goals than San Jose's 258 . The Sharks were 8th NHL in 2005-06 and had the League's top point and goal scorers in Joe Thornton (League-leading 125 points) and Jonathan Cheechoo (NHL-leading 56 goals).

Previously, Hunter spent five seasons (1997-02) as an assistant coach under Wilson with the Washington Capitals. The 45-year-old provides an experienced voice in the Sharks locker room and on the bench.

Hunter concluded his 16-year NHL playing career with the Sharks following the 1996-97 season and also played for Calgary, Quebec and Vancouver. He won a Stanley Cup with the Flames in 1989 and appeared in two other Stanley Cup Finals (1986 with Calgary and 1994 with Vancouver). A rugged, physical winger, Hunter registered more than 200 penalty minutes in six different seasons and more than 300 minutes in three consecutive seasons. He still holds the Calgary all-time record with 2,405 career penalty minutes, as well as the team's single-season mark with 375 penalty minutes in 1988-89 and ranks eighth in NHL history with 3,146 minutes. He was a third round selection (54th overall) by the Atlanta Flames in the 1979 NHL Entry Draft.

Hunter, along with Head Coach Ron Wilson and fellow Assistant Coach Rob Zettler, are among the most technologically savvy NHL coaches. The three utilize laptop computers on the bench for replays and a tablet personal computer for real-time statistics. In addition, the staff also uses a SMART Board "digital chalkboard" in the locker room, which has video streaming and telestrator capabilities.

Huntere has attended several professional development seminars in coaching, communications and computer technology and has helped create and maintain a digital video system that the Sharks coaching staff utilizes on a daily basis during the season.

Hunter, along with Zettler, became the first professional sports coaches to receive certification from the Positive Coaching Alliance, an organization dedicated to using sports as a character-building experience based in Stanford, Calif.

Rob Zettler

Assistant Coach

Following a 14-year National Hockey League playing career that included three seasons in San Jose, former defenseman Rob Zettler enters his sixth year as an assistant coach with the Sharks. One of Zettler's main duties on Head Coach Ron Wilson's staff is working closely with the team's defensemen.

Last season, only two teams allowed fewer goals than San Jose (199).

Zettler, along with Head Coach Ron Wilson and fellow Assistant Coach Tim Hunter, are among the most technologically savvy NHL coaches. The three utilize a laptop computer on the bench for replays and a tablet personal computer for real-time statistics. In addition, the staff also uses a SMART Board "digital chalkboard" in the locker room, which has video streaming and telestrator capabilities.

Zettler spent his final three seasons in the Washington Capitals organization, where he played for Wilson and Assistant Coach Tim Hunter. He spent portions of the 1999-00 and 2000-01 seasons with the Portland Pirates, Washington's American Hockey League affiliate, where in addition to his role as a player, Zettler worked with the organization's prospects on the ice and helped prepare them for the rigors of the NHL.

Zettler returned to San Jose in 2002 following his retirement from the NHL as the Sharks radio hockey analyst. In that capacity, he added his experience to home game broadcasts, as well as assisting on "SharkByte," a weekly, 30-minute magazine-style television show devoted to the Sharks on FSN Bay Area. He also helped to create the Sharks Alumni Association, in addition to assisting The Sharks Foundation and the team's Fan Development Department with its programs, clinics and events.

Claimed by San Jose from Minnesota in the 1991 NHL Dispersal Draft, making him an "original" Shark, the steady, stay-at-home defenseman posted 70 points (five goals, 65 assists) and 922 penalty minutes in 569 NHL games with Minnesota (North Stars), San Jose, Philadelphia, Toronto, Nashville and Washington. In a Shark uniform, he posted 19 points (one goal, 18 assists) in 196 games.

The Sault St. Marie, Ontario native, who has made his offseason home in San Jose since 1991, was selected by Minnesota in the third round (55th overall) of the 1986 NHL Entry Draft. Zettler, along with Hunter, recently became the first professional sports coaches to receive certification from the Positive Coaching Alliance, an organization dedicated to using sports as a character-building experience based in Stanford, Calif.. He also recently created Zettler Pro Hockey Camps, a week-long camp in South Lake Tahoe for youngsters ages 8-11. For more info, visit www.zettlerhockey.com.

Joe Will

Director of Hockey Operations

Joe Will, 43, begins his third season as director of hockey operations. Will has been a member of the Sharks organization since its inception in July 1990, serving as scouting coordinator and assistant to the general manager before his promotion.

Will works closely with Executive Vice President and General Manager Doug Wilson on all daily departmental functions and his primary responsibilities include contract research and negotiations, scouting operations, fiscal planning and salary cap analysis and hockey administration.

The Bloomington, Minn. native also works with Director of Scouting Tim Burke in the development and implementation of draft prospect testing, draft table operations and computer scouting analysis. He's an integral part of draft-day strategy that has acquired players such as Jonathan Cheechoo. Without his coordinating efforts, the team would not have drafted 2001 Calder Memorial Trophy winner Evgeni Nabokov in 1994. In addition, he developed the Sharks computer scouting program that pioneered the advent of scouting programs used throughout the National Hockey League.

Will also works with the organization's professional scouts and management team in player research for expansion, waivers, free agency and trades. His expert analysis of economic trends in the NHL has led to the acquisition and retention of key veteran players over the years.

Before joining San Jose, Will spent six years in the Minnesota North Stars organization in various capacities.

Tim Burke

Director of Scouting

Director of Scouting Tim Burke coordinates and oversees the Sharks efforts in the National Hockey League's annual Entry Draft while working closely with Executive Vice President and General Manager Doug Wilson and his staff. In addition to being the principal decision-maker at the draft table, Burke is also responsible for evaluating amateur talent at every level in all North American and European leagues and supervises all aspects of the club's amateur scouting efforts.

Burke's hard work and keen decision making, coupled with the talents of his competent staff at evaluating players, has produced admired results. Burke's selection process has helped the Sharks create a solid foundation of talented players from which to build the franchise around — including Evgeni Nabokov (1994), Patrick Marleau (1997), Jonathan Cheechoo (1998), Marcel Goc (2001), Christian Ehrhoff (2001), Ryane Clowe (2001), Milan Michalek (2003), Steve Bernier (2003), Matt Carle (2003), Joe Pavelski (2003) and Marc-Edouard Vlasic (2005), all of whom played prominent roles in the Sharks recent seasons in which they made appearances in the late rounds of the Stanley Cup Playoffs. No team has played in more Stanley Cup Playoff rounds since the 2003-04 season than San Jose (seven) and only the 2007 Stanley Cup Champion Anaheim Ducks have won more series.

The Sharks continue to use the NHL Entry Draft as the main foundation from which to build their team. At the start of the 2005-06 season, the Sharks had the highest percentage of self-drafted players on their roster of any NHL team at 67 percent.

Furthermore, Burke's mastery at the draft table has brought a bevy of top prospects into the Sharks fold that continue making an impact in the NHL. Of the four conference finalists from 2003-04 (San Jose, Tampa Bay, Calgary and Philadelphia), only the Sharks roster was primarily built through the NHL Entry Draft with 14 players selected (Calgary and Philadelphia [six] and Tampa Bay [five]).

THE FIRST GOAL

The 2001-02 season was a memorable one for Evgeni Nabokov in many ways. But one feat will stand out forever.

On March 10, 2002, "Nabby" became the first goaltender in Sharks history and the seventh in NHL history to score a goal in a regular season game. Nabokov's goal came on an empty net at 19:12 of the third period in San Jose's 7-4 win in Vancouver.

Two more facts add to the significance of Nabokov's goal. It was the first ever scored by a European-born goaltender and the first scored by a goaltender on the power play.

GENERAL

FAN DEVELOPMENT

Since arriving in the Bay Area in 1990, the San Jose Sharks have taken a vested interest in their community. Their mission states: "The San Jose Sharks Fan Development Department is committed to providing high quality, Sharks-specific hockey experiences for all ages and abilities in an effort to cultivate nurture and create new hockey fans. Working in conjunction with SVS&E Business Operations and the Hockey Department, the programming platform will incorporate hands-on instruction, interactive experiences and leverage mascot, player, coaching and executive integration. Through our efforts, we will deliver a professional message in a fun and safe environment in order to positively impact the long-term, well-being of our franchise." Grass roots hockey programs, a mascot program, educational hockey classes and a kids club are only a few of the organization's innovations. Among its current programs are:

SAN JOSE SHARKS SUMMER HOCKEY SCHOOLS

Every year, the San Jose Sharks conduct the Sharks Summer Hockey Schools at Sharks Ice at San Jose. These camps include both a youth and an adult hockey series. An elite staff of professional instructors from the Sharks organization brings considerable expertise to hundreds of hockey players each summer. The 2007 Summer Hockey School staff was led by Roy Sommer, head coach of the Worcester Sharks, the Sharks top developmental affiliate in the American Hockey League. In addition to Sommer, camp instructors included Worcester Assistant Coach David Cunniff, Sharks Scout and Power Skating Coach Graeme Townshend and Jr. Sharks Director of Coaches and former Sharks Assistant Coach Derek Eisler. Sharks players such as defenseman Kyle McLaren, forward Patrick Rissmiller as well as Assistant Coaches Tim Hunter and Rob Zettler and S.J. Sharkie also appeared during the summer camp sessions. "SHARK FOR A DAY" FANTASY CAMP

We're all San Jose Sharks fans — passionately rooting for the boys in teal. But few of us ever get the opportunity to experience what it's like to be a member of the team. If you've ever dreamed of being a Sharks player or wondered how your game would stack up against NHLers, you have one chance. Once a year, the Sharks play hosts to the "Shark For a Day" fantasy camp, which gives fans the rare opportunity to share the ice with Sharks alumni.

From the moment you step into the building until you step off the ice, you'll get as close as you can get to being an NHL player without actually worrying about a Kyle McLaren hip check along the boards. Participants will skate with Sharks alumni in a regulation game, be given official team gear and much more!

Last year, Sharks alumni participants included Todd Harvey, Al Iafrate, David Maley, Bryan Marchment, Marty McSorley, Bernie Nicholls, Ron Stern and Gary Suter. A special guest participant was former NHL goaltender and current television analyst Darren Pang.

Net proceeds from this event benefit The Sharks Foundation. "Shark For a Day" is scheduled for the Spring of 2008. For more information, please contact Jeff Cafuir at jcafuir@svse.net or visit the "Community" section of www.sjsharks.com.

POSITIVE COACHING ALLIANCE (PCA)

PCA was established in 1998 at Stanford University. The organization's goal is to create a positive, character-building experience in which using sports to teach life lessons and honoring the game takes precedent over the "win-at-all-cost" mentality. A by-product of this goal is to transform youth sports so sports can transform youth. Executive Vice President and General Manager Doug Wilson is a member of their prestigious National Advisory Board. Other board members include Pro Football Hall of Famer and ex-49ers star Ronnie Lott, nine-time NBA Champion and Basketball Hall of Fame Coach Phil Jackson, former Shark and current Colorado Avalanche Assistant Coach Tony Granato and Kansas City Chiefs Head Coach Herman Edwards. Sharks Assistant Coaches Tim Hunter and Rob Zettler have become certified PCA trainers, making the pair the first current professional coaches to become certified to deliver workshops for PCA.

THE SHARKS FOUNDATION

The Sharks Foundation was created in 1994 in an effort to increase organizational impact on the community. S.J. SHARKIE

S.J. Sharkie enters his 17th season as the Sharks beloved mascot.

A consistent and familiar presence at every Sharks home game, Sharkie has the enviable task of entertaining a sold out crowd at "The Tank" night in and night out, performing a variety of exciting death-defying and unique stunts and acts. Sharkie's nightly performances range from rappelling from HP Pavilion at San Jose's rafters to speeding across the ice on his four-wheel all-terrain vehicle.

Since his NHL debut in January 1992, Sharkie has become one of the most recognized mascots in the universe. He's a highly respected figure both inside and outside of HP Pavilion and throughout the hockey community.

In addition to Sharks home games, this lovable mascot makes more than 400 outside appearances each year (480-plus during 2006-07) and makes a splash at any event, ranging from birthday parties to flower deliveries. He has even escorted a high school student to her senior prom and acted as the ring bearer at a wedding ceremony. Aptly coined as "The Hardest Working Fish in Sports," Sharkie has been selected to the NHL All-Star Game an amazing 11 times and assisted in dropping the ceremonial first puck at the 1997 All-Star Game in San Jose.

Besides his countless appearances, Sharkie is involved with numerous charities. Sharkie also spends countless hours on behalf of The Sharks Foundation by lending a "fin" to their school programs, fund raisers, meetings and projects throughout the year.

Sharkie's popularity has "spawned" his very own merchandise line and web site (sjsharkie.com), the first ever devoted solely to a professional mascot.

When not performing in front of sold out crowds or charity events, Sharkie enjoys watching his favorite films including "Finding Nemo," "Slap Shot" and the entire "Jaws" series. Sharkie also enjoys listening to his favorite songs, which include "Fins" and "Bad to the (Fish) Bone."

HP PAVILION AT SAN JOSE

A New Look For Northern California's Top Entertainment Venue

HP Pavilion at San Jose has been recognized as the biggest success story in the revitalization of downtown San Jose. For more than a decade, the facility with its distinctive 10-story glass pyramid entry and unique stainless steel façade has been the place-to-be-and-be-seen in the Bay Area.

Located in the heart of Silicon Valley, HP Pavilion is an exemplification of the architectural excellence and technological innovation that defines the area.

That statement carries more weight today, especially after the completion of a $16.5 million renovation over the past summer. The costs were shared by the City of San Jose and HP Pavilion.

Patrons entering HP Pavilion will now enjoy the latest in audio and video technology to enhance their viewing experience. Most noticeable to the eyes is the high resolution LED center hung scoreboard — one of the largest in North America. The middle of the arena bowl features a full-color moving LED fascia display (also known as a ribbon board).

For the ears, there's a new state-of-the-art digital sound system and acoustical improvements. Finally, there were some minor changes to allow for interfacing with high definition telecasts originating from HP Pavilion and an increased rigging capacity for concerts and shows.

Besides the San Jose Sharks, champion teams (such as the three-time Arena Bowl Champion San Jose SaberCats of the Arena Football League and the 1995 Roller Hockey International Champion San Jose Rhinos) and championship events (three NCAA Men's Basketball Western Regional Finals, 2003-07 Pac-10 Women's Basketball Tournament, 1999 NCAA Women's Basketball Final Four and the 2007 Visa Gymnastics Championships) have taken place at HP Pavilion.

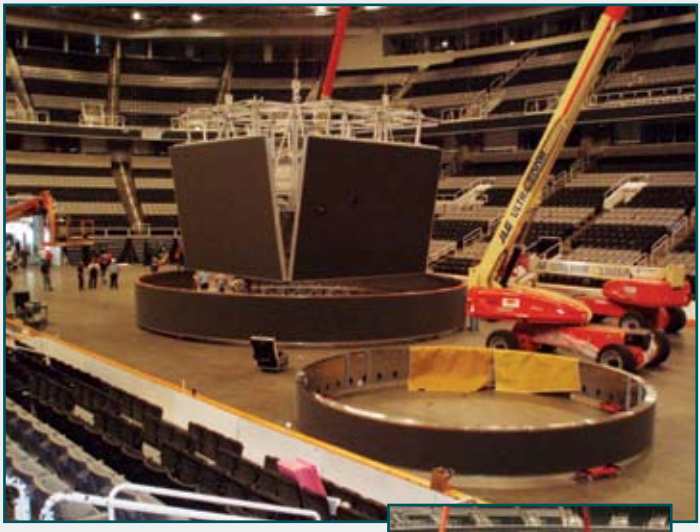

In addition, headliners such as Bruce Springsteen, The Rolling Stones, Barbra Streisand, The Three Tenors and Paul McCartney have performed before capacity crowds.

HP Pavilion at San Jose continues to set the standard for sports and entertainment venues worldwide. *Pollstar Magazine* ranked HP Pavilion as the No. 3 venue in the United States and seventh in the world in terms of non-sports tickets sold during the 2005 calendar year.

"HP Pavilion is San Jose's premiere sports and entertainment venue, drawing hundreds of first class events to San Jose every year," San Jose Mayor Chuck Reed said at the press conference announcing the improvements. "It's an economic engine that brings hundreds of thousands of people to downtown San Jose every year. We want to ensure that it continues to thrive in that role for the foreseeable future."

"The staff at HP Pavilion at San Jose takes great pride not only in providing world-class entertainment to our fan base, but also in maintaining a state-of-the-art venue that the people of San Jose can take pride in," Silicon Valley Sports and Entertainment President and Chief Executive Officer Greg Jamison said. "The enhancements will not only improve the quality of the fan experience, but it will also get the building to the standards that have become customary in entertainment facilities today."

INSIDE THE IMPROVEMENTS

CENTER HUNG SCOREBOARD

- the new high resolution display is 18-by-24 feet and provides a 16x9 video image ratio used in High Definition television displays. The old analog video display was 9-by-12 feet
- HP Pavilion at San Jose is now one of 22 National Hockey League playing venues that have HD LED scoreboards

LED FASCIA DISPLAY

- this full-color, moving LED display (also known as a ribbon board) provides a very dramatic visual experience for guests
- the display allows HP Pavilion to provide flexible programming for events such as the NCAA Championships that require specific guidelines

SEATING AREA SOUND SYSTEM

- the new sound system uses state-of-the-art digital equipment and incorporates outward facing speaker clusters as opposed to distributed speaker placement
- guests will notice a clearer, more audible sound quality as sound will be generated from the center of HP Pavilion, as opposed to all around the building

RIGGING CAPACITY UPGRADE

- the capacity was increased from 75,000 pounds to 150-200,000 pounds
- concerts and in-arena events now utilize standard loads of 60-80,000 pounds and larger shows run 125-150,000 pounds. When HP Pavilion opened in 1993, a standard show load was 40,000 pounds and large shows had an average load of 60-80,000 pounds

HD VIDEO EQUIPMENT UPGRADE

- more sporting events are now being televised in HD, as opposed to Analog
- the upgrade insures reliability and interfacing with the new center hung scoreboard, LED systems, TV trucks and the new HP HD televisions within HP Pavilion.

RADIO/TV INFORMATION

"The Voices Of Winter"

TELEVISION BROADCASTS

The award winning combination of Randy Hahn and Drew Remenda re-unite to form the Sharks television team. The pair were honored by winning the Northern California Emmy Award in the "On Camera Talent" category in 2002, 2004 and 2006.

The veteran Hahn will call the action for 70 Sharks games on FSN Bay Area. Hahn, now in his 15th season as the Sharks full-time television play-by-play man, has been with the organization since their inaugural season. The versatile Hahn has more than 20 years of broadcast experience. He has done play-by-play on television and radio, anchored radio sports shows and served as studio host for various local, regional and national telecasts. Outside of hockey, Hahn has been a prominent broadcaster for many world-renowned events such as soccer's World Cup, the Goodwill Games and the San Francisco Marathon.

Remenda spent the 2006-07 season providing color analysis for CBC's "Hockey Night in Canada." Before going North of the Border, he spent six seasons partnering with Hahn on FSN Bay Area's coverage of Sharks Hockey. In addition to his six seasons of color analysis, his 12 years of service to the organization included runs as assistant coach for both the Sharks (1991-95) and their top development affiliate (Kansas City, 1995-96).

Joining Hahn and Remenda for home telecasts is intermission host John Shrader. Equipped with nearly 30 years of broadcast experience, Shrader will provide in-depth game coverage and interesting off-ice features as well as taking fans on the bench and in the locker room with an "All-Access" look at the team for the second consecutive season.

Once again this season, Sharks telecasts will be under expert guidance of producer Frank Albin. In addition to the Sharks, Albin has produced and directed broadcasts for the Detroit Red Wings and Major League Baseball's Detroit Tigers.

FSN BAY AREA

In July 1999, the San Jose Sharks and FSN Bay Area announced a long-term agreement making FSN Bay Area the exclusive television provider of Sharks games.

FSN Bay Area is carried as an expanded basic service on most Northern California and Northern Nevada cable systems and is available to more than three million viewers. In addition to the Bay Area coverage, Sharks games are also available to fans in Sacramento, Fresno, Stockton, Modesto, Western Nevada, the Lake Tahoe region, Monterey, Redding, Mendocino and to satellite viewers across North America.

In 2007-08, FSN Bay Area will telecast 70 games.

FSN Bay Area and the Sharks will continue with technical enhancements to game coverage while broadcasting 30 games in High Definition. FSN Bay Area also works closely with the Sharks to produce the feature-oriented half-hour magazine-style "Shark Byte" program.

RADIO BROADCASTS

SHARKS RADIO NETWORK

For the 17th consecutive season, the Sharks are broadcasting their entire 82-game regular season schedule and all playoff contests on the multi-station Sharks Radio Network, which reaches much of Northern California and parts of Nevada. The Network's flagship station, 98.5 K-FOX (KUFX-FM), continues its multi-year deal with the Sharks to bring all regular season and playoff games in their entirety to its avid listeners for the seventh consecutive year.

Along with the regular season and playoff schedule, the San Jose-based radio station, also known as "98.5 K-FOX, the Classic Rock Experience," will air live coverage of two preseason games. Coverage begins with the popular 30-minute pregame show, "Sharks Warm-Up," which airs on 98.5 K-FOX in all regular season games except when a game originating outside the Pacific Time Zone occurs on a weekday. In these limited instances, the program will still be available on most Sharks Radio Network affiliates and on the Internet. During the playoffs, "Sharks Warm-Up" will air on 98.5 K-FOX in all instances.

Dan Rusanowsky returns for his 17th consecutive season of broadcasting Sharks games on the radio. Entering this season, Rusanowsky has witnessed and broadcast 1,171 regular season Sharks games and every playoff contest (106) in the team's history, including a consecutive game streak of 774 contests (725 regular season and 49 playoff games) that was snapped on Nov. 25, 2000 due to a serious automobile accident. The affable Rusanowsky, who's one of the club's most recognizable figures both on-and-off the ice, called his 1,000th NHL regular season broadcast on March 21, 2004 vs. Edmonton.

For the third consecutive season, former Sharks center Jamie Baker will provide color commentary alongside Rusanowsky. A 10-year NHL veteran, Baker spent four seasons with Team Teal. In addition to his time in the radio booth, Baker is the director of girls hockey for the San Jose Jr. Sharks youth hockey program.

Frank Albin

Director of Broadcasting

Frank Albin is entering his 11th season as Sharks director of broadcasting. Albin serves as producer and director for most of the Sharks 70-game television package on FSN Bay Area. Known around the National Hockey League for his hockey-first approach, his productions have been well received by Bay Area and satellite viewers.

In addition, Albin serves as the broadcast liaison between the Sharks, FSN Bay Area, visiting broadcasters and the NHL.

A 20-plus year veteran of sports broadcasting, Albin spent nine years at PASS Sports in Detroit, where he worked on a wide variety of sports programming. From 1988-94, he produced and directed Detroit Red Wings telecasts, as well as the syndicated "Central Collegiate Hockey Association (CCHA) Game of the Week."

From 1995 until joining the Sharks in 1997, Albin spent three seasons with Major League Baseball's Detroit Tigers producing and directing broadcasts for their state-wide television network.

A graduate of Michigan State University and a native of Detroit, Albin has won regional Emmy Awards for directing and feature producing.

Randy Hahn

Television Play-By-Play Broadcaster

Experienced broadcaster Randy Hahn provides Bay Area hockey fans with all the play-by-play action for Sharks games on FSN Bay Area. Hahn, who enters his 15th full season with the club, served in the same capacity on selected telecasts during San Jose's first two seasons (1991-93).

In 2005-06, Hahn captured his third Northern California Emmy Award in the "On Camera Talent-Play by Play" category. He also earned the award in 1999 and 2002.

Hahn has more than 30 years of sports broadcast experience, including a unique first assignment when he was just 16 years old — calling the "paw-by-paw" action of a dog sled race in the Yukon Territory in 1974. He continues to be a versatile broadcaster, having done play-by-play on television and radio, anchoring radio sports shows and serving as television studio host for various sports programs. In fact, Hahn became the interim co-host of San Francisco CBS5's "Evening Magazine" in February 2005, working alongside popular Bay Area personality Malou Nubla.

A native of Edmonton, Alberta, Hahn's other hockey broadcast experience came as studio host of Los Angeles Kings games on the Prime Ticket cable network before joining the Sharks. Early in his career, he was on the radio broadcast team of both the Vancouver Canucks and Edmonton Oilers, in addition to performing various broadcast roles in those cities.

Hahn is also an experienced soccer announcer. He called matches on ABC and ESPN during the 1994 World Cup. From 1982-92, he was the play-by-play voice of the North American and Major Indoor Soccer League's San Diego Sockers. Hahn also announced the 1990 World Cup and has called the action for USA National Team soccer games on SportsChannel and for Major League Soccer's Kansas City Wizards.

From 1991-94, Hahn was a studio anchor for SportsChannel Chicago's nightly highlight show and worked on broadcasts for collegiate basketball, baseball, volleyball and gymnastics. Hahn has been a play-by-play broadcaster for Arena Football League games on FSN.

In 1990, Hahn lived in San Jose and was instrumental in helping bring the National Hockey League to this area, serving as vice president of Pro Hockey San Jose — a grassroots, non-profit corporation formed for the purpose of attracting an NHL franchise to the new multi-purpose venue being built downtown.

Hahn's wife, Roberta Gonzales, CBS5's evening news weathercaster, is an Emmy Award winner herself and was recently awarded the Associated Press Television-Radio Award for "Best Weather Segment" for the second consecutive year. She's a former weathercaster at KNTV in San Jose and was honored as 1990 Woman of the Year in the field of communications by the *San Jose Mercury News* for her contributions to the South Bay.

Drew Remenda

Television Color Analyst

Drew Remenda returns to the organization this season as the team's television color analyst, re-joining Television Play-by-Play Broadcaster and co-Emmy Award winner Randy Hahn for Sharks telecasts on FSN Bay Area.

Remenda will also return as host of FSN's "SharkByte," the popular magazine-style show dedicated to Sharks hockey on- and off-the-ice.

Remenda spent the 2006-07 season as an analyst for the Canadian Broadcast Company's (CBC) celebrated "Hockey Night in Canada" program, which followed six seasons on FSN Bay Area as the Sharks television color analyst, where he won three Bay Area Emmy Awards (1999, 2001 and 2006). Preceding his work on FSN, Remenda spent three seasons working with Dan Rusanowsky as radio color commentator on 98.5 KFOX and the Sharks Radio Network.

Drawing upon his extensive network of hockey contacts and his background as an assistant coach, Remenda skillfully provides in-game analysis, insightful information and anecdotes.

The Saskatoon, Saskatchewan native also serves as the host of "The Drew Remenda Sports Show," a staple on 650 CKOM Radio in Saskatoon and on 980 CJME in Regina.

A Sharks assistant coach from 1991-95, Remenda also served as associate coach for the Kansas City Blades of the International Hockey League, then the Sharks top developmental affiliate in 1995-96. Before joining the Sharks organization, he served as the video coordinator for Hockey Canada, where he provided support for Canada's National Team and the Canadian Amateur Hockey Association. Remenda's vast hockey background also includes a stint as assistant coach at the University of Calgary from 1988-90 and coaching at the amateur level since 1983.

John Shrader

Television Intermission Host

For the second consecutive season, long-time Bay Area sports broadcaster John Shrader will join Television Play-by-Play Announcer Randy Hahn and Color Analyst Drew Remenda on FSN Bay Area as the intermission host and rinkside reporter.

Shrader, who has nearly three decades of broadcast experience, will provide in-depth game coverage and interesting off-ice features as well as taking fans on the bench and in the locker room with an "All-Access" look at the team.

For more than 15 years, Shrader was a sports anchor/sports reporter/talk show host for KNBR in San Francisco, the nation's No. 1 all-sports radio station. He was a television sports anchor in San Jose for 10 years, first at KNTV and then at KICU.

Shrader's experience isn't limited to sports anchoring/reporting. For 10 years, he was the radio and television voice of the two-time Major League Soccer Champion San Jose Earthquakes. He's also been the radio voice of San Jose State University football and basketball, the Silicon Valley Classic college football bowl game and the annual East-West Shrine Game.

Shrader teaches journalism and media at San Jose City College and can be heard doing sports reports on KCBS AM 740. He has a bachelor's degree in Journalism from the University of Nebraska-Lincoln. Shrader worked in radio and television for three years in the Nebraska towns of Kearney and Hastings before moving to the Bay Area in 1980.

Dan Rusanowsky

Radio Play-By-Play Broadcaster

Long-time Radio Play-by-Play Broadcaster Dan Rusanowsky returns for his 17th consecutive season as the "Voice of the Sharks" on 98.5 KFOX (KUFX-FM) and the Sharks Radio Network.

A 28-year veteran of hockey broadcasting at all levels, Rusanowsky is responsible for producing all radio broadcasts, directs and administers the multi-station Sharks Radio Network (which provides coverage of all games for hockey fans in Northern California and parts of Nevada and Oregon) and oversees the relationship with flagship station 98.5 KFOX.

An active, year-round member of the Bay Area broadcasting community, Rusanowsky is one of a select few play-by-play announcers who have been tapped by NHL Radio to announce the "Game of the Week" on the Westwood One Radio Network.

Rusanowsky has provided the play-by-play call on several Major League Soccer radio broadcasts. He has served as a guest host on KNBR 680 and 1050 AM, as well as the nationally syndicated "Sports Byline USA/Sports Overnight America" programs.

A Milford, Conn. native, Rusanowsky's resume also includes television play-by-play work. A motor racing enthusiast, he has been the in-venue host for each of the three San Jose Grand Prix Champ Car events.

Rusanowsky was injured in a serious automobile accident on Nov. 25, 2000, ending a continuous broadcast streak of Sharks regular season and playoff games at 774. (He has been behind the microphone for all 106 playoff games in Sharks history.) Rusanowsky called his historic 1,000th Sharks regular season game on March 21, 2004 vs. Edmonton.

Along with his broadcasting duties, Dan works with many community organizations and is an active member of the NHL Broadcaster's Association.

Before arriving in the Bay Area, Rusanowsky was the radio voice for the American Hockey League's New Haven Nighthawks (1986-91) and St. Lawrence University's NCAA Division I hockey program from 1979-86. He received a bachelor's degree at St. Lawrence and subsequently earned his M.B.A. at Clarkson University.

Jamie Baker

Radio Color Analyst

Former Shark Jamie Baker returns to the airwaves for his third season of providing color analysis for Team Teal. Baker accentuates Dan Rusanowsky's radio broadcasts in explaining the finer details of the game.

Following an outstanding college career at St. Lawrence University, Baker went on to play in parts of 10 National Hockey League seasons, including four with the Sharks. In 404 career games, he tallied 71 goals and 79 assists for 150 points. Baker also appeared in 25 Stanley Cup Playoff games. Known for his speed, grit and tenacity as a player, Baker was always at his best when the game was on the line.

Baker's high-energy personality, enthusiasm and excellent knowledge of the NHL have greatly enhanced Sharks radio broadcasts and his dedication to grassroots marketing have helped expand the ever-growing youth hockey population in the Bay Area. During his time away from the microphone, Baker is the director of hockey for the San Jose Jr. Sharks girls youth hockey program.

CREDENTIALS: Press seating for Sharks home games at HP Pavilion at San Jose is available to accredited media in the press box located on the north side of the building's upper level. Single-game credentials must be requested no later than 5 p.m. the day before a game played Tuesday through Saturday and by 5 p.m. Friday for a Sunday or Monday game. Requests should be made in writing to Scott Emmert, Director of Media Relations, San Jose Sharks, 525 W. Santa Clara St., San Jose, Calif. 95113; facsimile requests at 408-999-5822 or E-mail requests at "semmert@svse.net" will also be accepted. Credentials are good for admittance to the press room (building's first level) and to both teams' postgame locker rooms. The elevator to the press room and press box is located on the north side of the building's concourse near Media Entrance "A."

All international credential requests must go through NHL Public Relations AT LEAST 24 hours prior to the requested game.

Due to limited press box seating, those requesting single-game credentials will be seated on an as-available basis, with preference given to the following: local daily newspapers and wire services, television stations with sportscasts, radio stations which use actualities, visiting media, national media. Next preference goes to other Bay Area media including weekly newspapers, general topic magazines and television shows and any other media, including Internet sites, which have a specific assignment to cover a Sharks game. Single-game credentials must be picked up at Media Entrance "A," located on the northwest side of the building off of parking lot A. Those persons holding full-season Sharks or NHL Team Management credentials MUST enter through Media Entrance "A."

MEDIA MEMBERS HOLDING SEASON PASSES SHOULD NOTIFY THE MEDIA RELATIONS DEPARTMENT IF PLANNING TO COVER A GAME IN ORDER TO RESERVE SEATING. A MEDIA CREDENTIAL CANNOT BE USED TO SIT IN SPECTATOR SEATING AREAS.

DAY-OF-GAME INTERVIEWS: After the completion of the morning skate, typically beginning at 10:15 a.m. (for a 7:30 p.m. start), is the best time to interview players and coaches on a game day. "Pre-tape" television or radio requests to interview a player upon his arrival to the building for the game must be made no later than the conclusion of the team's morning practice and cannot be guaranteed. If the team is not practicing, the request must be made to the Sharks, or visiting team public relations department, no later than 10 a.m. on the day of the game. The Sharks Media Relations Department cannot guarantee access to players or coaches if practice is not scheduled.

DAY-OF-GAME PRACTICES: On home game days when the Sharks choose to practice, they will typically take the ice at approximately 10:15 a.m. at HP Pavilion at San Jose. Media members should plan on arriving by 10:15 a.m. for game-day practices to ensure the availability of the requested players. The visiting team's practice usually follows the Sharks, beginning normally at 11:30 a.m. **TIMES AND LOCATIONS FOR BOTH THE HOME AND VISITING TEAMS ARE SUBJECT TO CHANGE.** Contact the Sharks Media Relations Department if there is a question regarding either team's practice schedule.

PREGAME MEDIA ACCESS: Sharks players and coaches are available to credentialed members of the media for a 30-minute window, which begins two hours prior to game time. For example, pregame media access for a 7:30 p.m. home game lasts from 5:30 p.m. until 6 p.m. Media members who wish to utilize this media access window are strongly encouraged to contact the Sharks Media Relations Department in advance with their interview requests.

LOCKER ROOMS: The home and visiting team locker rooms will re-open within five (5) minutes after the game. The officials' locker room is off-limits to the media. Should a comment or interpretation from the game's referee or NHL supervisor be needed, contact a member of the Sharks Media Relations Department and a pool reporter may be assigned.

PHOTOGRAPHERS: Only those photographers on assignment will be allowed access to designated photography locations at rink level and in overhead positions. Photo holes are accessible to local dailies, wire service photographers and local TV crews (for non-televised games). Two ice-level photography positions are reserved for Sharks team photographers. Additional photography positions are determined on a first-come, first-served basis; however, in cases of increased photographer (i.e. playoffs) attendance, positions will be assigned by the Sharks Media Relations Department. In all cases, photographers should check in with a media relations representative in the press room before game time. Because of very limited photography locations and NHL Images regulations, it is not possible to accommodate freelance photographers.

PRESS ROOM: Media possessing full-season credentials or those granted single-game credentials are invited to have a meal, for a nominal fee, before each game in the press room, located on the lower level (building's north side). The room opens two-and-one-half (2:30) hours before game time. Dining room usage is limited to those presenting valid Sharks or NHL Team Management passes. It is impossible to accommodate family members, friends, guests or others. Any abuse of dining room privileges may cause forfeiture of a media pass. Limited refreshments are also available during intermissions as well as in the press box during games.

SERVICES: Game notes, lineups, press releases, complete statistics and other pertinent information will be furnished by the Sharks Media Relations Department. There are sufficient electrical outlets and telephones available in the press box and media work room (adjacent to the Press Room). Preference for phone use will be given to writers and broadcasters filing stories on deadline. The Sharks also provide complimentary facsimile services for working media, if necessary. The press room and press box are equipped with WI-FI wireless Internet service, as well as high-speed DSL hardlines.

TELEVISION COVERAGE: All television stations are prohibited by the National Hockey League from shooting and distributing game footage of any contest that is being broadcast from HP Pavilion at San Jose by either the San Jose Sharks, the visiting team or network television. Requests for special features and the like should be directed to the Sharks Media Relations Department.

Michael T. Lehr

President and Chief Executive Officer — Worcester Sharks and Sharks Minor Holdings, LLC

Michael T. Lehr is the president, chief executive officer and alternate governor of Sharks Minor Holdings, LLC and the Worcester Sharks. Lehr's experience and expertise are used to direct the day-to-day business operations of the Sharks minor league operations, while serving as the direct liaison to the Silicon Valley Sports & Entertainment ownership group. He's the day-to-day representative on the American Hockey League Board of Governors.

Through his due diligence and intuition, the Worcester Sharks were originated on Jan. 9, 2006. Aware of the potential of the Worcester market and the city's passion for hockey, he formed a mutually beneficial partnership with the DCU Center and city leaders to return AHL hockey to the city. Lehr focused on creating a strong partnership between the team, city and DCU Center, which he felt would be critical to the overall success of the Worcester Sharks. His close working relationship with AHL President David Andrews and the AHL Board of Governors led to the unanimous approval of the franchise for the 2006-07 season.

Lehr's focus with the Worcester Sharks encompasses three primary objectives: 1) to help the Sharks develop their young prospects to play in the National Hockey League, while challenging for the Calder Cup on an annual basis; 2) make the Worcester Sharks a successful member of the business community as a stand-alone business; and 3) integrate the Sharks into the fabric of the Worcester community.

Before joining Sharks Minor Holdings, Lehr successfully worked in Major League Baseball and for several regional sports networks. He served as the regional director of programming and network operations for SportsChannel Ohio in Cleveland and Cincinnati from 1991-93. Under his direction, SportsChannel captured its first local Emmy Award for "Outstanding Sports Coverage" of Indians Baseball. He also spent time in management roles with Prime Cable of Chicago and Westinghouse Broadcasting, Inc.

In 1993, Lehr became director of broadcasting for the Cleveland Indians. During his tenure with the Indians, he oversaw the creation of the Indians Radio Network, negotiated broadcasting contracts and successfully engineered the formation of ballpark entertainment at Jacobs Field.

In 1996, he joined the Baltimore Orioles as vice president of marketing and broadcasting. While with the Orioles, Lehr was responsible for overseeing many facets of the organization — including marketing, broadcasting, advertising, corporate partnerships, luxury suite sales, retail operations, on-line ventures, ballpark entertainment, publishing, fantasy camps, spring training operations, promotions and ticket sales. Under his leadership, the Orioles more than doubled their corporate sponsorship and broadcasting revenues while setting a franchise high in ticket sales. He was a member of both the marketing and advertising committees for Major League Baseball.

Immediately before joining Sharks Minor Holdings, he served as managing partner and co-founder of Power Plant Studios, a full-service marketing, management and communications group whose clients included Baseball Hall of Famer Cal Ripken Jr.

Lehr's commitment to the community has followed him in each city he has lived. He has been active for charity groups such as Big & Little Brothers, Cleveland Indians Charities, Orioles Foundation, American Lung Association, Grant-A-Wish, YMCA, Special Olympics, Cleveland Sports Commission and several other youth sports organizations.

Lehr graduated from the University of Wisconsin in 1984 with a bachelor of arts degree in communications and political science.

David Daniels

Chief Operating Officer

David Daniels joined the Worcester Sharks as vice president of sales and marketing on Feb. 9, 2006. One year later, Daniels was promoted to chief operating officer and assumed control of the team's day-to-day operations.

Before joining the Sharks, Daniels served as the director of sales and marketing for Adelphia Communications. He oversaw all facets of consumer sales and marketing for the Northeast region of the $ 5.4 billion telecommunications giant and was responsible for consumer launches of advanced video products — including OnDemand, HD and DVR.

From 2001-03, Daniels was senior vice president of sales and marketing for InSight Telecommunications, a privately owned telecommunications services company. With InSight Telecommunications, he developed all service pricing and packaging options, including several new product launches, and managed national sales and operations teams who were responsible for the distribution of content transmission services and solutions.

Daniels spent six years working for the Walt Disney Company, ultimately becoming senior vice president, sales and marketing. He was responsible for the national distribution of Disney networks and successfully launched two cable television networks. He managed all U.S. regional offices and his duties included national account management, strategic planning and field product branding.

Daniels also spent several years with the New England Sports Network (NESN) as the sales and marketing manager. At NESN, he developed a multi-state territory generating more than $12 million in revenue. He also developed and executed pricing strategies, consumer acquisition campaigns and promotions.

Daniels earned a bachelor's degree in political science from Stonehill College in North Easton, Mass. He lives in North Easton with his wife, Christine.

Michael Mudd

Vice President & Assistant General Manager

Michael Mudd serves as the vice president and assistant general manager for the Worcester Sharks. Mudd works alongside Sharks President and CEO Michael T. Lehr and General Manager Wayne Thomas, playing a vital role in all aspects of the Sharks operations.

As assistant general manager, Mudd is responsible for developing and implementing the hockey operations budget, evaluating the Sharks player personnel and providing scouting for Sharks opponents. He's also responsible for locating talent from other hockey leagues and works with Thomas to fill the Sharks roster. Mudd serves as the Sharks liaison with the American Hockey League office for all hockey-related issues and is responsible for the administration of training camp and team travel.

Mudd also assists Lehr and Chief Operating Officer David Daniels in the team's overall business operations. Mudd is heavily involved in the corporate, ticket, marketing, community relations, public relations and broadcasting departments, with a heavy emphasis on special projects.

Mudd enters his seventh season with the Sharks organization. Before joining the Sharks, he was general manager of the Cleveland Lumberjacks of the International Hockey League. During his two years with the 'Jacks, Mudd compiled a 83-62-19 record, helping lead the club to two straight Turner Cup Playoff berths.

From 1997-99, he served as the general manager and director of hockey operations for the Chesapeake Ice Breakers of the ECHL. Under his guidance and through difficult circumstances off the ice, the expansion team posted a combined record of 68-53-19 and qualified for the Kelly Cup Playoffs in each of its two seasons. Before going to the Ice Breakers, he was the assistant general manager for the Baltimore Bandits of the AHL, where he also was the team's goaltending coach and led the Bandits to two Calder Cup berths.

A goaltender, Mudd attended the St. Louis Blues training camp and played professional hockey for two seasons, splitting time between the ECHL and the IHL. A native of Amherst, N.Y., Mudd was a four-year member of the college's hockey and baseball teams at St. Lawrence University, where he earned a bachelor's degree in economics. He was named first team All-ICAC as a freshman centerfielder. Mudd earned his master's in sports management from Miami University (Ohio), where he was the assistant coach of the hockey team from 1992-94.

Mudd and his wife, Holly, reside in Shrewsbury, Mass. with their son, Tyler, and daughter, Ashley.

Roy Sommer

Head Coach

Worcester Sharks Head Coach Roy Sommer, who plays a major role in developing players for the San Jose Sharks, is currently the longest-tenured coach in the American Hockey League.

The native of Oakland, Calif. returns for his 10th season behind the bench of San Jose's top development affiliate and his 13th season overall with the Sharks organization. In his 10 seasons as head coach, Sommer has compiled a 319-305-54-42 record in the regular season and has reached the postseason four times.

In his time as the coach of the Sharks top development affiliate, Sommer has coached more than 60 players who have spent time in the National Hockey League, including 2006 Maurice "Rocket" Richard Trophy winner Jonathan Cheechoo. The list of current Sharks players who've spent time under Sommer's tutelage includes Cheechoo, Christian Ehrhoff, Steve Bernier, Matt Carle, Joe Pavelski, Patrick Rissmiller, Douglas Murray and Ryane Clowe.

From 1999-01 with the Kentucky Thoroughblades, the Sharks top development team before the franchise's move to Cleveland, Sommer's club went 84-50-21-5 to capture two consecutive Mid-Atlantic Division titles and went to the Calder Cup Playoffs each season. Sommer's success was recognized during the 1999-00 season with his selection as the head coach for the Canadian All-Star Team at the AHL's mid-season classic, where his squad toppled PlanetUSA, 8-3.

During his first season in Kentucky (1998-99), the Thoroughblades registered franchise records for most regular season wins (44), most road wins (21) and total points (98) in a season while posting the league's fifth-best record. This success came despite having 17 players on Kentucky's roster promoted to the NHL at some point during the season.

Before being named head coach of the Thoroughblades in 1998, Sommer, 46, spent two seasons (1996-98) as an assistant coach with the San Jose Sharks.

With the Sharks, Sommer was responsible for pre-scouting upcoming opponents for their offensive and defensive tendencies, line combinations and special teams tactics. In addition, he assisted in running practices and provided special on-ice extended workouts with scratched players and those rehabilitating injuries.

Before Sommer joined San Jose, he served as head coach of the ECHL's Richmond Renegades from 1991-96 and was named 1995-96 Coach of the Year after leading his team to a league-best 46-11-13 mark and a league-record 105 points in capturing the Brabham Cup (best regular season record). Sommer led the Renegades to the Riley Cup (league playoff championship) in 1994-95 after posting a 41-20-7 regular season record. In addition, he served as head coach of the ECHL's East All-Star Team in 1994-95 and the North All-Star Team in 1995-96.

Sommer's additional ice hockey coaching experience includes assistant coaching stints with the Albany Choppers and Muskegon Lumberjacks of the International Hockey League and working with USA Hockey as an assistant coach at several evaluation camps for 16- and 17-year-old players.

In 1998, he served as head coach and general manager for the silver-medal winning Team USA (4-1-0 record) at the International Ice Hockey Federation In-Line Hockey World Championships in Anaheim. Sommer led his squad to gold medal finishes in each of the first two tournaments (1996 in St. Paul, Minn. and 1997 in Anaheim) and posted undefeated records each year. His three-year coaching mark at this prestigious tournament stands at 17-1-0.

The former San Francisco Bay Area youth hockey player coached Roller Hockey International's San Jose Rhinos for three seasons (1994-96), including capturing the Murphy Cup (league championship) in 1995. In addition, Sommer served as head coach for RHI's 1996 Western Conference All-Star Team.

Before stepping behind the bench, Sommer played nine seasons of professional ice hockey. A sixth round selection by the Toronto Maple Leafs in 1977, Sommer played in the Leafs system as well as those of the St. Louis Blues, Edmonton Oilers, New Jersey Devils and Pittsburgh Penguins. The highlight of Sommer's NHL career came during the 1980-81 season when, as a teammate of Wayne Gretzky, Sommer scored a goal in his NHL debut with the Edmonton Oilers.

He served as captain of the Wichita Wind from 1980-83 and again with Muskegon in 1986-87. Sommer, who played left wing and center during his career, was a member of the 1983-84 AHL Calder Cup Champion Maine Mariners and helped lead Muskegon to the IHL title (Turner Cup) in 1985-86. He played his junior hockey for the Spruce Grove Mets, which won the 1975 Centennial Cup, and for the Calgary Centennials. Sommer was a member of the United States National Team at the World Junior Championships in 1976-77.

Sommer currently resides in Shrewsbury, Mass. with his wife, Melissa, and his three children: Marley, Kastien and Kyra.

David Cunniff

Assistant Coach

David Cunniff returns for his sixth season as assistant coach for San Jose's top developmental affiliate. Making his coaching debut five seasons ago, Cunniff has played an integral role in assisting Head Coach Roy Sommer in all coaching duties — including video breakdown, player assessment and scouting.

Cunniff's coaching efforts are primarily focused on the defensive end. His presence on the Cleveland staff was pivotal in the rapid development of several defensemen including Rob Davison, Christian Ehrhoff and Douglas Murray. With a focus on player development, Cunniff assists in the Sharks Summer Development Camp and the Sharks Rookie Tournament.

For the past five seasons, Cunniff has been an instructor at the San Jose Sharks Summer Hockey School. By doing so, he shared his expertise with more than 200 campers ranging from age six to adult.

The son of the late NHL veteran and U.S. Olympic Team Coach John Cunniff, David played eight seasons of professional hockey in the American and East Coast Hockey Leagues. That stint included playing two seasons under his father with the Albany River Rats in the AHL (1998-00). After a one-year hiatus, he concluded his playing career in the 2001-02 season with Louisiana and Richmond in the ECHL. In 268 AHL and ECHL games, Cunniff scored 82 points (38 goals and 44 assists) and posted 555 penalty minutes.

The South Boston native played his college hockey at Salem State College and currently resides in Milton, Mass. with his wife, Mary-Ann, and their two sons, Patrick and David.

Matthew White

Head Athletic Trainer

Matt White returns to the Sharks for his second season as head athletic trainer after earning his master's degree from Boston University 2005.

While studying for his degree, he served as assistant athletic trainer for the men's soccer team as well as the men's and women's track and cross country teams. DCU CENTER SEATING CHART

THE DCU CENTER
HOME OF THE WORCESTER SHARKS

For more than two decades, the DCU Center in Worcester has been recognized as the gathering place for people to experience the finest in entertainment, sporting events and public functions.

Hailed as one of the most successful entertainment and convention facilities in the nation, the DCU Center hosts a myriad of events including concerts, sporting events, family attractions, conventions, trade shows, banquets and meetings on an annual basis. The facility is the proud home of the Worcester Sharks, the American Hockey League affiliated franchise of the San Jose Sharks.

In October 2004, one of the most successful entertainment and convention facilities in the world was re-named the DCU Center. The arena opened its doors in September 1982 with the legendary Frank Sinatra Inaugural Concert and quickly became one of the nation's most successful facilities by hosting concerts, family shows and sporting events.

Since that time, the venue has consistently ranked among the top-five venues of its size internationally by *Billboard Magazine*. Over the last two decades, artists of all musical genres have played to enthusiastic crowds at the venue. In addition, artists such as Neil Diamond, Billy Joel, Bruce Springsteen and most recently Hilary Duff have chosen Worcester as the location to "kick-off" their world tours.

Expanding by 2,500 seats in 1987, the facility received an exterior facelift, two cantilevered balconies and two club seat locations. In addition to its success with concerts, the facility became, and continues to be, a regular stop on the family show circuit. Shows such as the Ringling Bros. and Barnum & Bailey Circus, Sesame Street Live, Disney On Ice, Harlem Globetrotters and The Wiggles, plus new touring products on an annual basis have come to the DCU Center.

Audiences have witnessed a wide variety of memorable sporting contests, including NCAA Basketball and Hockey tournaments, World Championship and Olympic Boxing, preseason NBA and NHL games, Holy Cross College Basketball, professional tennis championships, Professional Bull Riding, World Wrestling Entertainment and the MIAA High School Basketball and Hockey State Finals.

Already known for being a flexible, contemporary facility, the DCU Center opened a state-of-the-art convention center in 1997. Adding more than 50,000 square feet of exhibit space, the complex combined both the new convention center and the original arena for a total of 100,310 square feet of exhibit space. In addition, the new convention center includes 23,636 square feet in 11 meeting rooms, a 12,144 square foot ballroom, state-of-the-art kitchen facilities and new administration offices.

During this expansion, a pedestrian-friendly plaza was installed on the east side of the arena providing design connectivity for the two facilities, as well as a location for exterior exhibiting and promotional opportunities. Combined with the existing 14,800-seat arena, two meeting rooms, six team locker rooms and five private dressing rooms, the DCU Center can accommodate almost any type of meeting, convention or trade show.

With the opening of the new convention hotel adjacent to the facility and final funding which is expected to be approved for the connecting Sky Bridge — these projects will complete the final piece of expansion in downtown Worcester by connecting the new hotel, the Worcester Municipal Parking Garage and the convention center. Both the arena and the convention center boast active schedules with ever growing and diverse events.

The DCU Center is owned by the city of Worcester and is managed by SMG, the world's leading private management and developing firm for public assembly facilities. Based in Philadelphia, SMG operates 168 venues and controls more than 1.3 million entertainment seats worldwide plus over nine million square feet of exhibit space.

MINOR PRO AFFILIATES

The Fresno Falcons will be San Jose's secondary affiliate for the fifth consecutive season.

Over the last three seasons, 14 players have spent time with Fresno and San Jose's top development affiliate in the American Hockey League. In 2006-07, seven players wore the colors of the Falcons and the Worcester Sharks — including top goaltending prospects Thomas Greiss and Dimitri Patzold.

"Being part of a developmental league, it's important to be associated with a first-rate NHL organization such as the San Jose Sharks," Fresno Head Coach/General Manager Matt Thomas said. "Obviously, the success they've had in recent seasons is a tribute to the way they do things and we're excited to be able to continue our affiliation with them this season."

"The Sharks are very pleased to continue our affiliation with the Falcons," San Jose Vice President and Assistant General Manager Wayne Thomas said. "It's been a pleasure working together for the last four years and to be able to work with a winning organization is a big plus. We are fortunate to be able to work with Matt Thomas. Our entire organization trusts him with the development of our players and we expect another great season in Fresno in 2007-08."

"We have had a great partnership with the Fresno Falcons for the past four seasons," Worcester Sharks Vice President and Assistant General Manager Mike Mudd said. "Fresno is a great location to place our prospects and we very much respect the job Matt Thomas and Ryan Mougenel have done in terms of player development."
